Defects shall not include items of personal preference or taste.

Weichert shall have ten (10) days from the receipt of such notice (the "Correction Period") (i) to correct such defect, or (ii) to cancel the Agreement by written notice of cancellation to Buyer. If such defect is not cured during the Correction period, Buyer may cancel the Agreement by giving written notice of cancellation to Weichert. In the event of cancellation of the Agreement by either party, all payments made under the Agreement by Buyer shall be refunded and all other obligations of the parties hereunder shall be null and void and without recourse by either party against the other.

**c. Waiver of Inspection Right:** If Buyer does not notify Weichert during the Inspection Period of any defect in the condition of the Property and the Contents, Buyer shall be deemed to have waived the rights and remedies provided above and to have accepted the condition of the Property and the Contents, "as is," without any other implied or express representations or warranties of any nature by Weichert.

**d. Walk Through Inspection:** Buyer shall be entitled to make a final walk-through inspection of the property, no later than forty-eight (48) hours prior to closing. Said notice may not be served before the date of closing set forth above.

**9. No Survival of Remedies:** The acceptance of a deed by Buyer shall be deemed to be a full performance and discharge of every agreement and obligation contained in the Agreement and this Addendum, except any express warranties set forth in this Addendum and such others as are by the terms of this Addendum or the Agreement to be performed after the delivery of such deed

**10. Complete Agreement and Representation:** This agreement is entered into upon the knowledge of the parties as to the value of the land and whatever buildings are upon the same and not on any representations made as to the character or quality.
