

Greetings New Owners !

www.esprithoa.org

Welcome to the neighborhood and Congratulations on the purchase of your condo!!

On behalf of the Esprit Homeowners Association Board of Directors, and the homeowners of Esprit, Palm Springs, we would like to welcome you to your new home and our community. Over the coming months we look forward to meeting you whether it be walking in our complex, at the pool or on the courts.

The operation of our Homeowner's Association is governed by a board of volunteer directors. The Board of Directors is elected by the community to work with management to oversee the daily functions and financial responsibilities of the Association. The Board is also responsible for maintaining members' compliance with the established covenants and bylaws ("CCR's") of the Association. The CCR's govern what can and cannot be done with your property and rules and regulations pertaining to the community. Please take the time to read through the CCRs you received during the home purchase process. Copies are also available on our community website: www.esprithoa.org

Maryellen Hill & Associates is our contracted property management company. They can be reached at : 760-320-5033. Our community Manager is Cindy Anderson, ext 225. Email: canderson@mehill.com. Management should be contacted for any service issues within the community, including complaints regarding specific CCR violations as well as any questions.

As a new homeowner, you may already have some ideas on how you'd like to improve your property. Please keep in mind, the Association has an Architectural Review Committee to help maintain the quality of our neighborhood. Its function is to evaluate plans for all exterior landscaping, repairs and/or remodeling (including: painting, patios/decks, satellite dishes, antennas, fencing, landscaping, exterior lighting, trees, bushes, plants, second story hard surfaces, replacements roofs, etc) to ensure compliance with all CCRs. The purpose of this review is to protect our scenic environment and maintain the value of our homes. All modifications to the exterior of your property (and some interior), must be submitted to the Architectural Committee for approval before any work begins. If the work is started without prior approval, the homeowner risks being cited for a covenant violation and may be required to alter or remove the changes at significant cost.

Please visit our website: www.esprithoa.org for answers to questions many new homeowners have and forms that will help you get off to a smooth start. Membership to website is required to access hidden documents. Please follow instructions on the website to gain access.

Again, welcome to Esprit Palm Springs! We look forward to you falling in love with this community as much as we have. We know you'll find our neighborhood is a great place to live and we hope you enjoy our complex.

INTRODUCTION

Homeowners, their families, guests and tenants shall observe, respect and follow all the Rules and Regulations set forth by the Esprit Palm Springs Homeowners Association (HOA). These policies have been adopted by the Board of Directors as a supplement to the Declaration of Covenants, Conditions and Restrictions (CC&Rs), and are in effect at all times. They are set forth in the best interest of the entire community. Homeowners renting their unit are strongly encouraged to post a copy of these Rules and Regulations in a conspicuous place within their unit and to familiarize all guests and tenants of their contents.

GOVERNING DOCUMENTS

Each owner has been provided with a copy of the Covenants, Conditions and Restrictions (CC&Rs), Bylaws, and Articles of Incorporation. These are the governing documents along with the Rules and Regulations, which are periodically modified, amended, and distributed by the Board of Directors. Every homeowner and his or her tenants and guests are held responsible for knowledge of all governing documents, including these Rules and Regulations. In order to maintain responsible behavior and a successful community, these governing documents must be followed at all times. Failure to comply with the governing documents may result in disciplinary action including, but not limited to, the imposition of fines, suspension of voting rights, and/or suspension of the use of the recreational facilities. The Board of Directors will do its best to fairly and equitably interpret the provisions of these documents when questions arise.

GENERAL RULES AND REGULATIONS

Common Areas are all the areas outside of your unit. This includes lawns, landscaping, pools, tennis/pickleball courts, sidewalks, perimeter walls and parking areas. These areas and facilities, maintained by the HOA are for the EXCLUSIVE use of the residents and their guests. Residents are defined as either owners or tenants residing within the complex. Tenants and guests are subject to all of the same Rules and Regulations as are the Homeowners. Owners shall be liable for any breach of the governing documents by their tenants, guests, vendors, and/or invitees ("Guests") including, but not limited to, any Special Individual / Reimbursement Assessment, as well as for any damage to the Common Area caused by said Guests. Discretion and consideration must be used with respect to the number of guests in order to avoid monopolizing the facilities.

Any person(s) who cannot demonstrate that he or she has rightful access to the common areas and facilities may be requested to leave the areas. If such person(s) fails to leave the areas, the local authorities will be summoned to remove the individual(s).

Violations of the Rules and Regulations should be reported in writing, including facsimile transmission and email, to the Association Management Company. The Board of Directors has the right and duty to hold a homeowner liable for damage to the common area property, including equipment and furnishings, because of negligence, carelessness, misuse, or through violation of the rules caused by his/her actions or those of his/her tenants or guests. After required notice has been provided, the Board may levy a reimbursement assessment against an owner to reimburse the Association for costs incurred in repairing any damage to the common area for which the owner was found responsible, including damage due to the conduct of his or her guests, renters and/or family members.

ARCHITECTURAL AND LANDSCAPE

Any homeowner considering an alteration, addition, or modification to the exterior of their residence must obtain prior written approval from the Board of Directors. Request forms can be obtained from the Association Manager, who will record each application and provide the plans, forms and attachments to the Board for its review. Any changes and/or additions must also conform to the City of Palm Springs building codes, ordinances and regulations. It is the obligation of the homeowners to ensure that any required permits have been obtained prior to commencement of construction.

No landscaping of the common areas or exclusive use common areas shall be undertaken by an owner without the prior written approval of the Board of Directors.

Any owner commencing a project without receiving written approval and/or required permits will be subject to disciplinary action in accordance with the Association's Enforcement Procedure and may be ordered to cease and desist; and legal action, if necessary, will be taken as necessary to stop such activity. The homeowner will be held responsible for any costs incurred by the Association in taking such action.
