FIRE HARDENING AND DEFENSIBLE SPACE ADVISORY, **DISCLOSURE, AND ADDENDUM**

,	•	(C.A.R. Form FHDS, 5/21)
This	s is a	n advisory, disclosure, and addendum to the Purchase Agreement, OR \(\square\) Other ("Agreement"),
date		, on property known as 40443 Calle Real, Murrieta, CA 92563 ("Property"),
	hich	
and		Opendoor Property Trust I is referred to as Seller.
1.		E HARDENING AND DEFENSIBLE SPACE ADVISORY:
	A.	LAW APPLICABILITY: (1) Fire Hardening Disclosure: The disclosures specified in paragraph 3 are only required for sellers of residential properties:
		(i) that contain one to four units, (ii) that are constructed before January 1, 2010, and (iii) if the seller is required to complete
		a Real Estate Transfer Disclosure Statement (C.A.R. Form TDS); and (iv) that are located in either a high or very high fire
		hazard severity zone.
		(2) Defensible Space Compliance: The disclosures and requirements specified in paragraph 4 are only required for sellers
		of residential properties: (i) that contain one to four units and (ii) if the seller is required to complete a Real Estate Transfer
		Disclosure Statement (C.A.R. Form TDS); and (iii) that are located in either a high or very high fire hazard severity zone. (3) Inspection Report including Fire Hardening/Defensible Space Compliance: The disclosure of a final inspection report
		(3) Inspection Report including Fire Hardening/Defensible Space Compliance: The disclosure of a final inspection report obtained under the specifications in paragraph 5 is only required for sellers of residential properties improved with one to
		four units if the seller is obligated to complete a Real Estate Transfer Disclosure Statement (C.A.R. Form TDS). Any
		seller may be required to provide a copy of such a final inspection report pursuant to a contractual or voluntary disclosure
	_	or as a material fact.
	В.	WHERE TO LOCATE INFORMATION: Seller has the obligation to determine if compliance with the fire hardening and defensible
		space requirements are applicable to Seller and the property. It may be possible to determine if a property is in a high or very high fire hazard severity zone by consulting with a natural hazard zone disclosure company or reviewing the company's report.
		This information may also be available through a local agency where this information should have been filed.
	C.	Even if the Property is not in either of the zones specified above, or if the Seller is unable to determine whether the Property is
		in either of those zones, if the Property is in or near a mountainous area, forest-covered lands, brush covered lands, grass-
		covered lands or land that is covered with flammable material, a Seller may choose to make the disclosures below because a buyer might consider the information material. A seller may voluntarily make the disclosures in paragraphs 3B and 4, even if
		not mandated by law.
2.	FIR	E SEVERITY ZONE:
	A.	The home is in a high or very high fire hazard severity zone.
OR		The home is NOT in a high or very high fire hazard severity zone. Seller is providing this form as an advisory and, if
		paragraph 3B is completed below as a voluntary disclosure.
3.		E HARDENING DISCLOSURE (only required to be completed if criteria in 1A(1) are met):
	A.	FIRE HARDENING STATUTORY NOTICE: "THIS HOME IS LOCATED IN A HIGH OR VERY HIGH FIRE HAZARD SEVERITY ZONE AND THIS HOME WAS BUILT BEFORE THE IMPLEMENTATION OF THE WILDFIRE URBAN INTERFACE BUILDING
		CODES WHICH HELP TO FIRE HARDEN A HOME. TO BETTER PROTECT YOUR HOME FROM WILDFIRE, YOU MIGHT NEED
		TO CONSIDER IMPROVEMENTS. INFORMATION ON FIRE HARDENING, INCLUDING CURRENT BUILDING STANDARDS
		AND INFORMATION ON MINIMUM ANNUAL VEGETATION MANAGEMENT STANDARDS TO PROTECT HOMES FROM
	_	WILDFIRES, CAN BE OBTAINED ON THE INTERNET WEBSITE HTTP://WWW.READYFORWILDFIRE.ORG".
	В.	FIRE HARDENING VULNERABILITIES: Seller is aware of the following features that may make the home vulnerable to
		wildfire and flying embers (check all that apply): (1) Eave, soffit, and roof ventilation where the vents have openings in excess of one-eighth of an inch or are not flame and
		ember resistant.
		(2) Roof coverings made of untreated wood shingles or shakes.
		(3) Combustible landscaping or other materials within five feet of the home and under the footprint of any attached deck.
		(4) Single pane or non-tempered glass windows.
		(5) Loose or missing bird stopping or roof flashing.
4.	DEI	(6) ☐ Rain gutters without metal or noncombustible gutter covers. FENSIBLE SPACE REQUIREMENTS (only required to be completed if criteria in 1A(2) are met):
٦.		DEFENSIBLE SPACE ADVISORY: Public Resources Code § 4291 requires that, in order to minimize the risk of fire affecting
		a building or structure on the Property, a defensible space around the improvement be maintained within 100 feet of the
		improvement. Many local governments have enacted a local vegetation management ordinance for that same purpose.
		(Collective, "defensible space laws.") Effective July 1, 2021, Civil Code § 1102.19 requires disclosures regarding compliance
	R	with defensible space for certain specified properties. DEFENSIBLE SPACE COMPLIANCE ((1) applies unless (2), (3), or (4) is checked):
	٥.	(1) NO LOCAL ORDINANCE, BUYER shall obtain documentation of compliance with the State defensible space law;
		No local ordinance: There is no local ordinance requiring proof of compliance with defensible space laws. Buyer shall
		obtain documentation of compliance within one year of Close Of Escrow. This requirement only applies if there is a state
		or local agency, or other governmental entity, or qualified non-profit entity in the jurisdiction where the Property is located
	ΩP	that is authorized to inspect the Property and provide documentation of compliance ("Authorized Inspector"). (2) NO LOCAL ORDINANCE. SELLER within the previous 6 months has already obtained documentation of
	OR	compliance with the State defensible space law: There is no local ordinance requiring Seller to provide proof of
		compliance with defensible space laws, but Seller voluntarily obtained documentation within the last 6 months, from an
		Authorized Inspector. Seller shall deliver documentation to Buyer within 7 Days after Acceptance.
