

THE CANYON

Welcome to The Canyon -- serene country club living designed for young-at-heart seniors.

Our private, gated community offers a unique combination of scenic beauty, recreational amenities and central location that's as affordable as it is enjoyable.

In addition to spectacular mountain vistas, our park-like setting, lake and landscaped streets, The Canyon features an expansive clubhouse with all the facilities you'd hope for, plus two heated pools, a therapeutic pool, sun deck and lighted tennis courts. All surrounded by golf courses, shopping, dining and other services.

We invite you to tour our community, and to visit with residents who may soon be your friends and neighbors.
