We are writing to inform you about the agreements that Complete Solar will honor following SunPower's bankruptcy.

For customers with agreements countersigned by SunPower, we will maintain the existing pricing and terms (Lease/PPA or purchase). For Lease/PPA agreements, a joint communication will be sent first from Complete Solar and then from LightReach, who will be taking over your Lease/PPA with the same terms.

For those without a countersigned agreement, we have new home lease options available through LightReach to accommodate your requests.

Thank you for your understanding and cooperation.
