RE: REMEDIATION PROJECT ID: IMR10199045

1612 SPEYER LN.
REDONDO BEACH, CA 90278

Dear Vlad,

Thank you very much for the opportunity to help your client, Mr. Daniel F. Muth, with the water damage/mold-related problem in his residence located at 1612 Speyer Ln, Redondo Beach, CA 90278. The work was started on August 20, 2022 and completed on August 31, 2022 upon receipt of satisfactory clearance testing results. It took 10 days and was conducted in accordance with the EPA protocols for mold remediation/structural drying. Only the industry standard high efficiency commercial equipment and chemicals were used for this job.

I hope you and your client are pleased with the results. Please, let me know if you have any questions regarding this project.

Thank you!

Sincerely,

Dmitri Oussik CMI, CMR
