The person signing for this permit acknowledges that there are NO Oak, Bay or Sycamore Trees with trunks larger than an eight inch (8") diameter within a twenty foot (20 ft.) influence of the proposed construction.

\*\*\* No rooftop equipment will be allowed unless the applicant obtains a separate variance or administrative exception from the Planning Division. Issuance of this permit shall not be construed as an approval to install equipment on the roof without a variance or administrative exception.

\*\*\* Issuance of trade permits, without complete architectural plans, shall not constitute a waiver of any provisions of the building or zoning codes of the City of Glendale. It is soley the responsibilty of the applicant to verify that proposed installations are in compliance with the regulations of all applicable codes or else obtain written approval for any deviation from the

\*\*\* Upon completion of the work authorized by this permit, the permittee shall notify the Building Inspection office of such completion by requesting the Final inspection. Such request can be made by calling (818)548-4836. The permittee is hereby advised that they may be entitled to reimbursement of the permit fees if the city fails to conduct an inspection of the permitted work within 60 days of the request for final inspection.

The City of Glendale restricts issuance of the building permit to the property owner or licensed general contractor only. Signatures of this individual must be verified by personal identification. Any person signing the permit application as agent for the owner or contractor shall have an original letter of authorization at the time of permit issuance.

Applications Shall expire 180 days after the date of submittal unless excepted by sec. 107.4 of the Gleadale Building Code, and thereafter, any documents submitted to the department shall be returned to the applicant or destroyed by the building official. Upon written request from the applicant, the building official may extend the period of permit application.
