

All showings must comply with the applicable County COVID-19 Shelter-in-Place Order and the State COVID-19 guidelines published by California Departments of Public Health and Industrial Relations (Cal/OSHA) "COVID-19 INDUSTRY GUIDANCE: Real Estate Transactions" as updated on May 12, 2020.

Check Your City or County for More Restrictive Local Showing Rules

More restrictive rules regarding showings by a County or City must still be followed.

Prevention Plan

Brokerages must:

- Establish a written COVID-19 "Prevention Plan" to be followed by agents who show properties.
- Regularly evaluate compliance with the plan and document and correct deficiencies identified.

Unless otherwise specified, this entire document known as the "Mandatory Government Showing Requirements, including Best Practices Guidelines and Prevention Plan" is hereby adopted as Broker's "Prevention Plan."

Showing Rules for Listing and Buyer's Agents

1. Utilize virtual tours instead of in-person property showings whenever possible.
2. Do not hold open houses or showings which are open to the general public on a walk-in basis. For all in-person visits, agents must use an appointment or digital sign-in process to control the number of people in the house or property.
3. Only a single agent and a "buying party" are to be in a dwelling at the same time during a showing. A "buying party" may be more than one individual buyer.
4. Show houses with occupants not present when possible. Sellers and tenants, in accordance with their legal rights, are to be advised that they should not be present within a dwelling at the same time as other individuals.
5. Agents conducting the showing should meet clients at the property and not drive the client to the property.
6. The listing agent must post the Posted Rules for Entry (C.A.R. Document PRE) at the entrance of the property. These Posted Rules for Entry or a link to them should be part of any online public and MLS listings.
7. Even though the client may have already been informed, real estate licensees should remind clients to maintain physical distancing during showings and to refrain from touching handles, switches, pulls, etc.
8. Real estate licensees or sellers/renters must open doorways or other areas of ingress and egress prior to in-person property showings to minimize clients touching surfaces. During a showing, introduce fresh outside air, for example by opening doors/windows, weather permitting, and operating ventilation systems.
9. All information must be delivered electronically. Discontinue providing handouts or other types of promotional or informational materials.

Cleaning and Disinfecting the Property and Sanitation Products

1. The agent who shows the property shall follow cleaning and disinfecting protocols and provide sanitation products unless otherwise agreed.
2. Real estate licensees should ensure shown properties have proper sanitation products, including hand sanitizer, face coverings and sanitizing wipes, for use by visitors as needed. No showing should take place if these products are not available to those entering the property.
3. Disposable covers should be properly discarded in a trash bag or other similar receptacle that is sealed prior to disposal.
4. Shown properties should have commonly used surface areas cleaned and disinfected before and after each showing. Examples of commonly used surface areas are counters, door and cabinet handles, key lock boxes, keypads, toilets, sinks, light switches, etc. This obligation to clean and disinfect includes mobility and safety fixtures on the property such as handrails and banisters.
5. No showing may occur unless the property is cleaned and disinfected before and after each showing. Sanitizers must be recognized by the CDC as effective in combatting COVID-19 (e.g., at least 60% ethanol or 70% isopropanol).

Rules for Every Visitor

1. Prior to entering a property, all persons must have already signed a Coronavirus Property Entry Advisory and Declaration - Visitor form (C.A.R. Form PEAD-V) and delivered a copy of that signed form to the listing agent.
2. By signing the PEAD-V, the visitor is agreeing to both the Posted Rules of Entry (C.A.R. Document PRE) and this Prevention Plan or other plan adopted by the Broker. This is required of everyone entering the property including prospective buyers, agents, inspectors, appraisers, contractors, etc.
3. All visitors must maintain six feet of physical distance between unrelated persons.
4. All visitors must wear face coverings.
5. All visitors must use hand sanitizer or wash their hands immediately upon entry.
6. All visitors must avoid touching knobs, faucets, toilets and toilet handles, light switches, garage door opener buttons, handles and pulls, alarm system controls, fan pulls, remotes, thermostats, switchboxes, gates and gate latches, window locks and sashes, pool coverings, and other such items.

Rules for Sellers

If current occupants are present and/or participate during the showings, in accordance with their legal rights, they should adhere to the same standards regarding physical distancing and property cleaning and disinfecting protocols and promote a safe environment for all persons present.
