

## SELLER PROPERTY QUESTIONNAIRE

(C.A.R. Form SPQ, Revised 6/18)

This form is not a substitute for the Real Estate Transfer Disclosure Statement (TDS). It is used by the Seller to provide additional information when a TDS is completed. If Seller is exempt from completing a TDS, Seller should complete an Exempt Seller Disclosure (C.A.R. Form ESD) or may use this form instead.

I. Seller makes the following disclosures with regard to the real property or manufactured home described as Assessor's Parcel No. 625-390-022 situated in Palm Desert , County of Riverside California ("Property").

- II. The following are representations made by the Seller and are not the representations of the Agent(s), if any. This disclosure statement is not a warranty of any kind by the Seller or any agents(s) and is not a substitute for any inspections or warranties the principal(s) may wish to obtain. This disclosure is not intended to be part of the contract between Buyer and Seller. Unless otherwise specified in writing, Broker and any real estate licensee or other person working with or through Broker has not verified information provided by Seller. A real estate broker is qualified to advise on real estate transactions. If Seller or Buyer desires legal advice, they should consult an attorney.
- III. Note to Seller: PURPOSE: To tell the Buyer about known material or significant items affecting the value or desirability of the Property and help to eliminate misunderstandings about the condition of the Property.
  - Answer based on actual knowledge and recollection at this time.
  - Something that you do not consider material or significant may be perceived differently by a Buyer.
  - Think about what you would want to know if you were buying the Property today.
  - Read the questions carefully and take your time.
  - If you do not understand how to answer a question, or what to disclose or how to make a disclosure in response to a question, whether on this form or a TDS, you should consult a real estate attorney in California of your choosing. A broker cannot answer the questions for you or advise you on the legal sufficiency of any answers or disclosures you provide.
- IV. Note to Buyer: PURPOSE: To give you more information about known material or significant items affecting the value or desirability of the Property and help to eliminate misunderstandings about the condition of the Property.
  - Something that may be material or significant to you may not be perceived the same way by the Seller.
  - If something is important to you, be sure to put your concerns and questions in writing (C.A.R. form BMI).
  - Sellers can only disclose what they actually know. Seller may not know about all material or significant items.
  - Seller's disclosures are not a substitute for your own investigations, personal judgments or common sense.
