

Property Access Guidelines

Prior to entering this property please be advised of the following requirements per Centers for Disease Control and Prevention, California Dept. of Public Health, and California Association of Realtors® Guidelines:

- No person may visit the property if they are exhibiting any COVID-19 symptoms.
- Wash hands with soap and water or use hand sanitizer before entering and after exiting the property.
- Wear rubber gloves, protective face mask, and protective shoe coverings; discard after viewing.
- Do not touch your eyes, nose, or mouth. Do not touch surfaces or items in the property; if you believe it necessary to touch surfaces or items, consider the risk of doing so. Surfaces may not have been cleaned or disinfected prior to entry.
- No more than two visitors from the same household and one agent inside a structure at a time; practice social distancing at least 6 feet apart from others.
