- 8,419 Building Sq. Ft. 11,283 Sq Ft Lot

220 S. PACIFIC COAST HWY

VERSATILE FLOOR PLAN

FIRST FLOOR - MAIN LEVEL

The main level of the building consists of seven individual suites, each featuring its private entrance. Additionally, this level includes two well-appointed common areas and two bathrooms. The property is enclosed by a secure gate, ensuring privacy. Each suite on this floor boasts a reception area and private offices. Positioned one level above street level and the subterranean parking area, these offices offer an average of approximately 630 square feet each, with the possibility of combining them for larger space requirements.

- Suite 101: 630 Sq. Ft., Model Unit, Reception, Private Office, Open Space
- Suite 102: 630 Sq. Ft. Reception, Two Private Offices
- Suite 103: 630 Sq. Ft., Reception, One Private Office, Open Space
- Suite 104: 630 Sq. Ft., Reception, One Private Office, Open Space
- Suite 105: 630 Sq. Ft., Reception, One Private Office, Open Space
- Suite 106: 809 Sq. Ft., Reception, One Private Office, Open Space
- Suite 107: 200 Sq. Ft., Open Office Space

VERSATILE FLOOR PLAN

SECOND LEVEL

The second floor of the building presents four individual suites. The largest unit is a spacious 1,850 square foot area in core shell condition, featuring six private offices, a reception area, a kitchen, a private bathroom, and storage. The adjacent unit consists of an open office space. The following unit provides a private office along with a substantial open workspace. The last unit on this level includes a reception area, two private offices, and a private bathroom. Additionally, there are two communal bathrooms available on this floor.

- Suite 109: 1,150 Sq. Ft., Reception, Two Private Offices, Open Space, Private Bathroom
- Suite 110: 630 Sq. Ft. Open Space, One Private Office
- Suite 111: 630 Sq. Ft. Open Office Space
- Suite 112: 1,850 Sq. Ft. Six Private Offices, Kitchen, Bathroom, Private Storage
