1. LEASE AGREEMENT 1.1-1.9

1.1 LEASE AGREEMENT

THIS AGREEMENT is made and entered into this 07/01/2025 between CV HOMES, LP "Owner/Agent" and entity Central Valley Capital IV, LP, whose address and phone number are 6770 N. West Ave, Suite 101 Fresno, CA 93711 (559) 579-1280 and Miguel Zavala "Resident".

THE PARTIES AGREE AS FOLLOWS:

1.2 RENTAL UNIT

Subject to the terms and conditions of this Agreement, Owner rents to Resident and Resident rents from Owner, for residential use only, the premises located at: 450 N 6th ST - 450 N 6th St, Coalinga, CA 93210 unit # (if applicable) _____

1.3 RENT

Rent is due in advance on the 1st day of each and every month, at \$1,025.00 per month, beginning on 07/01/2025 please make payable to Owner/Agent at 6770 N. West Ave, Suite 101 Fresno, CA 93711 (address where payments should be delivered).

Payments made in person may be delivered to Owner/Agent between the hours of 8:30 am and 5 pm on the following days of the week:
Monday, Tuesday, Wednesday, Thursday, Friday

Acceptable methods of payment: Personal Check, Cashier's Check, Money Order, EFT/ Credit (see Owner/Agent for details)

If rent is paid after the 5th of the month, there will be a late charge of \$45 assessed. The parties agree that this late fee is presumed to be the amount of damage sustained by late payment of rent. It would be impracticable or extremely difficult to fix the actual damage. This sum represents a reasonable endeavor by the Owner/Agent to estimate fair average compensation for any loss that may be sustained as a result of late payment of rent. Pursuant to California law, if Resident passes a check on insufficient funds, Resident will be liable to Owner/Agent for the amount of the check and a service charge of \$25.00, not to exceed \$25 for the first check passed on insufficient funds, and \$35 for each subsequent check passed on insufficient funds. The Owner/Agent may refuse a personal check as the form of rent payment to cure a Three-Day Notice to Pay Rent or Quit.

Owner may apply any payment made by Tenant to any obligation of Tenant to Owner notwithstanding any dates or other direction from Tenant that accompanies any such payment. Any attempt by Tenant to allocate a payment in any other way shall be null and void, including the use or application of a restrictive endorsement on the face of any check.

Payments In the event of roommates, or another form of multiple occupancy, Resident understands and agrees that rent shall be paid with a single payment and that it is up to Resident to collect individual checks or other payments in order to submit a single rent payment. If payment by mail is allowed, Resident bears the risk of loss or delay of any payment made by mail and Landlord must receive mailed rent payments on or before the due date, except as otherwise provided by law. In the absence of a signed acknowledgement that complies with Civil Code 1947.3, Landlord will accept rent payments only from the Resident. Landlord may require a separate signed acknowledgement for each rent payment made by a third party. Rent tendered by a Non-Resident shall be deemed rent tendered on behalf of Resident only and not on behalf of the Non-Resident. Should the Landlord elect to accept a payment that does not comply with this paragraph, this shall not be construed as a waiver of this provision. If Resident pays online or by direct deposit, such payment shall be deemed to come from Resident regardless of the source of the payment. Payment online or by direct deposit may be rejected or returned by Landlord during the pendency of any legal action, or in anticipation of legal action. Failure or refusal by Resident to cash Landlord's rent refund check shall not defeat Landlord's rejection of the rent being refunded.

Change to Payment Method. The Landlord may refuse certain payment methods listed in subparagraph (b) above, as the form of payment to cure a Notice to Pay Rent or Quit, Notice to Perform Conditions and/or Covenants or Quit, a check passed on insufficient funds or dishonored for any other reason, or a stopped payment and may refuse certain methods for future rent payments thereafter. Notwithstanding the provisions above, the Landlord may demand or require cash as the exclusive form of payment of rent or security deposit if the Resident has previously attempted to pay the Landlord with a check drawn on insufficient funds or the Resident has stopped payment on a check, draft, or money order. If the Landlord chooses to demand or require cash payment under these circumstances, the Landlord shall give the Resident a written notice stating that the payment instrument was dishonored and informing the Resident that the Resident shall pay in cash for a period determined by Landlord, not to exceed three months, and attach a copy of the dishonored instrument to the notice.

1.4 SECURITY DEPOSIT

Resident shall deposit with Owner/Agent, as a security deposit, the sum of \$1,025.00 prior to taking possession of the unit.

Resident shall not use the security deposit to pay any month's rent. Under Civil Code 1950.5, the Landlord may withhold from the security deposit only such amounts as are reasonably necessary to remedy Resident defaults including, but not limited to, any of the following:

- (a) The compensation of a landlord for a resident's default in the payment of rent.
- (b) The "repair of damages to the premises, exclusive of ordinary wear and tear", caused by the resident or by a guest or licensee of the resident.
- (c) The "cleaning of the premises upon termination of the tenancy necessary to return the unit to the same level of cleanliness" it was in at the inception of the tenancy.
- (d) To remedy future defaults by the resident in any obligation under the rental agreement to restore, replace, or return personal property or appurtenances, exclusive of ordinary wear and tear.

Except where a longer time is allowed by law, within 21 calendar days after Resident has vacated the rental unit Landlord shall furnish Resident a copy of an itemized statement indicating the basis for, and the amount of, any security deposit received and the disposition of the security deposit and shall return any remaining portion of the security deposit to the Resident.

The Landlord may return any remaining portion of the deposit to a specific individual or individuals as a provided in an agreement modifying the disposition above that is signed by all the Residents listed above and entered into at any time during or after the end of the tenancy.

After either the Landlord or the Resident provides notice to terminate the tenancy, the Landlord and Resident may mutually agree to have the Landlord deposit any remaining portion of the security deposit electronically to a bank account or other financial institution designated by the Resident.

1.5 TERM

The term of this Agreement is for 14 months months, beginning on 07/01/2025 and ending on 08/31/2026 at which time this Lease shall terminate without further notice. Any holding over by the Resident after termination shall entitle the Landlord to initiate legal proceedings to recover possession of the rental unit. Resident shall be liable to Landlord for daily rental damages equal to the current fair rental value of the rental unit, divided by 30, in addition to any other damages allowed by law. A "month-to-month" tenancy subject to the terms and conditions of this agreement shall be created only if Landlord accepts rent from Resident thereafter, and if so accepted, tenancy may be terminated by Resident after service upon the Landlord of a written 30-day notice of termination. Except as prohibited by law, that month-to-month tenancy may be terminated by the Landlord by service upon the Resident of a written 60-day notice of termination. However, Civil Code Section 1946.1 provides that "if any tenant or resident has resided in the dwelling for less than one year", the Landlord may terminate the tenancy by service upon the Resident of a written 30-day notice.

For Rental Units subject to AB 1482 just cause, Civil Code 1946.2(a) provides that "after a tenant has continuously and lawfully occupied a residential real property for 12 months, the owner of the residential real property shall not terminate the tenancy without just cause, which shall be stated in the written notice to terminate tenancy. If any additional adult tenants are added to the lease before an existing tenant has continuously and lawfully occupied the residential real property for 24 months, then this subdivision shall only apply if either of the following are satisfied: (1) all of the tenants have continuously and lawfully occupied the residential real property for 12 months or more; or (2) one or more tenants have continuously and lawfully occupied the residential real property for 24 months or more."

1.6 UTILITIES

Resident shall pay for all utilities, services and charges, if any, made payable by or predicated upon occupancy of Resident, except: . Resident shall have the following utilities connected at all times during the tenancy: water, trash, sewer, gas, and electric.

Disconnection of utilities due to non-payment is a material violation of this Agreement.

Resident shall not use common area utilities (such as water or electricity) for the Resident's personal use, without prior written permission from the Owner/Agent.

Resident shall promptly contact the local gas and electric utilities to establish an account in Resident's name for the provision of gas and electric service to Resident's unit. Resident shall ensure that the start date for each such account is the Resident's move-in date. If Resident fails to comply with the conditions of this paragraph and Owner is subsequently charged with utility charges attributable to Resident's occupancy of the unit, then Resident shall be issued (and shall pay) a bill for such services by Owner or the billing provider, which shall include a service charge in the amount of \$50. Such service charge is used to compensate Owner for Resident's failure to become the customer of record for such accounts, including, but not limited to charges assessed by the third-party billing provider to Owner for processing of the bill for the delinquent time period, opportunity cost of the money not paid and other administrative costs. Resident and Owner agree that the charge described above is a reasonable estimate of the costs incurred.

If utilities are required to be in the owner's name utilities will be defined as additional rent and will be billed to tenant in addition to the base rent either monthly, bi-monthly or quarterly, in accordance with the utility account billing cycle. If the unit has its own meter, actual usage will be billed to tenant. If the property does not have separate utility meter or meters for each unit, the utility charges will be divided among the units on a pro-rated basis by dividing the square footage of each unit into the total square footage of all units attached to said meter. Resident will be charged for water, sewer, and trash charges. The utility bills will remain in the Owner/Agent's name and we will bill Resident directly for such charges. All utility related charges billed to the property by the provider will be billed to Resident including, but not limited to utility

taxes, stormwater, surcharges, and all miscellaneous charges. Resident agrees to pay a \$30.00 move-out fee and a monthly service fee of \$8.39 in addition to the utility charges. This monthly service fee is for administration, billing, overhead and similar expenses and charges incurred by us for providing billing services. Resident agrees that Owner/Agent may estimate any and all utility charges above upon your move-out (or at any other time) and such amounts shall be deemed final.

1.7 OCCUPANTS

Premises shall be occupied only by the following named person(s):

Miguel Zavala

1.8 PROHIBITIONS

Without Owner/Agent’s prior written permission as an addendum to this Agreement, no pets, waterbeds, charcoal burners or other open-flame cooking devices, or liquefied petroleum gas fueled cooking devices (“grills”) or _____ shall be kept or allowed in or about the premises.

By initialing below, you acknowledge and agree to the terms in Section 1.

1.9 GUEST

Except as otherwise provided by prior written agreement, any person who is not listed as an Occupant on this

Agreement is a Guest. A Guest may not stay in the rental unit for more than 30 consecutive days, or a total of

45 days in a 12-month period. At the discretion of Landlord, Guest(s) who overstay this limit may be required to go through the application process, and if approved, may be required to sign a Rental/Lease Agreement. A guest who has not signed a Rental/Lease Agreement is not a “tenant who has lawfully occupied the premises” for the purpose of Civil Code 1946.2 and is not a “tenant” for the purpose of Civil Code Section 1947.12. Resident is responsible for any violation of this Rental/Lease Agreement by Resident’s Guests.

Resident shall refrain from creating, or allowing to be created, any noise that is disturbing to other residents. Resident is also responsible for compliance with any local noise ordinances.

2.2 FINES AND PENALTIES

Resident is responsible for any fines or other costs occasioned by violations of the law by Resident or Resident’s guests on the premises or property while Resident is in possession. If any such fines or costs are levied against Owner/Agent, Resident agrees to pay such fines or costs attributed to Resident’s tenancy or the conduct of Resident, Resident’s guests, or others at the premises, upon receipt of an invoice from Owner/Agent. The obligation to pay fines and costs assessed against Owner/Agent may be in addition to any assessed directly against Resident.

2.3 REPAIRS AND ALTERATIONS

Resident shall make a written request to Owner/Agent regarding any repairs, decorations or alterations contemplated. Except as provided by law, no repairs, decorating or alterations shall be done by Resident without Owner/Agent's prior written consent. This includes, but is not limited to, painting, wallpapering, and changing locks. Resident may not make any alterations to cable or telephone inside wiring (such as may occur when changing telecommunications providers or adding phone lines) without prior written consent of the Owner/Agent. The consent request regarding proposed alterations to inside wiring shall include the name, address, and telephone number of any new telecommunications providers. Resident shall hold Owner/Agent harmless and indemnify Owner/Agent as to any mechanic's lien recordation or proceeding caused by Resident. Resident agrees to pay all costs resulting from the alteration and agrees to pay to the Owner/Agent any costs associated with restoring the inside wiring to the condition at the time of move-in, except for reasonable wear and tear.

Resident has inspected the premises, furnishings, and equipment, and has found them to be satisfactory. All plumbing, heating and electrical systems are operative and deemed satisfactory.

2.5 CARE, CLEANING AND MAINTENANCE

Resident shall ensure that large boxes are broken apart before being placed in trash containers. - (g) to promptly advise Landlord of any items requiring repair, such as locks or light switches, smoke detectors, appliances, heating and air conditioning (if provided) systems. Resident shall notify the Landlord of any leaks, drips, water fixtures that do not shut off properly, including, but not limited to, a toilet, or other problems with the water system, including, but not limited to, problems with water-saving devices. LANDSCAPING: Resident shall promptly advise Landlord of any problems with the landscaping, including, but not limited to, dead grass, plants or tree limbs, insect infestations, discolored or yellowing foliage and insufficient irrigation or leaks. Resident may not delegate the responsibilities of this paragraph to any person, including a contractor or other landscaping professional. Resident may not alter the landscaping or engage in "personal agriculture" without Landlord's prior written permission. If Resident is responsible for maintaining landscaping, including sufficient watering, Resident shall perform this obligation in a manner consistent with state and local water use restrictions.

☐ Resident is not responsible for the upkeep of the yard and maintenance of the landscaping. (If no box is checked, this provision applies.)

■ Resident is responsible for the upkeep of the yard and maintenance of the landscaping, including watering, mowing, weeding and clipping.

■ Landscaping responsibilities are addressed in the attached Addendum. Please see attached Maintenance addendum

The premises are equipped with a functioning smoke detection device(s), and Resident shall be responsible for testing the device weekly and immediately reporting any problems, maintenance or need for repairs to Owner/Agent. If battery operated, Resident is responsible for changing the detector's battery as necessary. Resident may not disable, disconnect, or remove the detector. Owner/Agent shall have a right to enter the premises to check and maintain the smoke detection device as provided by law.

By initialing below, you acknowledge and agree to the terms in Section 2.

2.8 SMOKING POLICY

Smoking of any substance, including marijuana, is prohibited everywhere on the premises, including in rental units and interior and exterior common areas, unless Landlord has adopted a different policy that is attached as an addendum to this Agreement. Smoking includes the use of e-cigarettes or vaping. The term "smoke" includes vapor from e-cigarettes or other vaping devices. (Check a box if an addendum is attached).

- ☐ This property's policy with respect to allowing smoking is in the attached addendum.
- ☐ This property is subject to a local non-smoking ordinance, which requires the attached addendum.

Resident shall inform his or her guest(s) of this Smoking Prohibition. Resident shall promptly notify Landlord in writing of any incident where smoke is migrating into Resident's rental unit from sources outside of Resident's rental unit. Resident acknowledges that Landlord's adoption of this policy, does not make the Landlord the guarantor of the Resident's health or of the smoke-free condition of the areas listed above. However, Landlord shall take reasonable steps to enforce this provision. Landlord shall not be required to take steps in response to smoking unless Landlord has actual knowledge or has been provided written notice. Landlord and Resident agree that the other residents of the premises are the third-party beneficiaries of this provision. A resident may sue another resident to enforce this provision but does not have the right to evict another resident. Any lawsuit between residents regarding this provision shall not create a presumption that the Landlord has breached this Agreement. A breach of this provision by the Resident shall be deemed a material breach of this Agreement and grounds for immediate termination of this Agreement by the Landlord.

2.9 SPARE THE AIR ALERTS

Many Air Districts have enacted "Spare the Air" programs, which prohibit certain activities, which may include burning wood, pellets, or manufactured fire logs when a "Spare the Air" Alert is issued. A map of California Air Districts, with links to local information is available at: <http://www.arb.ca.gov/capcoa/dismap.htm>. Resident agrees that Landlord may provide Resident's name and address to the regional Air District for the purpose of notifications and enforcement of the Spare the Air program. - (b) ensure that Resident is aware of "Spare the Air" days
- (c) comply with all "Spare the Air" restrictions.

- (b) Location: A satellite dish or antenna may only be located inside Resident's rental unit, including in an outside area of the rental unit such as Resident's balcony, patio, yard, etc., of which Resident has exclusive use under this Agreement. Installation is not permitted on any parking area, roof, exterior wall, window, fence or common area, or in an area that other Residents are allowed to use. A satellite dish or antenna may not protrude beyond the vertical and horizontal space that is rented to Resident for Resident's exclusive use. Permitted locations may not provide optimum signal. Landlord is not required to provide alternate locations if allowable locations are not suitable;
- (c) Safety and Non-Interference: Satellite dish/antenna installation: (1) must comply with reasonable safety standards; (2) may not interfere with Landlord's cable, telephone or electrical systems or those of neighboring properties. It may not be connected to Landlord's telecommunication systems and may not be connected to Landlord's electrical system except by plugging into a 110-volt duplex receptacle;
- (d) Outside Installation: If a satellite dish or antenna is placed in a permitted outside area of the rental unit, it must be safely secured by one of three methods: (1) securely attaching to a portable, heavy object; (2) clamping it to a part of the building's exterior that lies within Resident's rental unit (such as a balcony or patio railing) or (3) any other method approved by Landlord. No other methods are allowed. Landlord may require that Resident block a satellite dish or antenna with plants, etc., so long as it does not impair Resident's reception.
- (e) Signal Transmission from Outside Installation: If a satellite dish or antenna is installed in a permitted outside area of the rental unit, signals may be transmitted to the interior of Resident's rental unit only by: (1) running a "flat" cable under a door jam or window sill in a manner that does not physically alter the premises and does not interfere with proper operation of the door or window; (2) running a traditional or flat cable through a pre-existing hole in the wall (that will not need to be enlarged to accommodate the cable); or (3) any other method approved by Landlord;
- (f) Installation and Workmanship: For safety purposes, Resident must obtain Landlord's approval of (1) the strength and type of materials to be used for installation and (2) the person or company who will perform the installation. Installation must be done by a qualified person or a company that has workers' compensation insurance and adequate public liability insurance. Landlord's approval will not be unreasonably withheld. Resident must obtain any permits required by local ordinances for the installation and must comply with any applicable local ordinances and state laws. Resident may not damage or alter the premises and may not drill holes through outside walls, door jams, window sills, etc., to install a satellite dish, antenna, and related equipment;
- (g) Maintenance: Resident will have the sole responsibility for maintaining a satellite dish or antenna and all related equipment. Landlord may temporarily remove any satellite dish or antenna if necessary, to make repairs to the premises;
- (h) Removal and Damages: Any satellite dish, antenna, and all related equipment must be removed by the Resident when Resident moves out of the rental unit. Resident must pay for any damages and for the cost of repairs or repainting that may be reasonably necessary to restore the premises to its condition prior to the installation of a satellite dish or antenna and related equipment;
- (i) When Resident may begin Installation: Resident may start installation of a satellite dish or antenna only after Resident has: provided Landlord with written evidence of the liability insurance required by this Agreement, if applicable and received Landlord's written approval of the installation materials and the person or company who will do the installation.

Many local water boards also have restrictions. Local information is available at: <https://www.acwa.com/drought-response/>. Landlord may provide Resident's name and address to the local water agency for the purpose of notifications and enforcement of water use restrictions. Nothing herein is deemed to be authorization of or consent by Landlord to water usage not otherwise authorized by this Agreement. Resident shall ensure that he/she is aware of and complies with local and state water use restrictions and promptly pay any fines or other costs occasioned by water usage violations attributed to Resident's tenancy or the conduct of Resident, Resident's guests, or others at the premises, including any fines or costs levied against the Landlord.

2.13 ENTRY AND COOPERATION

California law allows Landlord or their employee(s) to enter the rental unit for certain purposes, generally during normal business hours. The Landlord will provide written notice to the Resident prior to the entry of the rental unit whenever required by state law.

The Resident's refusal to allow the landlord to enter the rental unit as allowed by law is a material breach of this Agreement and California law and is cause for termination as provided herein and by law.

If the premises is required by any government agency, lender or insurer to undergo repairs or alterations, or in case of other necessary or agreed repairs, Resident agrees to cooperate fully with Landlord so that all such repairs or alterations are made in as expeditious and efficient a manner as possible.

2.14 MOLD PREVENTION

Resident agrees to:

- (a) Keep the rental unit maintained and ventilated so that moisture does not accumulate. If moisture is allowed to accumulate in the unit, it can cause mildew and mold to grow;
- (b) To immediately notify the Landlord of any dampness or mold problems including (1) any leaks, moisture problems, and/or mold growth; (2) any water intrusion, such as plumbing leaks, drips, or "sweating" pipes, or overflows from bathroom, kitchen, or unit laundry facilities, especially in cases where the overflow may have permeated walls or cabinets; and (3) any significant mold growth on surfaces inside the rental unit;

- (f) To keep the rental unit free of dirt and debris that can harbor mold.

2.15 PLUMBING

Costs of repair or clearance of stoppages in waste pipes or drains, water pipes or plumbing fixtures caused by Resident's negligence or improper usage are the responsibility of the Resident. Resident shall reimburse Landlord for these costs on demand.

2.16 USE OF PREMISES

The rental unit shall be used as a dwelling for residential purposes only and for no other reason. No retail, commercial, or professional use of the premises shall be made, unless such use conforms to applicable zoning laws and the prior written consent of Landlord is obtained in advance of such proposed use. As a condition for granting such permission, Landlord may require that Resident obtain liability insurance for the benefit of Landlord.

Resident must provide proof of such insurance to the Owner/Agent within 30 days of the inception of the tenancy. Failure to comply with this requirement is a material violation of the Rental/Lease Agreement.

(X) Resident is encouraged but not required to obtain renters insurance.

3.3 WAIVER OF BREACH

The waiver by either party of any breach shall not be construed to be a continuing waiver of any subsequent breach. The receipt by Owner/Agent of the rent with the knowledge of any violation of a covenant or condition of this agreement shall not be deemed a waiver of such breach. No waiver by either party of the provisions herein shall be deemed to have been made unless expressed in writing and signed by all parties to this Agreement.

3.4 JOINT AND SEVERAL LIABILITY

The undersigned Resident(s), whether or not in actual possession of the rental unit, are jointly and severally liable for all obligations under this Agreement and shall indemnify Landlord for liability arising prior to the return of possession to the Landlord for personal injuries or property damage caused or permitted by Resident(s), their guests, and invitees. This does not waive "Landlord's duty of care" to prevent personal injury or property damage where that duty is imposed by law..

3.5 ENTRY

California law allows Owner/Agent or his/her employee(s) to enter the premises for certain purposes during normal business hours. The Owner/Agent will provide written notice to the Resident prior to the entry of the dwelling unit whenever required by state law. (Civil Code

Section 1954.) Resident's non-compliance with Owner/Agent's lawful request for entry is a material breach of this Agreement that may be cause for immediate termination as provided herein and by law.

3.6 SUBLETTING AND ASSIGNMENT

No portion of the rental unit shall be sublet nor this Agreement assigned. Any attempted subletting or assignment by Resident shall, at the election of Landlord, be an irremediable breach of this Agreement and cause for immediate termination as provided herein and by law. Resident is prohibited from offering all or part of the rental unit for short-term rental, such as through AirBNB, VRBO or other such sites. Any person who is not named as an Occupant in this Agreement or Resident who signed this Agreement, who occupies any portion of the rental unit, for any period of time whatsoever, for any compensation or consideration whatsoever (including, without limitation, the payment of money and/or trade and/or barter of other goods, services, or property occupancy rights) is not a Guest. This constitutes attempted subletting or assignment under this Agreement, and is, at the election of Landlord, irremediable breach of this Agreement and cause for immediate termination.

3.7 BREACH OF LEASE

In the event that Resident breaches this Lease Agreement, Landlord shall be allowed at Landlord's discretion, but not by way of limitation, to exercise any or all remedies provided Landlord by California Civil Code Section 1951.2 and 1951.4. Damages Landlord "may recover" include the worth at the time of the award of the amount by which the unpaid rent for the balance of the term after the time of award, or for any shorter period of time specified in the Lease Agreement, exceeds the amount of such rental loss for the same period that the Resident proves could be reasonably avoided.

3.8 SALE OF PROPERTY

In the event of the sale or refinance of the rental unit, if Landlord presents to Resident Form CA-160 - Resident's Certification of Terms - Estoppel Certification, or other similar form, Resident agrees to execute and deliver the form acknowledging that this Agreement is unmodified and in full force and effect, or in full force and effect as modified with the consent of Landlord, and stating the modifications, within ten (10) days of written notice. Failure to comply shall be deemed Resident's acknowledgement that the form as submitted by Landlord is true and correct and may be relied upon by any lender or purchaser.

3.9 NOTICE

Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via an Internet Web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the community of residence and ZIP Code in which he or she resides.

3.10 KEYS

Resident has received 2 sets of keys. If needed, additional keys may be requested from the Landlord. There may be a charge. Keys are the exclusive property of Landlord. All keys must be returned to Landlord when Resident vacates. Resident shall be charged for the cost of new locks and keys if all keys are not returned. If any keys are lost or provided to any unauthorized occupant or non-Resident, Resident shall be liable for the entire cost of all key and lock replacement, at the discretion of Landlord, as required for the security of the premises and its occupants. This may include the costs of re-keying the entire Premises if Landlord, at Landlord's sole discretion, deems such action is necessary. Resident should take care not to lock himself/herself out. If Landlord is required to assist any Resident in gaining entry to the premises, Resident may be assessed a charge for the actual costs, including out of pocket expenses, incurred by Landlord and Landlord may require Resident to contract with a professional locksmith.

3.11 LIABILITY FOR PACKAGES

Landlord is not responsible for the delivery, acceptance, or receipt of, damage to or loss of messages, packages, mail or other material left at entrances to the rental unit or elsewhere on the premises.

3.12 LIABILITY FOR PACKAGES

In the event the rental unit is partially or totally damaged or destroyed by fire or other cause, the following will apply:

- (a) If the rental unit is totally destroyed by fire, earthquake or other casualty, this Agreement will terminate, as of the date on which the damage occurs. However, if the damage or destruction is the result of the negligence of the Resident, or his or her invitees, then the Agreement will not terminate, unless notice is given by the Landlord, specifying the termination date.
- (b) If the rental unit is only partially damaged, or are temporarily uninhabitable, as determined by Landlord, Landlord will use due diligence to begin the process to repair such damage and restore the rental unit as soon as possible. If only part of the rental unit cannot be used, there will be a proportionate rent discount until the rental unit is repaired, to be determined solely by Landlord..

3.13 BED BUG INFORMATION, REPORTING, PREVENTION AND RESIDENT COOPERATION

The Landlord has inspected the rental unit prior to renting and knows of no bed bug infestation. Resident agrees not to bring onto the premises personal furnishings or belongings that the Resident knows or should reasonably know are infested with bed bugs, including the personal property of the Resident's guests. Residents have an important role in preventing and controlling bed bugs. While the presence of bed bugs is not always related to personal cleanliness or housekeeping, good housekeeping can assist with early detection and make bed bug control easier if it is necessary. Please review the short interactive video at www.stopbedbugs.org and the information below.

(a) Information about Bed Bugs:

- **Bed bug appearance:** Bed bugs have six legs. Adult bed bugs have flat bodies about 1/4 of an inch in length. Their color can vary from red and brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.
- **Life cycle and reproduction:** An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days.
- **Bed bugs can survive for months without feeding.**
- **Bed bug bites:** Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.
- **Common signs and symptoms of a possible bed bug infestation:**
 - Small red to reddish brown fecal spots on mattresses, box springs, bed frames, linens, upholstery, or walls.
 - Molted bed bug skins, white, sticky eggs, or empty eggshells.
 - Very heavily infested areas may have a characteristically sweet odor.
 - Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.
- For more information, see the Internet Websites of the United States Environmental Protection Agency and the National Pest Management Association.

<http://www2.epa.gov/bedbugs>

<http://www.pestworld.org/all-things-bed-bugs/>

(b) Report Suspected Bed Bug Infestations As Soon as Possible

- **Prompt reporting:** If you find or suspect a bed bug infestation, please notify Landlord as soon as possible, and describe any signs of infestation, so that the problem can be addressed promptly. Please do not wait. Even a few bugs can rapidly multiply to create a major infestation that can spread from unit to unit.
- **Report any maintenance needs immediately.** Bed bugs like cracks, crevices, holes, and other openings. Request that all openings be sealed to prevent the movement of bed bugs from room to room.
- **If you suspect a bed bug infestation, or have other maintenance needs, please provide your notice to:**

(c) Cooperation with Pest Control

- **Residents shall cooperate with the inspection including allowing entry to inspect any rental unit selected by the pest control operator until bed bugs have been eliminated and providing to the pest control operator information that is necessary to facilitate the detection and treatment of bed bugs.**

- Prior to treatment, affected Residents will receive a written notice including the date(s) and time(s) of treatment, whether and when the Resident is required to be absent from the rental unit, the deadline for any Resident preparation of the rental unit and a pretreatment checklist with information provided by the pest control operator.
- The Resident shall fulfill his or her responsibilities for rental unit preparation before the scheduled treatment, as described in the pest control operator's pretreatment checklist.
- Residents shall be responsible for the management of their belongings, including, but not limited to, clothing and personal furnishings.
- If the pest control operator determines that it is necessary for a Landlord or Resident to dispose of items infested with bed bugs, the items shall be securely sealed in a bag that are of a size as to readily contain the disposed material. Bags shall be furnished as needed to Residents by the property owner or pest control operator. All bags shall be clearly labeled as being infested with bed bugs prior to disposal.
- Residents who are not able to fulfill their rental unit preparation responsibilities shall notify the Landlord at least one business day prior to the scheduled pest control operator visit for inspection or treatment.
- A Resident must vacate his or her rental unit if required by the pest control operator for treatment purposes and shall not reenter the rental unit until directed by the pest control operator to do so.

(d) Prevention Recommendations

- Resident should check for hitch-hiking bed bugs. If you stay in a hotel or another home, inspect your clothing, luggage, shoes, and belongings for signs of bed bugs before you enter your home. Check backpacks, shoes, and clothing after visits to friends or family, theaters, or after using public transportation. Thoroughly clean after guests have departed. Immediately after your guests leave, seal bed linens in plastic bags, until they can be washed and dried on high heat. After your guests have departed, inspect bedding, mattresses and box springs, behind headboards, carpet edges and the undersides of sofa cushions for signs of bed bugs.
- Resident should avoid using appliances, electronics and furnishings that have not been thoroughly inspected for the presence of bed bugs. Make sure that the electronics, appliance, or furniture company has established procedures for the inspection and identification of bed bugs or other pests. This process should include inspection of trucks used to transport appliances, electronics, or furniture. Never accept an item that shows signs of bed bugs. Check secondhand furniture, beds, and couches for any signs of bed bug infestation before bringing them home. Never take discarded items from the curbside.
- Use a protective cover that encases mattresses and box springs and eliminates many hiding spots. The light color of the encasement makes bed bugs easier to see. Be sure to purchase a high-quality bed bug encasement that will resist tearing and check the encasements regularly for holes.
- Reduce clutter in your home to reduce hiding places for bed bugs and vacuum frequently to remove successful hitchhikers.
- Be vigilant when using shared laundry facilities. Transport items to be washed in plastic bags (if you have an active infestation, use a new bag for the journey home). Remove from dryer directly into bag and fold at home. (A dryer on high heat can kill bed bugs.)

GRILLING ADDENDUM

Page 21
of Agreement

This document is an Addendum and is part of the Rental/Lease Agreement, dated 07/01/2025 between

Central Valley Capital IV, LP (Landlord) and

premises located at 450 N 6th ST - 450 N 6th St, Unit # (if applicable) Coalinga
(Street Address)

Coalinga, CA 93210
(City) (Zip)

1. The Rental/Lease Agreement provides that without Landlord's prior written consent, no charcoal burners or other open-flame cooking devices, or liquefied petroleum gas fueled cooking devices (hereinafter "grill") shall be allowed in or about the premises.
2. Landlord consents to Resident keeping and operating the type of grill described here:

3. In the event of default by Resident of any of the terms in this Addendum, Resident agrees, within three days after receiving written notice of default from Landlord, to cure the default or vacate the premises. Resident agrees Landlord may revoke permission to keep and operate said grill on the premises by giving Resident thirty (30) days notice in writing.
4. Resident agrees to comply with all applicable ordinances, regulations and laws governing grills and storage of combustibles.
5. Resident agrees that the grill will not be used except in the following area(s):

6. Resident agrees to maintain and operate the grill in a safe manner. Resident agrees to uphold this responsibility in part by complying with the following list of responsibilities:
 - Follow manufacturers' directions for safe operation, storage, and maintenance of your grill. If the manual is missing, contact the manufacturer for a replacement or check the company's web site for an online copy.
 - Check to see that the grill is in good working order. For gas grills, be sure that all gas lines and valves are intact. For charcoal grills, check for holes where ash or coals can fall through. Ensure that the grill is stable and will not tip over.
 - Set up the grill in a safe place. Choose a firm, level surface at least 10 feet away from walls, siding, and deck rails; overhangs, eaves, and awnings; shrubs and branches; and furniture and other combustibles.
 - Only use gas and charcoal grills outdoors. When burned, gas and charcoal produce deadly carbon monoxide, an odorless, colorless gas that can kill in a matter of minutes. Never use a grill indoors, or in a garage, even if the door is open. Carbon monoxide can enter the apartment and injure or kill the people inside very quickly.
 - Have a fire extinguisher (ABC type) or a bucket of water handy in case of a fire.
 - Have a spray bottle of water ready to control flare-ups. Have access to a phone in case of emergencies.
 - Start the grill properly, using only approved methods. Before lighting a gas grill, open the cover.
 - Stay by the grill while it is in use and while it is still hot.
 - If Resident smells gas while cooking: Turn off the grill. Move away from the grill. Keep everyone away. Do not move, use, or light the grill until it has been inspected and repaired.
 - Use appropriate grilling tools. Choose long-handled heat-resistant cooking tools and heat-resistant mitts.
 - Keep people away from the grill, especially children.
 - Do not attempt to move a grill that is in use.
 - Clean the grill after use, removing food fragments, sauces and marinades, and accumulated fat or grease. All these increase the risk of flare-ups and fires.

7. Resident agrees to use the following special precautions for gas grills (if applicable):

Before using the grill:

- Check the hose or tubes for leaks, cracks, brittleness, holes, and kinks. Make sure there are no sharp bends in the hose or tubing. Using a pipe cleaner or wire, clear any blockages caused by dirt, insects, etc.
- Check the connections between the tank, hoses or tubes, and the burner, to ensure that they have been connected properly and completely.
- Check for gas leaks. Before using the gas grill, and especially after attaching the propane tank, apply soapy water to the hose and connections; any leaks will be made evident by the escaping bubbles. *Never use a match or lighter to look for a gas leak!* If you can smell gas, then there is a gas leak.
- If the grill has a gas leak, do not use it. Contact a qualified technician for repairs before using the grill.
- Test the spark igniter. Every time you activate the igniter, it should make a spark to create a flame and ignite the gas.
- Do not attempt to repair the grill yourself. If the tank valves or connections are leaking, broken, or malfunctioning, do not attempt to repair them; contact a qualified technician or discard the unit.
- Protect the gas tubes and hoses from hot surfaces, grease, and bumps.
- Store propane gas cylinders safely: store them in an upright position; be sure that they are stored away from heat, spark, and flame; and secure them against access, theft, or tampering.
- Do not store gas cylinders inside buildings or garages. If you store your gas grill indoors when it is not in use, disconnect the gas cylinder and leave it outside.
- Do not store filled gas cylinders in a vehicle which might become hot. Heat will raise the pressure inside the tank, increasing the risk of leaks through the relief valve.
- Keep flammable and combustible materials away from the grill and gas tanks.

8. Resident shall be liable to Landlord for all damages or expenses incurred by or in connection with grill, and shall hold Landlord harmless and indemnify Landlord for any and all damages or costs in connection with grill.

9. Resident shall deposit with Landlord an additional security deposit of \$_____
Landlord ☐ does ☐ does not (check one) require Resident to carry renter's insurance to cover damages caused by use and/or storage of the grill.

Resident is hereby notified that mold, however, can grow if the premises are not properly maintained or ventilated. If moisture is allowed to accumulate in the unit, it can cause mildew and mold to grow. It is important that Residents regularly allow air to circulate in the apartment. It is also important that Residents keep the interior of the unit clean and that they promptly notify the Landlord of any leaks, moisture problems, and/or mold growth.

Resident agrees to maintain the premises in a manner that prevents the occurrence of an infestation of mold or mildew in the premises. Resident agrees to uphold this responsibility in part by complying with the following list of responsibilities:

9. Resident agrees to clean and dry any visible moisture on windows, walls, and other surfaces, including personal property, as soon as reasonably possible. (Note: Mold can grow on damp surfaces within 24 to 48 hours.)
10. Resident agrees to notify the Landlord of any problems with the air conditioning or heating systems that are discovered by the Resident.

Page 29
of Agreement

This document is an Addendum and is part of the Rental/Lease Agreement, dated 07/01/2025 between
(Date)
Central Valley Capital IV, LP (Landlord) and
(Name of Landlord)
Miguel Zavala (Resident) for the
(List all Residents as listed on the Rental/Lease Agreement)
premises located at 450 N 6th ST - 450 N 6th St, Unit # (if applicable) _____
(Street Address)
Coalinga, CA 93210
(City) (Zip)

Under the rules of the Federal Communications Commission (FCC), Owners/Agents may not prohibit the installation of satellite dishes and/or receiving antennas within leased premises. However, a Landlord may impose reasonable restrictions relating to the installation and maintenance of any satellite dish and receiving antenna with which a resident must comply as a condition of installing such equipment.

Resident agrees to comply with the following restrictions:

1. **Size:** A satellite dish may not exceed 39 inches (1 meter) in diameter. An antenna or dish may receive but not transmit signals.
2. **Location:** A satellite dish or antenna may only be located (1) inside Resident's dwelling, or (2) in an area outside Resident's dwelling such as Resident's balcony, patio, yard, etc., of which Resident has exclusive use under the lease. Installation is not permitted on any parking area, roof, exterior wall, window, fence or common area, or in an area that other Residents are allowed to use. A satellite dish or antenna may not protrude beyond the vertical and horizontal space that is leased to Resident for Resident's exclusive use. Allowable locations may not provide optimum signal. Landlord is not required to provide alternate locations if allowable locations are not suitable.
3. **Safety and Non-Interference:** Satellite dish/antenna installation: (1) must comply with reasonable safety standards; (2) may not interfere with Landlord's cable, telephone or electrical systems or those of neighboring properties. It may not be connected to Landlord's telecommunication systems and may not be connected to Landlord's electrical system except by plugging into a 110-volt duplex receptacle.
4. **Outside Installation:** If a satellite dish or antenna is placed in a permitted area outside the dwelling unit, it must be safely secured by one of three methods: (1) securely attaching to a portable, heavy object; (2) clamping it to a part of the building's exterior that lies within Resident's leased premises (such as a balcony or patio railing) or (3) any other method approved by Landlord. No other methods are allowed. Landlord may require that Resident block a satellite dish or antenna with plants, etc., so long as it does not impair Resident's reception.
5. **Signal Transmission from Outside Installation:** If a satellite dish or antenna is installed outside the dwelling unit, signals may be transmitted to the interior of Resident's dwelling only by: (1) running a "flat" cable under a door jam or window sill in a manner that does not physically alter the premises and does not interfere with proper operation of the door or window; (2) running a traditional or flat cable through a pre-existing hole in the wall (that will not need to be enlarged to accommodate the cable); or (3) any other method approved by Landlord.
6. **Installation and Workmanship:** For safety purposes, Resident must obtain Landlord's approval of (1) the strength and type of materials to be used for installation and (2) the person or company who will perform the installation. Installation must be done by a qualified person or a company that has workers' compensation insurance and adequate public liability insurance. Landlord's approval will not be unreasonably withheld. Resident must obtain any permits required by local ordinances for the installation and must comply with any applicable local ordinances and state laws. Resident may not damage or alter the leased premises and may not drill holes through outside walls, door jams, window sills, etc., to install a satellite dish, antenna, and related equipment.

7. **Maintenance:** Resident will have the sole responsibility for maintaining a satellite dish or antenna and all related equipment. Landlord may temporarily remove any satellite dish or antenna if necessary to make repairs to the building.
8. **Removal and Damages:** Any satellite dish, antenna, and all related equipment must be removed by the Resident when Resident moves out of the dwelling. Resident must pay for any damages and for the cost of repairs or repainting that may be reasonably necessary to restore the leased premises to its condition prior to the installation of a satellite dish or antenna and related equipment.
9. **Liability Insurance and Indemnity:** Resident is fully responsible for any satellite dish or antenna and related equipment. Landlord ☒does ☐does not require evidence of liability insurance. If Landlord does require insurance, prior to installation, Resident must provide Landlord with evidence of liability insurance to protect Landlord against claims of personal injury to others and property damage related to Resident's satellite dish, antenna, or related equipment. The insurance coverage must be no less than \$_____ (which is an amount reasonably determined by Landlord to accomplish that purpose) and must remain in force while the satellite dish or antenna remains installed. Resident agrees to defend, indemnify, and hold Landlord harmless from the above claims by others.
10. **Deposit Increase. Landlord** ☒does ☐does not require an additional security deposit (in connection with having a satellite dish or antenna): If Landlord does require an increased deposit, Resident agrees to pay an additional security deposit in the amount of \$500_____ to help protect Landlord against possible repair costs, damages, or any failure to remove the satellite dish or antenna and related equipment at the time of move-out. A security deposit increase does not imply a right to drill into or alter the leased premises. In no case will the total amount of all security deposits Resident pays to Landlord be more than that which is allowed by law.
11. **When Resident may begin Installation:** Resident may start installation of a satellite dish or antenna only after Resident has: (1) signed this addendum; (2) provided Landlord with written evidence of the liability insurance referred to in paragraph 9 of this addendum, if applicable; (3) paid Landlord the additional security deposit, if applicable, referred to in paragraph 10; and (4) received Landlord's written approval of the installation materials and the person or company who will do the installation.

1.10 PEST CONTROL AND BEDBUG INFORMATION

This document is an Addendum and is part of the Rental/Lease Agreement, dated 14 month between Central Valley Capital, LP "Owner/Agent" and Miguel Zavala)>> "Resident" for the premises located at 450 N 6th ST - 450 N 6th St, Coalinga, CA 93 Unit # (if applicable) _____

The Landlord has inspected the unit Prior to lease and knows of no pest activity or infestation. Pests include, but are not limited to, ants, bedbugs, cockroaches, fleas, mites, silverfish, termites, rats, other vermin and insects.

Resident(s) acknowledge that the Owner/Agent has inspected the unit and is unaware of any pests in or about the premises. Resident(s) has also inspected the premises prior to leasing and acknowledge there is no visible pest activity or infestation.

Resident(s) acknowledges that the Owner/Agent does not provide pest control services.

1. Resident(s) hereby agrees they are to maintain the premises and common areas in a manner to prevent and control possible infestation of pests, including bedbugs. *If Resident(s) allow items, carrying pests or bedbugs on or about the premises, or infestations that cannot be traced to another source, understand and agree that they will be financially responsible for the cost of treatment to the premises, personal belongings and surrounded area and/or common areas as necessary to eradicate the infestation.*

2. Resident(s) agree to take reasonable steps to prevent, control and report any signs of infestation immediately to the Owner/Agent within forty-eight hours (48) of the actual or suspected infestation, and that notification shall constitute Tenant's permission for the Owner/Agent to enter the Premises to inspect. Resident(s) agrees to inspect the Premises and his/her personal property for signs of infestation.

3. *Resident(s) agree they may be partially or fully, financially responsible or any and all costs of cleaning or pest control treatments incurred by the Owner/Agent to treat Resident(s) premises for infestation(s). If the Owner/Agent confirms the presence or infestation of pests after Resident(s) vacates the premises, Resident(s) may be responsible for the cost of necessary cleaning and pest control treatments. If the Owner/Agent must treat adjoining or neighboring dwellings or units to Resident(s) premises, Resident(s) may be partially or fully financially responsible to relocate the neighboring resident(s) and/or clean and perform pest control treatments to eradicate infestations in those other units, dwellings or premises. Resident(s) agrees that if he/she fails to pay the Owner/Agent for any costs for which Resident(s) is liable, Resident(s) will be in default of his/her lease/rental agreement and the Owner/Agent will have the right to terminate Resident(s) right of occupancy and exercise all other rights and remedies under the lease agreement.*

4. In the event that there is a bedbug infestation within or about the premises, Resident(s) agrees to cooperate fully with and to undertake all efforts and tasks required by the Owner/Agent, and in the Owner/Agent's sole discretion, or by Owner/Agent's pest control company, employed to eradicate infestation(s). Resident(s) full cooperation includes but is not limited to making the premises available for entry to complete pest inspection and eradication treatment(s), completing all required pre-treatment activities, evacuating the premises during and after treatment for the required time frame, completing all required post-treatment activities, and immediately reporting ineffective treatment or re-infestations to Owner/Agent.

5. Except in those situations where Owner/Agent has been grossly negligent, and/or as provided by law, Owner, Agent, Management, and its employees, officers, and/or directors are not liable to Resident(s) for any damages caused by pests, including, but not limited to, personal expenses, replacement of furniture, and/or other personal items, including clothing, medications or medical expenses, or for the costs to treat, clean, and/or protect Resident(s) personal belongings. Owner, Agent, Management, and its employees, officers, and/or directors are not responsible for any damage done to Resident(s) unit or personal items during pest control inspections and/or treatments. Renter's insurance is strongly recommended and/or required, but it may also exclude coverage related to pest infestation issues.

6. Resident(s) and Owner/Agent further agree that any violation of this Addendum constitutes a material violation of the Lease, and Owner/Agent may terminate Resident(s) right to possession upon issuance of a three (3) day notice to perform or quit. Conduct that constitutes such a material health and safety breach includes failure to promptly notify Owner/Agent of actual or suspected infestation, Resident(s) lack of actions to prevent or control pests, refusal to permit Owner/Agent to enter or inspect for infestation or to perform eradication treatments, failure to complete all required pre-treatment and post-treatment activities, and failure to report ineffective treatment or re-infestations. Proof of the violation of this Addendum shall be by a preponderance of the evidence.
