Lake Mission Viejo Junior Lifeguards (JGs) is an aquatic-based education program designed for kids and teens, ages 8-15.

JGs learn basic skills in open water safety, lifeguarding practices, rescue boat operations, and first-aid/responder procedures. They also participate in progressive physical fitness activities and challenges.

Additional activities JGs will enjoy include JG Olympics, an evening cookout and movie night, a visit from Orange County Fire Authority, and a graduation ceremony for family and friends to attend. JGs will also attend field trips to water parks, beaches, and the Long Beach Aquarium.

Groups and squads are organized based on age and ability, ensuring each Junior Guard is placed in the safest and most effective learning environment. Additionally, Junior Guards ages 14-15 can try out for the Elite Squad, receiving additional responsibilities and instruction designed as a stepping stone to successful employment within the Lake Mission Viejo Lifeguard Department.

The program is available to Lake Mission Viejo member families and their sponsored guests.

Requirements

Tryouts include a swim test from the shore to approximately 10 yards beyond the swim line. No flotation can be used to aid the completion of these events.

Of note, parents will not be allowed to stand at or near the testing area to ensure that prospective Junior Guards enter the program with a baseline level of water confidence that ensures their safety throughout the program.

Summer Fun for Kids FANTASTIC!

What's in store at CampCo

Every day is a new theme to keep the fun rolling. Wacky games, sports, mind-blowing science experiments, scavenger hunts, crafts, and new friends. We have our very own picnic shelter and access to the beach, grassy fields, volleyball, basketball, and plenty of spots to let loose.

Summer at the Lake wouldn't be complete without swimming and hopping on party boats – or for older campers, kayaking, and pedal boating.

Daily and weekly space still available

$390 | week; $85 | day
5% discount for second and third siblings

Projects & Improvements

Your assessment dollars at work

The Dock House Building

The Dock House, home to the boat rental office and marina staff, has been refurbished to create a more functional and inviting space for both staff and visitors.

Kayak Fleet Replacement

New kayaks and paddles arrive in May for a safer and more comfortable experience for member adventures on the water.

Upper Boat Storage Area

Asphalt repairs, electrical upgrades, new fencing, and landscape enhancements provide a secure, more efficient, and aesthetically pleasing environment for members who use and store their personal boats at the Lake.

North Beach Parking Lot

The recently repainted spaces and directional marks improve the appearance and safety of our parking lot without the need for costly resurfacing.

Member Portal and Internal Systems

To better serve you, we have upgraded our member portal and internal systems. These enhancements will provide a more user-friendly experience and streamline transactions and interactions with our Membership Department.

Lake Water Improvement Project

Construction of the pump system that will circulate Lake water through the Advanced Purified Water processing facility begins in May. The system will remove dissolved solids and reduce the pH of Lake water with the goal of long-term improvement in fishing conditions.

Chill Out at East Beach

Relax and enjoy fewer people, more parking, palm trees, a playground, warm water, and a weekend snack bar.

If you've never visited East Beach, check it out this summer. It could be your favorite new spot!

The East Beach entrance is located at 28051 Lanzarote. Please note that beach access is down a sloped, pedestrian walkway. Carts are available for your belongings.

Sign Up for Your New Owner Portal

The new, user-friendly, owner portal is now live. Members are encouraged to log in and verify their information ASAP. You can use the portal to view and change your account information, request forms, make payments, and more. Log in instructions were mailed to all homeowners in mid-April.

You can also call the membership office between 8:00 am and 5:00 pm seven days a week for login assistance.

$193 Semi-Annual Assessment due July 1

Your semi-annual assessment is due July 1. A courtesy notice should arrive via US mail, or email for those receiving electronic communications, around June 1. Be aware that correspondence can get lost in the mail or caught in spam filters. Set a reminder in your calendar to avoid late fees.

Get Involved

Become a Delegate

Delegates elect the Board of Directors and are encouraged to attend monthly board meetings, where they have an opportunity to provide feedback on behalf of their district (neighborhood) regarding Lake facilities, events, and policies.

Delegates representing districts that are not part of a sub-association, as well delegates representing Casta del Sol, are elected in early October. Write-in ballots will be mailed to homeowners with the June statement this year.

Email info@LakeMissionViejo.org or contact Shawn Ward at 949.770.1313 x207 to learn more about becoming a delegate.
Find your district at **LakeMissionViejo.org/delegate-district**
