

## **1642 7th Ave. #419 Access Info**

**Lockbox:** Located on the left side of the entrance to the parking garage on 6th Ave, not the 7th Ave entrance.

**Unit:** You will need to obtain the key and fob out of the 6th Ave. lockbox. For ease I recommend entering through the 7th Ave. entrance. There are two different buildings and the floors do not align, very easy to get disoriented.

**Parking:** From the 7th Ave. entrance, take the elevator down to P1. If you want to walk to the storage entrance door, take it down to P2. P2 is where the 6th Ave entrance comes in.

**Storage:** Located inside the 6th ave parking garage entrance, just to the left as the ramp goes down. The owner has not provided a key at this time.

**Gym:** Located in the bottom of the historic house on the corner of Cedar and 7th. Worth visiting, the photos online don't do it justice.

**Tweet St. Park:** Runs along Date St. one block away, worth walking by.
