

LA CASA MODERNA

3024 West Palos Verdes Drive
Palos Verdes Estates

This extraordinary home has been renovated to enjoy the modern style of easy living with impressive combination of exotic wood, glittering crystal glass, stainless steel, concrete, porcelain tiles and signature colors. Hickory hardwood floors throughout. Ocean Views from all but one room!

Building: Custom , two story with apx. 3,500 square feet of indoor space

Lot: Private, apx. 12,280 square feet

Style: Modern - Simplicity and clarity of forms, emphasis on horizontal and vertical lines

Exterior: Light gray smooth stucco, Glass balcony with stainless steel railing, black concrete roof, stamped concrete, IPE wood (Brazilian teak)

Driveway: Driveway can accommodate several cars

Balcony: Large balcony with glass railing (to allow the clear panoramic ocean view inside the home) and stainless steel combination.

Landscaping: Front and back landscaping has a collection of succulent plants with striking appearance

Garage: Ample 2-car garage, Stainless steel door, built-in cabinet storage, rubber tiles and fridge to hold 72 wine bottles

Security system: The entire house is protected by an advanced security system including video cameras which can be monitored and controlled remotely.
