# BEAVER MOUNTAIN DOCK

## RULES & REGULATIONS

- 1.) Cars or boat trailers may not block the easement.
- 2.) The common walkway of the ramp dock shall not be obstructed at any time.
- 3.) Swimming from the dock is done at your own risk. No member or his guest will be allowed to dive off any slip other their own.
- 4.) At no time is there to be more than one boat per slip. No tying to the dock by you are your guests.
- 5.) Members and guests shall not create undo disturbances of other members and shall conduct themselves in a safe and orderly fashion. Do not infringe on the rights of other members by using their slip or fingers.
- 6.) Members are responsible for their guest use of the dock at all times.
- 7.) Guests may not invite other guests to use the dock facilities without prior approval of the board.
- 8.) Members and guests are to remove their litter and garbage from the dock and beach area daily.
- 9.) Any items constructed or attached to the dock without prior approval of the board will be removed at the member's expense.
- 10.) Renters are classified as guests and must abide by the rules of this association or have their privileges revoked.

**GATE COMBO:** press **2+4** simultaneously and then press **3** Same combo for both gates.

**See Beaver Mountain Dock Association: Slip Assignments** for slip/owner locations.
