1. Introduction.

This Power Purchase Agreement (this “Power Purchase Agreement” or “PPA”) is the agreement between you and Suncrest Solar, Inc. (together with its successors and assigns, “Suncrest Solar” or “we”), covering the sale to you of the power produced by the solar panel system (the “System”) we will install at your home. Suncrest Solar agrees to sell to you, and you agree to buy from Suncrest Solar, all of the power produced by the System. The System will be installed by Suncrest Solar, or an approved third party installer at the address you listed above (the “Property” or your “Home.”) Suncrest Solar provides you with a Suncrest Solar Energy Limited Warranty (the “Limited Warranty”). The Limited Warranty is attached as Exhibit 2. By signing this Power Purchase Agreement you represent that you are either a citizen of the United States or not exempt from paying Federal income taxes. If you have any questions regarding this Power Purchase Agreement, please ask your Suncrest Solar sales consultant.

2. Term.

Suncrest Solar agrees to sell you the power generated by the System for twenty (20) years (240 months), plus, if the Interconnection Date is not on the first day of your billing cycle, the number of days prior to the start of your initial billing date. We refer to this period of time as the “Term.” The Term begins on the Interconnection Date. The “Interconnection Date” is the date that the System is turned on and generating power. Suncrest Solar will notify you when your System is ready to be turned on.

3. Intentionally Left Blank.**4. Power Purchase Agreement Payments ; Amounts.**

(a) **Power Price.** You are purchasing all of the power the System produces. During the first year of the term, the purchase price is per kWh. After the first year, the price per kWh will increase by % of the previous year’s price. There are no installation costs to you.

(b) Payments.

Your monthly payments will be the product of (A) the price per kWh multiplied by (B) the actual kWh output for the calendar month (“Monthly Payments”). Invoices for Monthly Payments will be mailed or emailed at Suncrest Solar’s sole discretion no later than ten (10) days after the end of a calendar month. If you are paying your invoice by automatic debit from your checking or savings account (ACH) we will debit your bank account on or about the 1st day of the next month following invoice (e.g. January invoices are sent in early February and debited on or about March 1). Monthly Payments will

change as your price per kWh changes over the Term of this PPA and as System production varies (e.g., summer has higher production). You will have regular access to the System’s production via your Suncrest Solar online account. Payments due upon installation, if any, are due immediately prior to commencement of installation.

(c) **Estimated Production.** If (i) the System is shut down for more than seven (7) full twenty-four (24) hour days cumulatively during the Term because of your actions (including any removal of the System at your request); (ii) you take some action that significantly reduces the output of the System; (iii) you don’t trim your bushes or trees to their appearance when you signed this PPA to avoid foliage growth from shading the System; or (iv) your System is not reporting production to Suncrest Solar (e.g. you have disconnected or made inoperable your monitoring system), then Suncrest Solar will reasonably estimate the amount of power that would have been delivered to you during such System or reporting outages or reduced production periods (“Estimated Production”) and shall consider Estimated Production as actual production for purposes of this paragraph. In the first year of the Term, Estimated Production will be based on our production projections. After the first year of the Term, Estimated Production will be based on historical production for that month in the prior year. If we bill you for Estimated Production because your System is not reporting production to Suncrest Solar, and we subsequently determine that we have either overestimated or underestimated the actual production, then we will adjust the next bill downward (to refund overbilling) or upward (to make up for lost billing). You will not be charged for Estimated Production when the System is not producing electricity due to Suncrest Solar’s fault, or if it’s due to grid failure or power outages caused by someone other than you. **SUNCREST SOLAR DOES NOT WARRANT OR GUARANTEE THE AMOUNT OF ENERGY PRODUCED BY THE SYSTEM FOR ANY PERIOD OR THAT YOU WILL REALIZE ANY SAVINGS AS COMPARED TO THE COSTS OF PURCHASING YOUR POWER FROM THE LOCAL UTILITY.**

5. Power Purchase Agreement Obligations.**(a) System, Home and Property Maintenance****You agree to:**

(i) only have the System repaired pursuant to the Limited Warranty and reasonably cooperate when repairs are being made;

- (ii) keep trees, bushes and hedges trimmed so that the System receives as much sunlight as it did when Suncrest Solar installed it;
- (iii) not modify your Home in a way that shades the System;
- (iv) be responsible for any conditions at your Home that affect the installation (e.g., blocking access to the roof, or removing a tree that is in the way, or prior work you have done on your Home that was not permitted);
- (v) not remove any markings or identification tags on the System;
- (vi) As set forth in 5(g)(i), permit Suncrest Solar, its designees, or its financing parties, after we give you reasonable notice, to inspect the System for proper operation as we reasonably determine necessary;
- (vii) use the System primarily for personal, family or household purposes, but not to heat a swimming pool;
- (viii) not do anything, permit or allow to exist any condition or circumstance that would cause the System not to operate as intended at the Property;
- (ix) notify Suncrest Solar if you think the System is damaged or appears unsafe; if any part of the System is stolen; and prior to changing your power supplier;
- (x) have everyone who has an ownership interest and requisite authority in your Home sign this Power Purchase Agreement;
- (xi) return any documents we send you for signature (like incentive claim forms) within seven (7) days of receiving them; and

(b) System Construction, Repair, Insurance and Suncrest Solar's obligations:

Suncrest Solar agrees to:

- (i) schedule the installation of the System at a mutually convenient date and time;
- (ii) construct the System according to written plans you review;
- (iii) provide you with a monitor to accurately measure the amount of power the System delivers to you;
- (iv) notify you if the System design has to be materially changed so that you can review any such changes;
- (v) clean up after ourselves during the construction of the System;
- (vi) insure the System against all damage or loss unless (A) that damage or loss is caused by your gross negligence; or (B)

you intentionally damage the System. Upon damage or destruction to the System, you will not be entitled to receive or retain any insurance proceeds. In cases where we bear the risk of loss, our sole obligation to you will be to repair or replace the System to the extent required by the Limited Warranty; and

- (vii) repair the System pursuant to the Limited Warranty and reasonably cooperate with you when scheduling repairs.

(c) Home Renovations or Repairs

If you want to make any repairs or improvements to the Property that could interfere with the System (such as repairing the roof where the System is located), you may only have the System removed and replaced pursuant to the Limited Warranty.

(d) Automatic Payment, Late Charges

In addition to the other amounts you agree to pay in this Power Purchase Agreement, you agree to pay the following:

- (viii) Automatic Payment Discount: All prices include a \$7.50 monthly discount for using automatic payment. You will not receive a \$7.50 monthly discount if you do not make automatic Monthly Payments through your checking or savings account;
- (ix) Returned Check Fee: \$25 (or such lower amount as required by law) for any check or withdrawal right that is returned or refused by your bank; and
- (x) Late Payments: are charged a 5% late fee (or the maximum late fee allowed by law, if less than 5%) and may accrue interest at the lesser of twelve percent (12%) annually or the maximum percentage allowable by applicable law.

(e) Taxes

Your Suncrest Solar electricity rate of per kWh does not include sales taxes. ~~You~~^{You} agree to pay any changes in the applicable taxes related to this PPA. Thus, if tax rates change, the amount you pay will change to reflect this rate change. If this PPA contains a purchase or prepayment option, you agree to pay any applicable tax on the purchase or prepayment amount for the System. You also agree to pay as invoiced any applicable taxes on the System that your local jurisdiction may levy.

(f) No Alterations

You agree that you will not make any modifications, improvements, revisions or additions to the System or take any other action

that could void the Limited Warranty on the System without Suncrest Solar's prior written consent. If you make any modifications, improvements, revisions or additions to the System, they will become part of the System and shall be Suncrest Solar's property.

(g) Access to the System

- (i) You grant to Suncrest Solar, its designees, its financing parties and their employees, agents and contractors the right to reasonably access all of the Property as necessary for the purposes of (A) installing, constructing, operating, maintaining, owning, repairing, removing and replacing the System or making any additions to the System or installing complementary technologies on or about the location of the System; (B) enforcing Suncrest Solar or its financing parties' rights as to this Power Purchase Agreement and the System; (C) installing, using and maintaining electric lines and inverters and meters, necessary to interconnect the System to your electric system at the Property and/or to the utility's electric distribution system; or (D) taking any other action reasonably necessary in connection with installing, constructing, operating, maintaining, owning, repairing, removing and replacing the System. This access right shall continue for up to ninety (90) days after this Power Purchase Agreement expires to provide Suncrest Solar with time to remove the System at the end of the Power Purchase Agreement. Suncrest Solar shall provide you with reasonable notice of its need to access the Property whenever commercially reasonable.
- (ii) During the time that Suncrest Solar has access rights you shall ensure that its access rights are preserved and shall not interfere with or permit any third party to interfere with such rights or access. You agree that the System is not a fixture, but Suncrest Solar has the right to file any UCC-1 financing statement, Notice of an Independent Solar Energy Producer Contract, or fixture filing that confirms its interest in the System. Neither this PPA nor any UCC-1 financing statement we may file in connection with this PPA constitutes or imposes a consensual lien on your Home or Property.

(h) Indemnity

To the fullest extent permitted by law, you shall indemnify, defend, protect, save and hold harmless Suncrest Solar, its employees, officers, directors, agents, financing partners, successors and assigns from any and all third party claims, actions, costs, expenses

(including reasonable attorneys' fees and expenses), damages, liabilities, penalties, losses, obligations, injuries, demands and liens of any kind or nature arising out of, connected with, relating to or resulting from your negligence or willful misconduct; provided, that nothing herein shall require you to indemnify Suncrest Solar for its own negligence or willful misconduct. The provisions of this paragraph shall survive termination or expiration of this Power Purchase Agreement.

(i) Payments

SUBJECT TO SECTION 4(b) ABOVE, YOU AGREE THAT THE OBLIGATION TO PAY ALL PAYMENTS AND ALL OTHER AMOUNTS DUE UNDER THIS PPA SHALL BE, ABSOLUTE AND UNCONDITIONAL UNDER ALL CIRCUMSTANCES AND SHALL NOT BE SUBJECT TO ANY ABATEMENT, DEFENSE, COUNTERCLAIM, SETOFF, RECOUPMENT OR REDUCTION FOR ANY REASON WHATSOEVER, IT BEING THE EXPRESS INTENT OF THE PARTIES THAT ALL AMOUNTS PAYABLE BY YOU HEREUNDER SHALL BE, AND CONTINUE TO BE, PAYABLE IN ALL EVENTS INCLUDING BY YOUR HEIRS AND ESTATE AND, EXCEPT AS SET FORTH BELOW IN SECTIONS 6, 22 AND 23, YOU HEREBY WAIVE ALL RIGHTS YOU MAY HAVE TO REJECT OR CANCEL THIS PPA, TO REVOKE ACCEPTANCE OF THE SYSTEM, OR TO GRANT A SECURITY INTEREST IN THE SYSTEM.

(j) Credit Check

Suncrest Solar may have prescreened your credit.

Prescreening of credit does not impact your credit score. You can choose to stop receiving "prescreened" offers of credit from this and other companies by calling toll-free, 1-888-5-OPTOUT (1-888-567-8688). You authorize Suncrest Solar, or its designee, to obtain your credit report now and in the future, check your credit and employment history, answer questions others may ask regarding your credit and share your credit information with Suncrest Solar's financing partners. You certify that all information you provide to us in connection with checking your credit will be true and understand that this information must be updated upon request if your financial condition changes.

6. Conditions Prior to Installation of the System; Change Orders.

- (a) Suncrest Solar's obligation to install the System and sell you the power it produces is

conditioned on the following items having been completed to its reasonable satisfaction:

- (i) completion of (A) the engineering site audit (a thorough physical inspection of the Property, including, if applicable, geotechnical work), (B) the final System design, and (C) real estate due diligence to confirm the suitability of the Property for the construction, installation and operation of the System;
- (ii) approval of this Power Purchase Agreement by Suncrest Solar's financing parties;
- (iii) your meeting the applicable credit criteria;
- (iv) confirmation of rebate, tax credit and renewable energy credit payment availability in the amount used to calculate the Monthly Payments set forth in this Power Purchase Agreement;
- (v) confirmation that Suncrest Solar will obtain all applicable benefits referred to in Section 9;
- (vi) receipt of all necessary zoning, land use and building permits; and
- (vii) completion of any renovations, improvements or changes at your Home or on the Property which have been agreed upon in writing (e.g., removal of a tree or necessary roof repairs to enable us or our designee to safely install the System).

Suncrest Solar may terminate this Power Purchase Agreement without liability if, in its reasonable judgment, any of the above listed conditions (i) through (vii) will not be satisfied for reasons beyond its reasonable control. Once Suncrest Solar or its approved third-party installer starts installation, however, it may not terminate this Power Purchase Agreement for your failure to satisfy conditions (i) through (vii) above.

(b) **Amendments.**

The System's production will be documented in an amendment to this PPA. You authorize Suncrest Solar to make corrections to the utility paperwork to conform to this PPA or any amendments to this PPA we both sign. In the event that you reject the amendment or otherwise fail to sign and deliver it for seven days after receiving it, either you or Suncrest Solar may terminate this PPA within the fourteen-day period beginning on the date you received the proposed amendment.

7. Warranty.

YOU UNDERSTAND THAT THE SYSTEM IS WARRANTED SOLELY UNDER THE LIMITED WARRANTY ATTACHED AS **EXHIBIT 2**, AND

THAT THERE ARE NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AS TO THE MERCHANTABILITY, FITNESS FOR ANY PURPOSE, CONDITION, DESIGN, CAPACITY, SUITABILITY OR PERFORMANCE OF THE SYSTEM OR ITS INSTALLATION.

8. Transfer.

Suncrest Solar will assign this PPA to one of its financing partners. You agree that Suncrest Solar may assign, sell or transfer the System and this Power Purchase Agreement, or any part of this Power Purchase Agreement or the exhibits, without your consent. This assignment does not change Suncrest Solar's obligation to maintain and repair your System as set forth in the Warranty. Any assignment of Suncrest Solar's rights and/or obligations under this Agreement shall not result in any change to your rights and obligations under this Agreement.

9. Ownership of the System; Tax Credits and Rebates.

You agree that the System is Suncrest Solar's personal property under the Uniform Commercial Code. You understand and agree that this PPA is not a contract to sell or lease the System to you. Suncrest Solar owns the System for all purposes, including any data generated from the System. You shall at all times keep the System free and clear of all liens, claims, levies and legal processes not created by Suncrest Solar, and shall at your expense protect and defend Suncrest Solar against the same.

You understand and agree that any and all tax credits, incentives, renewable energy credits, green tags, carbon offset credits, utility rebates or any other non-power attributes of the system are the property of and for the benefit of Suncrest Solar, usable at its sole discretion. Suncrest Solar shall have the exclusive right to enjoy and use all such benefits, whether such benefits exist now or in the future. You agree to refrain from entering into any agreement with your utility that would entitle your utility to claim any such benefits. You agree to reasonably cooperate with Suncrest Solar so that it may claim any tax credits, renewable energy credits, rebates, carbon offset credits or any other benefits from the system. This may include to the extent allowable by law, entering into net metering agreements, interconnection agreements, and filing renewable energy/carbon offset credit registrations and/or applications for rebates from the federal, state or local government or a local utility and giving these tax credits, renewable energy/carbon credits, rebates or other benefits to Suncrest Solar.

10. Purchasing the System.

In addition to having the option to purchase the System at the end of the Term, you have the option to purchase the System prior to the end of the Term as detailed below. To exercise this option you must be in good standing under this Power Purchase Agreement and you need to give us at least one (1) month's, but not more than three (3) months' prior written notice. You can purchase this System:

- (i) on the five (5) year anniversary of the beginning of the Term and every annual anniversary after the five (5) year anniversary; and
- (ii) at any time after the five (5) year anniversary of the beginning of the Term, when you sell your Home; and
- (iii) if Suncrest Solar ever ceases its operations and fails to provide for a substitute provider.

In each of (i), (ii) and (iii) above, the price you will pay for the System will be the greater of (a) the amount set forth in the Agreement Amendment for the year in which the purchase is requested and (b) the System's fair market value as determined by an independent appraiser. Suncrest Solar's maintenance and repair obligations under the Limited Warranty (Exhibit 2) will end when you purchase the System.

11. Renewal.

If you are in compliance with your PPA, you have the option to renew your PPA in five (5) year renewal periods. We will send you renewal forms three (3) months prior to the expiration of the Term, which forms shall set forth the new Monthly Payments due under the renewal PPA. If you want to renew, complete the renewal forms and return them to us at least one (1) month prior to the end of the PPA. In the event that you notify us in writing at least one (1) month prior to the end of the PPA that you do not want to renew this PPA, this PPA shall expire by its terms on the termination date. If you don't send us anything in writing after we send you the renewal forms, then this PPA shall renew for an additional six (6) month term at ten percent (10%) less than the then-current average rate charged by your local utility and shall continue to renew for six (6) month terms at the same rate as your first renewal until (i) you give us notice at least thirty (30) days prior to a renewal term that you do not wish to renew; or (ii) we send you a notice terminating the PPA.

12. Selling Your Home.

- (a) If you sell your Home you can:
 - (i) **Transfer this Power Purchase Agreement and the Monthly Payments**
If the person buying your Home meets Suncrest Solar's credit requirements, then where permitted by the local utility, the person buying your Home can sign a transfer

agreement assuming all of your rights and obligations under this Power Purchase Agreement.

(ii) Prepay this Power Purchase Agreement and Transfer only the Use of the System

You can prepay this Power Purchase Agreement in full by paying Suncrest Solar the expected remaining payments (estimated future production during the rest of the Term multiplied by the average kWh rate during the rest of the Term) at a five percent [(5%)] discount rate. The person buying your Home will only need to sign a transfer agreement to assume your rights and non-Monthly Payment obligations under this PPA. The System stays at your Home, the person buying your Home does not make any Monthly Payments and has only to comply with the non-Monthly Payment portions of this PPA.

(iii) Purchase the System

At any time after the five (5) year anniversary of the beginning of the Term, you can purchase the System under Section 10 of this PPA.

- (b) You agree to give Suncrest Solar at least fifteen (15) days but not more than three (3) months prior written notice if you want someone to assume your PPA obligations. In connection with this assumption, you, your approved buyer and Suncrest Solar shall execute a written transfer of this PPA.
- (c) If you sell your Home and do not comply with any of the options in subsection (a) above, you will be in default under this Power Purchase Agreement. Section 12(a) includes a Home sale by your estate or heirs.
- (d) EXCEPT AS SET FORTH IN THIS SECTION, YOU WILL NOT ASSIGN, SELL, PLEDGE OR IN ANY OTHER WAY TRANSFER YOUR INTEREST IN THIS PPA WITHOUT OUR PRIOR WRITTEN CONSENT, WHICH SHALL NOT BE UNREASONABLY WITHHELD.

13. Loss or Damage.

- (a) Unless you are grossly negligent or you intentionally damage the System, Suncrest Solar will bear all of the risk of loss, damage, theft, destruction or similar occurrence to any or all of the System. Except as expressly provided in this PPA, no loss, damage, theft or destruction will excuse you from your obligations under this PPA, including Monthly Payments.
- (b) If there is loss, damage, theft, destruction or a similar occurrence affecting the System, and you

are not in default of this PPA, you shall continue to timely make all Monthly Payments and pay all other amounts due under the PPA and, cooperate with Suncrest Solar, at Suncrest Solar's sole cost and expense, to have the System repaired pursuant to the Limited Warranty.

14. **Limitation of Liability.**

(a) No Consequential Damages

SUNCREST SOLAR'S LIABILITY TO YOU UNDER THIS POWER PURCHASE AGREEMENT SHALL BE LIMITED TO DIRECT, ACTUAL DAMAGES ONLY. YOU AGREE THAT IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY, SPECIAL OR INDIRECT DAMAGES.

(b) Actual Damages

EXCEPT FOR CLAIMS UNDER SECTION 5(H), NEITHER PARTY'S LIABILITY TO THE OTHER WILL EXCEED AN AMOUNT EQUAL TO THE MAXIMUM AMOUNT THAT COULD BE PAYABLE BY YOU UNDER SECTION 16(H). DAMAGES TO YOUR HOME, BELONGINGS OR PROPERTY RESULTING FROM THE INSTALLATION OR OPERATION OF THE SYSTEM ARE COVERED IN SECTION 6(C) OF THE LIMITED WARRANTY.

15. **Default.**

You will be in default under this Power Purchase Agreement if any one of the following occurs:

- (a) you fail to make any payment when it is due and such failure continues for a period of ten (10) days;
- (b) you fail to perform any material obligation that you have undertaken in this PPA (which includes doing something you have agreed not to do, like alter the System) and such failure continues for a period of fourteen (14) days after written notice;
- (c) you or your guarantor have provided any false or misleading financial or other information to obtain this Power Purchase Agreement;
- (d) you assign, transfer, encumber, sublet or sell this PPA or any part of the System without Suncrest Solar's prior written consent; or
- (e) you or any guarantor makes an assignment for the benefit of creditors, admits in writing its insolvency, files or there is filed against you or it a voluntary petition in bankruptcy, is adjudicated bankrupt or insolvent or undertakes or experiences any substantially similar activity.

16. **Remedies in Case of Default.**

If this Power Purchase Agreement is in default, we may take any one or more of the following actions. If the law requires us to do so, we will give you notice and wait any period of time required before taking any of these actions. We may:

- (a) terminate this PPA;
- (b) take any reasonable action to correct your default or to prevent our loss; any amount we pay will be added to the amount you owe us and will be immediately due;
- (c) require you, at your expense, to return the System or make it available to us in a reasonable manner;
- (d) proceed, by appropriate court action, to enforce performance of this PPA and to recover damages for your breach;
- (e) disconnect, turn off or take back the System by legal process or self-help;
- (f) report such non-operational status of the System to your utility, informing them that you are no longer net metering;
- (g) charge you a reasonable reconnection fee for reconnecting the System to your utility or turning your System back on after we disconnect or turn off the System due to your default;
- (h) recover from you (i) a payment equal to the purchase price as set forth in this agreement plus (ii) all taxes, late charges, penalties, interest and all or any other sums then accrued or due and owing; or
- (i) use any other remedy available to us in this PPA or by law.

We may submit to credit reporting agencies (credit bureaus) negative credit reports that would be reflected on your credit record if you do not pay any amounts due under this PPA as required.

You agree to repay us for any reasonable amounts we pay to correct or cover your default. You also agree to reimburse us for any costs and expenses we incur relating to the System's return resulting from early termination. By choosing any one or more of these remedies, Suncrest Solar does not give up its right to use another remedy. By deciding not to use any remedy should this Power Purchase Agreement be in default, Suncrest Solar does not give up our right to use that remedy in case of a subsequent default.

17. **System Removal.**

At the end of the Term or the termination of this PPA, if you have not renewed this PPA or exercised your purchase option (if any), then Suncrest Solar shall have the right to remove the System if we notify you

within ninety (90) days of the end of the Term or termination of this PPA. You agree to cooperate with us to schedule a convenient time for Suncrest Solar to remove the System from your Home at no cost to you, if Suncrest Solar elects to so remove the System. If Suncrest Solar does not elect to remove the System, title to the System shall be transferred to you.

18. Applicable Law; Arbitration.

PLEASE READ THIS SECTION CAREFULLY. ARBITRATION REPLACES THE RIGHT TO GO TO COURT, INCLUDING THE RIGHT TO A JURY AND THE RIGHT TO PARTICIPATE IN A CLASS ACTION OR SIMILAR PROCEEDING. IN ARBITRATION, A DISPUTE IS RESOLVED BY AN ARBITRATOR INSTEAD OF A JUDGE OR JURY.

The laws of the state where your Home is located shall govern this PPA without giving effect to conflict of laws principles. We agree that any dispute, claim or disagreement between us (a "Dispute") shall be resolved exclusively by arbitration.

The arbitration, including the selecting of the arbitrator, will be administered by JAMS, under its Streamlined Arbitration Rules (the "Rules") by a single neutral arbitrator agreed on by the parties within thirty (30) days of the commencement of the arbitration. The arbitration will be governed by the Federal Arbitration Act (Title 9 of the U.S. Code). Either party may initiate the arbitration process by filing the necessary forms with JAMS. To learn more about arbitration, you can call any JAMS office or review the materials at www.jamsadr.com. The arbitration shall be held in the location that is most convenient to your Home. If a JAMS office does not exist within 50 (fifty) miles of your Home, then we will use another accredited arbitration provider with offices close to your Home.

If you initiate the arbitration, you will be required to pay the first \$125 of any filing fee. We will pay any filing fees in excess of \$125 and we will pay all of the arbitration fees and costs. If we initiate the arbitration, we will pay all of the filing fees and all of the arbitration fees and costs. We will each bear all of our own attorney's fees and costs except that you are entitled to recover your attorney's fees and costs if you prevail in the arbitration and the award you receive from the arbitrator is higher than Suncrest Solar's last written settlement offer. When determining whether your award is higher than Suncrest Solar's last written settlement offer your attorney's fees and costs will not be included.

Only Disputes involving you and Suncrest Solar may be addressed in the arbitration. Disputes must be brought in the name of an individual person or entity and must proceed on an individual (non-class, non-representative) basis. The arbitrator will not award relief for or against anyone who is not a party. If either of us arbitrates a Dispute, neither of

us, nor any other person, may pursue the Dispute in arbitration as a class action, class arbitration, private attorney general action or other representative action, nor may any such Dispute be pursued on your or our behalf in any litigation in any court. Claims regarding any Dispute and remedies sought as part of a class action, class arbitration, private attorney general or other representative action are subject to arbitration on an individual (non-class, non-representative) basis, and the arbitrator may award relief only on an individual (non-class, non-representative) basis. This means that the arbitration may not address disputes involving other persons with disputes similar to the Disputes between you and Suncrest Solar.

The arbitrator shall have the authority to award any legal or equitable remedy or relief that a court could order or grant under this agreement. The arbitrator, however, is not authorized to change or alter the terms of this agreement or to make any award that would extend to any transaction other than yours. All statutes of limitations that are applicable to any dispute shall apply to any arbitration between us. The arbitrator will issue a decision or award in writing, briefly stating the essential findings of fact and conclusions of law.

BECAUSE YOU AND WE HAVE AGREED TO ARBITRATE ALL DISPUTES, NEITHER OF US WILL HAVE THE RIGHT TO LITIGATE THAT DISPUTE IN COURT, OR TO HAVE A JURY TRIAL ON THAT DISPUTE, OR ENGAGE IN DISCOVERY EXCEPT AS PROVIDED FOR IN THE RULES. FURTHER, YOU WILL NOT HAVE THE RIGHT TO PARTICIPATE AS A REPRESENTATIVE OR MEMBER OF ANY CLASS PERTAINING TO ANY DISPUTE. THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING ON THE PARTIES AND MAY BE ENTERED AND ENFORCED IN ANY COURT HAVING JURISDICTION, EXCEPT TO THE EXTENT IT IS SUBJECT TO REVIEW IN ACCORDANCE WITH APPLICABLE LAW GOVERNING ARBITRATION AWARDS. OTHER RIGHTS THAT YOU OR WE WOULD HAVE IN COURT MAY ALSO NOT BE AVAILABLE IN ARBITRATION.

19. Waiver.

Any delay or failure of a party to enforce any of the provisions of this PPA, including but not limited to any remedies listed in this PPA, or to require performance by the other party of any of the provisions of this PPA, shall not be construed to (i) be a waiver of such provisions or a party's right to enforce that provision; or (ii) affect the validity of this PPA.

20. Notices.

All notices under this PPA shall be in writing and shall be by personal delivery, facsimile transmission, electronic mail, overnight courier, or certified or registered mail, return receipt requested.

21. Entire Agreement; Changes.

This PPA contains the parties' entire agreement regarding the sale and purchase of power generated by the System. There are no other agreements regarding this PPA, either written or oral. Any change to this PPA must be in writing and signed by both parties. If any portion of this PPA is determined to be unenforceable, the remaining provisions shall be enforced in accordance with their terms or shall be interpreted or re-written so as to make them enforceable.

EXHIBIT 2**PERFORMANCE GUARANTEE AND LIMITED WARRANTY****1. INTRODUCTION**

This Performance Guarantee and Limited Warranty (this “Limited Warranty”) is Suncrest Solar’s agreement to provide you warranties on the System you are hosting pursuant to our PPA. The System will be professionally installed by Suncrest Solar (or an approved third-party installer) at the address you listed in the PPA. We will refer to the installation location as your “Property” or your “Home.” This Limited Warranty begins when we (or our designee) start installing the System at your Home.

2. LIMITED WARRANTIES**(a) Limited Warranties**

Suncrest Solar warrants the System as follows:

(i) System Warranty

During the entire Power Purchase Agreement Term, under normal use and service conditions, the System will be free from defects in workmanship or defects in, or a breakdown of, materials or components (the “System Warranty”);

(ii) Roof Warranty

When we (or our designee) penetrate your roof during a System installation we warrant the sealing of the roof penetrations we make to mount the Solar System and the flashings installed by us with such penetrations. This roof warranty will run the longer of (A) one (1) year following the completion of the System installation; and (B) the lesser of the length of any existing installation warranty, manufacturer warranty, or new home builder performance standard for your roof (the “Roof Warranty Period”); and

(iii) Repair Promise

During the entire Power Purchase Agreement Term, Suncrest Solar will honor the System Warranty and will repair or replace any defective part, material or component or correct any defective workmanship, at no cost or expense to you (including all labor costs), when you submit a valid claim to us under this Limited Warranty. If we damage your Home, your belongings or your Property we will repair the damage we cause or pay you for the damage we cause as described in Section 6. Suncrest Solar may use new or reconditioned parts when making repairs or replacements. Suncrest Solar may also, at no additional cost to you, upgrade or add to any part of the System to ensure that it performs according to the guarantees set forth in this Limited Warranty. Cosmetic repairs that do not involve safety or performance shall be made at Suncrest Solar’s discretion.

(b) Warranty Length

- (i)** The warranties in Sections 2(a)(i) and 2(a)(iii) above will start when we (or our designee) begin installing the System at your Home and continue through the entire Power Purchase Agreement Term but never less than ten (10) years. Thus, for as long as you host the System from Suncrest Solar under a PPA, you will have a System Warranty and our Repair Promise.
- (ii)** The Roof Warranty Period may be shorter than the System Warranty, as described in Section 2(a)(ii) above.

- (iii) If you have assumed an existing PPA, or purchased the System during the Term of your PPA, then this Limited Warranty will cover you for the remaining balance of the existing PPA Term.

(c) Performance Warranties and Guarantee

(i) Performance Guarantee

Suncrest Solar guarantees that during the Power Purchase Agreement Term the System will operate within manufacturer's specifications and if it does not that Suncrest Solar will repair or replace any defective part or otherwise restore System performance.

(ii) Monitoring System

During the Power Purchase Agreement Term, we will provide you with a Monitoring System at no additional cost to you. The monitoring system captures power generation data over a cellular network from a System Monitor located on site. You will be able to view your historical power generation on Suncrest Solar's Homeowner Portal. Suncrest Solar will monitor you system's performance and if the System is not operating within normal ranges, we will remedy any material issues.

(d) Maintenance and Operation

(i) General

When the System is installed, Suncrest Solar will provide you with a System Operation Guide. This Guide provides you with System operation instructions, answers to frequently asked questions, troubleshooting tips and service information. Suncrest Solar will perform all required System maintenance.

(e) Making a Claim; Transferring this Warranty

(i) Claims Process

You can make a claim by:

- A. emailing us at the email address in Section 7 below; or
- B. writing us a letter and sending it overnight mail with a well-known service.

(ii) Transferable Limited Warranty

Suncrest Solar will accept and honor any valid and properly submitted Warranty claim made during any Term by any person who either purchases the System from you or to whom you properly transfer the PPA.

(f) Exclusions and Disclaimer

The limited warranties and guarantee provided in this Limited Warranty do not apply to any lost power production or any repair, replacement or correction required due to the following:

- (i) someone other than Suncrest Solar or its approved service providers installed, removed, re-installed or repaired the System;
- (ii) destruction or damage to the System or its ability to safely produce power not caused by Suncrest Solar or its approved service providers while servicing the System (e.g., if a tree falls on the System we will replace the System per the Power Purchase Agreement, but we will not repay you for power it did not produce);
- (iii) your failure to perform, or breach of, your obligations under the Power Purchase Agreement (e.g., you modify or alter the System);

- (iv) your breach of this Limited Warranty, including your being unavailable to provide access or assistance to us in diagnosing or repairing a problem;
- (v) any Force Majeure Event (as defined below);
- (vi) shading from foliage that is new growth or is not kept trimmed to its appearance on the date the System was installed;
- (vii) any system failure or lost production not caused by a System defect (e.g., the System is not producing power because it has been removed to make roof repairs or you have required us to locate the inverter in a non-shaded area); and
- (viii) theft of the System (e.g., if the System is stolen we will replace the System per the Power Purchase Agreement, but we will not repay you for the power it did not produce).

This Limited Warranty gives you specific rights, and you may also have other rights which vary from state to state. This Limited Warranty does not warrant any specific electrical performance of the System other than that described above.

THE LIMITED WARRANTIES DESCRIBED IN SECTIONS 2(a) and (c) ABOVE ARE THE ONLY EXPRESS WARRANTIES MADE BY SUNCREST SOLAR WITH RESPECT TO THE SYSTEM. SUNCREST SOLAR HEREBY DISCLAIMS, AND ANY BENEFICIARY OF THIS LIMITED WARRANTY HEREBY WAIVES, ANY WARRANTY WITH RESPECT TO ANY COST SAVINGS FROM USING THE SYSTEM.

3. SUNCREST SOLAR'S STANDARDS

For the purpose of this Limited Warranty the standards for our performance will be (i) normal professional standards of performance within the solar photovoltaic power generation industry in the relevant market; and (ii) Prudent Electrical Practices. "Prudent Electrical Practices" means those practices, as changed from time to time, that are engaged in or approved by a significant portion of the solar power electrical generation industry operating in the United States to operate electric equipment lawfully and with reasonable safety, dependability, efficiency and economy.

4. SYSTEM REPAIR, RELOCATION OR REMOVAL

- (a) **Repair.** You agree that if (i) the System needs any repairs that are not the responsibility of Suncrest Solar under this Limited Warranty, (ii) the system needs to be removed and reinstalled to facilitate remodeling of your Home or (iii) the system is being relocated to another home you own pursuant to the Power Purchase Agreement, you will have Suncrest Solar, or another similarly qualified service provider, at your expense, perform such repairs, removal and reinstallation, or relocation.
- (b) **Temporary Removal.** Suncrest Solar will remove and replace the System from your roof while roof repairs are being made for a payment of \$1499. You will need to provide storage space for the System during such time.
- (c) **Return.** If at the end of the Term you want to return the System to Suncrest Solar under Section 17 of the PPA then Suncrest Solar will remove the System at no cost to you. Suncrest Solar will remove the posts, waterproof the post area and return the roof as close as is reasonably possible to its original condition before the System was installed (e.g. ordinary wear and tear and color variances due to manufacturing changes are excepted). Suncrest Solar will warrant the waterproofing for one (1) year after it removes the System. You agree to reasonably cooperate with Suncrest Solar in removing the System including providing necessary space, access and storage, and we will reasonably cooperate with you to schedule removal in a time and manner that minimizes inconvenience to you.

5. FORCE MAJEURE

If Suncrest Solar is unable to perform all or some of its obligations under this Limited Warranty because of a Force Majeure Event, Suncrest Solar will be excused from whatever performance is affected by the Force Majeure Event, provided that:

- (a) Suncrest Solar, as soon as is reasonably practical, gives you notice describing the Force Majeure Event;
- (b) Suncrest Solar's suspension of its obligations is of no greater scope and of no longer duration than is required by the Force Majeure Event (i.e., when a Force Majeure Event is over, we will make repairs); and
- (c) No Suncrest Solar obligation that arose before the Force Majeure Event that could and should have been fully performed before such Force Majeure Event is excused as a result of such Force Majeure Event.

"Force Majeure Event" means any event, condition or circumstance beyond the control of and not caused by Suncrest Solar's fault or negligence. It shall include, without limitation, failure or interruption of the production, delivery or acceptance of power due to: an act of god; war (declared or undeclared); sabotage; riot; insurrection; civil unrest or disturbance; military or guerilla action; terrorism; economic sanction or embargo; civil strike, work stoppage, slow-down, or lock-out; explosion; fire; earthquake; abnormal weather condition or actions of the elements; hurricane; flood; lightning; wind; drought; the binding order of any governmental authority (provided that such order has been resisted in good faith by all reasonable legal means); the failure to act on the part of any governmental authority (provided that such action has been timely requested and diligently pursued); unavailability of power from the utility grid, equipment, supplies or products (but not to the extent that any such availability of any of the foregoing results from Suncrest Solar's failure to have exercised reasonable diligence); power or voltage surge caused by someone other than Suncrest Solar including a grid supply voltage outside of the standard range specified by your utility; and failure of equipment not utilized by Suncrest Solar or under its control.

6. LIMITATIONS ON LIABILITY

(a) No Consequential Damages

YOU MAY ONLY RECOVER DIRECT DAMAGES INCLUDING THOSE AMOUNTS DUE PURSUANT TO SECTIONS 2(c) AND 6(C) UNDER THIS LIMITED WARRANTY, AND IN NO EVENT SHALL SUNCREST SOLAR OR ITS AGENTS OR SUBCONTRACTORS BE LIABLE TO YOU OR YOUR ASSIGNS FOR SPECIAL, INDIRECT, PUNITIVE, EXEMPLARY, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY NATURE. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

(b) Limitation of Duration of Implied Warranties

ANY IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY ARISING UNDER STATE LAW, SHALL IN NO EVENT EXTEND PAST THE EXPIRATION OF ANY WARRANTY PERIOD IN THIS LIMITED WARRANTY. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

(c) Limit of Liability

Notwithstanding any other provision of this Limited Warranty to the contrary, Suncrest Solar's total liability arising out of relating to this Limited Warranty shall in no event:

Curtis Drake 31897 Birchwood Dr Lake Elsinore, CA 92532	Sherri Drake

You are on your way to clean, more affordable energy. We estimate that your System's first year annual production will be 13291 kWh. Over the next 20 years we estimate that your System will produce 253561 kWh. We also confirm that your energy rate will be \$0.189 per kWh, (i.e. electricity rate \$0.189 and tax rate \$0.0000). Your energy rate, exclusive of taxes, will never increase more than 2.9% per year.

We estimate that your average first year monthly payments will be \$209, however actual monthly payments may fluctuate throughout the year based on natural changes in sun exposure. The following is an example of how power production and monthly payments may vary through the year based for your region.

Example Month	Example Production (kWh)	Example Payment

NET ENERGY METERING (NEM) RESIDENTIAL CUSTOMER SYSTEM SIZE ACKNOWLEDGEMENT 30 KW OR LESS

Renewable Electrical Generating Facilities (Generating Facility) that are sized larger than a customer's electrical requirements are not eligible for Net Energy Metering (NEM) as described in [Schedule NEM](#). A Generating Facility is considered to be sized larger than a customer's electrical requirements when the estimated annual production (in kWh) of the Generating Facility exceeds the customer's past 12 months of usage (in kWh).

When a Generating Facility appears to be oversized or where an account does not have 12 months of usage history, SCE allows customers to complete this form to certify that their Generating Facility is sized appropriately as required under SCE's NEM tariffs so that the NEM interconnection process can continue. Therefore, please check the appropriate box below and sign:

By signing below, I (Customer) certify that:

- I have compared the estimated annual production of my Generating Facility¹ with my most recent 12-month usage history². I am aware that my Generating Facility is expected to produce more energy than I used in the last 12 months. However, I affirm that I expect to increase my usage accordingly in the upcoming year. My Generating Facility was sized to meet this expected increase; **OR**
- Because I do not have 12 months of usage history, I have compared the estimated annual production of my Generating Facility against the standard 2 Watts/sq. ft. usage at www.sce.com/nem. Where the estimated annual production of my Generating Facility exceeds this calculated value, I affirm that I expect to increase my usage accordingly in the upcoming year. My Generating Facility was sized to meet this expected increase.

I understand that SCE reserves the right to further validate that my Generating Facility is sized in accordance with the NEM tariff.
