SELLER PROPERTY QUESTIONNAIRE

(C.A.R. Form SPQ, Revised 6/22)

This form is not a substitute for the Real Estate Transfer Disclosure Statement (TDS). It is used by the Seller to provide additional information when a TDS is completed. If Seller is exempt from completing a TDS, Seller should complete an Exempt Seller Disclosure (C.A.R. Form ESD) or may use this form instead:

NOTE TO SELLER: YOU ARE STRONGLY ADVISED TO CAREFULLY REVIEW THE DISCLOSURE INFORMATION ADVISORY (C.A.R. Form DIA) BEFORE YOU COMPLETE THIS SELLER PROPERTY QUESTIONNAIRE. ALL SELLERS OF CALIFORNIA REAL PROPERTY ARE REQUIRED TO PROVIDE VARIOUS DISCLOSURES, EITHER BY CONTRACT, OR BY STATUTE OR CASE LAW. MANY DISCLOSURES MUST BE MADE WITHIN CERTAIN TIME LIMITS. TIMELY AND THOROUGH DISCLOSURES HELP TO REDUCE DISPUTES AND FACILITATE A SMOOTH SALES TRANSACTION.

Seller makes the following disclosures with regard to the real property or manufactured home described as

	30291 Shoreline Dr, Menifee, CA 92584			364-043-045 ,
situated in	Menifee	. County of	Riverside	California ("Property").

- 1. Disclosure Limitation: The following are representations made by the Seller and are not the representations of the Agent(s), if any. This disclosure statement is not a warranty of any kind by the Seller or any agents(s) and is not a substitute for any inspections or warranties the principal(s) may wish to obtain. This disclosure is not intended to be part of the contract between Buyer and Seller. Unless otherwise specified in writing, Broker and any real estate licensee or other person working with or through Broker has not verified information provided by Seller. A real estate broker is qualified to advise on real estate transactions. If Seller or Buyer desires legal advice, they should consult an attorney.
- 2. Note to Seller, PURPOSE: To tell the Buyer about known material or significant items affecting the value or desirability of the Property and help to eliminate misunderstandings about the condition of the Property.
 - Answer based on actual knowledge and recollection at this time.
 - Something that you do not consider material or significant may be perceived differently by a Buyer.
 - Think about what you would want to know if you were buying the Property today.
 - Read the questions carefully and take your time.
 - If you do not understand how to answer a question, or what to disclose or how to make a disclosure in response to a question, whether on this form or a TDS, you should consult a real estate attorney in California of your choosing. A broker cannot answer the questions for you or advise you on the legal sufficiency of any answers or disclosures you provide.
- Note to Buyer, PURPOSE: To give you more information about known material or significant items affecting the value or desirability
 of the Property and help to eliminate misunderstandings about the condition of the Property.
 - Something that may be material or significant to you may not be perceived the same way by the Seller.
 - If something is important to you, be sure to put your concerns and questions in writing (C.A.R. form BMI).
 - Sellers can only disclose what they actually know. Seller may not know about all material or significant items.
 - Seller's disclosures are not a substitute for your own investigations, personal judgments or common sense.
- 4. SELLER AWARENESS: For each statement below, answer the question "Are you (Seller) aware of..." by checking either "Yes" or "No." A "yes" answer is appropriate no matter how long ago the item being asked about happened or was documented unless otherwise specified. Explain any "Yes" answers in the space provided or attach additional comments and check paragraph 19.

Violation Information

The records of Menifee Master Association reflect the following alleged violation(s) of the governing documents that remains unresolved at the time of the request:

There are none known at this time.

This statement by the Association does not relieve the Buyer of the property from the obligation to disclose alterations or improvements to the property which violate the declaration or which may not have been approved, nor does it preclude the Association from taking action against the purchaser of the property for violations existing at the time purchase. There may be other items that have not been noted on this statement as it relates to landscaping or architectural improvements that may or may not be approved by the Association at the time of receipt of this notice. California Civil Code §4525 Section (5) read in part; "The notice shall not be deemed a waiver of the association's right to enforce the governing documents against the owner or the prospective purchaser of the separate interest with respect to any violation."

If you have any questions regarding violations, please contact the Community Manager, Amy Dankel CM-, at 951-973-7519.

Litigation Information

This notice confirms that FirstService Residential California has not been advised by the above named association that the association is aware of or has been served with any pending litigation against the association. This is also to advise you that FirstService Residential California has not undertaken any independent search as to whether there is any pending litigation against the association.

This disclosure is meant to provide notice of material litigation matters of the Association that it is aware of as of the date of this disclosure, and this disclosure does not include any matter that might be pending in Small Claims Court.

The proceeding is not intended to suggest that there is or is not active or pending litigation within the association.

You are advised that there are often delays in the preparation of litigation disclosures by associations. They arise due to the delay that occurs from the time a lawsuit is filed against an association until the time it is served on the association, and until a written litigation disclosure is prepared by legal counsel representing an association, and thereafter is made available by an association's board of directors. Once a disclosure on a case is prepared, it is to be regarded as a general notice of certain non-confidential and non-privileged matters in connection with the disclosed litigation as of the date that such disclosure was prepared. In addition, such a disclosure is not an exhaustive discussion of the facts of a case nor is it a prediction of the outcome of it, or an analysis of the financial effect it might have on the association. Therefore should you desire more information about any case, or want to know whether cases that may not as yet be the subject of a written disclosure to members and prospective buyers have been filed against the association, all of the pleadings of a case are public records, and unless sealed by an order of the Court, the file may be viewed and copies may be obtained from the office of the Clerk of the Court in the County where the association is located, which is the County where a lawsuit against an association is usually filed.
