3.5.2 The power to adopt reasonable rules and regulations governing the conduct of the members, use of the Units, the Common Area, any common facilities and Association owned property, and the conduct at Board and Members' meetings, in accordance with the following:

(a) The rules and regulations may include, but are not limited to, reasonable restrictions on use by the Owners and their families, guests, employees, tenants and invitees; rules of conduct; the setting of reasonable administrative rules, fees, deposits; and the setting of reasonable hearing procedures and monetary penalties and fines in the event of a violation of any provisions of the Governing Documents, subject to the Bylaws.

(b) A copy of the current Rules and Regulations, if any, and all modifications, revisions and updates shall be distributed to each Owner in a manner consistent with the California Civil Code.

(c) If any provision of the Rules and Regulations conflicts with any provision of this Restated Declaration, the Articles, or the Bylaws, the Restated Declaration, Articles, or Bylaws shall control to the extent of the inconsistency.

3.5.3 The right to institute, defend, settle, or intervene in litigation, arbitration, mediation, or administrative proceedings in its own name as the real party in interest and without joining with it the Owners, in matters pertaining to:

Governing Documents by Owners and their families, guests, employees, tenants and invitees by (i) suspending the Member's membership rights, including the Owner's voting rights and the rights and privileges to use the Common Area and/or facilities appurtenant to the Member's Unit (including cable services), and (ii) by imposing monetary fines, subject to the limitations set forth in the Bylaws.

3.5.5 The right and easement for its agents and employees to enter any Unit when necessary in connection with any emergency, maintenance, landscaping, inspection for compliance with the Governing Documents, and/or construction work for which the Association is responsible.

3.5.6 If, for any reason, an Owner fails to maintain or repair an area required to be maintained by him, the Association shall have the authority and easement to enter into or upon the Unit for the purpose of inspecting, maintaining and/or repairing said area upon at least twenty-four (24) hours' prior written notice to the Owner or such greater notice as may be required by any provision hereof; provided, however, that such entrance shall be permitted without any prior notice whatsoever, in the event of an emergency. Whether a situation constitutes an emergency shall be at the sole discretion of the Board of Directors.

3.5.7 Notwithstanding any nonexclusive easement rights to the Common Area granted herein or by any deed or assignment or other conveyance, the Association shall have the right to allow one or more Owners to exclusively use portions of the Common Area, provided that such portions of the Common Area are nominal in area and adjacent to the Owner's Unit, and provided further that such use does not unreasonably interfere with any other Owner's use or enjoyment of the Development. In order to preserve the structural and/or aesthetic integrity of the Project, enclosure/screening of balconies and/or terraces, or any portions or part thereof, regardless of floor level, is prohibited.

3.5.8 The Association shall have the power to remove any vehicle within the Development parked in violation of this Restated Declaration or the Rules and Regulations, in accordance with the provisions of California *Vehicle Code Section 22658.2*, or any amendment thereto, and any other powers granted to an association under California law, and any amendments thereto.

3.5.9 Each Unit includes an exclusive easement in the subterranean garage, pursuant to Exhibit "B" hereto and the deed to that Unit ("Assigned Parking Spaces"). To the extent there are additional parking spaces ("Additional Parking Spaces") in addition to the Assigned Parking Spaces, then the Association shall have the power to assign those Additional Parking Spaces in the Common Areas to Owners on a basis stated within the Rules and Regulations and may charge fees for the use of said Additional Parking Spaces, which fees shall be subject to the enforcement provisions of assessments, as contained within Section 4.11 herein.

3.5.10 The Association shall have the power to assign those parking spaces in the Common Areas which are not exclusive easements appurtenant to a Unit pursuant to the Parking Plan contained within Exhibit "B" to Owners, as stated above, and to pay taxes and assessments which are or could become a lien on the Common Area or any portion thereof.

3.5.11 The Association shall have the authority to take such action, whether or not expressly authorized by this Restated Declaration, as may reasonably be necessary to enforce the Governing Documents of the Association.

3.6 **Duties of the Association.** In addition to the duties of the Association, its agents and employees set forth elsewhere in the Governing Documents, the Association, acting through the Board of Directors, shall be responsible for the following:

3.6.1 The Association shall provide for the maintenance and preservation of the Common Area and improvements thereon in good order and repair.

3.6.2 The Association shall pay all real property taxes and assessments levied upon any portion of the Common Area not assessed to or paid by the Owners.

3.6.3 The Association shall be responsible for the financial management of the Association as provided in the Governing Documents.

3.6.4 The Association shall operate, maintain, repair, and replace those components described in Section 6.4, or contract for the performance of that work, subject to the provisions of the Governing Documents.

3.6.5 The Association shall use the regular assessments described in Article 4 herein to, among other things, acquire and pay for goods and services for the Development including, but not limited to:

(a) Water, sewer, refuse, electrical, telephone, gas, and other necessary utility service for the Common Area and, to the extent not separately metered and charged, for the Units; provided, however, that the Association, acting through the Board of Directors, shall have the right to enter into agreements with public utilities and/or cable service providers to provide bulk services to the Units.

(b) The insurance policies described herein.

(c) The services of any personnel that the Board determines are necessary or proper for the operation and security of the Development, of the Common Area, and of the Association.

(d) Legal and accounting services necessary or proper in the operation of the Common Area and the Association or the enforcement of the Governing Documents.

3.6.6 Board of Directors. The affairs of the Association shall be managed and its duties and obligations performed by an elected Board of Directors, as provided in the Bylaws.

3.6.7 Inspection of Accounting Books and Records. The rights of Owners and Directors to obtain and inspect the accounting books and records of the Association shall be in accordance with the Bylaws governing the duty of the Association to maintain certain accounting books and records and the rights of Owners and Directors to obtain and inspect those accounting books and records.

#### ARTICLE 4 – ASSESSMENTS AND COLLECTION PROCEDURES

4.1 Covenant to Pay. Each Owner, by acceptance of the deed or assignment to the Owner's Condominium, is deemed to covenant and agree to pay to the Association regular, special and individual assessments, and all other charges or fees duly levied by the Association pursuant to the provisions of the Restated Declaration and other Governing Documents. A regular, special or individual assessment or fee and any late charges, reasonable costs of collection, and interest, as assessed in accordance with the provisions of this Article, shall also be a personal debt of the Owner of the Condominium at the time the assessment or other sums are levied. The Owner may not waive or otherwise escape liability for these assessments by nonuse of the Common Area or abandonment of the Owner's Condominium.

4.2 Purpose of Assessments. Except as provided herein, the Association shall levy regular, special, reimbursement and enforcement assessments sufficient to perform its obligations. The assessments levied by the Association shall be used exclusively to promote the recreation and welfare of the Owners, and for the operation, replacement, improvement, and maintenance of the Development, and to discharge any other obligations of the Association under this Restated Declaration.

4.3 Regular Assessments. Concurrently with preparation of the financial documents and budget as required in the Bylaws, the Board shall estimate the net charges to be paid during that next fiscal year, including a reasonable provision for contingencies, replacements and reserves, with adjustments made for any expected income and surplus or deficit from the prior year's fund. The resulting amount shall constitute the regular assessments for the budgeted year. Regular assessments shall be allocated among, assessed against, and charged to the Owners on an equal basis and shall be borne by the Owners in equal

shares ("Regular Assessment"). Failure of the Board to estimate the net charges within the time period stated herein shall not void any assessment imposed by the Board. Regular assessments for fractions of any month shall be prorated. Each Owner is obligated to pay assessments to the Association in equal monthly installments on or before the first day of each month unless the Board adopts an alternative method for payment.

**4.4 Special Assessments.** If the Board determines that the amount to be collected from regular assessments will be inadequate to defray the common expenses for the year due to the cost of any construction, unexpected repairs or replacements of capital improvements upon the Common Area, or any other reason, it shall make a special assessment for the additional amount needed, subject to any limitations imposed by law or the Governing Documents. Special Assessments shall be allocated among, assessed against, and charged to the Owners on an equal basis and shall be borne by the Owners in equal shares ("Special Assessments").

**4.5 Reimbursement Assessments.** Subject to the limitations of the Governing Documents and in addition to regular and special assessments, the Board may levy reimbursement against Owners and Units in accordance with the following:

**4.5.1** The Board may levy a reimbursement assessment whenever the Association (i) performs any service or accomplishes any item of repair or maintenance which is the duty of any Owner to accomplish, but which has not been accomplished by such Owner, or (ii) incurs any costs which by law or as required by the Governing Documents must be reimbursed by an Owner. Such reimbursement assessment shall include the cost thereof, together with any financing costs and administrative costs incurred by the Association. Prior to levying such a reimbursement assessment, the Board shall provide the Owner with notice and a hearing in accordance with the Bylaws. The notice and hearing regarding the levy of an individual assessment may be combined with the notice and hearing regarding the underlying violation.

**4.5.2** Duly levied reimbursement assessments shall be subject to the provisions in the Governing Documents regarding costs, late charges and interest for delinquent payment, and may become a lien on the Unit. Except as specifically prohibited by law, it is the intent of this Restated Declaration that reimbursement assessments (including without limitation those imposed to recover late payment penalties or to reimburse the Association for the cost of repairing damage to the Common Areas or Association property for which the assessed Member is Responsible), if not paid prior to delinquency, may be collected either in an action at law or by resort to the lien and foreclosure remedies set forth in Section 4.11 below.

**4.6 Enforcement Assessments.** The Board of Directors may levy, subject to the limitations of the Governing Documents, enforcement assessments against an Owner and his Unit for failure to comply with the Governing Documents. In the event the Board of Directors imposes an enforcement assessment, that enforcement assessment shall be subject to costs, late charges and interest as described in Section 4.10 for delinquent payment. Enforcement Assessments imposed to recover monetary fines or penalties for failure of a Member to comply with the Governing Documents may become a lien against the Member's Unit that is subject to foreclosure pursuant to Section 4.11 unless such lien and foreclosure remedies are prohibited by law.

**4.7 Limitations on Assessments.** Except in emergency situations, the Board may not, without the approval of Owners constituting a quorum of the Owners and casting a majority of the votes through a ballot measure or meeting of the Association conducted in accordance with Corporations Code Sections 7510-7527 and 7613, impose a regular assessment per Unit that is more than twenty percent (20%) greater than the regular assessment for the preceding fiscal year, or levy special assessments that in the aggregate exceed five percent (5%) of the budgeted gross expenses of the Association for that fiscal year. For purposes of this Section, a "quorum" means more than fifty percent (50%) of the Owners of the Association. These limitations shall not apply to assessment increases that are necessary for emergency situations. An emergency situation is an extraordinary expense that is:

**4.7.1** Required by a court order.

4.7.2 Necessary to repair or maintain the Development or any part of it for which the Association is responsible when a threat to personal safety in the Development is discovered.

4.7.3 Necessary to repair or maintain the Development or any part of it for which the Association is responsible that could not have been reasonably foreseen by the Board in preparing and distributing the pro forma operating budget. Before the Board may impose or collect an assessment in this emergency situation, it shall pass a resolution containing written findings as to the necessity of the extraordinary expense and why the expense was not or could not have been reasonably foreseen in the budgeting process, and shall distribute the resolution to the Owners with the notice of assessment.

4.8 **Owner Notice of Assessments.** The Association shall provide notice by first-class mail to the Owners of any increase in the regular assessments or the imposition of a special assessment not less than thirty (30) nor more than sixty (60) days prior to the increase in the regular assessment or special assessment becoming due.

4.9 **Limitation on Assessment Increases.** Any annual increases in regular assessments for any fiscal year, as authorized by Section 4.7 above, shall not be imposed until the Board has sent out the pro forma operating budget in accordance with California Civil Code Section 1365(a), or any amendment thereto, with respect to that fiscal year, or has obtained the approval of Owners, constituting a quorum, casting a majority of the votes at a meeting or election of the Association conducted in accordance with Chapter 5 (commencing with Section 7510) of Part 3 of Division 2 of Title 1 and Section 7613 of California Corporations Code. For the purposes of this Section, "quorum" means more than fifty percent (50%) of the Owners of the Association.

4.10 **Costs, Late Charges and Interest.** Late charges may be levied by the Association against an Owner for the delinquent payment of regular, special, reimbursement and enforcement assessments. An assessment, including any installment payment, is delinquent fifteen (15) days after its due date. If an assessment is delinquent the Association may recover all of the following from the Owner:

4.10.1 Reasonable costs incurred in collecting the delinquent assessment, including actual attorneys' fees.

4.10.2 A late charge not exceeding ten percent (10%) of the delinquent assessment or ten dollars (\$10.00), whichever is greater, or the maximum amount allowed by law.

4.10.3 Interest on the foregoing sums, at an annual percentage rate of twelve percent (12%) commencing thirty (30) days after the assessment becomes due.

4.10.4 No late charge may be imposed more than once for the delinquency of the same payment. However, the imposition of a late charge on any delinquent payment shall not eliminate or supersede charges imposed on prior delinquent payments. The amounts delinquent, including the entire unpaid balance and any related costs described herein, may be collected by the Association as provided in Section 4.11 hereinbelow.

4.11 **Enforcement of Assessments and Late Charges.** Unless California law provides otherwise, a delinquent regular, special or reimbursement and/or enforcement assessment, and any related late charges, reasonable costs of collection (including actual attorneys' fees), penalties, and interest assessed in accordance with this Article shall become a lien upon the Condominium when a Notice of Assessment Lien is duly recorded as provided in California Civil Code Sections 1367 and 1367.1, and any amendments thereto. The enforcement provisions and requirements of those code sections, and any amendment thereto, shall apply to Association, and are contained within the Association's Collection Policy.

4.11.1 The Notice of Assessment Lien is not required to be amended by the Association or Trustee to reflect any partial payments made on the account of the delinquent Owner after its recordation,

and any such partial payments received shall not be construed to invalidate the Notice of Assessment Lien and said Notice of Assessment Lien may be foreclosed upon as set forth herein even though the delinquent Owner has made one or more partial payments.

4.12 **Priority of Assessment Lien.** As set forth hereinbelow, the assessment lien referred to in Section 4.11 shall be superior to all other liens, except (i) all taxes, bonds and governmental assessments which, by law, would be superior thereto, and (ii) the lien or charge of any First Mortgage of record. Notwithstanding any other provision to the contrary, the following provisions shall govern the priority and obligation for payment of the assessment lien:

4.12.1 Only the judicial or non-judicial foreclosure of the First Mortgage shall operate to transfer title free of the assessment lien or obligation for any assessment lien, and then only as to payments which became due prior to the date of sale, and excluding those assessment liens recorded prior to the recording of the First Mortgage.

4.12.2 Should any person or entity other than a First Mortgagee foreclose on a Condominium, the new Owner shall be personally liable for all unpaid assessments whether or not a lien has been recorded if such new Owner expressly assumed such personal liability. In the event the new Owner assumes such liability, the Association may elect to collect such unpaid assessments, including late charges, interest and other costs, from the new Owner, either personally or against the Condominium, upon the transfer of title.

4.12.3 Neither the transfer of a Condominium pursuant to a foreclosure of any Mortgage, nor an election by the Association to proceed against any new Owner for payment, shall serve to cancel the personal obligation of the prior Owner for payment of the delinquent assessments and charges which accrued during such Owner's period of Ownership. There exists a personal obligation of any Owner for payment of delinquent assessments and charges, whether or not such Owner remains in possession of his Unit.

4.12.4 No sale or transfer of any Condominium shall relieve such Condominium or its new Owner from liability for any future assessments which accrue during such Owner's period of Ownership.

4.13 **Statement of Delinquent Assessment.** In addition to any requirements of California law, the Association shall provide any Owner, upon written request, with a statement specifying the amounts of any delinquent assessments and related late charges, interest, and costs levied against the Owner's Condominium. Association shall have the right to charge a reasonable fee for such statement.

## ARTICLE 5 – USE RESTRICTIONS AND COVENANTS

5.1 **General.** The use and enjoyment of the Development by Owners and their tenants, guests, invitees or any other person deriving rights from such Owner, shall be subject to the covenants and restrictions contained in the Governing Documents. Each such person shall comply with the provisions hereof and be subject to any enforcement actions in the event of violations. Unless otherwise stated in the Governing Documents, the Association, through its Board of Directors, shall be responsible for the enforcement of these provisions.

5.2 **Common Area.** The following provisions govern the use and enjoyment of the Common Area:

5.2.1 The Association shall have an easement in, to, and throughout the Common Area and the improvements thereon to perform its duties and exercise its powers.

5.2.2 Except as provided in this Restated Declaration, there shall be no judicial partition of the Common Area, nor shall Declarant or any person acquiring an interest in all or any part of the Development seek any judicial partition.

5.2.3 Subject to the provisions of the Governing Documents, each Owner has non-exclusive rights of ingress, egress, and support through the Common Area. These rights shall be appurtenant to any deed or assignment or other form of conveyance. However, these rights shall not interfere with, and shall be subordinate to, any exclusive right to use any area and/or any Exclusive Use Common Area appurtenant to a Unit.

5.2.4 The Owners' rights of use and enjoyment of the Common Area shall be subject to the restrictions set forth in the Governing Documents, and the right of the Association, subject to the limitations of any laws or the Governing Documents, to:

(a) Adopt and enforce reasonable rules and regulations for the use of the Common Area and the Development.

(b) Reasonably limit the number of persons using the Common Area.

(c) Assign or otherwise control the use of any unassigned parking spaces within the Common Area.

(d) Remove any vehicle within the Development parked in violation of this Restated Declaration or the Rules and Regulations of the Association in accordance with the provisions of California Vehicle Code Section 22658.2, or any amendment thereto, any other California law, and any amendments thereto.

(e) Suspend the voting rights of any Owner, cable service to a Unit (but only if the Association has entered into a bulk cable agreement for the Property), and the rights of any Owner, and the persons deriving rights from any Owner, to use and enjoy the Common Area for any period during which the Owner is delinquent in the payment of any Assessment, fine or monetary penalty, or as otherwise provided in the Governing Documents. Additionally, for violations of the Governing Documents, the Association has the right to require minor children to be accompanied by an adult whenever they utilize the Association's Common Area recreational amenities as allowed by law.

(f) Cause the construction of additional improvements in the Common Area, or to cause the alteration or removal of existing improvements on the Common Area.

(g) Reasonably restrict access to roofs and other maintenance areas of a Unit that the Association is obligated to maintain.

(h) Approve any proposed alteration of or modification to the Common Area, or the exterior of any Unit.

5.2.5 The Association may grant to third parties easements in, on and over the Common Area for the purpose of constructing, installing, or maintaining necessary utilities and services, or other purposes reasonably related to the operation of the Development, and each Owner, in accepting his deed or assignment or other conveyance to the Unit, expressly consents to these easements. However, no such easement may be granted if it would unreasonably interfere with any exclusive easement, or with any Owner's use, occupancy, or enjoyment of his Unit.

5.2.6 Notwithstanding the easement rights or other rights contained herein, an Owner who has sold his Condominium to a contract purchaser or who has leased or rented the Condominium shall be deemed to have delegated his rights to use and enjoy the Common Area to the contract purchaser or tenant who resides in the Owner's Condominium, subject to reasonable regulation by the Board.

5.2.7 All utilities designed to serve three units or less, but located outside the boundaries of the Units, are allocated exclusively to those particular Units. The Owner of said Units shall be entitled to reasonable access to the Common Area for the purpose of maintaining these utilities, subject to the Exhibit A "Allocation of Maintenance Responsibilities", and further subject to the consent of the Association and

to any other conditions reasonably imposed by the Association. The Association's consent shall not be unreasonably withheld.

5.3 **General Restrictions on Use.** In exercising the right to occupy or use a Unit or the Common Area and its improvements, the Owner and the Owner's family, guests, employees, tenants, and invitees shall not do any of the following:

5.3.1 Attempt to further subdivide a Unit without obtaining the prior approval of the Association.

5.3.2 Except as permitted in Section 5.4, occupy or use a Unit, or permit all or any part of a Unit to be occupied or used, without Board approval, for any purpose other than as a private residence.

5.3.3 Permit anything to obstruct the Common Area or store anything on the Common Area without the prior written consent of the Board, except as otherwise provided in the Governing Documents.

5.3.4 Perform any act or keep anything on or in any Unit or in the Common Area that will increase the rate of insurance for the Development without the Board's prior written consent. Further, no Owner shall permit anything to be done or kept in his Unit or in the Common Area that would result in the cancellation of insurance on any Unit or on any part of the Common Area or that would violate any law.

5.3.5 Disconnect, damage, tamper with or otherwise modify any protection system, including, but not limited to, fire sprinklers, fire alarms, fuse boxes, lighting controls, timers to lights and irrigation on the Common Area and thermostats to HVAC systems.

5.3.6 Store gasoline, kerosene, cleaning solvents, or other flammable liquids or substances, or any toxic or hazardous materials on the Common Area or in any Unit, provided, however, that reasonable amounts of these liquids, substances or materials may be placed in appropriate containers and properly stored. All rubbish, trash, and garbage shall be regularly removed from the Unit consistent with the Association's Rules and Regulations, and shall not be allowed to accumulate anywhere within the Development.

5.3.7 Erect or display any sign on or from any Unit except as allowed by California Civil Code Sections 712, 713 and 1353.5. No signs may be erected or displayed on the Common Area, Unit, and/or Exclusive Use Common Area, except as permitted by these laws and/or the Rules and Regulations.

5.3.8 Except as otherwise permitted by federal or state law, erect or display any radio or television antenna, satellite dish or other equipment or apparatus for transmitting or receiving transmissions which is visible from any street, Unit, or the Common Area, unless otherwise permitted by the Architectural Guidelines of the Association.

5.3.9 Raise or keep pet(s) or other animal(s) in or on the Development except as permitted by the Rules and Regulations. Notwithstanding the foregoing, no Owner or other occupant of a Unit may raise or keep pets which interfere with, or have a reasonable likelihood of interfering with, the rights of any Owner or other occupant of a Unit to the peaceful and quiet enjoyment of the Unit. In the event the Board determines that any such pet(s) or other animal(s) create an unreasonable annoyance or nuisance to any Owner or other occupant of a Unit, the raising or keeping thereof shall be discontinued within a reasonable time after such determination. No pets or other animals shall be permitted in the Common Area except as specifically permitted in the Rules and Regulations. No Owners may raise or keep animals for commercial purposes. The Association, its Board, officers, employees and agents shall have no liability to any Owner, his family members, guests, invitees, tenants or contract purchasers, or any other person on the Development, for any damage or injury to persons or property caused by any pet, absent any willful or wanton negligence on the part of the Association, or its Board, officers, employees and agents.

5.3.11 Alter, attack, construct, or remove anything on or from the Common Area, except upon the written consent of the Board.

5.3.12 Keep or maintain any fixture, personal property or other object upon any patio/balcony which interferes with the enjoyment of adjacent Units or which may be in derogation of any of the Association's Rules and Regulations.

5.3.13 Conduct, maintain, or permit on any part of the Development any industry, business, trade, occupation or profession of any kind, whether commercial, religious, educational, or otherwise, except for home occupation use in compliance with this Restated Declaration and in particular, Section 5.4, or as required by law.

5.3.14 Permit windows to be covered in whole or in part with paper, newspaper, aluminum foil, or other materials not specifically intended for such purpose. Each Owner shall install permanent draperies or other suitable window treatments in all exterior windows of his Unit within sixty (60) days after initial occupancy of the Unit.

5.3.15 Allow his Unit to be leased, subleased, occupied, rented, let, sublet, or used for or in connection with any time-sharing agreement, plan, program, or arrangement including, without limitation, any so-called "vacation license", "travel club", "extended vacation" or other membership or time-interval ownership arrangement. The term "time-sharing" as used herein shall be deemed to include, but shall not be limited to: any time-share project, time-share estate, and/or time-share use (as those terms are defined under *Business and Professions Code Section 11003.5* or any amendment thereto); any qualified resort vacation club (as those terms are used under *Business and Professions Code Section 10260* or any amendment thereto); or any agreement, plan, program or arrangement under which the right to use, occupy, or possess the Unit in the Development rotates among various persons, either corporate, partnership, individual, or otherwise, on a periodically recurring basis for value exchanged, whether monetary or like-kind use privileges, according to a fixed or floating interval or period of time; provided this Section shall not be construed to limit the personal use of any Unit in the Development by any Owner or his social or familial guests or his tenants under leases created in accordance with this Restated Declaration.

5.3.16 Notwithstanding any other provisions contained in this Restated Declaration, should an Owner desire to install hard surface materials and/or flooring on any portion of his Unit(s) (i.e., tile, marble, hardwood floors, etc.), the requirements and specifications regarding sound penetration as contained within the Architectural Guidelines must be followed and provided further that written approval from the Board of Directors must be received prior to installation of such hard surface flooring and/or materials.

5.3.17 In order to preserve the structural and/or aesthetic integrity of the Development, enclosure/screening of balconies and/or terraces, or any part thereof, regardless of floor level, is prohibited.

5.4 **Home Occupation.** An Owner or his tenant may operate a business, other than those as required by Federal or State law, within the Unit ("home occupation") provided that the home occupation is specifically limited to the use of the Unit through the means of telephone, telephone modem and reasonable mail as described below and for no other purpose. Any activity conducted in compliance with an Owner's home occupation shall not be visible from the exterior of the Unit, through any modification to the Unit, or through the operation of any business activity. Conduct of the home occupation shall require approval by both the City of Palm Springs and the Association, which shall be sought via submission of an application form as approved from time to time by the Board of Directors.

5.4.1 All home occupations shall comply with the Rules and Regulations adopted by the Board of Directors, but shall include at a minimum the following:

(f) That the use is in violation of any statute, ordinance, law or regulation.

5.5 **Leases/Rental Agreements.** Leases and rentals are subject to the following:

5.5.1 All leases and rental agreements must be in writing. All rental agreements must be for a minimum of thirty (30) days and all leases must be for the minimum required by law, but in no event for less than thirty (30) days.

5.5.2 All leases and rental agreements shall be subject in all respects to the Governing Documents, and shall provide that failure to comply with the requirements of the Governing Documents shall constitute a default under the lease which may be cured by eviction of the tenant either by the Owner or the Association.

5.5.3 An Owner who leases or rents his Unit shall promptly notify the Association in writing of the names of all lessees and/or tenants and members of a lessee's and/or tenant's family occupying such Unit and furnish the Association with a copy of any lease or rental agreement.

5.5.4 All Owners leasing or renting their Unit shall promptly notify the Association of the address and telephone number where such Owner can be reached.

5.6 **Unit Modification.** Subject to other applicable restrictions contained in the Governing Documents, including the Architectural Guidelines, Owners may modify their Units subject to the following:

5.6.1 Modifications or alterations of the exterior of any Unit must have the prior written consent of the Board, including any modifications to facilitate access to persons with special needs as contained within California Civil Code Section 1360 and any amendments thereto. Any approval of such modification may be conditioned on such modification's removal by the Owner, at his sole expense, once the access is no longer necessary.

5.6.2 No Owner may install any shutter, screen, blind, curtain, drape or other appurtenance in or on any window or door or balcony and/or terrace openings except those items which are in conformance with standards established by the Board.

5.6.3 No enclosure of balconies and/or terraces, or any part thereof, regardless of floor level, is permitted.

5.6.4 Except as provided by the Governing Documents, Owners shall not paint, remodel or alter any Exclusive Use Common Area or the Common Area without the prior written consent of the Board or, if appropriate, the Architectural Committee.

5.7 **Damage Liability.** Each Owner shall be liable to the Association for any damage to the Common Area or to Association owned property if the damage is sustained because of the negligence, willful misconduct, or unauthorized or improper installment or maintenance of any improvement by the Owner or the Owner's family, guests, tenants, contract purchasers, or invitees. In the case of joint Ownership of a Condominium, the liability of the Co-Owners shall be joint and several, unless the Co-Owners and the Association have agreed in writing to an alternative allocation of liability.

5.8 **Parking and Vehicle Restrictions.** The Board of Directors shall have the right to promulgate rules and regulations related to vehicles and parking as it deems necessary from time to time. Unless otherwise expressly permitted by the Board:

5.8.1 Only "conventional passenger vehicles" are permitted to park within the Property. Except for temporary parking as defined in this Section, no commercial vehicles shall be permitted to remain within any area of the Property including, without limitation, Association owned streets, or the Common Areas, unless parked within the garage spaces. The Association shall have the power, but not the

obligation, to have any vehicle which is parked in violation of the Association's Governing Documents towed from the Property at the expense of the owner of such vehicle.

5.8.2 Camping and/or overnight living in any garage space is strictly prohibited.

5.8.3 Recreational vehicles or boats owned or rented by an Owner or tenant may be parked in front of said Owner's residential building for the sole purpose of loading and/or unloading such vehicle or boat immediately prior to or after the use of such vehicle or boat for recreational purposes, subject to time limitations and other rules and regulations established from time to time by the Board of Directors or the City of Palm Springs.

5.8.4 Except as otherwise provided in this Section, in order to maintain the aesthetic environment of the Property, no conventional passenger vehicle, or any other motorized vehicle may be parked upon any street within the Property for a period of over seventy-two (72) consecutive hours. Vehicles of all Owners should be kept in garage spaces of the Unit; provided, however, this Section shall not be construed to permit the parking in the above described areas of any vehicle whose parking in the Property is otherwise prohibited or the parking of any inoperable vehicle. Guests and invitees must park on the streets.

5.8.5 No conventional passenger vehicle, recreational vehicle or equipment or commercial vehicle or any motorized vehicle may be dismantled, rebuilt, repaired, abandoned, disabled, serviced or repainted within the Property.

5.8.6 There shall be no loud noises or noxious odors from motor vehicles (including motorcycles, off-road vehicles, conventional passenger vehicles or commercial vehicles), which may unreasonably interfere with the quiet enjoyment of the Property.

5.8.7 As used in this Section, "conventional passenger vehicles" shall be defined to be station wagons, family sedans, compacts, sport utility vehicles, subcompacts, and similar passenger vehicles, as well as pick-up trucks of 1.5 tons or less, and passenger vans.

5.8.8 As used in this Section, "recreational vehicles" shall include, without limitation, trailers, boats, campers, trailer coaches, buses, house camp cars, motor homes, or any other similar type of equipment or vehicle.

5.8.9 As used in this Section, "commercial vehicle" shall be defined as a truck of greater than 1.5 tons capacity and/or any vehicle with a sign displayed on any part thereof advertising any kind of business or on which said vehicles materials, supplies, product, and/or tools are visible, or which vehicles are of a body type normally employed as a business vehicle whether or not a sign is displayed on any part thereof. The type of motor vehicle license plate shall not be material to the foregoing definition.

5.8.10 As used in this Section, "temporary parking" shall mean parking for a short period of time for the purposes of loading and unloading related to the Owner(s)' Unit, and as further defined in the Rules and Regulations. Temporary parking shall only be permitted during normal business and construction hours as may be identified by the Association from time to time. There shall be no temporary parking overnight within any portion of the Property.

5.8.11 The Board may adopt Rules and Regulations for the regulation of the admission and parking of vehicles (including but not limited to motorcycles, mopeds, motor scooters, and other motorized vehicles with less than four wheels) within the Property including the assessment of charges to Owners who violate or whose invitees violate, such rules. Any charges so assessed shall be Enforcement Assessments.

5.8.12 Garage spaces shall be used for parking purposes only, and shall not be used for storage or converted for living or recreational purposes. Each Owner shall ensure that his garage space is maintained so as to be capable of accommodating at least one full-sized vehicle.

## ARTICLE 6 - REPAIR AND MAINTENANCE

6.1 **General.** The Association and all Owners have a shared responsibility to fulfill the maintenance requirements imposed by the Governing Documents. For purposes of this Article, "maintenance" shall include, without limitation, painting, weatherproofing and cleaning to keep a clean, safe and sanitary condition necessary to preserve the attractive appearance of each Unit and the Development and protect the values thereof. The Board shall have the power to determine the standards of such maintenance. Attached hereto as Exhibit A, and incorporated herein by reference, is a listing of the allocation of responsibility for maintenance, repair and replacement of the various components in the Development. In the event of any inconsistency between the general provisions of this Article and the specific provisions of Exhibit A, the provisions of Exhibit A shall prevail. Provided any item is not listed in Exhibit A, the responsibility for its maintenance shall be determined in accordance with the provisions of this Article and, if no such allocation is made by this Article, then as otherwise provided by statute or law. Except as otherwise provided in the Governing Documents, the costs of maintenance, repair and replacement shall be borne by the party responsible for the maintenance, repair or and replacement.

6.2 **Failure to Maintain.** In the event an Owner fails to maintain the areas described herein pursuant to the standards set by the Board, the Board may notify the Owner of the work required and request that the same be done within a reasonable time from the giving of such Notice. In the event the Owner fails to carry out such maintenance within said time period, the Board may, following notice and a hearing, cause such work to be done and the cost thereof shall immediately be paid by such Owner to the Association and until paid shall bear interest at the rate of twelve percent (12%) per annum (but no greater than the maximum rate authorized by law). In the case of emergencies affecting health, safety, or structural integrity of the building or building components, such that the time involved in providing notice and a hearing would exacerbate the emergency situation, notice and hearing may be waived. Determination of an emergency situation shall be at the sole discretion of the Board of Directors.

6.3 **Maintenance by Owner.** Except as specifically allocated as a maintenance and repair responsibility of the Association pursuant to Exhibit A, each Owner shall be responsible for the maintenance, repair and replacement of those items allocated to the Owners pursuant to the Exhibit A Maintenance Allocation or, if there is no such allocation in Exhibit A, all portions of the Unit as well as the Exclusive Use Common Areas (as those terms are defined in this Restated Declaration or California law) in a clean manner, consistent with the surrounding properties, and to ensure that such area does not pose a threat to the health, safety or welfare of other Owners, including the Association. The replacement of exterior items shall be subject to the requirements of Article 7 herein.

6.4 **Maintenance by Association.** Except as specifically allocated as a maintenance and repair responsibility of the Owner pursuant to Exhibit A, the Association shall be responsible for the maintenance, repair and replacement of those items allocated to the Association pursuant to Exhibit A, or, if there is no such allocation in Exhibit A, all Common Area items which do not constitute Exclusive Use Common Area under this Restated Declaration or under California law, including the following:

6.4.1 All Association amenities, including any pool, spas, and related facilities.

6.4.2 All Common Area landscaping including trees, shrubs, lawns, drainage facilities, fountains and other items, if any.

6.4.3 All furnishings, equipment and property that is owned by, or may be acquired by, the Association.

6.4.4 Except for sewer and water as pursuant to Exhibit A, all common utility lines and services not otherwise maintained by a utility company; provided, however, that all utilities designed to serve three Units or less but located outside the boundaries of said Units are allocated exclusively to those particular Unit Owners and are to be maintained by said Owners.

6.4.5 The maintenance and repair of all Common Area hardscape, whether concrete, asphalt or otherwise, and all unassigned parking areas.

6.5 **Termite Control.** The responsibility for control of wood destroying pests or organisms shall be as follows:

6.5.1 Notwithstanding the means by which termites have entered an Owner's unit (i.e., regardless whether they are subterranean or otherwise), each Owner shall be responsible for the maintenance and repair of his Unit, as well as improvements and betterments within the unit (e.g., floor coverings, wall coverings, carpet, mirrors, etc.) as required to control the presence of or damage caused by wood destroying pests or organisms or repairs for same.

6.5.2 Association shall be responsible for the cost of termite treatment by the pest control company. The responsibility for the cost to repair or replace any item which has been damaged by the presence of wood-destroying pests or organisms and/or which requires repair because of the access needed to facilitate termite treatment ("termite damage and repair costs") shall be allocated as set forth herein. Association shall be responsible for the payment of termite damage and repair costs related only to those items allocated as Association's maintenance responsibility under Exhibit A. Similarly, Owner shall be responsible for the payment of termite damage and repair costs related only to those items allocated as Owner's maintenance responsibility under Exhibit A. The Board shall have the power to levy a reimbursement assessment against any Owner and his Unit upon failure to pay the Association any costs of said Owner's allocable share of costs and expenses attendant for the termite control.

6.5.3 Association shall have the power to temporarily remove any resident for such periods and at such times as may be necessary for prompt, effective treatment of such pests or organisms. The costs of any temporary relocation during such maintenance or repair shall be paid by the Unit Owner affected. The Association shall give notice of the need to temporarily vacate a unit to the record Owner and occupant not less than fifteen (15) days nor more than thirty (30) days prior to the date of the temporary relocation. The notice shall state the reason for the relocation, the date and time of the beginning of treatment, the anticipated date and time of termination of treatment and that the occupants will be responsible for all necessary accommodations during the relocation.

6.5.4 Neither the Association, the Board, officers, agents or employees shall have any liability, absent willful or wanton negligence, to any Owner, family member, guest, invitee or tenant for any damage caused by the treatment.

6.5.5 The costs and expenses of all termite inspections requested by the Association shall be paid by the Association. (This shall relate only to the cost of inspection and not to the cost/expenses of any repair or treatment recommended by any such inspection, which costs shall be allocated in accordance with Section 6.5.2 above.) If any Owner requests a termite inspection for his Unit, the cost of said inspection shall be paid solely by the Owner. Notwithstanding anything else herein, in the event that an Owner wishes to obtain a termite clearance certificate for any purpose, the Owner shall be solely responsible for the cost of the inspection.

6.6 **Damage Caused by Owner or Item Under Control of Owner.** Should any damage to the Common Area, Exclusive Use Common Area, any Unit and/or exterior of any building result from the willful or negligent act or neglect of any Owner, or such Owner's tenants, guests, invitees, pets or other person or entity deriving any interest through such Owner, or from any item the maintenance, repair or replacement of which an Owner is responsible ("Culpable Owner"), the cost of all repairs shall be borne solely by the Culpable Owner and not the Association.

6.6.1 The Association shall be responsible for performing the repair of any damage to the Common Area or items over which the Association has control at the Culpable Owner's expense. The Culpable Owner shall be responsible for performing the repair of any damage to his Unit and/or Exclusive Use Common Area for which such Owner has control. The Owner of any other Unit which sustained

damage shall be responsible for performing the repair of any such damage, and may charge the cost thereof to the Culpable Owner.

6.6.2 If the Culpable Owner disputes or refuses to pay the costs of repair of any damage to the Common Area or items over which the Association has control, the Association, after reasonable notice and hearing procedures as provided for in Article 4 regarding the imposition of enforcement assessments or suspensions, may charge the cost of such repair to such Owner as a reimbursement or special assessment, with the full authority to lien on such amount in the event of non-payment. If the damage is such as may be covered by any insurance carried by the Association, the Board may, in its sole discretion, elect to submit the claim for the cost of repairs to its insurance carrier. Provided the submitted claim is covered by the Association's insurance, the Culpable Owner shall be responsible for the cost of any deductible applicable to the covered claim. If the submitted claim is not covered by the Association's insurance or the Association elected not to submit the claim due to the Owner's negligence, the Culpable Owner shall be responsible for the total cost of repair.

6.6.3 All repairs performed to correct any damage shall be sufficient to return the damaged property only to its condition prior to the damage, with upgrades as may be required to conform with any applicable building codes in effect at the time the damage is repaired.

6.7 **Water Intrusion Damage.** Water intrusion is a serious concern for the Association and Owners. Therefore, the responsibility for water intrusion is as follows:

6.7.1 Notwithstanding any other provision in the Governing Documents, each Owner shall be solely responsible for causing the repair or replacement of any damage (including but not limited to mold remediation) to any and all interior items of his Unit, and the cost thereof, including, but not limited to, any personal property, decorations, interior surfaces, improvements, floor coverings, wall coverings, appliances, fixtures or other items therein, caused by water intrusion from whatever source. An Owner may obtain and maintain such insurance, at his sole expense, to protect against any damage or loss of property due to water intrusion, or the cost of repair or replacement of damaged items for which such Owner is responsible. Association shall only be responsible for repair or replacement of the roof system of the Unit as scheduled, as well as repair any leaks to the roof system promptly upon receiving notice by Owner. The Association shall not be liable for damage to personal property, wall coverings, floor coverings, improvements, or any other fixtures or furnishings within the interior of the Unit, resulting from water which may leak or flow from outside of any Unit or from any part of the building, or from any pipes, drains, conduits, appliances or equipment or from any other place or cause, unless caused by the gross negligence of the Association, its Board, officers, agents or employees. Similarly, each Owner shall be responsible for the repair and/or replacement of any damage caused to the Unit adjacent to said Owner's Unit by water intrusion emanating from the Owner's Unit.

6.7.2 It is hereby acknowledged that the irrigation system for the common areas maintained by the Association is subject to overspray which may overflow to those areas which could impact windows, sliding doors and other glass surfaces of the Unit ("glass components"). Nevertheless, any repair or replacement of such glass components which is caused by such overspray shall be the responsibility of the Owner.

6.7.3 The responsibility for the cost to repair or replace any item and/or improvement within a Unit which has been damaged or requires repair because of the access needed to facilitate repairs underneath or above the Unit shall be the responsibility of the Owner of the Unit in which said repairs are necessitated and the Association shall have no responsibility for said repair or replacement cost.

## ARTICLE 7 - ARCHITECTURAL AND DESIGN CONTROL

7.1 **General.** Any change or improvement to the exterior of a Unit, any exclusive use common area, or to the interior which affects the exterior of a Unit, or any mechanical or service systems (HVAC, gas, water or electrical pipes or wires, etc.), or the structural integrity of any building, shall be governed by this Article. Changes or improvements to the Common Area by the Association do not need

to comply with the requirements of this Article. The powers and duties set forth in this Article shall be vested in, and exercised by, the Board or, if so designated, the Architectural Committee. The Board may establish an Architectural Committee ("Committee") as provided herein to assist the Board in reviewing architectural submittals, and to provide recommendations to the Board with regard to approval or disapproval of any submittal. The foregoing notwithstanding, if the Board has delegated architectural review to the Committee, the Committee shall be responsible for approving or rejecting any architectural submittal in conformance with the Architectural Guidelines. Any architectural submission which does not conform to and is a variance from the Association's Architectural Guidelines shall require approval by the Board of Directors.

**7.2 Architectural Changes Not Requiring Prior Approval.** Nothing contained herein shall be construed to limit the right of an Owner to (1) paint the interior of his Unit any color desired or (2) improve or alter any improvements within the interior of the Unit, provided such improvement or alteration is in accordance with the Architectural Guidelines, and does not impair or alter the Common Area, any utilities, or other systems servicing the Common Area or other Units. Notwithstanding the above, no Owner can install hard surface flooring within his Unit unless and until there is compliance with Section 5.3.16 of this Restated Declaration and the Architectural Guidelines.

**7.3 Architectural Changes Requiring Prior Approval.** Nothing may be erected, placed or planted on the exterior of any Unit, or on the Common Area, by any Owner, including any fence, wall, screen, awning, trellis, outside or exterior wiring, landscaping, or any improvement or structure of any kind, without the prior written approval of the Board or the Architectural Committee, if such authority is so delegated. Modifications to the interior of Units which have the potential to affect the Common Area walls, roofs or other areas shall also require the prior written approval of the Board.

**7.4 Procedure for Obtaining Approval of Architectural Changes.** The procedure for obtaining approval of any architectural change shall be as contained within the Architectural Guidelines developed in accordance with Section 7.7 below.

**7.5 Inspection Of Work.** The Board may require that final approval of an architectural submittal be conditioned upon an inspection of the completed work. Provided a final inspection is required, the Owner shall be responsible for the costs associated therewith. After such inspection, the Board shall provide the Owner with written notice of either a letter of completion or a letter of noncompliance, setting forth either: (a) all improvements made and other work completed by said Owner complies with the Governing Documents, or (b) such improvements or work do not so comply, in which event the notice shall identify the non-complying improvements or work and set forth with particularity the basis of such non-compliance. In the event the work is found not to comply with the Governing Documents, the Owner shall promptly correct such deficiency and reapply for another inspection, or shall remove the proposed improvement and return the area to its original condition. Members of the Committee, Board of Directors, and/or appropriate Association staff, after giving due notice, may enter upon any Unit without liability to the owner for the purpose of enforcing any and all provision of this Article.

**7.6 Standard of Architectural Review.** An architectural submittal made by an Owner shall be reviewed for conformity with the Architectural Guidelines. Additional factors to be considered include, but are not limited to, the quality of proposed workmanship, the design and harmony of the improvement with existing structures, the location of the improvement in relation to surrounding structures, topography, drainage and finish grade elevation, Owner and contractor insurance coverage, compliance with governmental permit requirements and contractor license status.

**7.7 Architectural Guidelines.** The Board may, in its discretion, adopt, amend and repeal, as it deems necessary and by majority vote, rules and regulations to be known as "Architectural Guidelines". Said Architectural Guidelines shall interpret and implement the provisions of this Article by setting forth the standards for review by the Board and Committee and guidelines for architectural design, landscaping, color schemes, exterior finishes and materials and similar features which are recommended for use in the Development, provided, however, that said Architectural Guidelines shall not be in derogation of the

standards required by this Restated Declaration. The Architectural Guidelines may also address the information which is required to be presented in connection with an architectural submittal.

7.8 **Variations from Architectural Rules.** Upon application by an affected Owner, the Board may grant variances from the requirements of the Architectural Guidelines provided that such variance is reasonably necessary in order to carry out the general purpose and intent of the Governing Documents, or is necessary to avoid extensive hardship, expense or impossibility of conformance. Any variance shall be in writing and shall not constitute a waiver of any Architectural Guideline or hinder the enforcement thereof.

7.9 **Architectural Committee.** The Architectural Committee shall be appointed by the Board, and shall be formed as follows:

7.9.1 The Board shall have the right and the duty to appoint all members of the Committee.

7.9.2 Members appointed to the Committee shall be Members of the Association.

7.9.3 Members shall be appointed for terms as prescribed by the Board, provided that no term may be less than one (1) year. Notwithstanding the foregoing, all members of the Committee may be removed by the Board at any time with or without cause.

7.9.4 The Committee shall meet as often as it deems necessary to properly carry out the obligations imposed upon it, unless otherwise directed by the Board.

7.9.5 If the Board has delegated architectural review to the Committee, the Committee's approval or disapproval of matters required by this Restated Declaration must be decided by a majority vote of the Committee in attendance. Action taken through written consent requires at least a majority of the entire Committee to execute said written consent before the Committee's decision shall be effective.

7.10 **Compensation.** The members of the Board and Committee shall receive no compensation for services rendered, other than reimbursement by the Association for expenses incurred by them in the performance of their duties hereunder.

7.11 **Liability.** Neither the Board, the Committee, nor any member thereof, shall be liable to the Association or to any Owner for any damage, loss or prejudice suffered or claimed on account of: (a) the approval or disapproval of any plans, drawings and specifications, whether or not defective, (b) the construction or performance of any work, whether or not pursuant to approved plans, drawings, and specifications, and (c) the development of any property within the neighborhood.

7.12 **Enforcement.** In addition to other enforcement remedies set forth in this Restated Declaration, the Board or Committee shall have enforcement rights with respect to any matters required to be submitted to and approved by it, and may enforce such architectural control by any proceeding at law or in equity in accordance with this Section.

7.12.1 No work for which approval is required shall be deemed to be approved simply because it has been completed without a complaint, notice of violation or commencement of a suit to enjoin such work.

7.12.2 The Board or Committee shall have the authority to order an abatement of any construction, alteration or other matter for which approval is required to the extent that it has not been approved by the Board or Committee or if it does not conform to the plans and specifications submitted to the Board or Committee.

7.12.3 If the Owner fails to remedy any noticed noncompliance within the time frame identified by the Association, the Board shall then set a date on which a hearing before the Board shall be held regarding the alleged noncompliance. The hearing date shall not be less than ten (10) days after the notice

of the noncompliance is issued by the Board to the Owner, to the Committee, and to any other interested party.

7.12.4 At the hearing, the Owner, a representative of the Committee and, in the Board's discretion, any other interested person may present information relevant to the question of the alleged noncompliance. After considering all such information, the Board shall determine whether there is a noncompliance.

7.12.5 If a noncompliance is determined to exist, the Board shall require the Owner to remedy or remove the same within such period or within any extension of such period as the Board, at its discretion, may grant.

7.12.6 If the Owner fails to take corrective action after having a reasonable opportunity to do so, the Board, at its option, may pursue all legal and equitable remedies available to remedy or remove the noncomplying improvement and the Owner shall reimburse the Association for all expenses incurred in connection therewith upon demand. If such expenses are not properly repaid by the Owner to the Association, the Board shall recover such expenses through the levy of an enforcement assessment against such Owner. In addition to all of the remedies available to the Association (including but not limited to an Enforcement Assessment and/or suspension of privileges), and to the extent permitted by California law, the Association has the right to record in the office of the Riverside County Recorder a Notice of Non-Compliance against the Unit of the Owner who fails to take the corrective action as described above. This Notice shall remain against the Unit until the corrective action has been taken, as determined by the Board, at which time the Association will record a Release of said Notice.

7.12.7 The approval by the Committee or Board of any plans, drawings or specifications for any work of improvement done or proposed, or for any other matter requiring the approval of the Committee or Board under this Restated Declaration, or any waiver thereof, shall not be deemed to constitute a waiver of any right to withhold approval of any similar plan, drawing, specification or matter subsequently submitted for approval by the same or some other Owner. Different locations for improvements, proximity to other Units or the Common Area and other factors may be taken into consideration by the Board or Committee in reviewing a particular submittal.

7.12.8 If any legal proceeding is initiated to enforce any of the provisions hereof, the prevailing party shall be entitled to recover reasonable attorneys' fees in addition to the costs of such proceeding.

7.13 **Non-Compliance with Laws.** Neither the Association, the Board nor the Committee shall be responsible for any non-compliance with any governmental law, rule or regulation of any construction, installation, placement, alteration or anything maintained in accordance with or pursuant to any plans and specifications approved by the Board and/or Committee or any defect in any conditions or requirements they may have imposed with respect thereto.

7.14 **Approval by City.** Prior to commencing any alteration or improvements approved by the Association, the Owner shall comply with all appropriate governmental laws and regulations, including those of the City of Palm Springs. The Association shall not be obligated to enforce the provisions of this Section. Approval by the Association shall not be considered to satisfy the appropriate approvals that may be required by any governmental entity with appropriate jurisdiction, nor shall the approval of any governmental entity be considered to completely satisfy the requirement of Association approval. An Owner's failure to obtain such governmental approval may subject such Owner to certain penalties imposed by the governmental entity, notwithstanding the approval of the Association, which penalties shall be the responsibility of said Owner.

## ARTICLE 8 - INSURANCE

8.1 **Property Insurance.** The Association shall obtain and maintain a master or blanket

property insurance policy that shall provide coverage against losses caused by fire and all other hazards normally covered by a "special form" policy or its equivalent for the full insurable replacement value of all of the buildings containing the Units, as well as all other improvements within the Common Area ("Master Property Insurance"). The Master Property Insurance shall be, at a minimum, a "bare walls policy"; provided, however, that the Association has the right, but not the obligation, to include within the Master Property Insurance additional items within the Unit, such as floor coverings, wall coverings, cabinets, built-in appliances and other fixtures. The amount and allocation of any deductible shall be determined by the Board. This insurance shall be maintained for the benefit of the Association, the Owners, and their Mortgagees, as their interests may appear as named insured subject, however, to any loss payment requirements set forth in this Restated Declaration. If required by any First Mortgagee who notifies the Association of its requirement, and if economically feasible and available, such policies shall contain an agreed amount endorsement, an inflation guard endorsement, and a construction code endorsement.

**8.2 General Liability Insurance.** The Association shall obtain and maintain a policy or policies insuring the Association, its officers, directors, agents and employees, the Owners, and the Owner's invitees, guests, employees, and their agents against any liability for bodily injury, death, and property damage arising from the activities of the Association and its Members, with respect to the Common Area and any property owned by the Association, including but not limited to General Liability and Business Automobile Liability Insurance. Limits of liability under the insurance shall not be less than two million dollars covering all claims for death, personal injury, and property damage arising out of a single occurrence.

**8.2.1** The limits and coverage shall be reviewed at least annually by the Board and increased or decreased in its discretion. Such policies shall include a provision for at least ten (10) days' prior written notice to the Association, and to each Eligible Mortgagee which is listed as a scheduled holder of a First Mortgage in the insurance policy, of any cancellation or substantial modification.

**8.3 Directors and Officers Liability Insurance.** The Association shall obtain and maintain one or more policies of insurance which include coverage for individual liability of officers and directors (including committee members and spouses, if available) of the Association for negligent acts or omissions of those persons acting in their capacity as officers and directors and committee members. Limits of liability under this insurance shall be determined by the Board at its sole discretion; provided, however, that said limits shall not be less than one million dollars and in compliance with California Civil Code Sections 1365.7 and 1365.9 and any amendments thereto.

**8.4 Fidelity Bond Coverage.** The Association shall also purchase and maintain fidelity bond coverage which names the Association as an obligee, for any person or entity handling funds of the Association whether or not such persons or entities are compensated for their services. If there is a management agent who handles Association funds, such agent shall also be covered by a fidelity bond. As long as commercially available for a reasonable price, the Association shall obtain and require coverage equal to the estimated maximum amount of funds in the custody of the Association or its managing agent at any given time during the term of each bond; provided, however, that there shall be no requirement to obtain any fidelity bond with a premium in excess of \$250,000. The bonds must contain a provision that they may not be canceled or substantially modified without at least ten (10) days prior written notice to the Association.

**8.5 Other Association Insurance.** The Association shall purchase and maintain workers' compensation insurance to the extent necessary to comply with any applicable laws. The Association also may purchase and maintain a blanket policy of flood insurance, and demolition insurance in an amount that is sufficient to cover any demolition that occurs following the total or partial destruction of the Development and a decision not to rebuild. The Association may purchase such other insurance the Board considers necessary or advisable, including earthquake insurance coverage. The Association shall have the authority, but not the obligation, to obtain earthquake insurance coverage for the Insured Property. Any earthquake insurance coverage provided shall be in an amount recommended by one or more reputable insurance brokers or consultants. Additionally, the Board must have the prior approval of a majority of a

quorum of the members before choosing to cancel or not renew any existing earthquake insurance policy for the Insured Property.

**8.6 Qualifications of Insurance Carriers.** All insurance provided under Sections 8.1, 8.2 and 8.3 of this Article must be written by an insurance carrier which meets the FNMA requirements for a "Best's Insurance Rating".

**8.7 Failure to Acquire Insurance.** The Association, and its directors and officers, shall have no liability to any Owner or Mortgagee if, after a good faith effort, it is unable to obtain any insurance required hereunder, because the insurance is no longer available or, if available, can be obtained only at a cost that the Board in its sole discretion determines is unreasonable under the circumstances, or the Members fail to approve any assessment increase needed to fund the insurance premiums. In such event, the Board immediately shall notify each Member entitled to notice that the specific insurance will not be obtained or renewed.

**8.8 Trustee for Policies.** The Association, acting through its Board, is appointed and shall be deemed trustee of the interests of all named insured under all insurance policies purchased and maintained by the Association. All insurance proceeds under any of those policies shall be paid to the Board as trustee. The Board shall use the proceeds for the repair or replacement of the property for which the insurance was carried or for the purposes described in Article 9 herein. The Board also is authorized to negotiate loss settlements with the appropriate insurance carriers, to compromise and settle any claim or enforce any claim by any lawful action, and to execute loss claim forms and release forms in connection with such settlements.

**8.9 Individual Insurance.** An Owner should separately insure his real and personal property, and shall obtain and maintain personal liability and property damage liability insurance for his Unit, provided that the insurance contains a waiver of subrogation rights by the carrier as to the other Owners, the Association, and the institutional First Mortgagee of the Owner's Unit. Each Owner is responsible for integrating his personal insurance with the Association's insurance to confirm that such Owner's property will be protected in the event of a loss.

**8.10 Insurance Premiums.** Insurance premiums for any insurance coverage obtained by the Association shall be included in the regular or special assessments. That portion of the assessments necessary for the required insurance premiums shall be used solely for the payment of the premiums when due.

**8.11 Insurance Policy Deductibles.** As provided in this Article, the Board of Directors shall have the power, in its sole discretion, to determine the amount of any deductible applicable to any insurance policy carried by the Association. In the event of a loss for which Association insurance coverage is used, the responsibility for payment of any deductible shall be as follows:

**8.11.1** Owners shall be responsible for the cost of any deductible if the damage or loss occurs to an item of his personal property, or for any property damage which is based upon an occurrence located in an area for which the Owner is responsible to maintain.

**8.11.2** The Association shall be responsible for the cost of any deductible if the damage or loss occurs to any item owned by the Association, or for any property damage which is based upon an occurrence located in an area for which the Association is responsible to maintain.

**8.11.3** The foregoing notwithstanding, if the damage or loss is caused by the negligence or misconduct of any Owner, or resident, guest, tenant or invitee of an Owner, the responsible Owner shall be liable for the cost of the deductible.

**8.12 Owner Notification of Insurance.** In accordance with California Civil Code Section 1365, or any amendment thereto, the Association shall, upon issuance or renewal of insurance, but no less than annually, notify the Owners as to the amount and type of insurance carried by the Association. notice shall include a statement regarding whether the Association is or is not insured to the levels specified by California Civil Code Section 1365.9, or any amendment thereto, and that if not so insured, Owners may be individually liable for the entire amount of a judgment, and if the Association is insured to the levels specified, then Owners may be individually liable only for their proportional share of assessments levied to pay the amount of any judgment which exceeds the limits of the Association's insurance. The Association shall be required to comply with the provision of this Section to the extent it is required by California Civil Code Section 1365 or any amendment thereto.

## ARTICLE 9 – DAMAGE OR DESTRUCTION

9.1 **Duty to Restore.** A portion of the Development for which insurance carried by the Association is in effect, that is damaged or destroyed, must be repaired or replaced promptly by the Association unless:

9.1.1 The Development is terminated.

9.1.2 Repair or replacement would be illegal under a state statute or municipal ordinance.

9.1.3 Seventy-five percent (75%) of Owners, including each Owner of a Unit or Exclusive Use Common Area that will not be rebuilt, vote not to rebuild.

9.2 **Cost of Repair.** Any cost of repair or replacement in excess of insurance proceeds and reserves shall be a common expense, levied against Condominiums in the same proportion as regular assessments are levied.

9.3 **Repair Plans.** The Development must be repaired and restored in accordance with either (a) the original plans and specifications, updated as required to reflect applicable building codes, or (b) other plans and specifications which have been approved in writing by the Board and a majority of Owners, and at least fifty-one percent (51%) of Eligible Mortgagees holding Mortgages on Units subject to the repair.

9.4 **Replacement of Less Than Entire Project.**

9.4.1 The insurance proceeds attributable to the damaged Common Area shall be used to restore the damaged area to a condition compatible with the remainder of the Development.

9.4.2 Except to the extent that other persons or entities will be distributees:

(a) The insurance proceeds attributable to a Unit and Exclusive Use Common Area that are not rebuilt must be distributed to the Owner of that Unit and the Owner of the Unit to which the Exclusive Use Common Area is appurtenant, or to lien holders, as their interests may appear.

(b) The remainder of the proceeds must be distributed to each Unit Owner or lien holder, as their interests may appear, in proportion to the interests of all the Units.

(c) If the Owners vote not to rebuild a Unit, the common interest portions of the Unit shall be reallocated among all other Units, and the Association shall prepare, execute and record an amendment to the Declaration reflecting the reallocations.

9.5 **Minor Repair.** The Board shall have the duty to repair and reconstruct all Common Areas without the consent of Members and regardless of the amount of available insurance proceeds, in all cases of partial destruction when the estimated cost of repair and reconstruction does not exceed Twenty-Five Thousand Dollars (\$25,000.00). In the case of damage to Common Areas which does not exceed Twenty-Five Thousand Dollars (\$25,000.00), all Units shall be assessed for an equal portion of any uninsured expense, if necessary. The Board may waive this absolute duty to repair by a unanimous vote,

which shall be duly noted in the minutes of the meeting at which the vote was taken, and shall be communicated to Owners.

9.6 **Insurance Proceeds.** An insurance trustee appointed by the Board or insurance company, or if there is no trustee, then the Board, acting by the President, shall hold any insurance proceeds in trust for the Association, Owners and lien holders as their interests may appear. Subject to the provisions of this Restated Declaration, the proceeds shall be disbursed first for the repair or restoration of the damaged property. The Association, Owners and lien holders are not entitled to receive payment of any portion of the proceeds unless there is a surplus after the Development has been completely repaired or restored, or unless the Development is terminated.

9.7 **Disbursements to Owners and Mortgagees.** Any insurance proceeds distributed to Owners and Mortgagees shall be distributed proportionately according to the fair market values of the Units at the time of the destruction as determined by an independent appraisal. That appraisal shall be performed by an independent appraiser who shall be selected by the Board and who shall be a member of, and apply the standards of, a nationally recognized appraiser organization.

9.8 **Certificates by Board.** The trustee, if any, may rely on the following certifications in writing made by the Board:

9.8.1 Whether or not damaged or destroyed property is to be repaired or restored.

9.8.2 The amount or amounts to be paid for repairs or restoration and the names and addresses of the parties to whom such amounts are to be paid.

9.9 **Certificates by Attorneys or Title Insurance Companies.** If payments are to be made to Owners or Mortgagees, then the Board and the trustee, if any, shall obtain and may rely on a title insurance company's or attorney's title certificate or a title insurance policy based on a search of the Official Records of the County Recorder, stating the names of the Owners and the mortgagees.

#### ARTICLE 10 – EMINENT DOMAIN

10.1 **Representation by Association.** The Association shall represent the Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Area(s), or any part thereof. In furtherance of this purpose, each Owner, by acceptance of a deed or assignment or similar conveyance to his Condominium, irrevocably appoints the Association as his attorney-in-fact to represent the Owners in any such condemnation proceeding(s). In the event of a taking or acquisition of part or all of the Common Area(s) by a condemning authority, the award or proceeds of settlement, less any fees or costs incurred in collection thereof, shall be payable to the Association, or any trustee appointed by the Association, for the use and benefit of the Owners and their Mortgagees as their interests may appear.

10.2 **Common Area Taking.** In the event of a taking by eminent domain of any part of the Common Area, the Association shall participate in the negotiations, and shall propose the method of division of the proceeds of condemnation, where Condominiums are not valued separately by the condemning authority or by the court. Proceeds of condemnation, less any costs and fees incurred in collection thereof, shall be distributed among Owners of Condominiums and their respective Mortgagees according to the relative values of the Condominiums affected by the condemnation.

10.3 **Condominium Unit Taking.** In the event of an award for the taking of any Condominium in the Development by eminent domain, the Owner of such Condominium shall be entitled to receive the award for such taking, less any fees and costs incurred in collecting such amount and only up to the fair market value of his Condominium, and after acceptance thereof he and the Mortgagee shall be divested of all interest in the Development if such Owner shall vacate his Condominium as a result of such taking.

10.3.1 The remaining Owners shall decide by majority vote whether to rebuild or repair the Development, or take other action. The remaining portion of the Development shall be resurveyed, if necessary, and the Declaration shall be amended to reflect such taking and to readjust proportionately the percentages of undivided interest of the remaining Owners in the Development based on the number of Units remaining in the Development.

10.4 **Substantial Taking.** If there is a substantial taking of the Development (more than fifty percent (50%)), the Owners may terminate the legal status of the Development and, if necessary, bring a partition action under California Civil Code Section 1359 or any amendment thereto, on the election to terminate by fifty-one percent (51%) of the total voting power of the Association. The proceeds from the partition sale, less any costs or fees incurred in collection thereof, shall be distributed to the Owners and their respective Mortgagees in proportion to the fair market values of the Condominiums.

#### ARTICLE 11 – RIGHTS OF MORTGAGEES

11.1 **General.** No breach of any of the covenants, conditions and restrictions herein contained, nor the enforcement of any lien provisions herein, shall render invalid the lien of any first Mortgagee on any Unit made in good faith and for value, but all of said covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is derived through foreclosure or trustee's sale, or otherwise.

11.2 **No Right of First Refusal.** This Restated Declaration neither contains nor shall be amended to contain any provision creating a "right of first refusal" to the Association before a Unit can be sold. Should any such rights nevertheless be created in the future, such rights shall not impair the rights of any First Mortgagee to: (a) foreclose or take title to a Unit pursuant to the remedies provided in the mortgage, (b) accept a deed or assignment in lieu of foreclosure in the event of a default by a mortgagor, or (c) sell or lease a Unit acquired by the Mortgagee.

11.3 **Unpaid Dues or Charges.** Except as otherwise provided by statute, where the Mortgagee of a first Mortgage of record or other purchaser of a Unit obtains title to the same pursuant to the remedies in the Mortgage or as a result of foreclosure, such acquirer of title, his successors and assigns, shall not be liable for the share of the common expenses or assessments made by the Association chargeable to such Unit which became due prior to the acquisition of title to such Unit by such acquirer.

11.4 **Action Requiring Eligible Mortgagee Approval.** Except as provided by statute in case of condemnation or substantial loss to the Condominiums and Common Area, unless at least fifty-one percent (51%) of the Eligible Mortgagees (based upon one (1) vote for each mortgage owned) have given their prior written approval (as defined in Section 13.3), the Association and/or the Owners shall not be entitled to:

11.4.1 By act or omission seek to abandon, or terminate the Development as a condominium development (except for abandonment or termination provided by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain).

11.4.2 Change the pro rata interest or obligations of any individual Condominium for the purpose of (i) levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards, or (ii) determining the pro rata share of Ownership of each Condominium in the Common Area, provided that no Owner's undivided interest in the Common Area may be changed without the consent of that Owner.

11.4.3 Partition or subdivide any Condominium.

11.4.4 By act or omission seek to abandon, partition, or subdivide the Common Area, or any property owned, directly or indirectly, by the Association (the granting of easements for public utilities or other public purposes consistent with the intended use of the Common Area by the Association is not a transfer in the meaning of this clause).

11.4.5 Use hazard insurance proceeds for losses to any of the Development (whether to Condominiums or to Common Area) for other than the repair, replacement or reconstruction of such property.

11.5 **Payment of Taxes and Insurance.** First Mortgagees may, jointly or singularly, pay taxes or other charges which are in default and which may or have become a charge against the Common Area property and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such Common Area property. First Mortgagees making such payments shall be owed immediate reimbursement from the Association.

11.6 **Priority of Proceeds or Award Distribution.** Any other provision herein contained to the contrary notwithstanding, no provision of the Governing Documents shall give an Owner, or any other party, priority over any rights of the First Mortgagee pursuant to its Mortgage in the case of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

11.7 **Notification of Mortgagee.** Upon written request to the Association, identifying the name and address of the holder, insurer or guarantor and the Unit number or address, any Eligible Mortgagee will be entitled to timely written notice of:

11.7.1 Any condemnation loss or any casualty loss which affects a material portion of the Development or the Unit insured or guaranteed by such Eligible Mortgagee;

11.7.2 Any default in the performance by an Owner of any obligation under the Governing Documents not cured within sixty (60) days;

11.7.3 Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and

11.7.4 Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees as required by the Governing Documents.

11.8 **Inspection of Documents, Books and Records.** The Association shall make available to Eligible Mortgage Holders, current copies of the Governing Documents and the accounting books, records and financial statements of the Association. "Available" means available for inspection, upon request, during normal business hours or under other reasonable circumstances and upon payment of Association's costs and expenses.

11.9 **Loan to Facilitate.** Any First Mortgage given to secure a loan to facilitate the resale of a Unit after acquisition by foreclosure or by a deed-in-lieu of foreclosure or by an assignment-in-lieu of foreclosure shall be deemed to be a loan made in good faith and for value and entitled to all of the rights and protections of this Article.

11.10 **Mortgagees Furnishing Information.** Any Mortgagee can furnish information to the Board concerning the status of any Mortgage.

11.11 **Financial Statement.** Any First Mortgagee shall be entitled, on written request therefor, to have the Association provide an audited financial statement for the immediately preceding fiscal year, which statement shall be furnished within a reasonable time following such request.

11.12 **Termination Without Substantial Destruction.** Except as provided by statute or by other provision of the Governing Documents in case of substantial destruction or condemnation of the Development, the consent of at least sixty-seven percent (67%) of Owners and the approval of fifty-one percent (51%) of Eligible Mortgagees shall be required to terminate the Development; provided that if

termination is for reasons other than substantial destruction or condemnation, the agreement of sixty-seven percent (67%) of Eligible Mortgagees is required.

#### ARTICLE 12 – ENFORCEMENT

12.1 **Right to Enforce.** The Association or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the Governing Documents. Each Owner of a Condominium shall have a right of action against the Association or any Owner for failure to comply with the provisions of the Governing Documents.

12.2 **Nuisance.** The result of every act or omission, whereby any provision, condition, restriction, covenant, easement, or reservation contained in the Governing Documents is violated in whole or in part, is declared to be and constitute a nuisance, and every remedy allowed by law or equity against a nuisance, either public or private, shall be applicable against every such result and may be exercised by any Owner and the Association. Each remedy provided herein shall be cumulative and not exclusive.

12.3 **Failure to Enforce.** Failure by the Association or any Owner to enforce any provisions of the Governing Documents shall in no event be deemed a waiver of the right to do so thereafter.

12.4 **Violation of Law.** Any violation of any state, municipal or local law, ordinance or regulation pertaining to the Ownership, occupation or use of any Condominium within the Development is declared to be a violation of the Governing Documents and subject to any or all of the enforcement procedures herein set forth.

12.5 **Compliance with Statute.** All activities to enforce the provisions of the governing documents shall be conducted in accordance with all applicable laws, statutes and ordinances. This Section shall apply to both the Association and to all Owners.

#### ARTICLE 13 – AMENDMENTS

13.1 **Owner Approval of Amendments.** This Restated Declaration may be amended by the vote or written consent of an affirmative vote of at least fifty percent (50%) plus one vote of all Owners. Notwithstanding any contrary provision in this Section, the percentage of the voting power necessary to amend a specific clause or provision of this Restated Declaration shall not be less than the percentage of affirmative votes prescribed for action to be taken under that specific clause or provision.

13.1.1 An amendment becomes effective after (a) the approval of the required percentage of Owners has been given, (b) that fact has been certified in the form of a written document executed and acknowledged by an officer designated by the Association for that purpose or, if no such designation is made, by the President of the Association and (c) the document has been recorded in Riverside County.

13.2 **Eligible Mortgagee Approval.** Except as provided by statute or by other provision of the Governing Documents in case of substantial destruction or condemnation of the Development, the approval of fifty-one percent (51%) of Eligible Mortgagees shall be required to add or amend any material provisions of this Restated Declaration which establish, provide for, govern or regulate:

13.2.1 Assessments, assessment liens or subordination of such liens.

13.2.2 Reserves for maintenance, repair and replacement of the Common Area.

13.2.3 Insurance or fidelity bonds.

13.2.4 Rights to use the Common Area.

13.2.7 Leasing of Units.

13.2.8 Imposition of any rights of first refusal or similar restriction on the right of an Owner to sell, transfer or otherwise convey his Condominium.

13.3 **Eligible Mortgagee Approval Response Time.** An Eligible Mortgagee who receives a written request to approve additions or amendments by certified or registered mail, return receipt requested, addressed to the address provided by such Eligible Mortgagee, who does not deliver or post to the requesting party a negative response within thirty (30) days after the notice of the proposed addition or amendment, shall be deemed to have approved such request.

#### ARTICLE 14 – GENERAL PROVISIONS

14.1 **Term.** The provisions of this Restated Declaration shall continue in effect for a term of fifty (50) years from the date of execution. Thereafter, it shall be automatically extended for successive periods of ten (10) years, until the membership of the Association decides to terminate it.

14.2 **Nonwaiver of Remedies.** Each remedy provided for in this Restated Declaration is separate, distinct, and nonexclusive. Failure to exercise a particular remedy shall not be construed as a waiver of the remedy.

14.3 **Severability.** The provisions of this Restated Declaration shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one (1) provision shall not affect the validity or enforceability of any other provision.

14.4 **Binding.** This Restated Declaration, as well as any amendment thereto and any valid action or directive made pursuant to it, shall be binding on the Owners and their heirs, grantees, tenants, successors, and assigns.

14.5 **Interpretation.** The provisions of this Restated Declaration shall be liberally construed and interpreted to effectuate its purpose of creating a uniform plan for the development and operation of a condominium development. Failure to enforce any provision of this Restated Declaration shall not constitute a waiver of the right to enforce that provision or any other provision of this Restated Declaration.

14.6 **Limitation of Liability.** The liability of any Owner for performance of any of the provisions of this Restated Declaration shall terminate upon sale, transfer, assignment, or other divestment of the Owner's entire interest in his Unit with respect to obligations arising from and after the date of the divestment.

14.7 **Fair Housing.** Neither Association nor any Owner shall, either directly or indirectly, forbid the conveyance, encumbrance, renting, leasing, or occupancy of the Owner's Unit to any person on the basis of race, color, sex, sexual orientation, religion, ancestry, national origin, age, marital status or physical handicap.

14.9 **Attorneys' Fees.** In the event an attorney is engaged by the Board to enforce the Governing Documents, the Association shall be entitled to recover from the adverse party to the controversy its actual attorneys' fees and costs so incurred. In the event litigation and/or Alternative Dispute Resolution is commenced to enforce the Governing Documents, the prevailing party shall be entitled to its attorneys' fees and costs. Said costs and attorneys' fees shall constitute a lien on the Unit

## EXHIBIT A – ALLOCATION OF MAINTENANCE RESPONSIBILITIES

Notwithstanding any allocation of maintenance responsibilities contained in this Exhibit A, the express provisions under the Restated Declaration, or under California law, the following general principles shall apply in determining the maintenance responsibilities between the Association and the Owner:

1. **Exterior Residential Building Maintenance.** Any maintenance responsibility by Association for the buildings where the Units are located shall be limited to the exterior surface of such buildings, as well as the roof system, unless otherwise indicated in Exhibit A, and shall not include the maintenance, repair, or replacement (including any mold remediation) of any interior walls, party walls, or of any structural elements within the Units. As such, each and every Owner shall be responsible to maintain his interior walls, as well as any structural elements within the residential building which relate to the Owner's Unit.
2. **Exterior Stucco and Exterior Paint of Unit.** Association shall be responsible for the repair and/or replacement of the exterior stucco and exterior paint of each residential building in accordance with a regular maintenance schedule as recommended by consultants and experts, and shall provide maintenance for such areas on the basis of regular wear-and-tear unless immediate painting or repair is necessary to prevent water intrusion or other resulting damage. Any Owner who wishes to facilitate painting and/or repair of the building stucco outside the Association's regular maintenance schedule may do so, subject to the Architectural Guidelines, obtaining Board or Architectural Committee approval, and at Owner's sole cost and expense.
3. **Owner-Installed Improvements.** Any Owner-installed improvement, wherever located, shall be the maintenance and repair responsibility of the Owner, and not that of the Association. If such Owner-installed improvement impacts or changes any portion of the Association maintenance area, the Association shall have the right to bring such Association maintenance area into conformity with the other Association maintenance areas and charge Owner for any related costs to do so as a reimbursement assessment. Any Owner-installed improvement which impacts the exterior of the Unit, e.g. increasing the square footage of the Unit, shall be the maintenance responsibility of the Owner, unless otherwise agreed to in writing by the Association.
4. **Interior Elements.** As to any damage caused by, or repair to or replacement of components contained within the walls, ceiling, or flooring of the unit, the Association will repair ONLY the drywall of the wall, drywall of the ceiling, or concrete flooring. All other interior items are the responsibility of the owner. This provision is applicable to any components of gas, electric, water, and/or sewer lines. Additionally, the single air conditioner condensate line that services all the units within the wall will be serviced, repaired or replaced by the Association but all other condensate lines are the responsibility of the unit owner.
5. **Parking Plan.** The Assigned Parking spaces provided for in Article 3, Section 3.5.9 and as contained within the deed to each Unit, are depicted on Exhibit "C", which consists of two pages. Page 1 depicts the numbered garage spaces in Building 8 and Page 2 depicts the numbered garage spaces in Building 6. These numbered spaces correspond to the Assigned Parking spaces provided for herein and in the individual deeds to each Unit. All other spaces are unassigned, and subject to the Board's discretion for usage thereof.
