NSHP REBATE INFORMATION

From the California Energy Commission New Solar Home Partnership Guidebook: The California New Solar Homes Partnership (“NSHP”) “provides financial incentives and other support for installing eligible solar energy systems on new residential buildings that receive electricity from specified investor-owned utilities.” The California Energy Commission (CEC) implements the NSHP in coordination with the California Public Utilities Commission (CPUC) and NSHP is aimed at “benefit[ing] the end-use customer by directly and exclusively reducing the lease payments for the system or the cost of electricity produced by the system.”

NSHP REBATE DISCLOSURES

If otherwise **not** included in the SolarLease® Agreement between SolarCity and You (the “Agreement”), you hereby agree to the following amendments to the Agreement (to the extent checked):

1. EQUIPMENT & SYSTEM INSTALLATION DESCRIPTION

ITEM

Photovoltaic System: 4.16 kW DC (STC)

 Inverter(s): ABB PVI-3.6-OUTD-S-US (240 V) (240V) (1)

Post-Rebate Total Payments (\$0.125/kWh):	\$14,209.34

*“20-Year Lease Savings” does not represent a reduction or discount in the price a customer pays for a solar energy system on a new home other than the price reductions facilitated by local, state, or federal incentive or tax credits. “20-Year Lease Savings” does not include the amount of the NSHP incentive, estimated or otherwise.

3. SYSTEM PURCHASE & ACCESSIBILITY OPTIONS

If you are not in default under this Lease, you will have an option at the end of the Lease term, but not sooner:

- a) to purchase the System for 16,161.60 and Section 4(e) of the Agreement is amended accordingly;

The following language is added to the end of Section 16:

If the System is removed from its original installation location within the first ten (10) years of the Lease Term, the California Energy Commission may require that SolarCity repay some or all of the NSHP rebate awarded for the System. As lessee of the System, I understand that if the System is removed from its original installation location within the first ten (10) years of the Lease Term at my request or due to my default, I will be responsible for reimbursing SolarCity for the amount of the NSHP rebate repaid to the California Energy Commission.

5. DESIGNATION OF AUTHORIZED REPRESENTATIVE

The following language is added to the end of Section 5(a) of the Agreement:

The following language is added to the end of Section 5(a) of the Agreement:

SolarCity is responsible for the submission of the annual status report on the operation of your System as required in Chapter II, Section O., of the NSHP Guidebook.

I have read this Amendment in its entirety and I acknowledge that I have received a complete copy of this Amendment. This Amendment clarifies and, if applicable, supersedes any prior lease contents from the above-named sections that are inconsistent with the subject matter contained herein.

SolarCity agrees to lease you the System for **20** years (240 full calendar months), plus, if the Interconnection Date is not on the first day of a calendar month, the number of days left in that partial calendar month, including the Interconnection Date. We refer to this period of time as the “Lease Term.” The Lease Term begins on the Interconnection Date. The Interconnection Date is the date that the System is turned on and generating power. SolarCity will notify you by email when your System is ready to be turned on.

3. SYSTEM DESCRIPTION

Lease and installation of a 4.160 kW DC photovoltaic system consisting of PV modules, corresponding inverter(s) and a mounting system designed for installation and operation at your Home.

(a) System, Home and Property Maintenance

You agree to:

- (i) only have the System repaired pursuant to the Limited Warranty and reasonably cooperate when repairs are being made;
- (ii) keep trees, bushes and hedges trimmed so that the System receives as much sunlight as it did when SolarCity installed it;
- (iii) keep the panels clean, pursuant to the Limited Warranty and the Guide;
- (iv) not modify your Home in a way that shades the System;
- (v) be responsible for any conditions at your Home that affect the installation (e.g. blocking access to the roof or removing a tree that is in the way, prior work you have done on your home that was not permitted);
- (vi) not remove any markings or identification tags on the System;
- (vii) permit SolarCity, after we give you reasonable notice, to inspect the System for proper operation as we reasonably determine necessary;
- (viii) use the System primarily for personal, family or household purposes, but not to heat a swimming pool;
- (ix) not do anything, permit or allow to exist any condition or circumstance that would cause the System not to operate as intended at the Property;

- (xi) have anyone who has an ownership interest in your Home sign this Lease;

- (xiii) maintain and make available, at your cost, a functioning indoor internet connection w

router, one DHCP enabled Ethernet port with internet access and standard AC power outlet close enough and free of interference to enable an internet-connected gateway provided by SolarCity to communicate wirelessly with the system's inverter (typically this is 80 feet, but may depend on site conditions). See Section 2(c)(ii) of the Limited Warranty for details; and

- (xiv) if your home is governed by a home owner's association or similar community organization, obtain all approvals and authorizations for the System required by that organization and advise us of any requirements of that organization that will otherwise impact the System, its installation or operation.

(b) System Construction, Repair, Insurance and SolarCity's obligations:

SolarCity agrees to:

- (i) schedule the installation of the System at a mutually convenient date and time;
- (ii) construct the System according to written plans you review;
- (iii) provide you with a web-enabled meter to accurately measure the amount of power the System delivers to you;

- (v) clean up after ourselves during the construction of the System;
- (vi) repair the System pursuant to the Limited Warranty and reasonably cooperate with you when scheduling repairs;

- (viii) not put a lien on your Home or Property.

(c) Home Renovations or Repairs

If you want to make any repairs or improvements to the Property that could interfere with the System (such as repairing the roof where the System is located), you may only remove and replace the System pursuant to the Limited Warranty.

(d) Automatic Payment; Fees; Late Charges

In addition to the other amounts you agree to pay in this Lease, you agree to pay the following:

- (i) Automatic Payment Discount: All prices include a \$7.50 monthly discount for allowing us to automatically debit your checking or savings account for payments. You will not receive a \$7.50 monthly discount if you do not allow the automatic debit;
- (ii) Returned Check Fee: \$25 (or such lower amount as required by law) for any check or withdrawal right that is returned or refused by your bank; and
- (iii) Late payments: accrue interest at twelve percent (12%) annually or the maximum allowable by applicable law.

(e) Insurance

SolarCity shall insure the System against all damage or loss unless (i) that damage or loss is caused by your gross negligence; or (ii) that damage or loss is caused by ball strikes; or (iii) you intentionally damage the System.

(f) Estimated Taxes

You agree to pay any applicable sales or use taxes on the Monthly Payments due under this Lease. If this Lease contains a purchase option at the end of the Lease Term, you agree to pay any applicable tax on the purchase price for the System. You also agree to pay as invoiced any applicable personal property taxes on the System that your local jurisdiction may levy. The total estimated amount you will pay for taxes over the Lease Term is **\$1052.54**.

(g) No Alterations

You agree that you will not make any modifications, improvements, revisions or additions to the System or take any other action that could void the Limited Warranty on the System without SolarCity's prior written consent. If you make any modifications, improvements, revisions or additions to the System, they will become part of the System and shall be SolarCity's property.

(h) Access to the System

- (i) You grant to SolarCity and its employees, agents and contractors the right to reasonably access all of the Property as necessary for the purposes of (A) installing, constructing, operating, owning, repairing, removing and replacing the System or making any additions to the System or installing complementary technologies on or about the location of the System; (B) enforcing SolarCity's rights as to this Lease and the System; (C) installing, using and maintaining electric lines, inverters and meters, necessary to interconnect the System to your electric system at the Property and/or to the utility's electric distribution system; or (D) taking any other action reasonably necessary in connection with the construction, installation, operation, maintenance, removal or repair of the System. This access right shall continue for up to ninety (90) days after this Lease expires to provide SolarCity with time to remove the System at the end of the Lease Term. SolarCity shall provide you with reasonable notice of its need to access the Property whenever commercially reasonable.
- (ii) During the time that SolarCity has access rights you shall ensure that its access rights are preserved and shall not interfere with or permit any third party to interfere with such rights or access. You agree that the System is not a fixture, but SolarCity has the right to file any UCC-1 financing statement or fixture filing that confirms its interest in the System.

(i) Indemnity

To the fullest extent permitted by law, you shall indemnify, defend, protect, save and hold harmless SolarCity, its employees, officers, directors, agents, successors and assigns from any and all third party claims, actions, costs, expenses (including reasonable attorneys' fees and expenses), damages, liabilities, penalties, losses, obligations, injuries, demands and liens of any kind or nature arising out of, connected with, relating to or resulting from your negligence or willful misconduct; provided, that nothing herein shall require you to indemnify SolarCity for its own negligence or willful misconduct. The provisions of this paragraph shall survive termination or expiration of this Lease.

(j) Monthly Payments

The Monthly Payments section (Section 4(B)) describes your monthly payment obligations under this Lease. YOU AGREE THAT THIS IS A NET LEASE AND THE OBLIGATION TO PAY ALL MONTHLY PAYMENTS AND ALL OTHER AMOUNTS DUE UNDER THIS LEASE SHALL BE ABSOLUTE AND UNCONDITIONAL UNDER ALL CIRCUMSTANCES AND SHALL NOT BE SUBJECT TO ANY ABATEMENT, DEFENSE, COUNTERCLAIM, SETOFF, RECOUPMENT OR REDUCTION FOR ANY REASON WHATSOEVER, IT BEING THE EXPRESS INTENT OF THE PARTIES THAT ALL AMOUNTS PAYABLE BY YOU HEREUNDER SHALL BE AND CONTINUE TO BE PAYABLE IN ALL EVENTS INCLUDING BY YOUR HEIRS AND ESTATE AND, EXCEPT AS SET FORTH BELOW IN SECTIONS 6, 23 AND 24, YOU HEREBY WAIVE ALL RIGHTS YOU MAY HAVE TO REJECT OR CANCEL THIS LEASE, TO REVOKE ACCEPTANCE OF THE SYSTEM, OR TO GRANT A SECURITY INTEREST IN THE SYSTEM.

- (k) You authorize SolarCity, or its designee, to obtain your credit report now and in the future, check your credit and employment history, answer questions others may ask regarding your credit and share your credit information with SolarCity's financing partners. You certify that all information you provide to us in connection with checking your credit will be true and understand that this information must be updated upon request if your financial condition changes.

6. CONDITIONS PRIOR TO INSTALLATION OF THE SYSTEM

(a) SolarCity's Obligation to Install and Lease

SolarCity's obligations to install and lease the System are conditioned on the following items having been completed to its reasonable satisfaction:

- (i) completion of (A) the engineering site audit (a thorough physical inspection of the Property, including, if applicable, geotechnical work), (B) the final System design, and (C) real estate due diligence to confirm the suitability of the Property for the construction, installation and operation of the System;
- (ii) approval of this Lease by SolarCity's financing partner(s);
- (iii) SolarCity acquiring your credit score;
- (iv) confirmation of rebate, tax credit and renewable energy credit payment availability in the amount used to calculate the Monthly Payment amounts set forth in this Lease;
- (v) confirmation that SolarCity will obtain all applicable benefits referred to in Section 9;
- (vi) receipt of all necessary zoning, land use and building permits; and
- (vii) completion of any renovations, improvements or changes reasonably required at your Home or on the Property (e.g. removal of a tree or roof repairs necessary to enable SolarCity to safely install the System); and
- (viii) if your home is governed by a home owner's association or similar community organization, your receipt of all approvals and authorizations for the System required by that organization and advising us of any requirements of that organization that will otherwise impact the System, its installation or operation.

SolarCity may terminate this Lease without liability if, in its reasonable judgment, any of the above listed conditions (i) through (vi) will not be satisfied for reasons beyond its reasonable control. Once SolarCity starts installation,

however, it may not terminate this Lease for the failure to satisfy conditions (i) through (vi) above.

(b) Amendments, Your Right to Terminate for Material Changes.

Both parties will have the right to terminate this Lease, without penalty or fee, if SolarCity determines after the engineering site audit of your Home that it has misestimated by more than ten percent (10%) any of (i) the System size, (ii) the System's total cost or (iii) the System's annual production. Such termination right will expire at the **earlier** of (A) one (1) week prior to the scheduled System installation date and (B) one (1) month after we inform you in writing of the revised size, cost or production estimate. If neither party exercises their right to terminate this Lease following such a 10% change, then any changes to the System will be documented in an amendment to this Lease. You authorize SolarCity to make corrections to the utility paperwork to conform to this Lease or any amendments to this Lease we both sign.

7. WARRANTY

YOU UNDERSTAND THAT THE SYSTEM IS WARRANTED SOLELY UNDER THE LIMITED WARRANTY ATTACHED AS **EXHIBIT 2**, AND THAT THERE ARE NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AS TO THE MERCHANTABILITY, FITNESS FOR ANY PURPOSE, CONDITION, DESIGN, CAPACITY, SUITABILITY OR PERFORMANCE OF THE SYSTEM OR ITS INSTALLATION.

8. TRANSFER

SolarCity works with banks, large companies and other significant financing partners to finance your System. As a result, SolarCity will assign this Lease to one of its financing partners. SolarCity may assign, sell or transfer the System and this Lease, or any part of this Lease or the exhibits, without your consent. Assignment, sale or transfer generally means that SolarCity would transfer certain of its rights and certain of its obligations under this Lease to another party. This assignment does not change SolarCity's obligation to maintain and repair your System as set forth in the Limited Warranty.

9. OWNERSHIP OF THE SYSTEM; TAX CREDITS AND REBATES

You agree that the System is SolarCity's personal property under the Uniform Commercial Code. You understand and agree that this is a lease and not a sale agreement. SolarCity owns the System for all purposes, including any data generated from the System. You shall at all times keep the System free and clear of all liens, claims, levies and legal processes not created by SolarCity, and shall at your expense protect and defend SolarCity against the same.

YOU UNDERSTAND AND AGREE THAT ANY AND ALL TAX CREDITS, INCENTIVES, RENEWABLE ENERGY CREDITS, GREEN TAGS, CARBON OFFSET CREDITS, UTILITY REBATES OR ANY OTHER NON-POWER ATTRIBUTES OF THE SYSTEM ARE THE PROPERTY OF AND FOR THE BENEFIT OF SOLARCITY, USABLE AT ITS SOLE DISCRETION. SOLARCITY SHALL HAVE THE EXCLUSIVE RIGHT TO ENJOY AND USE ALL SUCH BENEFITS, WHETHER SUCH BENEFITS EXIST NOW OR IN THE FUTURE. YOU AGREE TO REFRAIN FROM ENTERING INTO ANY AGREEMENT WITH YOUR UTILITY THAT WOULD ENTITLE YOUR UTILITY TO CLAIM ANY SUCH BENEFITS. YOU AGREE TO REASONABLY COOPERATE WITH SOLARCITY SO THAT IT MAY CLAIM ANY TAX CREDITS, RENEWABLE ENERGY CREDITS, REBATES, CARBON OFFSET CREDITS OR ANY OTHER BENEFITS FROM THE SYSTEM. THIS MAY INCLUDE, TO THE EXTENT ALLOWABLE BY LAW, ENTERING INTO NET METERING AGREEMENTS, INTERCONNECTION AGREEMENTS, AND FILING RENEWABLE ENERGY/CARBON OFFSET CREDIT REGISTRATIONS AND/OR APPLICATIONS FOR REBATES FROM THE FEDERAL, STATE OR LOCAL GOVERNMENT OR A LOCAL UTILITY AND GIVING THESE TAX CREDITS, RENEWABLE ENERGY/CARBON CREDITS, REBATES OR OTHER BENEFITS TO SOLARCITY.

10. PURCHASING THE SYSTEM PRIOR TO THE END OF THE LEASE TERM

If you are not in default under this Lease, you will have an option to purchase the System at the end of the Lease Term for \$16,161.60.

11. RENEWAL

If you are in compliance with your Lease, you have the option to renew your Lease for up to ten (10) years in two (2) five (5) year renewal periods. We will send you renewal forms three (3) months prior to the expiration of

the Lease Term, which forms shall set forth the new Monthly Payments due under the renewed Lease, based on our assessment of the then current fair market value of the System. If you want to renew, complete the renewal forms and return them to us at least one (1) month prior to the expiration of the Lease Term. In the event that you respond that you do not agree to the new Monthly Payments, the Lease shall expire by its terms on the termination date. If you don't send us anything in writing after we send you the renewal forms, then this Lease shall renew for an additional one (1) year term at ten percent (10%) less than the then-current average rate charged by your local utility and shall continue to renew for one (1) year terms at that same rate until (i) you give us notice at least thirty (30) days prior to a renewal term that you do not wish to renew; or (ii) we send you a notice terminating the Lease.

12. SELLING YOUR HOME

(a) If you sell your Home you can:

(i) Transfer this Lease and the Monthly Payments.

The person buying your Home (the "Home Buyer") can sign a transfer agreement assuming all of your rights and obligations under this Agreement by qualifying in one of three ways:

- 1) The Home Buyer has a FICO score of 650 or greater;
- 2) The Home Buyer is paying cash for your Home; or
- 3) If the Home Buyer does not qualify under (1) or (2), the Home Buyer qualifies for a mortgage to purchase your Home and either you or the Home Buyer pays us a \$250 credit exception fee.

(ii) Move the System to Your New Home.

If you are moving to a new home in the same utility district, then where permitted by the local utility, the System can be moved to your new home pursuant to the Limited Warranty. You will need to pay all costs associated with relocating the System, execute and provide the same access and ownership rights as provided for in this Lease and provide any third party consents

or releases required by SolarCity in connection with the substitute premises.

(iii) Prepay this Lease and Transfer only the Use of the System.

At any time during the Lease Term, if the person buying your home does not meet SolarCity's credit requirements, but still wants the System, then you can (A) prepay the payments remaining on the Lease (See Section 16(i)(i) and (ii)), (B) add the cost of the Lease to the price of your home; and (C) have the person buying your Home sign a transfer agreement to assume your rights and non-Monthly Payment obligations under this Lease. The System stays at your Home, the person buying your Home does not make any Monthly Payments and has only to comply with the non-Monthly Payment portions of this Lease.

- (b) You agree to give SolarCity at least fifteen (15) days but not more than three (3) months' prior written notice if you want someone to assume your Lease obligations. In connection with this assumption, you, your approved buyer and SolarCity shall execute a written transfer of this Lease. Unless we have released you from your obligations in writing, you are still responsible for performing under this Lease. If your buyer defaults on this Lease and we have not yet signed the transfer agreement, you will be responsible for their default. We will release you from your obligations under this Lease in writing once we have a signed transfer agreement with the person buying your Home (provided such person has been approved as a transferee by SolarCity in writing).
- (c) If you sell your Home and can't comply with any of the options in subsection (a) above, you will be in default under this Lease. Section 12(a) includes a Home sale by your estate or heirs.
- (d) Free Assumability. This agreement is free of any restrictions that would prevent the homeowner from freely transferring their home ("Property"). SolarCity will not prohibit the sale, conveyance or refinancing of the Property. SolarCity may choose to file in the real estate records a UCC-1 financing statement ("Fixture Filing") that preserves their rights in the System. The Fixture Filing is intended only to give

notice of its rights relating to the System and is not a lien or encumbrance against the Property. SolarCity shall explain the Fixture Filing to any subsequent purchasers of the Property and any related lenders as requested. SolarCity shall also accommodate reasonable requests from lenders or title companies to facilitate a purchase, financing or refinancing of the Property.

- (e) EXCEPT AS SET FORTH IN THIS SECTION, YOU WILL NOT SUBLEASE, ASSIGN, SELL, PLEDGE OR IN ANY OTHER WAY TRANSFER YOUR INTEREST IN THE SYSTEM OR THIS LEASE WITHOUT OUR PRIOR WRITTEN CONSENT, WHICH SHALL NOT BE UNREASONABLY WITHHELD.

13. LOSS OR DAMAGE

- (a) Unless you are grossly negligent, you intentionally damage the System, or damage or loss to the System is caused by ball strikes, SolarCity will bear all of the risk of loss, damage, theft, destruction or similar occurrence to any or all of the System. Except as expressly provided in this Lease, no loss, damage, theft or destruction will excuse you from your obligations under this Lease, including Monthly Payments.
- (b) If there is loss, damage, theft, destruction or a similar occurrence affecting the System, and you are not in default of this Lease, you shall continue to timely make all Monthly Payments and pay all other amounts due under the Lease and, cooperate with SolarCity, at SolarCity's sole cost and expense, to have the System repaired pursuant to the Limited Warranty.

14. LIMITATION OF LIABILITY

(a) No Consequential Damages

SOLARCITY'S LIABILITY TO YOU UNDER THIS LEASE SHALL BE LIMITED TO DIRECT, ACTUAL DAMAGES ONLY. YOU AGREE THAT IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY, SPECIAL OR INDIRECT DAMAGES.

(b) Actual Damages

Except for claims under Section 5(i), neither party's liability to the other will exceed an amount equal to

the maximum amount that could be payable by you under Section 16(i). Damages to your Home, belongings or property resulting from the installation or operation of the System are covered in Section 6(c) of the Limited Warranty.

15. DEFAULT

You will be in default under this Lease if any one of the following occurs:

- (a) you fail to make any payment when it is due and such failure continues for a period of ten (10) days;
- (b) you fail to perform any material obligation that you have undertaken in this Lease (which includes doing something you have agreed not to do, like alter the System) and such failure continues for a period of fourteen (14) days after written notice;
- (c) you or your guarantor have provided any false or misleading financial or other information to obtain this Lease;
- (d) you assign, transfer, encumber, sublet or sell this Lease or any part of the System without SolarCity's prior written consent; or
- (e) you or any guarantor makes an assignment for the benefit of creditors, admits in writing its insolvency, files or there is filed against you or it a voluntary petition in bankruptcy, is adjudicated bankrupt or insolvent or undertakes or experiences any substantially similar activity.

16. REMEDIES IN CASE OF DEFAULT

If this Lease is in default, we may take any one or more of the following actions. If the law requires us to do so, we will give you notice and wait any period of time required before taking any of these actions. We may:

- (a) terminate this Lease and your rights to possess and use the System;
- (b) suspend our performance under this Lease;
- (c) take any reasonable action to correct your default or to prevent our loss; any amount we pay will be added to the amount you owe us and will be immediately due;

- (d) require you, at your expense, to return the System or make it available to us in a reasonable manner;
- (e) proceed, by appropriate court action, to enforce performance of this Lease and to recover damages for your breach;
- (f) disconnect, turn off or take back the System by legal process or self-help, but we may not disturb the peace or violate the law;
- (g) report such non-operational status of the System to your utility, informing them that you are no longer net metering;
- (h) charge you a reasonable reconnection fee for reconnecting the System to your utility or turning your System back on after we disconnect or turn off the System due to your default;
- (i) recover from you (i) all accrued but unpaid Monthly Payments, taxes, late charges, penalties, interest and all or any other sums then accrued or due and owing, plus (ii) the unpaid balance of the aggregate rent, each payment discounted to present value at 5% per annum, plus (iii) reasonable compensation, on a net after tax basis assuming a tax rate of 35%, for the loss or recapture of (A) the investment tax credit equal to thirty percent (30%) of the System cost, including installation; and (B) accelerated depreciation over five (5) years equal to eighty five percent (85%) of the System cost, including installation, and for the loss of any anticipated benefits pursuant to Section 9 of this Lease (SolarCity shall furnish you with a detailed calculation of such compensation if such a claim is made); or
- (j) use any other remedy available to us in this Lease or by law.

You agree to repay us for any reasonable amounts we pay to correct or cover your default. You also agree to reimburse us for any costs and expenses we incur relating to the System's return resulting from early termination. By choosing any one or more of these remedies, SolarCity does not give up its right to use another remedy. By deciding not to use any remedy should this Lease be in default, SolarCity does not give up our right to use that remedy in case of a subsequent default.

We may submit to credit reporting agencies (credit bureaus) negative credit reports that would be reflected on your credit record if you do not pay any amounts due under this Lease as required.

17. SYSTEM REMOVAL: RETURN

At the end of the Term or the termination of this Lease, if you have not renewed this Lease or exercised your purchase option (if any) and you have not defaulted, then within ninety (90) days you agree to call SolarCity at the telephone number listed in Section 7 of Exhibit 2 to schedule a convenient time for SolarCity to remove the System from your Home at no cost to you.

18. APPLICABLE LAW; ARBITRATION

PLEASE READ THIS SECTION CAREFULLY. ARBITRATION REPLACES THE RIGHT TO GO TO COURT, INCLUDING THE RIGHT TO A JURY AND THE RIGHT TO PARTICIPATE IN A CLASS ACTION OR SIMILAR PROCEEDING. IN ARBITRATION, A DISPUTE IS RESOLVED BY AN ARBITRATOR INSTEAD OF A JUDGE OR JURY.

The laws of the state where your Home is located shall govern this Lease without giving effect to conflict of laws principles. We agree that any dispute, claim or disagreement between us (a "Dispute") shall be resolved exclusively by arbitration.

The arbitration, including the selecting of the arbitrator, will be administered by JAMS, under its Streamlined Arbitration Rules (the "Rules") by a single neutral arbitrator agreed on by the parties within thirty (30) days of the commencement of the arbitration. The arbitration will be governed by the Federal Arbitration Act (Title 9 of the U.S. Code). Either party may initiate the arbitration process by filing the necessary forms with JAMS. To learn more about arbitration, you can call any JAMS office or review the materials at www.jamsadr.com. The arbitration shall be held in the location that is most convenient to your Home. If a JAMS office does not exist within fifty (50) miles of your Home, then we will use another accredited arbitration provider with offices close to your Home.

If you initiate the arbitration, you will be required to pay the first \$125 of any filing fee. We will pay any filing fees in excess of \$125 and we will pay all of the arbitration fees and costs. If we initiate the arbitration, we will pay all of the filing fees and all of the arbitration fees and costs. We

will each bear all of our own attorney's fees and costs except that you are entitled to recover your attorney's fees and costs if you prevail in the arbitration and the award you receive from the arbitrator is higher than SolarCity's last written settlement offer. When determining whether your award is higher than SolarCity's last written settlement offer your attorney's fees and costs will not be included.

Only Disputes involving you and SolarCity may be addressed in the arbitration. Disputes must be brought in the name of an individual person or entity and must proceed on an individual (non-class, non-representative) basis. The arbitrator will not award relief for or against anyone who is not a party. If either of us arbitrates a Dispute, neither of us, nor any other person, may pursue the Dispute in arbitration as a class action, class arbitration, private attorney general action or other representative action, nor may any such Dispute be pursued on your or our behalf in any litigation in any court. Claims regarding any Dispute and remedies sought as part of a class action, class arbitration, private attorney general or other representative action are subject to arbitration on an individual (non-class, non-representative) basis, and the arbitrator may award relief only on an individual (non-class, non-representative) basis. This means that the arbitration may not address disputes involving other persons with disputes similar to the Disputes between you and SolarCity.

The arbitrator shall have the authority to award any legal or equitable remedy or relief that a court could order or grant under this agreement. The arbitrator, however, is not authorized to change or alter the terms of this agreement or to make any award that would extend to any transaction other than yours. All statutes of limitations that are applicable to any dispute shall apply to any arbitration between us. The Arbitrator will issue a decision or award in writing, briefly stating the essential findings of fact and conclusions of law.

BECAUSE YOU AND WE HAVE AGREED TO ARBITRATE ALL DISPUTES, NEITHER OF US WILL HAVE THE RIGHT TO LITIGATE THAT DISPUTE IN COURT, OR TO HAVE A JURY TRIAL ON THAT DISPUTE, OR ENGAGE IN DISCOVERY EXCEPT AS PROVIDED FOR IN THE RULES. FURTHER, YOU WILL NOT HAVE THE RIGHT TO PARTICIPATE AS A REPRESENTATIVE OR MEMBER OF ANY CLASS PERTAINING TO ANY DISPUTE. THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING ON THE PARTIES AND MAY BE

ENTERED AND ENFORCED IN ANY COURT HAVING JURISDICTION, EXCEPT TO THE EXTENT IT IS SUBJECT TO REVIEW IN ACCORDANCE WITH APPLICABLE LAW GOVERNING ARBITRATION AWARDS. OTHER RIGHTS THAT YOU OR WE WOULD HAVE IN COURT MAY ALSO NOT BE AVAILABLE IN ARBITRATION.

19. WAIVER

Any delay or failure of a party to enforce any of the provisions of this Lease, including but not limited to any remedies listed in this Lease, or to require performance by the other party of any of the provisions of this Lease, shall not be construed to (i) be a waiver of such provisions or a party's right to enforce that provision; or (ii) affect the validity of this Lease.

20. NOTICES

All notices under this Lease shall be in writing and shall be by personal delivery, facsimile transmission, electronic mail, overnight courier, or certified, or registered mail, return receipt requested, and deemed received upon personal delivery, acknowledgment of receipt of electronic transmission, the promised delivery date after deposit with overnight courier, or five (5) days after deposit in the mail. Notices shall be sent to the person identified in this Lease at the addresses set forth in this Lease or such other address as either party may specify in writing. Each party shall deem a document faxed or sent via PDF as an original document.

21. ENTIRE AGREEMENT; CHANGES

This Lease contains the parties' entire agreement regarding the lease of the System. There are no other agreements regarding this Lease, either written or oral. Any change to this Lease must be in writing and signed by both parties. Only an authorized officer of SolarCity may execute any change to this Lease on behalf of SolarCity. If any portion of this Lease is determined to be unenforceable, the remaining provisions shall be enforced in accordance with their terms or shall be interpreted or re-written so as to make them enforceable.

22. PRIVACY/PUBLICITY

You grant SolarCity the right to publicly use, display, share, and advertise the photographic images, Project details, price and any other non-personally identifying information of your Project. SolarCity shall not knowingly release any personally identifiable information about you or any data associating you with the Project location. You may opt-out of these publicity rights by giving us written notice and mailing it to: SolarCity Corporation, Attention: Publicity Opt Out, 3055 Clearview Way, San Mateo, CA 94402.

24. ADDITIONAL RIGHTS TO CANCEL

IN ADDITION TO ANY RIGHTS YOU MAY HAVE TO CANCEL THIS LEASE UNDER SECTIONS 6 AND 23, YOU MAY ALSO CANCEL THIS LEASE AT NO COST AT ANY TIME PRIOR TO COMMENCEMENT OF CONSTRUCTION ON YOUR HOME.

25. Pricing

The pricing in this Lease is valid for 30 days after 7/28/2015. If you don't sign this Lease and return it to us on or prior to 30 days after 7/28/2015, SolarCity reserves the right to reject this Lease unless you agree to our then current pricing.

PERFORMANCE GUARANTEE AND LIMITED WARRANTY

1. INTRODUCTION

This Performance Guarantee and Limited Warranty (this “Limited Warranty”) is SolarCity’s agreement to provide you warranties on the System you leased. The System will be professionally installed by SolarCity at the address you listed in the Lease. We will refer to the installation location as your “Property” or your “Home.” This Limited Warranty begins when we start installing the System at your Home. We look forward to helping you produce clean, renewable solar power at your Home.

2. LIMITED WARRANTIES, PERFORMANCE GUARANTEE

(a) Limited Warranties

(i) System Warranty

Under normal use and service conditions the System will be free from defects in workmanship or defects in, or a breakdown of, materials or components, for the full Term;

(ii) Roof Warranty

All roof penetrations we make for your System will be watertight. This warranty will run the longer of (a) ten (10) years or (b) the length of any existing installation warranty or new home builder performance standard for your roof;

(iii) Damage Warranty

We will repair damage we cause to your Home, your belongings or your property or pay you for the damage we cause, as limited by Section 6, for the full Term (except damages that result from our roof penetrations, which damages are covered for the first ten (10) years of the Term).

Under each of these warranties SolarCity will repair or replace any damage, defective part, material or component or correct any defective workmanship, at no cost or expense to you (including all labor costs), when you submit a valid claim to us under this Limited Warranty. SolarCity may use new or reconditioned parts when making repairs or replacements. SolarCity may also, at no additional cost to you, upgrade or add to any part of the System to ensure that it performs according to the guarantees set forth in this Limited Warranty. Cosmetic repairs that do not involve safety or performance shall be made at SolarCity’s discretion.

(b) Performance Guarantee

(i) Power Production Guarantee

SolarCity guarantees that during the Lease Term the System will generate kilowatt-hours (kWh) as set forth in the table below and calculated as follows. To calculate the guaranteed amount of kWh for an applicable two-year period (“Guaranteed kWh”) we will take the applicable year’s Total kWh in the chart below minus the Total kWh from two years prior, also as indicated in the chart below:

Year	Total kWh	Guaranteed Price/kWh
2	10,773	0.12500
4	21,439	0.12500
6	31,998	0.12500
8	42,452	0.12500
10	52,801	0.12500
12	63,047	0.12500
14	73,192	0.12500
16	83,235	0.12500
18	93,177	0.12500
20	103,021	0.12500

- A. If at the end of each successive 24 month anniversary of your first monthly payment the cumulative Actual kWh (defined below) generated by the System is less than the Guaranteed kWh, **then we will send you a refund check** equal to the difference between the cumulative Actual kWh and the Guaranteed kWh multiplied by the Guaranteed Energy Price per kWh (defined below). Your cumulative Actual kWh is dependent on a shading percentage of 7.00% on your Home. If this shading percentage increases, your Guaranteed Actual kWh will be reduced proportionately.

For example, if the first 24 month period commences on October 1, 2013 and ends on September 30, 2015, and the energy the System was supposed to generate is less than the energy the system was guaranteed to generate during such 24 month period, we will pay you the difference in the Actual kWh and the Guaranteed kWh multiplied by the Guaranteed Energy price per kWh within thirty (30) days after we receive your request. See the table below for a real world example.

Example Guaranteed kWh	Example Actual kWh	Example Guaranteed \$/kWh Energy Price	Example Payment to You
10,000	9,500	\$0.10	\$50.00

- B. If at the end of each successive 24 month anniversary of your first monthly payment the Actual kWh is **greater** than the Guaranteed kWh during any 24 month period, this surplus will be carried over and will be used to offset any deficits that may occur in the future. If over the course of the Term your System produces more energy than the Guaranteed Output then this additional energy is yours at no additional cost.

“Actual kWh” means the AC electricity produced by your System in kilowatt-hours measured and recorded by SolarCity during each successive 24 month anniversary of your first monthly payment. To measure the Actual kWh we will use the

PowerGuide Solar Monitoring Service or to the extent such services are not available, we will estimate the Actual kWh by reasonable means.

“Guaranteed Energy Price per kWh” is set out in the table immediately after the first paragraph in Section 2(b)(i) above.

(ii) PowerGuide™ Solar Monitoring

During the Lease Term, we will provide you at no additional cost our PowerGuide Solar Monitoring Service (“PowerGuide”). PowerGuide is a proprietary monitoring system designed and installed by SolarCity that captures and displays historical energy generation data over an Internet connection and consists of hardware located on site and software hosted by SolarCity. If your System is not operating within normal ranges, PowerGuide will alert us and we will remedy any material issues promptly.

(iv) Output Warranty

The System’s electrical output during the first ten (10) years of the Lease Term shall not decrease by more than fifteen percent (15%). This output warranty is in addition to the Energy Production Guarantee in Section 2(b)(i) of this Exhibit 2 and you will be provided a refund check for underproduction as set forth in Section 2(b)(i).

(c) Maintenance and Operation

(i) General

When the System is installed SolarCity will provide you with a copy of its Solar Operation and Maintenance Guide. This Guide provides you with System operation and maintenance instructions, answers to frequently asked questions, troubleshooting tips and service information.

(ii) PowerGuide

PowerGuide requires a high speed Internet line to operate. Therefore, during the Lease Term, you agree to maintain the communication link between PowerGuide and the System and between PowerGuide and the Internet. You agree to maintain and make available, at your cost, a functioning indoor internet connection with a router, one DHCP enabled Ethernet port with internet access and standard AC power outlet close enough and free of interference to enable an internet-connected gateway provided by SolarCity to communicate wirelessly with the system's inverter (typically this is 80 feet, but may depend on site conditions). This communication link must be a 10/100 Mbps Ethernet connection that supports common Internet protocols (TCP/IP and DHCP). If you do not have and maintain a working high speed Internet line then (A) we will not be able to monitor the System and provide you with the Power Production Guarantee or provide PowerGuide; and (B) you will be required to provide SolarCity with annual production information from your inverter.

(d) Making a Claim; Transferring this Warranty

(i) Claims Process

You can make a claim by:

- A. emailing us at the email address in Section 7 below;
- B. writing us a letter and sending it overnight mail with a well-known service; or
- C. sending us a fax at the number in Section 7 below.

(ii) Transferable Limited Warranty

SolarCity will accept and honor any valid and properly submitted Warranty claim made during any Lease Term by any person who either purchases the System from you or to whom you properly transfer the Lease.

(e) Exclusions and Disclaimer

The limited warranties and guarantee provided in this Limited Warranty do not apply to any lost power production or any repair, replacement or correction required due to the following:

- (i) someone other than SolarCity or its approved service providers installed, removed, re-installed or repaired the System;
- (ii) destruction or damage to the System or its ability to safely produce power not caused by SolarCity or its approved service providers while servicing the System (e.g. if a tree falls on the System we will replace the System per the Lease, but we will not repay you for power it did not produce);
- (iii) your failure to perform, or breach of, your obligations under the Lease (e.g. you modify or alter the System);
- (iv) your breach of this Limited Warranty, including your being unavailable to provide access or assistance to us in diagnosing or repairing a problem, or your failing to maintain the System as stated in the Solar Operation and Maintenance Guide;
- (v) any Force Majeure Event (as defined below);
- (vi) shading from foliage that is new growth or is not kept trimmed to its appearance on the date the System was installed;
- (vii) any system failure or lost production not caused by a System defect (e.g. the System is not producing power because it has been removed to make roof repairs or you have required us to locate the inverter in a non-shaded area);
- (viii) theft of the System (e.g. if the System is stolen we will replace the System per the Lease, but we will not repay you for the power it did not produce);
- (ix) damage to your Home, belongings or property that results from our roof penetrations after the end of the Roof Warranty; and
- (x) damage or loss to the System due to ball strikes.

This Limited Warranty gives you specific rights, and you may also have other rights which vary from state to state. This Limited Warranty does not warrant any specific electrical performance of the System, other than that described above.

Snow or ice may accumulate on rooftops and on solar panels during snow storms. Accumulated snow or ice may slide or fall, resulting in property damage or bodily harm. If and when conditions safely allow you to remove accumulated snow or ice, you should do so to reduce the likelihood of excess snow sliding or falling.

THE LIMITED WARRANTIES DESCRIBED IN SECTIONS 2(a) ABOVE ARE THE ONLY EXPRESS WARRANTIES MADE BY SOLARCITY WITH RESPECT TO THE SYSTEM. SOLARCITY HEREBY DISCLAIMS, AND ANY BENEFICIARY OF THIS LIMITED WARRANTY HEREBY WAIVES, ANY WARRANTY WITH RESPECT TO ANY COST SAVINGS FROM USING THE SYSTEM. SOME STATES DO NOT ALLOW SUCH LIMITATIONS, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

3. SOLARCITY'S STANDARDS

For the purpose of this Limited Warranty the standards for our performance will be (i) normal professional standards of performance within the solar photovoltaic power generation industry in the relevant market; and (ii) Prudent Electrical Practices. "Prudent Electrical Practices" means those practices, as changed from time to time, that are engaged in or approved by a significant portion of the solar power electrical generation industry operating in the United States to operate electric equipment lawfully and with reasonable safety, dependability, efficiency and economy.

4. SYSTEM REPAIR, RELOCATION OR REMOVAL

- (a) **Repair.** You agree that if (i) the System needs any repairs that are not the responsibility of SolarCity under this Limited Warranty, (ii) the system needs to be removed and reinstalled to facilitate remodeling of your Home or (iii) the system is being

relocated to another home you own pursuant to the Lease, you will have SolarCity, or another similarly qualified service provider, at your expense, perform such repairs, removal and reinstallation, or relocation on a time and materials basis.

- (b) **Removal/Moving.** SolarCity will remove and replace the System from your roof while roof repairs are being made for a payment of \$499. You will need to provide storage space for the System during such time. Where permitted under the Lease, SolarCity will work with you to conduct an audit of your existing Home and new home to determine if a move is commercially feasible. This audit will cost \$499. If SolarCity determines that a move is commercially feasible, it will then move the System for an additional payment of \$499. If we reinstall your System, the Roof Warranty will restart at the completion of reinstallation and run for ten (10) years from reinstallation.
- (c) **Return.** If at the end of the Term you want to return the System to SolarCity under Section 17 of the Lease then SolarCity will remove the System at no cost to you. SolarCity will remove the posts, waterproof the post area and return the roof as close as is reasonably possible to its original condition before the System was installed (e.g. ordinary wear and tear and color variances due to manufacturing changes are excepted). SolarCity will warrant the waterproofing for one (1) year after it removes the System. You agree to reasonably cooperate with SolarCity in removing the System including providing necessary space, access and storage, and we will reasonably cooperate with you to schedule removal in a time and manner that minimizes inconvenience to you.

5. FORCE MAJEURE

If SolarCity is unable to perform all or some of its obligations under this Limited Warranty because of a Force Majeure Event, SolarCity will be excused from whatever performance is affected by the Force Majeure Event, provided that:

- (a) SolarCity, as soon as is reasonably practical, gives you notice describing the Force Majeure Event;
- (b) SolarCity's suspension of its obligations is of no greater scope and of no longer duration than is required by the Force Majeure Event (i.e. when a Force Majeure Event is over, we will make repairs); and
- (c) No SolarCity obligation that arose before the Force Majeure Event that could and should have been fully performed before such Force Majeure Event is excused as a result of such Force Majeure Event.

"Force Majeure Event" means any event, condition or circumstance beyond the control of and not caused by SolarCity's fault or negligence. It shall include, without limitation, failure or interruption of the production, delivery or acceptance of power due to: an act of god; war (declared or undeclared); sabotage; riot; insurrection; civil unrest or disturbance; military or guerilla action; terrorism; economic sanction or embargo; civil strike, work stoppage, slow-down, or lock-out; explosion; fire; earthquake; abnormal weather condition or actions of the elements; hurricane; flood; lightning; wind; drought; the binding order of any governmental authority (provided that such order has been resisted in good faith by all reasonable legal means); the failure to act on the part of any governmental authority (provided that such action has been timely requested and diligently pursued); unavailability of power from the utility grid, equipment, supplies or products (but not to the extent that any such availability of any of the foregoing results from SolarCity's failure to have exercised reasonable diligence); power or voltage surge caused by someone other than SolarCity including a grid supply voltage outside of the standard range specified by your utility; and failure of equipment not utilized by SolarCity or under its control.

6. LIMITATIONS ON LIABILITY

(a) No Consequential Damages

YOU MAY ONLY RECOVER DIRECT DAMAGES INCLUDING THOSE AMOUNTS DUE PURSUANT TO SECTIONS 2(b) AND 6(c) UNDER THIS LIMITED WARRANTY, AND IN NO EVENT SHALL SOLARCITY OR ITS AGENTS OR SUBCONTRACTORS BE LIABLE TO YOU OR YOUR ASSIGNS FOR SPECIAL, INDIRECT, PUNITIVE, EXEMPLARY, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY NATURE. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

(b) Limitation of Duration of Implied Warranties

ANY IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY ARISING UNDER STATE LAW, SHALL IN NO EVENT EXTEND PAST THE EXPIRATION OF ANY WARRANTY PERIOD IN THIS LIMITED WARRANTY. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

(c) Limit of Liability

Notwithstanding any other provision of this Limited Warranty to the contrary, SolarCity's total liability arising out of relating to this Limited Warranty shall in no event:

- (i) For System Replacement: exceed the greater of (a) the sum of the Lease payments over the Term of the Lease; and (b) the original cost of the System; and
- (ii) For damages to your Home, belongings and property: exceed two million dollars (\$2,000,000).

This Limited Warranty protects only the person who leases the System. Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, SolarCity Corporation (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the "I agree" button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign "Withdraw Consent" form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
