Item	Description	Serviced	Amount
Camera for Escrow	Video inspection of the sewer lateral for escrow. Could not find a cleanout. Ran the camera down 3" roof vent. Lateral runs 65' out to city main on Galleon St. and has all been replaced with PVC pipe. Found two cleanouts that were buried by landscaping. One next to sidewalk and one 10' off of house in front of water service. There is one spot with lots of roots growing in next to the house that needs to be cleaned out with flex shaft machine. Rest of pipe is perfect.	3/30/2023	375.00
