Evaluator Comments

Tank inspected on standing home, without pumping, tank appears to be in good condition and operating at normal liquid level. Absorption field tested Good.

This Onsite Wastewater Treatment and Disposal System Evaluation Report is a true and complete record of the septic system on the date of evaluation. No warranty is given or implied regarding the remaining life of the system. I certify that this Onsite Wastewater Treatment and Disposal System Evaluation Report reflects conditions on the parcel(s) during the routine maintenance of the Onsite Wastewater Treatment and Disposal System.

I
