

HomePath® Online Offers Instructions for Submitting Your Offer

The seller, Fannie Mae, has directed that all offers on this listing be made online on HomePath.com. Selling Agents (agents representing buyers) who wish to make an offer on a Fannie Mae property are required to submit their offers through the Online Offers system.

HomePath® Online Offers was designed to ease and create transparency during the offer submission process with the following features:

- An easy to use, self-service offer submission system that can be accessed through the HomePath.com website
- A transparent offer process that keeps Selling Agents informed of the status of their client's offers on HomePath properties listed on HomePath.com
- Improved communication between the Selling Agent and the Listing Broker regarding offers on HomePath properties listed on HomePath.com

Instructions for Submitting Your Offer

1) Locate the property that you are interested in by typing the address, REO ID, MLS Number, etc into the search box on the Home page of HomePath.com.

2) Identify the property from your search results (if you didn't use an exact address, REO ID or MLS # search), and click on the address to view the listing details page for that property. From the listing details page, you can click the blue 'Make an Offer' button to begin the process of submitting your offer.

- If you are not already logged in to your HomePath account, you will be prompted do so before proceeding to submit your offer. If you already have a HomePath.com account, enter your User ID (email address) and password to login.
- If you do not have an agent account on HomePath.com, you will be required to complete the registration process (by clicking the 'Register Now' button) prior to proceeding with your offer submission. Registration is only necessary the first time you log in to make an offer.
