

Most likely the refrigerators (one in garage- negotiable dep on selling price); washer and dryer (negotiable) old models and the washer actually has corrosion, but the place we're moving to needs everything.

Outside – antique glass floats, fire table, potted plants, plants etc along the fence behind the BBQ island, Wrought iron table and chairs, fossils& crystals in garden , possibly one or both umbrellas, pool chairs and small tables. -Essentially we are leaving the rattan furniture and taking the rest
