Understand Net Energy Metering (NEM) billing

You are billed annually for your energy charges because they can be offset by energy credits over your 12-month billing period. Any charges not offset by credits will become due at the end of your 12-month billing period.

You also receive a monthly bill. It reflects the minimum amount due each month, which supports the cost of maintenance and operation for providing electricity.

Get a discount on your bill every month

Your income may qualify you for discounted bills through the CARE or FERA program. To enroll or learn more, visit sce.com/careandfera or call 1-800-798-5723.
