Notes:

1. **The State Rank** is determined by a school's API Score in comparison to all other schools in California. (1 is the worst, 10 is the best). An equal number of schools occupy each rank. * This rank comes from the 2013 California Academic Performance Index (API) Growth report.
2. **The API Score** is a number between 200 and 1000 that reflects a school's performance on statewide student assessments administered in 2013.
3. **Alternative Schools** receive APIs but do not receive ranks
4. **Parent Education** is the average of all responses where "1" represents "Not a high school graduate" and "5" represents "Graduate school."
5. **More information:** 2012-13 Academic Performance Index Reports [Information Guide](#) (PDF; 629KB; 65pp.)
6. **"Conditional admission"** is admission based upon either documentation of having received some but not all required immunizations and of not being due for any vaccine dose at the time of entry or upon documentation of a temporary medical exemption to immunization in accordance with Section 6050. Continued attendance after conditional admission is contingent upon receipt of the remaining required immunizations in accordance with Sections 6020 and 6035.
