

**Detailed Showing instructions
For 6542 Ocean Crest Drive #B114**

Thank you for showing my listing. Please be aware that most of the doors in this complex can be opened electronically by use of a fob. The fob is in the supra lock box with keys to the unit and common area. Below is a picture of the black keypad that will be outside of all the exterior doors in the complex including the pool and rec room and garage entry doors. Just hold the fob in front of the black pad and the lock will click open. Interior doors and laundry room doors will use a common key which is in the lockbox. Please remember to replace the fob and the key in the lock box after showing. Parking Spot #15 is located in B building Parking spot #16 is located in the D building. Call Steve Wolfe if you have any issues Cell/Text 310-372-5777
