THE STELLA HIGHLIGHTS

- A welcoming covered entry opens to a grand foyer that reveals a desirable first-floor bedroom, as well as a versatile office.
- Easily host any social gathering from the monumental great room which overlooks the spacious dining room and the stylish kitchen.
- Ideal for the at-home chef, this well-equipped kitchen is complete with an enormous center island, a walk-in pantry, ample counter space, and sliding doors that open the home to the generous luxury outdoor living space.
- A graceful floating staircase leads you to the second-floor bonus room which offers access to a picturesque covered balcony.
- This impeccable master bedroom suite is complemented by an elevated coffered ceiling, a fantastic sitting area, and a stunning master bath that features a standalone tub, a glass-enclosed shower, and an expansive walk-in closet.
- Additional highlights include a private bath for each of the well-proportioned secondary bedrooms, a conveniently located laundry room, and a calming courtyard that fills this home with natural light.
