Violation Information

The records of Harveston Community Association reflect the following alleged violation(s) of the governing documents that remains unresolved at the time of the request:

There are none known at this time.

This statement by the Association does not relieve the Buyer of the property from the obligation to disclose alterations or improvements to the property which violate the declaration or which may not have been approved, nor does it preclude the Association from taking action against the purchaser of the property for violations existing at the time purchase. There may be other items that have not been noted on this statement as it relates to landscaping or architectural improvements that may or may not be approved by the Association at the time of receipt of this notice. California Civil Code §4525 Section (5) read in part: "The notice shall not be deemed a waiver of the association's right to enforce the governing documents against the owner or the prospective purchaser of the separate interest with respect to any violation."

If you have any questions regarding violations, please contact the Manager On-Site Property, Cindy Johnson, at 951-693-4076.

Litigation Information

Please see the attached litigation disclosure. For additional information contact the property manager, Cindy Johnson, at 951-693-4076.

The proceeding is not intended to suggest that there is or is not active or pending litigation within the association.

You are advised that there are often delays in the preparation of litigation disclosures by associations. They arise due to the delay that occurs from the time a lawsuit is filed against an association until the time it is served on the association, and until a written litigation disclosure is prepared by legal counsel representing an association, and thereafter is made available by an association's board of directors. Once a disclosure on a case is prepared, it is to be regarded as a general notice of certain non-confidential and non-privileged matters in connection with the disclosed litigation as of the date that such disclosure was prepared. In addition, such a disclosure is not an exhaustive discussion of the facts of a case nor is it a prediction of the outcome of it, or an analysis of the financial effect it might have on the association. Therefore should you desire more information about any case, or want to know whether cases that may not as yet be the subject of a written disclosure to members and prospective buyers have been filed against the association, all of the pleadings of a case are public records, and unless sealed by an order of the Court, the file may be viewed and copies may be obtained from the office of the Clerk of the Court in the County where the association is located, which is the County where a lawsuit against an association is usually filed.

Important Notice

A CSO RELATED FEE IS DUE ON THIS TRANSACTION.

This association is subject to an additional fee associated with the Community Service Organization (CSO) that must be collected through the escrow process. For information regarding the CSO and how to calculate the fee please refer to the separate CSO Statement provided along with the Resale Statement of Account.

The assessment payment due-date is established by the Association (generally the 15th or 30th day of each month), and any payments received after the due date may be subject to a late charge.
3. Association assessments are an assessment ON PROPERTY. California Law provides the Association with the right to lien and foreclose ON YOUR PROPERTY due to nonpayment of assessments.
4. California Civil Code §4525 requires that the Seller of real property within an Association / Common Interest Development provide to a Buyer certain items. The Seller may request the Homeowners Association to provide the Buyer the items and the Association may charge a reasonable fee for this service. These fees, in addition to other fees charged by the Association, are set forth in this Statement of Account.

7. Should this escrow transaction cancel or not close: a) All amounts shown on this Statement of Account remain payable by the Seller. Entering into an escrow does not suspend the responsibility to pay the Association assessment; b) in the event this escrow transaction cancels, Escrow is responsible for collecting and remitting the cancellation fee of \$75.00. If this fee is not collected, the charge will remain on the Seller's account until paid.
8. Payment Options

California, Civil Code Section 4580(b)(3)(B), allows buyers of property within communities having a transfer fee, commonly called a Community Enhancement or Lifestyle Fee, to either pay the entire fee at the close of escrow or to commit to an installment plan for a period of not less than seven years. If the installment plan option is selected, the fee will be billed at a monthly rate for seven years as described below. A monthly administrative charge of \$5.00 will be assessed in addition to the set payment amount. If the entire fee is paid at the time of closing, no finance or administrative charge will apply. The buyer must notify escrow of their intent to elect the installment option prior to the close of escrow. If the buyer does not notify escrow, the transfer fee will be paid in its entirety at the time of closing.

Upon selection of the installment option, the buyer must pay through escrow 1/84th of the total fee along with a \$250.00 set up charge payable to "HCC-CEF". Upon receipt of confirmation that buyer has selected the installment plan, a COMMUNITY ENHANCEMENT FEE Installment Payment/Amortization Schedule ("Schedule") calculating the monthly payment amount based on the total fee and the 10% finance cost will be created. This Schedule, along with an installment agreement, will be sent to the buyer to be signed and returned. The Schedule should be retained by the buyer to determine the amount of COMMUNITY ENHANCEMENT FEE outstanding should the property be sold prior to the expiration of the payment plan.
