

MONTEREY COUNTRY CLUB

Proprietary Membership

At Monterey Country Club, homeowners are Proprietary Members and pay monthly proprietary dues to the Club. Homeowners are those individuals shown on the recorded deed of the home. Should a home be owned by a corporation, LLC or partnership, documentation must be provided to the Club to identify the individuals that proprietary amenities can be extended to.

Proprietary dues are used by the Club for several things including the upkeep of the clubhouse, maintaining the grounds around the sports center and clubhouse, including the pool. They also help ensure that the golf course remains open and the golf course itself remains green.

Proprietary Club Amenities

November 1 – May 31

- A proprietary card is issued to each grantee on the grant deed in high season which will entitle the proprietary member to use the golf courses, tennis, bocce ball and pickleball facilities four (4) times each upon the payment of appropriate guest fees.
