When temperatures go down, energy use and bills can go up. We're here to help. Find winter tips, tools and resources at sdge.com/SimpleSteps.

Bring the sparkle and save energy this season with LED lights. They use less energy and keep the glow going longer.

Need more time to pay? We're here to help. Visit sdge.com/PaymentHelp to set up payment arrangements.

Debt forgiveness: SDG&E's Arrearage Management Payment (AMP) plan can help income-qualified customers reduce past-due account balances. For details, call 1-800-411-SDGE (7343) or visit sdge.com/AMP.

Base Services Charge (BSC): Per California Assembly Bill 205, your bill now shows electric delivery charges in a new way. The BSC captures some of the fixed costs for the electric grid, including customer service, transformers and meters, which help ensure safe and reliable electric delivery to your home. SDG&E® will not earn more profit because of this change. For more information, visit sdge.com/BaseServicesCharge.
