#### 18th month additional payment due:

You have an option to pay an additional payment of \$10,627.38 by month 18. If you make this payment, your solar system monthly payment will remain at \$128.06. If you do not make it, your solar system monthly payment will increase to \$176.68.

**Go solar with Sunnova now and get the most out of your incentives!**

You may be eligible to claim some of the system's cost as a credit on your federal taxes<sup>7</sup>, which may be up to \$10,627.38.

<sup>1</sup>Your solar system production will vary based on weather, shading and other factors.

<sup>2</sup>Refer to your Sunnova Protect™ Warranty Agreement for your complete warranty terms and limitations.

<sup>3</sup>Depending on your agreement with the contractor, rebates may be paid either directly to you or the contractor. Creditor does not guarantee any rebate amount. If your actual rebate is lower than the amount estimated here, your actual Amount Financed will be higher.

<sup>4</sup>The energy mix information is estimated. Your electricity usage may vary from month to month. The energy usage referenced herein is for discussion purposes only and should not be relied on.

<sup>5</sup>Your solar system payment includes a \$10/month discount or credit for the loan and a \$15/month discount or credit for the lease as an incentive for using auto-pay from your checking account. If you do not select auto-pay, your monthly payment will be higher.

<sup>6</sup>NY customers only: The estimated savings include the \$5,000 NY state tax incentive. Contact your personal tax advisor for eligibility requirements. Sunnova does not provide tax advice. Sunnova makes no guarantees regarding customer eligibility for tax benefits.

<sup>7</sup>You may be eligible for a federal tax credit with the purchase of a solar system. To qualify for the tax credit, you must have federal income tax liability at least equal to the value of the tax credit. Additional tax credits may also be available for homeowners in certain states. Tax incentives are subject to change or termination by executive, legislative or regulatory action. Sunnova makes no guarantees regarding eligibility of any of the system's costs for tax benefits. Sunnova does not provide tax advice. Contact your personal tax advisor for eligibility requirements.
