

Listing Notes 8 San Carlos

Agents; in an effort to streamline the escrow process and provide greater transparency to buyers and sellers the home inspection has been completed along with the seller disclosures, and NHD report.

The home is sold "as is" and by providing this information upfront, the buyer no longer has to worry about the home's condition before making an offer. The following repairs are going to be completed per the home inspection report by Preferred Home Inspection Services.

Please contact the agent for any specific questions.

Thank you!
