ADVISORY REGARDING COMPLETING DOCUMENTS ELECTRONICALLY

Property Address: 540 Via Colinas, Thousand Oaks, CA 91362

PLEASE READ THE FOLLOWING IMPORTANT INFORMATION REGARDING SIGNING DOCUMENTS ELECTRONICALLY.

During a real estate listing, real estate sale transaction or a rental/lease you may be asked to sign various documents electronically if you are willing to use that method. Because of the nature of the electronic documents it is possible to skip from one signature line to the next, making it easy to ignore the language of the paragraph(s) to which the signatures or initials apply. Because of this feature of electronic signatures, it is important that you read and understand the following recommendations:

- 1. PLEASE READ EACH DOCUMENT:** It is important that you read and understand each transaction document prior to initialing any paragraphs or signing the document where indicated. You should take the time to thoroughly read through each document and make sure that you understand what you are signing, just as you should do if you were signing paper versions of these documents. You may have to scroll up or down to read a whole page.
- 2. TAKE YOUR TIME:** There may be a temptation to just skip from one place indicated for your signature to the next. This is easy to do when signing documents in an electronic format. However, it is essential that you **TAKE YOUR TIME**. Review the entire document before initialing or signing.
- 3. OPTIONAL SIGNATURE OR INITIALS:** If there is an indication that a signature or initial is optional, such as for Liquidated Damages or Arbitration paragraphs, take your time to consider whether you want to sign/initial that paragraph so as to make it part of the contract.
- 4. MORE THAN ONE SIGNER:** If more than one person is required to sign the documents, it is essential that each party separately affix their signatures where indicated on each document.
- 5. PRINT A COPY:** Before sending the documents after signature, print a copy; because once you send the documents they are gone, making it difficult to obtain a copy of what you signed.
- 6. QUESTIONS OR CONCERNS:** If you have any questions or concerns, it is important that you call or email your real estate professional or if you need legal, tax, or insurance advice, be certain to consult the appropriate professional(s).

I acknowledge receipt and I have carefully read this advisory.

TRUST ADVISORY
For Properties Being Sold by the Trustee of a Trust
(C.A.R. Form TA, Revised 12/21)

Property Address: 540 Via Colinas, Thousand Oaks, CA 91362 ("Property").

Property is being held in a revocable or irrevocable trust for the benefit of those persons or entities named as beneficiaries in the trust. For the purpose of the sale of Property, the trustee of the trust is treated as the Seller. Even if Seller is exempt from some obligations, Seller must still comply with many others. This Advisory is intended to inform Buyer and Seller of their rights and obligations independent of those established by the contract between them. **If Property is placed in a trust, any trustee must complete a TDS and other disclosures that would be required of other owners if: (i) any such trustee is a natural person AND (ii) the trust is a revocable trust, AND (iii) the trustee either is the former owner of Property or was an occupant in possession of Property within the preceding year. The disclosures are required of any trustee who meets the above requirements even if other trustees do not.**

1. SELLER MUST COMPLY WITH THE FOLLOWING:

- A. Known Material Fact Disclosures:** Seller is obligated to disclose known material facts affecting the value and desirability of the Property even if the specific Real Estate Transfer Disclosure Statement Form is not required to be completed.
- B. Hazard Zones:** Seller is not exempt from applicable statutory obligations to disclose earthquake fault zones, seismic hazard zones, state fire responsibility areas, very high fire hazard severity zones, special flood hazard areas and flood hazard zones pursuant to the Public Resources Code, Government Code and United States.
- C. Smoke Detectors:** The sale is not exempt from the State requirements that, for single family residences, operable smoke detectors be in place. It is negotiable between Buyer and Seller who is to pay for the cost of compliance.
- D. Water Heaters:** The sale is not exempt from the State requirement that water heaters be properly anchored, braced or strapped and that Seller provide a written statement of compliance to Buyer.
- E. Lead-based Paint:** The Seller is not exempt from the federal obligation to: **(i)** disclose known lead-based paint and lead-based paint hazards; **(ii)** provide Buyer copies of reports or studies covering lead-based paint and hazards on the Property; **(iii)** provide Buyer with the pamphlet "Protect Your Family From Lead In Your Home;" and **(iv)** give Buyer a 10-day opportunity to inspect for lead-based paint and hazards, if the Property contains residential dwelling units and was constructed prior to 1978.
- F. Carbon Monoxide Devices:** The sale is not exempt from the State requirement that on or before July 1, 2011, for all existing single family dwelling units, and on or before January 1, 2013, for all other existing dwelling units, the owner must install a carbon monoxide device approved and listed by the State Fire Marshall in the dwelling unit if the dwelling unit has a fossil fuel burning heater or appliance, fireplace, or an attached garage.
- G. Water Conserving Plumbing Fixtures:** The Sale is not exempt from the State requirement that **(i) single family residences built before January 1, 1994 be equipped with water conserving plumbing fixtures by January 1, 2017 and multi-family and commercial properties be equipped with water conserving plumbing fixtures by January 1, 2019; (ii) Sellers disclose to Buyers the requirements of the law; and (iii) sellers disclose to Buyers whether the Property contains any non-compliant plumbing fixtures. See C.A.R. Form WCMD for further information.**
- H. Tax Withholding:** The sale is not exempt from providing information pertaining to the withholding obligation under either the federal "FIRPTA" or the California withholding requirements upon the sale of real property. **Federal:** For federal purposes, a non-resident alien includes a fiduciary. A trustee is treated as a non-resident even if all beneficiaries are citizens or residents of the United States. State: The trust may be exempt from withholding (but not the completion of the real estate withholding certificate) if: **(i)** the trust was revocable prior to the decedent's death; **(ii)** the Property was last used as the decedent's principal residence; and **(iii)** the trustee is electing to treat the trust as part of the decedent's estate under IRC § 645 (see Instructions for FTB Form 593-C).
- I. Megan's Law Database Disclosure:** The sale is not exempt from the requirement that residential sales contracts contain the following notice regarding the availability of information about registered sex offenders: "Notice: Pursuant to § 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via an Internet Web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the community of residence and ZIP Code in which he or she resides." (Neither Seller nor Brokers are required to check this website. If Buyer wants further information, Broker recommends that Buyer obtain information from this website during Buyer's inspection contingency period. Brokers do not have expertise in this area.)

2. SELLER MAY BE EXEMPT FROM THE FOLLOWING:

A. (i) Disclosure Statements: Seller, unless specified in 2A(ii), does not have to complete, sign and provide Buyer with a Real Estate Transfer Disclosure Statement or Natural Hazard Disclosure Statement (C.A.R Forms TDS and NHD). Seller remains obligated to make the disclosures and comply with the items specified in Paragraph 1.

(ii) If Property has been placed in a trust, the trustee(s) of the trust is considered the Seller for the purpose of complying with disclosure laws. Seller must complete, sign and provide Buyer with a TDS if (1) the Seller is a natural person, AND (2) the trust is a revocable trust, AND (3) the trustee is either a former owner of the Property or was an occupant in possession of the Property within the preceding year.

B. Other Exemptions: Unless paragraph 2A(ii) applies, Seller is exempt from providing Buyer with a Mello-Roos district lien disclosure, an Improvement Bond Act of 1915 notice, a Supplemental Property Tax notice, a Notice of Private Transfer Fee pursuant to California Civil Code § 1102 et seq. and completing and providing either a Homeowner's or Commercial Property Owners Guide to Earthquake Safety, including any corresponding form.

C. Exempt Seller Disclosures: Even exempt Sellers have statutory or contractual obligations to make certain disclosures and may, or are required by contract to, use an Exempt Seller Disclosure (C.A.R. Form ESD) and is strongly encouraged to do so.

3. OTHER CONSIDERATIONS:

A. Local Law: Local law may impose obligations on the transfer of real property (such as the installation of low flow toilets or shower heads, emergency gas shut-off valves or installation of smoke detectors). Local law should be consulted to determine if sales by a trustee of a trust are exempt from such requirements.

B. Death: If the Property is being sold because of the death of an occupant of the Property, and if Buyer has concerns about the manner, location or details of the death, then Buyer should direct any specific questions to Seller.

4. BROKERS:

A. Inspection: The sale is not exempt from the Broker's obligation to conduct a reasonably competent and diligent visual inspection of the accessible areas of the Property and disclose to Buyer material facts revealed by such an inspection in the sale of residential property containing one-to-four dwelling units. Brokers may do so on C.A.R. Form AVID.

B. Agency: The sale is not exempt from the obligation to provide agency relationship disclosure and confirmation forms in the sale of residential property containing one-to-four dwelling units, commercial Property and vacant land.

By signing below, the undersigned acknowledge that each has read, understands and has received a copy of this Trust Advisory.

DISCLOSURE INFORMATION ADVISORY
(FOR SELLERS)
 (C.A.R. Form DIA, Revised 6/23)

1. **INTRODUCTION:** All sellers in California are required to provide various disclosures in real property transactions. Among the disclosure requirements, sellers have an affirmative duty to disclose to buyers all material conditions, defects and/or issues known to them that might impact the value or desirability of the Property. Failing to provide those disclosures may lead to a claim or a lawsuit against you which can be very costly and time consuming. As a seller, you may be required to fill out one or more of the following: Real Estate Transfer Disclosure Statement ("TDS"); Seller Property Questionnaire ("SPQ"); Exempt Seller Disclosure ("ESD"). (Collectively, or individually, "Disclosure Forms"). Please read this document carefully and, if you have any questions, ask your broker or appropriate legal or tax advisor for help.
2. **PREPARING TO COMPLETE YOUR DISCLOSURE OBLIGATIONS:**
 - A. Read and carefully review all questions in the Disclosure Form(s) to make sure that you understand the full extent of the information that is being requested in each question.
 - B. While a seller does not have the duty to investigate or discover unknown issues, you may have been given disclosures either from the previous owner at the time of purchase or from a previous buyer who cancelled. Information about the Property may have been revealed if you may have posted or recorded information and material facts about the Property online (social media, blogs, personal websites, Facebook, advertisements, etc.) or received documents or correspondence from an Homeowners' Association ("HOA").
 - C. Use any known and available documentation to refresh your memory of past and current issues, condition and/or problems and then provide a copy of that paperwork with your fully completed Disclosure Forms. A seller does not have to find lost documents or to speculate about what was in the documents that they cannot remember, but if the documents are known and available to you, they should be used to assist you in completing the Disclosures forms.
 - D. Allow plenty of time to fully complete the Disclosure Forms.
 - E. Your knowledge may be based upon what you have been told orally (e.g., in a conversation with a neighbor) or received in writing (such as a repair estimate, report, invoice, an appraisal, or sources as informal as neighborhood or HOA newsletters). Keep in mind that if a neighbor told you something, they are likely to tell the new owner the same information after the transaction.
 - F. If you are unsure about whether something is important enough to be disclosed, you should probably disclose it. If you don't want to disclose a piece of information about the Property, think about your reasoning for why you do not want to disclose this information. If the answer is because you think a buyer will not want to buy the Property or will want to purchase at a lower price, that is exactly the reason why the fact ought to be disclosed; it materially affects the value or desirability of the Property.
3. **INSTRUCTIONS FOR COMPLETING ALL DISCLOSURE FORMS:**
 - A. **DO NOT** leave any questions blank or unanswered unless the section is not applicable. Answer all questions and provide all documents, information and explanations to every "Yes" response in the blank lines or in an addendum to the Disclosure Form.
 - B. Many questions on the Disclosure Forms ask if you "are aware" of a particular condition, fact or item. If you do not know the answer to any question, then you are "not aware" and should answer that question "No."
 - C. The Disclosure Forms are designed to get sellers to provide buyers with as much information as possible, and thus many of the questions on these forms may list multiple issues, conditions or problems and/or have subparts. It is important to address each aspect of each question and provide precise details so that Buyers will understand the "who, what, where, when and how."
 - D. The Disclosure Forms are written using very broad language. You should not limit the information, documents, and/or explanations that you provide Buyers.
 - E. Be specific and provide facts for each response; you should not let subjective beliefs limit, qualify or downplay your disclosures. Avoid words such as "never," "minor," "insignificant," "small" or "infrequent" as these terms may reflect your opinion but that opinion may not be shared by Buyers, professionals or others. Do not speculate as to what you guess the issue is, or assume something is true without actual knowledge. State your disclosures only to the extent of what you actually know.
 - F. Consider all issues, conditions or problems that impact your Property, even those that are not necessarily on your Property but are related to a neighbor's property (such as shared fences, lot-line debates) or exist in the neighborhood (such as noise, smells, disputes with neighbors, or other nuisances).

- G. Even if you have learned to live with an issue, condition or problem, disclose it.
- H. Even if you believe that an issue, condition or problem has been repaired, resolved or stopped, disclose the issue and what has been done, but do not speculate, predict or guarantee the quality or effectiveness of the repair or resolution.
- I. If there is conflicting information, data, and/or documents regarding any issue, condition or problem, disclose and identify everything.
- J. Do not assume that you know the answer to all questions; for example, unless you personally obtained or received copies of permits do not assume that anyone who did work on the Property obtained permits.
- K. If you are relying on written or oral information you received from someone else, even if you disagree with that information or are unsure as to its truth, disclose and identify the source of that information.

4. COMPLETING SPECIFIC TYPES OF DISCLOSURE DOCUMENTS:

REAL ESTATE TRANSFER DISCLOSURE STATEMENT (“TDS”) (Civil Code Section 1102.6)

Section I allows sellers to incorporate and provide reports and disclosures that relate to the information requested in that Disclosure Form. Providing those “Substituted Disclosures” does not eliminate your responsibility to fully and completely disclose all information known by you that is requested in the TDS. **For the TDS to be complete, one of the three boxes provided in Section I must be checked. If no Substituted Disclosures are being provided, Seller should check the box that indicates “No substituted disclosures for this transfer.”**

Section II A asks you to check a series of boxes to indicate what appliances, fixtures and other items exist on the property and asks whether any of those existing items are “not in operating condition”, a term which is not defined. Consider whether the checked appliances, fixtures and items fully function as if they were new and if not, disclose any issues, limitations or problems. The TDS is not a contract and it does not control which items must remain with the property after close of escrow; the purchase agreement determines which items must remain. However, you should be careful not to represent an amenity that the property does not have, so do not assume that feature is there (*i.e.* sewer or central air conditioning), and only check the box if you know it is a part of the property.

Section II B asks if you are aware of any significant defects/malfunctions in certain identified areas of the property. There is no definition for “significant defects/malfunctions”; do not assume this terminology places any limits on what you need to disclose. If you check any of the boxes, please provide as much information as possible regarding the issues, conditions or problems that you know about the checked areas.

Section II C asks sixteen questions regarding the Property and the surrounding areas. These questions are written very broadly and contain multiple issues, conditions and/or problems. Make sure that you respond as to each issue, condition or problem. If you respond “Yes” to any question, you should provide as much information as possible about the issue. If you are answering any of these questions “No” because you lack familiarity with the Property or the topic of any question, then you can explain the reasons, such as that you have not seen the Property in a long time or at all. This may help the buyers to understand that your “No” answer reflects the lack of awareness of the item, not that you are representing that the problem, condition or issue does not exist.

Question 16 in section II C refers to various code sections which part of a law are concerning construction defects that is widely known as SB 800 or Title 7. This law (Civil Code Sections 895-945.5) applies to residential real property built by a “Builder” and sold for the first time on or after January 1, 2003. If you have any questions about the applicability to the Property of any of the laws referenced in Question 16, or how you should answer this question, your Listing Agent recommends that you consult with a qualified California real estate attorney for advice. Your Listing Agent cannot and will not give you legal advice on these matters.

SELLER PROPERTY QUESTIONNAIRE

The C.A.R. Residential Purchase Agreement requires Sellers to complete an SPQ for any transaction that requires a TDS because the TDS does not include questions regarding everything that sellers need to disclose to buyers. One example of a question not covered in the TDS but that is on the SPQ is whether there has been a death on the Property within the last 3 years (Civil Code Section 1710.2). Another example is the requirement that sellers of single family residences built prior to January 1, 1994 (and other properties built before that date) must disclose if the Property has any noncompliant plumbing fixtures (Civil Code Sections 1101.4 and 1101.5). This includes: 1. Any toilet that uses more than 1.6 GPF; 2. Any showerhead that has a flow capacity of more than 2.5 GPM and 3. Any interior faucet that emits more than 2.2 GPM. The SPQ should be used in conjunction with the TDS to help the seller carry out the obligation to disclose known material facts and defects affecting the value or desirability of the Property. One of the questions on the SPQ (and ESD, see next section) addresses the seller’s obligation to provide to the buyer any relevant documents, including reports, whether past or current, in the seller’s possession.

EXEMPT SELLER DISCLOSURE (“ESD”)

Some sellers of real property may be legally exempt from completing the TDS. For example, probate and bankruptcy court sales and sales by governmental entities are exempt from the obligation to provide a TDS. Some property that is owned by a trust which has trustee(s) acting in the capacity of a seller may also be exempt; but not all trustee(s) are exempt. If a qualified California real estate attorney has advised you that you are exempt from completing the TDS, then you may choose not to complete that form or any supplement to the TDS, but you may still be required to complete the ESD. Being exempt from completing certain Disclosure Forms does not completely eliminate those disclosure obligations that apply to all sellers under federal, state or local laws, ordinances or regulations and/or by contractual agreement with the buyer. The seller is still obligated to disclose all known material facts that may affect the value of the property. Further, the C.A.R. Residential Purchase Agreement requires those sellers who are exempt from the TDS to fill out the ESD. Pay particular attention to the “catch all” question, which asks you to disclose your awareness of any other material facts or defects affecting the property.

5. FINAL RECOMMENDATIONS:

It is important that you fully complete any legally or contractually required Disclosure Forms. To that end, the real estate Broker, and, if different, the real estate licensee, who listed the property for sale (“Listing Broker”) strongly recommend that you consider the following points when completing your Disclosure Forms:

- If you are aware of any planned or possible changes to your neighbor’s property (such as an addition), changes in the neighborhood (such as new construction or road changes) that may affect traffic, views, noise levels or other issues, conditions or problems, disclose those plans or proposed changes even if you are not certain whether the change(s) will ever occur.
- Disclose any lawsuits, whether filed in the past, presently filed or that will be filed regarding the property or the neighborhood (such as an HOA dispute) even if you believe that the case has been resolved. Provide as much detail as possible about any lawsuit, including the name of the case and the County where the case was filed.
- If any disclosure that you have made becomes inadequate, incomplete, inaccurate or changes over time, including right up until the close of escrow, you should update and correct your Disclosure Forms in a timely fashion.
- **If you have any questions about the applicability of any law to the Property, your Listing Broker recommends that you consult with a qualified California real estate attorney for advice. Your Listing Broker cannot and will not tell you if any law is applicable to the Property.**
- **If you need help regarding what to disclose, how to disclose it or what changes need to be made to your Disclosure Forms, the best advice is to consult with a qualified California real estate attorney for advice. Your Listing Broker cannot and will not tell you what to disclose, how to disclose it or what changes need to be made to your answers.**
- While limited exceptions may exist, such as questions that may impact fair housing and discrimination laws, generally speaking, **when in doubt, the best answer to the question: “Do I need to disclose ...?” is almost always “YES, disclose it.”**
