NOTICE TO BUYER: Do not sign this agreement before you have read the back side of this agreement. This is the entire agreement. Oral understanding or agreements with representative shall not be binding. All understandings must be set forth in writing in this agreement. This agreement is subject to Climate and Energy Solutions's pre-site inspection and approval before considered binding. You have the right to require Climate and Energy Solutions to have a performance and payment bond. You are entitled to a completely filled in copy of this agreement, signed by both you and Climate and Energy Solutions, before any work may be started.

The law requires that a contractor give you a notice explaining your right to cancel. Initial the checkbox if Climate and Energy Solutions has given you a Notice of the Three-Day Right to Cancel. The "Notice of Cancellation" may be sent to Climate and Energy Solutions at the address listed at the bottom of this agreement.
