INFORMATION FOR PROSPECTIVE HOMEOWNERS

As a prospective homeowner you are being provided with certain information you should know prior to applying for tenancy in a mobilehome park. This is not meant to be a complete list of information.

Owning a home in a mobilehome park incorporates the dual role of "homeowner" (the owner of the home) and park resident or tenant (also called a "homeowner" in the Mobilehome Residency Law). As a homeowner under the Mobilehome Residency Law, you will be responsible for paying the amount necessary to rent the space for your home, in addition to other fees and charges described below. You must also follow certain rules and regulations to reside in the park.

If you are approved for tenancy, and your tenancy commences within the next 30 days, your beginning monthly rent will be \$ 850.00 for space number _____. Additional information regarding future rent or fee increases may also be provided.

In addition to the monthly rent, you will be obligated to pay to the park the following additional fees and charges listed below. Other fees or charges may apply depending upon your specific requests. Metered utility charges are based on use.

- ❖ Water \$38.60
- ❖ Sewer \$42.35
- ❖ Trash \$24.88
- ❖ Gas (sub-metered for both north and south sides)
- ❖ Electricity (sub-metered for south side; paid directly to Edison for north side)

Some spaces are governed by an ordinance, rule, regulation, or initiative measure that limits or restricts rents in mobilehome parks. These laws are commonly known as "rent control." Prospective purchasers who do not occupy the mobilehome as their principal residence may be subject to rent levels which are not governed by these laws. (Civil Code Section 798.12). Long-Term leases specify rent increases during the term of the lease. By signing a rental agreement or lease for a term of more than one year, you may be removing your rental space from a local rent control ordinance during the term, or any extension, of the lease if a local rent control ordinance is in effect for the area in which the space is located.

A fully executed lease or rental agreement, or a statement signed by the park's management and by you stating that you and the management have agreed to the terms and conditions of a rental agreement, is required to complete the sale or escrow process of the home. You have no rights to tenancy without a properly executed lease or agreement or that statement. (Civil Code section 798.75)

If the management collects a fee or charge from you in order to obtain a financial report or credit rating, the full amount of the fee or charge will be either credited toward your first month's rent or, if you are rejected for any reason, refunded to you. However, if you are approved by management, but, for whatever reason, you elect not to purchase the mobilehome, the management may retain the fee to defray its administrative costs. (Civil Code Section 798.74)

We encourage you to request from management a copy of the lease or rental agreement, the park's rules and regulations, and a copy of the Mobile Residency Law. Upon request, park management will provide you a copy of each document. We urge you to read these documents before making the decision that you want to become a mobilehome park resident.

EDEN ROC MOBILEHOME PARK
GOOD NEIGHBOR POLICY
(RULES AND REGULATIONS)
REVISED DECEMBER 1996

These rules and regulations may be changed from time to time in accordance with the laws of the State of California.

For the purpose of this document, the definitions in Sections 798.2 through 798.12 of the California Civil Code shall be used, plus, "guest" is a person who occupies a mobilehome that is not a resident.

STANDARD

As a general rule, Eden Roc is like other typical residential neighborhoods of similar quality and population in our geographic area. Therefore, you and your neighbors are expected to accept a reasonable amount of disturbances and other activity which may not be to your liking. For example, your neighbors may give a party, run their air conditioners earlier or later than you would like, or do other things which commonly occur in any other neighborhood that will disturb you. If one of your neighbors or their guest is doing something they should not do and you are reasonably disturbed, we expect you and the others who may be affected to make reasonable efforts to talk to the person who is creating the problem or is responsible for the guest, and try to resolve it. If the problem is one where reasonably the police or other public authorities should be contacted and a complaint filed, you are expected to do this as well — that is what people who live in a typical neighborhood do in everyday life. If you cannot resolve the problem and you are truly being *unreasonably* affected, we will attempt to take reasonable steps to try and resolve the problem. Please keep in mind that, as a practical matter, Eden Roc is not able to be the "police" for all the various day-to-day routine disturbances, disagreements, and other problems which may occur in Eden Roc. We will not try to "over-enforce" the rules where the infraction seems to be minor or just a routine everyday occurrence most people put up with in a typical neighborhood. Our ability is also limited by practical and legal considerations and constraints. Because of these and other similar considerations, you are agreeing that by moving into Eden Roc or by continuing to live here, Eden Roc will not be liable to you or others for normal, routine disturbances or other kinds of things which one should commonly expect when they live in our society, nor will we be liable to you for our inconsistency or lack of enforcement of these Rules and Regulations.

A. RESIDENCY REQUIREMENTS

1. Residency in Eden Roc Estates (Park) is limited to the following: At least one occupant of each household must be at least fifty-five (55) years of age for a minimum of 80% of the Park. All other occupants must be 40 years of age or older.

2. (a) A healthcare provider, though not meeting the age requirements of A.1 may reside in the home. A healthcare provider is defined as someone engaged solely for the purpose of caring for the homeowner.

(b) The healthcare provider will have no rights of residency. The healthcare provider may not use the pool, clubhouse or any other common area unless accompanied by the employing homeowner.

(c) The healthcare provider will promptly move from the Park once the providers services are no longer required.

3. All residents must be registered at the Park office, and listed on a Park lease or rental agreement.

4. The number of residents allowed to occupy the mobilehome shall be limited to two (2) persons per bedroom plus one (1) additional.

B. GUESTS

1. Guests' visits may not exceed thirty (30) days in any calendar year.

2. Guests are not allowed to reside in the home during resident's absence, except in the case of house-sitting. Housesitters must be registered in the Park office and receive management's written approval.

3. Guest's activities must be supervised and not cause a disturbance to other residents. Minor guests must remain on the resident's homesite unless accompanied by a responsible resident.

4. Guests using the swimming pool, clubhouse or any other common facility must be accompanied by the host resident. Persons under eighteen (18) years of age are not permitted to use the spa or billiard room. Recreational facilities are used at the sole risk of the user.

D. LATE CHARGES AND NON SUFFICIENT FUNDS (NSF) CHECKS

1. Rent and all other billed charges are due and payable on the first (1st) day of each month in advance. If payment is not received by the close of business on the tenth (10th) day of the month in which it is due a Twenty Dollar (\$20.00) or Five Percent (5%), whichever is greater, late fee will be added to the amount due. The same amount will be added for any check returned by the bank for any reason.

2. Eden Roc may, at it's sole discretion, refuse to accept any payment not received the tenth (10th) of the month in which it is due except as otherwise provided by law.

E. SALE OF MOBILEHOME

1. Resident must notify management, in writing, at the time the mobilehome is listed for sale.

2. Management's prior written approval of the buyer of a mobilehome that will remain in the Park must be obtained prior to the close of sale. An Application for Residency, which includes execution of a rental agreement and copy of these Rules and Regulations, must be completed by the purchaser and be approved by management before new residency is established.

3. Residents may select the sales agency of their choice or may sell the mobilehome themselves.

4. Any mobilehome that is in a run down condition or in disrepair shall be removed from the park upon sale, unless management approves a plan, submitted within the Application for Residency, for its upgrade to conform with the Park's specifications within sixty (60) days of the close of sale. (See California Civil Code Section 798.73)

The term "neighborhood compatible" refers to homes which have substantially the same appearance and condition as homes being currently manufactured or which, in the sole discretion of management, are of such design, material and condition that they will favorably complement or be comparable with other homes in the Park.

(a) The lot must be kept free of weeds and be covered with grass, shrubs, plants, bark, rock, cinders or otherwise attractively planted.

(b) All plants shall be trimmed, pruned and edged to maintain the shape, control growth and to present a neat, attractive appearance. This will include controlling trees and roots so that they do not grow on, or extend into, an adjacent lot or the common area, nor brush against or damage a mobilehome, structure, asphalt, paving or skirting. Trees designated as Park trees will be maintained by the Park.

(c) Removal of a tree or shrub requires management's approval, which will not be reasonably withheld.

(d) Irrigation plans must have written approval of management prior to installation.

(e) The resident is responsible for the cost and repair of all damage to underground utilities and drainage facilities caused by the resident. Easements for the installation and maintenance of utilities and drainage facilities have been reserved throughout the park, as shown on the plan which is kept in the maintenance office. Within these easements, no structure, planting or other material will be permitted which may damage or interfere with the installation and/or maintenance of utilities, or which may change the direction or flow of drainage channels in the easement. Management must be consulted prior to any digging on the lot in excess of two (2) feet in depth.

(f) Landscaping shall be completed within sixty (60) days of setting a new mobilehome or completion of a major alteration to an existing mobilehome.

(g) Lots are to be maintained in a clean, neat, attractive and weed-free condition at all times.

14. **UNAPPROVED MATERIALS.** The following materials shall not be used on the exterior of the mobilehome, additions, improvement, or any location on the lot where they would be visible from another homesite or from the common area.

(c) Fencing material such as chainlink, wire, wood or wrought iron, except as a fence which has been approved by management in writing.

15. Owners of existing homes are encouraged to upgrade their homes to meet these standards, however, upgrades are not required of current owners unless it is necessary for the health and safety of the residents. Certain upgrades may be required upon resale of an existing home.
