Your Schools are: Dapplegray Elementary School and Miraleste Intermediate School

As the goal of the Palos Verdes Peninsula Unified School District to place students in the school assigned to the residence address provided.

Case note: An elementary student's school assignment is only determined after the enrollment process has been completed. In the event the student's school of residence is impacted at the time enrollment is completed, the student may be placed at the closest school with available space.

Eastview Optional Attendance Area: Eastview is a section of Rancho Palos Verdes where the district of residence is Palos Verdes Peninsula USD. State Law designates Eastview as an optional attendance area where students in grades TK - 12 may choose to attend the Palos Verdes Peninsula USD. Residence addresses within this area are also included in the district.
