Dear Preferential Parking District Resident:

You have received this letter because you are a resident of the newly expanded Preferential Parking District (PPD) No. 270. The Los Angeles Department of Transportation (LADOT) has validated the residents' petitions to install signs with the following authorized restriction:

RESTRICTION: **No Parking 6PM - 8AM, 2 Hour Parking 8AM - 6PM; Vehicles with District No. 270 Permits Exempt**

LOCATIONS TO BE POSTED:

Runnymede Street between Mason Avenue and Oso Avenue (20400 block)
Runnymede Street between Mason Avenue and Oso Avenue (20300 block)

You have 4 weeks from the date of this notice to purchase parking permits. Due to staffing shortages, signs will be posted as scheduling allows. Parked vehicles not displaying a permit during the PPD restrictive hours may be cited. **Enforcement Date: Monday, December 7, 2026**, after the signs are installed.

Cash, credit cards, check or money order are acceptable forms of payment. Permits can be renewed on-line, in-person or by mail.

ANNUAL PERMIT (LIMIT: **3** PER RESIDENCE): Annual permits cost **$34** per year and have a set expiration date. Purchase costs may be prorated if you obtain your permit at a different time. Lost or stolen Annual permits may be replaced upon submission of a written statement of loss and a replacement fee of $11.50. If you change vehicles, you must also purchase a replacement permit and return the old permit. Faded permits are replaced free of charge once proof is presented.

To purchase an Annual permit, the vehicle must be registered to an address within the district. You must present the vehicle registration for each vehicle for which you intend to purchase an Annual permit at the time of purchase. If the vehicle for which you need a permit is a company vehicle, a letter on your employer's letterhead confirming the license number of the vehicle and your name must be presented.

Annual permits must be hung from the rearview mirror of the vehicle and visible through the front windshield. They are valid on any block posted with a **PPD No. 270** restriction.

VISITOR PERMIT (LIMIT: **2** PER RESIDENCE): Visitor permits cost **$22.50** each and are valid for 4 months from the date of purchase. **This permit can be used on any vehicle but only on the block indicated on the permit.** The permit must be hung from the rearview mirror of the vehicle. **Lost or stolen Visitor permits cannot be replaced until they are due for renewal.**

GUEST PERMIT (UNLIMITED ALLOWANCE PER RESIDENCE): Guest permits cost **$2.50** each, are valid on any vehicle and on any block in your district posted with PPD restrictions. Once an account is open, this type of permit can be purchase by mail (you should allow at least a **3-week** lead time), in-person or on-line. **For technical reasons, only 25 Guest permits can be purchased on-line for a single use date.** Should you require more than 25, you will need to obtain the permits in person or by mail.

While Guest permits can be used on any vehicle on any street in your PPD with posted preferential parking restrictions, they are only valid on the day indicated on the permit.

OTHER PERMIT INFORMATION: Visitor and Guest permits are exclusively for the use of the residents and their guests. Penalty for violation of this requirement is loss of parking privileges for a period of one year.

Per LAMC 80.58, Sections (g) & (h) - Vehicles with Disabled Person Parking Placards or license plates are exempt from signs which include the phrase: **"District No. 270 Permits Exempt".** Commercial vehicles are only exempt from Preferential Parking restrictions when performing a service in the District.
