No Director or Architectural Committee member may participate in the decision-making process of any architectural submittal made by that Director or Architectural Committee member or members of their family. 5.15 Hold Harmless and Indemnify. Approval of plans by the Association signifies only a general conformance with its Architectural Standards and not with Building and Safety Code compliance, lot lines, easements, or construction best practices. The Association and its Architectural Committee, Members, Officers, Directors, employees, and agents shall not be liable and shall be held harmless and indemnified for mistakes in judgment or negligence arising out of or in connection with the Association's approval or disapproval of plans.

No Member shall have the right to divide any Unit; provided, however, that once two or more Units have been combined, the Owner of such combined Units may seek written approval of the Board of Directors to divide the Units and thereby restore them to their original dimensions and footprint.

ARTICLE 6: GENERAL RESTRICTIONS

6.1 Antennas. No antennas for transmitting or receiving radio signals or any other form of electromagnetic radiation may be installed, except as provided in the Association's Rules and Regulations, its Architectural Standards, and applicable law.

6.2 Barbecues. Only propane or electric barbecues in U.L.-approved receptacles designed for such purposes are allowed. Residents shall take reasonable precautions to minimize smoke from entering other Units and use barbecues away from buildings.

6.3 Drones. No person may operate, or cause, allow or authorize the operation of, any drone or other unmanned aircraft guided by remote control or onboard computer in the airspace above any portion of the Development or in such a way as to invade the privacy of Association guests, residents or vendors, whether equipped with a camera or otherwise, unless authorized by the Rules and Regulations of the Association or pursuant to advanced written approval of the Board of Directors on such terms and conditions as the Board may deem appropriate under the circumstances.

6.4 Flammable Materials. Under no circumstances may explosives, fireworks, or highly flammable or highly corrosive materials be stored or used by Members, Tenants, or their respective family, guests, or invitees in parking areas, Common Areas, Exclusive Use Common Areas, or Units.

6.5 Health/Safety Hazards. Members shall not permit conditions which constitute a health, safety, or fire hazard to exist in their Units, Balconies, Patios, storage areas, parking areas, or Exclusive Use Common Areas.

6.6 Spas and Hot Tubs. No spa or hot tub may be installed in any Unit or Exclusive Use Common Area without the written approval of the Board.

6.7 Laundry. No clothesline shall be erected or maintained. No item may be draped over Balcony or Patio walls or railings.

6.8 Nudity. Public displays of nudity are prohibited.

6.9 Nuisance. No Member may cause or permit to be caused anything which constitutes a nuisance.

- a. *Unreasonableness*. To constitute a nuisance, the activity must be such that it causes an unreasonable disturbance or annoyance, be unreasonably injurious to health, be indecent, or be unreasonably detrimental to Persons or property.
- b. *Secondhand Smoke*. Any "exfiltration" (air flow outward through a wall, building envelope, window, etc.) of any noxious odor or smoke, including tobacco smoke, from a Unit, whether through windows, doors, vents, or other means, is prohibited. It is the responsibility of the Member causing such exfiltration of smoke to prevent such exfiltration.
- c. *Allergies*. Residents with allergies or sensitivities must, at their own expense, take precautions to protect themselves against commonplace levels of noise, odors, dust, smoke, gases, pollen, or other environmental pollutants.
- d. *Board Action*. Because a nuisance is largely subjective, the Association is not obligated to become involved in disputes where, in the opinion of the Board, the alleged nuisance causes mere inconvenience or a neighbor-to-neighbor dispute.
- e. *Interference with Vendor/Manager*. Any interference with an Association vendor or managing agent that disrupts the work and function of such persons will constitute a nuisance.

6.10 Obstruction of Common Areas. No Common Area shall be obstructed or used for other than its intended purpose, except as designated by the Board.

6.11 Quiet Enjoyment. No one may engage in any abusive or harassing behavior or any form of intimidation or aggression, whether written, verbal or physical, against other Members, Residents, guests, invitees, members of the Board, or the Association's management, employees, agents, or vendors. Because the breach of quiet enjoyment is largely subjective, the Board may choose to act only against egregious

breaches. In the event the Association chooses not to act on a complaint of breach of quiet enjoyment, or the complaining party believes the Association's action is not sufficient, such party may take legal action to enforce this provision against other Residents, but specifically waives his/her right to take action against the Association and its Officers, Directors, employees, and agents in their handling of the party's complaint.

6.12 Residential Use. No Member shall use or permit his/her Unit or any portion of it to be occupied or used for any purpose other than a private residential dwelling. Home based offices and businesses are permitted provided they are inspected, licensed and approved by the City of Palm Springs and such business do not disturb the quiet enjoyment of others or cause a nuisance.

6.13 Roof Restricted Access. Members and their families, Unit Residents, guests, employees, vendors, and agents are prohibited from entering onto the Association's roofs without the prior written consent of the Board.

6.14 Sale of Unit. Open houses, brokers' caravans and other matters relating to the sale of a Unit shall be provided for in the Rules and Regulations.

6.15 Satellite Dishes. Satellite dishes may only be installed as provided for in the Rules and Regulations, Architectural Standards, and applicable law.

6.16 Signs. Noncommercial signs, posters, flags, or banners may be displayed on or from a Lot. Such displays shall not cause a hazard or nuisance. Signs and posters may not be more than nine (9) square feet and flags and banners may not be more than fifteen (15) feet in size. A noncommercial sign, poster, flag, or banner may be made of paper, cardboard, cloth, plastic, or fabric, but may not be made of lights, roofing, siding, paving materials, flora, or balloons, or any other similar building, landscaping, or decorative component, or include the painting of architectural surfaces.

6.17 Smoking. Smoking, including any odor-less smoke or vapors, is prohibited at all indoor and outdoor Common Areas, including pool areas.

6.18 Use of Independent Contractors. Members may use independent contractors to perform work in their Unit subject to the Association's Construction Guidelines. Such contractors shall be licensed and insured as required by law. The Association may, but is not required to, and is specifically relieved of any responsibility or liability for policing this provision. Members shall be liable for any injury to persons or damage to the Common Areas, Exclusive Use Common Areas, Units and any personal property caused by the acts or omissions of such Member's contractor. The Association may in its discretion repair, restore or replace such damaged property and may impose a Reimbursement Special Assessment against the liable Member and that Member's Unit for all costs, expenses and attorney fees incurred by the Association in connection with the damage. The Reimbursement Special Assessment may become a lien against the liable Member's Separate Interest enforceable by the sale of the Member's Unit under Civil Code sections 2924, 2924(b), and 2924(c).

6.19 Window Coverings. The color of window coverings, if any, shall be in harmony with the exterior of the structure. No window may be covered by paint, aluminum foil, newspapers, bed sheets, cardboard, blankets, or other similar items.

ARTICLE 7: LEASE AND OWNERSHIP LIMITATIONS

7.1 Lease Requirements. Units may not be used for time-share purposes, hotel-like operations, or other transient purposes. No Member shall lease less than the entire Unit nor shall the lease be for an initial term of less than six (6) months. After the initial term, no Unit may be rented for a period of less than thirty (30) days.

7.2 Ownership Limited to Two Units. Members shall not be on title to any more than two (2) Units. Being "on title" is defined to include the Person or any entity which the Person is a part of, including a company, corporation, partnership, or trust that is on title to the property.

7.3 Governing Documents. Members shall provide their Tenants with copies of all Governing Documents, including, but not limited to, the CC&Rs, Bylaws, and Rules and Regulations, as well as any applicable amendments, and must ensure compliance with all provisions of the Governing Documents.

7.4 Transfer of Common Area Privileges. Any Member residing off-site and whose Unit is occupied by others automatically relinquishes to their Unit's Residents the Member's rights to use the Association's Common Area facilities until the Member re-takes possession of the Unit.

7.5 Transfer of Occupancy. Members living offsite shall promptly provide the Association with the name, address, phone number, and email address of all Unit Residents and any change in occupancy.

7.6 Repair Damage. Members shall be liable for any and all damage to the Units, Common Areas, including Exclusive-Use Common Areas, and any personal property when the cause of such damage originates from that Member's Unit or Exclusive Use Common Area, or which was caused by the acts or omissions of such Member, Member's Tenant, or their respective family, guests, invitees, or pets. The Association may in its discretion repair, restore or replace such damaged property and may impose a Reimbursement Special Assessment against the liable Member and that Member's Unit for all costs, expenses and attorney fees incurred by the Association in connection with the damage. The Reimbursement Special Assessment may become a lien against the liable Member's Separate Interest enforceable by the sale of the Member's Unit under Civil Code sections 2924, 2924(b), and 2924(c).

7.7 Unlawful Detainer. Members who lease their Units shall be responsible for assuring their Tenants comply with the Association's Governing Documents. A Member's failure to take legal action against his/her Tenant who is in violation of the Governing Documents (including the institution of proceedings in unlawful detainer) within ten (10) days after receipt of written demand to do so from the Board shall entitle the Association to institute unlawful detainer proceedings on behalf of such Member and

against the Tenant. Any expense the Association incurs, including attorneys' fees and costs of suit, shall become a Special Assessment against the Unit.

7.8 Assignment of Rents. As security for the payment of Assessments, fines, and other sums owed to the Association, Members who lease their Units hereby pledge their rights as landlords (including the right to receive rent) to the Association. In the event a Member becomes delinquent in payment of Assessments or fines to the Association, the Association may require the Tenant to direct any and all rent payments to it until such deficiencies have been paid in full. Members shall have no right to collect these amounts from Tenants and may not evict Tenants for complying with the Association's demand for rents.

7.9 No Criminal Activity. No Person may reside in any Unit if they engage in criminal activities. For purposes of this section "criminal activities" means drug-related activities (including the illegal manufacture, sale, distribution, use or possession of a controlled substance), gang related activities, unlawful use or discharge of firearms, prostitution, or any misdemeanors or felonies enumerated in the California Penal Code. For purposes of this section "reside" means the use, residency or occupancy of any Unit by any Person for more than five (5) consecutive days or more than ten (10) aggregate days, whether or not consecutive, in any one calendar year. In addition, no Owner of a Unit shall permit, by rental agreement or otherwise, Persons who engage in criminal activities to reside in their Unit.

7.10 Occupancy Restriction. The maximum number of Persons who may reside in any Unit is two (2) Persons per bedroom plus two additional Person for the Unit. For purposes of this restriction, "reside" means the use, residency, or occupancy of any Unit by any Person for more than thirty (30) consecutive days or more than sixty (60) aggregate days, whether or not consecutive, in any one calendar year.

7.11 Grandfathered Occupancy. In Units where the number of Persons residing in the Unit on the date of recordation of these CC&Rs is in violation of these CC&Rs, those Persons residing in excess of the maximum number of Persons permitted may continue to reside in the Unit; provided, however, once the current Residents in excess of the maximum number permitted cease to reside in the Unit, these Persons cannot be replaced. Along with other remedies provided for in these CC&Rs, the Board may impose a water usage surcharge per Person residing in a Unit in violation of the occupancy restriction.

ARTICLE 8: PETS

8.1 Pet Limitation. Usual domesticated dogs, cats, fish, and birds may be kept as household pets. No more than two (2) dogs or two (2) cats or one of each may be kept as household pets. No animal shall be kept, bred, or maintained: (i) for any commercial purpose; (ii) in unreasonable numbers; or (iii) for any purpose that would involve any odor, noise, or other nuisance which would unreasonably disturb the use and enjoyment of any portion of the Development by other Members. The Board may set additional

restrictions, rules, and regulations regarding the quantity, kinds and sizes of pets, and tanks which may be kept and other pet issues.

8.2 Grandfathered Pets. Pets residing at the Association on the date of recordation of these CC&Rs which were not in violation prior to that date, but which are prohibited under these CC&Rs, are permitted; provided, however, those pets are registered with the Association. Residents may keep any such registered pets for as long as the Resident resides in the Development. However, once the Resident has moved from the Development the pet cannot remain in the Development. If the pet has died it may not be replaced, except as provided for in these CC&Rs.

8.3 Service Animals. An animal otherwise prohibited by these CC&Rs, which is kept by a Resident for the purpose of servicing the Resident's disability, may be kept by such Resident provided: (i) the Resident submits appropriate documentation to the Board verifying the existence of a legally-defined disability; (ii) the service animal is properly cared for by the Resident (i.e., kept healthy, clean, and properly groomed and waste material is properly disposed of); and (iii) the animal is not unruly or disruptive (e.g., barking, growling, running loose, displaying aggressive behavior, etc.). All applicable pet rules shall apply to service animals.

8.4 Nuisance. Members shall be liable to the Association and other Members for any damage to Person or property or nuisance noise caused by the pets of such Member, Member's Tenant, or their respective family, guests, or invitees. The Board shall have the right to prohibit any pet which, in its opinion, constitutes a nuisance to other Members pursuant to evidence provided at a noticed hearing.

8.5 Dangerous Animals. No animal may be kept in the Development which the Board has determined to be aggressive or dangerous pursuant to evidence provided at a noticed hearing. Pets that exhibit aggressive or dangerous behavior shall, upon request of the Board, wear a muzzle while in the Common Area until a determination is made by the Board as to whether the pet will be allowed to remain in the Development.

8.6 Prohibited Animals. The following breeds of dogs may not be kept as pets: Pit Bulls, German Shepherds, Malamutes, Chows, Great Danes, Rottweilers, Husky-types, Wolf-dog hybrids, Doberman Pinchers, Akitas, and Jindos. The term Pit Bull refers to any dog that is or is missed with a Bull Terrier, Miniature Bull Terrier, American Pit Bull Terrier, American Staffordshire Terrier, Staffordshire Bull Terrier, or any dog that exhibits physical traits of any one or more of these Pit Bull breeds or any dog exhibiting those distinguishing characteristics which conform to the standards established by the American Kennel Club ("AKC"), United Kennel Club ("UKC"), or American Dog Breeders Association ("ADBA") for any of these Pit Bull breeds. If a dog's breed is unknown or disputed, the Board's determination that the dog exhibits the physical traits or distinguishing characteristics of one of these prohibited breeds which conform to the standards established by AKC, UKC, or ADBA, is sufficient to expel the dog from the Development. A member appealing the Board's decision has the burden to show the dog is not of a prohibited breed. A Member's failure to appeal the Board's decision within thirty (30) days of receiving the Board's determination letter shall be

deemed an acceptance and agreement with the Board's determination. The Association may restrict other categories of animals which are dangerous or have aggressive tendencies, as designated by the insurance industry or a governmental agency.

8.7 Liability. Every Member shall be liable for any injury to Persons or property caused by any pet brought or kept within the Development by the Member, Member's Tenant or their respective family, guests, or invitees.

8.8 Control. No pets shall be allowed in the Common Area, except as may be permitted by the Rules. No dog shall enter the Common Area, except while on a leash which is held by a Person capable of controlling it. The Association may cause any unleashed dog found within the Common Areas to be removed to a pound or animal shelter under the jurisdiction of the city or county in which the Development is located.

ARTICLE 9: VEHICLES AND PARKING

9.1 Management of Parking. The Association shall manage and control the use of all Common Area parking and private streets.

9.2 Restricted Vehicles. Only the following types of vehicles may be parked or stored in parking spaces: automobiles, trucks, motorcycles, and mopeds. Vehicles shall be parked completely within the parking space. No RV, camper, boat, recreational water craft, trailer, or any other similar vehicle is permitted in any portion of the Common Areas or in any parking space. Only permitted vehicles may be stored in parking spaces. Any restricted recreational vehicle may be parked temporarily, not to exceed 24 hours, for purposes of loading or unloading.

9.3 Commercial Vehicles. Commercial vehicles, including pickup trucks 3/4 ton or larger panel trucks, tow trucks, stake bed trucks, tank trucks, dump trucks, step vans, concrete trucks, taxis, buses, vans designed for 10 people or more, vehicles with commercial signage, and the like, are prohibited, except as provided in the Rules and Regulations.

9.4 Proper Operating Condition. All vehicles shall be maintained in proper operating condition, so as not to be a hazard or nuisance by noise, exhaust emissions, or appearance. All vehicles shall carry current registration tags and shall be insured.

9.5 Noise Limitation. All vehicles must be configured so as to provide for their quiet operation.

9.6 Repair of Vehicles. No Member shall construct, repair, or service any vehicle within any portion of the Development. However, to the extent necessary to move a vehicle to a proper repair facility, emergency repairs are permitted.

9.7 Washing of Vehicles. Vehicles may not be washed or detailed in the Development, except as provided for in the Rules and Regulations.

9.8 Fluid Leaks. Members must keep the Common Area free of fluids such as oil, radiator coolant, brake fluid, power steering fluid, etc. Members who fail to do so may be fined or may be subject to a Reimbursement Assessment for the cost of cleaning the affected areas.

9.9 Theft or Damage. The Association shall not be liable for any loss or damage suffered by any Member, Tenant, or guest by reason of theft of or damage to any Vehicle or Vehicle contents, unless caused by the Association's intentional misconduct or gross negligence.

9.10 Impeding Access. No vehicle shall be parked in such a manner as to impede or prevent ready access to any door, gate, entrance, or exit.

9.11 Garages. Garages may not be converted to living quarters or any use other than the storage of vehicles. Garages shall not be sublet. Members are responsible for garage door hardware and for maintaining the doors in proper working order. It is each Owner's sole responsibility to confirm that the garage is accessible for the Owner's vehicle.

ARTICLE 10: ENFORCEMENT OF GOVERNING DOCUMENTS

10.1 Association Enforcement Rights. In addition to any other rights described in these CC&Rs and without waiving the Association's right to institute other enforcement measures, and subject to the notice and hearing provisions in the Bylaws, the Governing Documents may be enforced by any or all of the following, as may be appropriate:

- a. *Monetary Penalties.* The Board may assess reasonable monetary penalties for violations of the Association's Governing Documents by a Member, Member's Tenants or their respective family, Unit Residents, invitees or guests. Such Member shall be liable for all costs of collection, including reasonable attorneys' fees, court costs, and related expenses.
- b. *Suspend Common Area Privileges.* Subject to the notice and hearing provisions set forth in the Bylaws, the Board may temporarily suspend the Common Area privileges of Members, Member's Tenants and their respective family, invitees, and guests for their failure to comply with the Association's Governing Documents. Any such suspension shall be for a period of time not to exceed thirty (30) days for each noncontinuing violation. For continuing violations, the suspension may be imposed for as long as the violation continues.
- c. *Suspend Voting Rights.* Subject to the notice and hearing provisions set forth in the Bylaws, the voting rights of a Member may be suspended for continuing violations of the Governing Documents. Once suspended, a Member's voting rights shall remain suspended until such continuing violation is cured.

- d. *Judicial Enforcement.* A lawsuit for damages and/or injunctive relief may be filed, whether or not the relief sought is for negative or affirmative action.

10.2 Cumulative Remedies. The respective rights and remedies, provided by these CC&Rs, by law, or available in equity, shall be cumulative and the exercise of any one or more of such rights or remedies shall not preclude or affect the exercise, at the same or at different times, of any other such rights or for the same or different failures of the Members or others to perform or observe any provision of these CC&Rs.

10.3 Failure to Enforce Not a Waiver. Failure to enforce the Governing documents, whether by the Board or any Member or other Person entitled to enforce them, shall in no event be deemed a waiver of the right to do so. Waiver or attempted waiver of any provision of these CC&Rs with respect to a given Unit shall not be deemed a waiver as to any other Unit. Additionally, violation of any provision hereof with respect to any Unit or Units shall not affect the applicability or enforceability of any provision of these CC&Rs to any other Unit.

10.4 Remedy at Law Inadequate. In the event remedies at law for violation of the Association's Governing Documents are inadequate, then equitable and injunctive relief may be sought and awarded.

10.5 Right of Action Against Buyer. Failure by a Member to correct Unit violations prior to the transfer of title to the Unit shall give the Association the right to enforce compliance against the buyer.

10.6 Right to Request Identification. All Persons using the Association's Common Area facilities shall provide proper identification when so requested by Directors of the Board or the Association's personnel.

10.7 Attorneys' Fees. In the event any party initiates any action or proceeding to enforce or interpret the Governing Documents or California law relating to the Development, the substantially-prevailing party shall be awarded reasonable attorneys' fees and costs, including reasonable experts' fees.

ARTICLE 11: RIGHT OF ENTRY

11.1 Limited Right of Entry. During reasonable hours and subject to the notice requirements contained in this Article, the Association's representatives, employees, and vendors may enter Units, Common Areas, and Exclusive Use Common Areas: (i) to inspect and perform maintenance or repairs to the Common Areas or Exclusive Use Common Area; or (ii) to mitigate or repair damages; or (iii) to inspect the Unit to ensure compliance with the Governing Documents. Such Persons, acting in good faith, shall not be liable for trespass.

11.2 Notice of Entry. The Association shall give at least three (3) business days' written notice if by personal delivery and five (5) days if by first class mail or email, to the Resident and the Unit Owner, stating the purpose for the entry and the time

of the entry. Email notification may be used only if the recipient previously agreed to receive notices and communications from the Association by email.

11.3 Avoid Unreasonable Interference. The right of entry shall be exercised in such a manner as to avoid any unreasonable or unnecessary interference with the possession, use, and enjoyment of the Member or Resident of such Unit.

11.4 Emergency Entry. In the event of an emergency, the Board or its authorized representative may enter the Unit without permission and shall not be subject to liability to the Member or occupant. Such entry shall not constitute trespass or any other wrongful act. If it is necessary for the Association to damage or destroy property to gain access to the Unit, the Member shall have no right of action against the Association or its representatives. However, the Association shall repair the damage if the emergency did not originate in the Unit. Prior to emergency entry, if feasible, the Board shall make a good faith effort to give notice.

11.5 Refusal to Allow Entry. In the event the Resident refuses to allow entry for any reason authorized in these CC&Rs, the Association shall have the right to assess against the Member all expenses including reasonable attorneys' fees (regardless of whether legal proceedings are instituted) incurred by the Association arising from the Resident's refusal to allow entry. Such fees and expenses shall become a Reimbursement Special Assessment against the Member and shall be fully enforceable by all means provided for in these CC&Rs including lien and foreclosure.

11.6 Damage Repaired by Association. Any damage caused by the Association to the Common Areas or Unit improvements shall be promptly repaired by the Association. If the damage was caused by others, the Association shall have the right to seek reimbursement from the responsible parties.

11.7 Power to Vacate Unit. If necessary, the Board has the authority to vacate a Unit to make repairs to the Association's Common Areas or to treat termites, other pest infestations, and microorganisms. All costs of food, lodging and other associated expenses shall be borne by the Member and not by the Association. Any lost rent or income resulting from vacating a Unit shall be borne by the Member and not by the Association. However, the Association shall have the duty to diligently make repairs so as to return occupancy as quickly as possible.

- a. *Notice*. The Board shall give notice of the need to temporarily vacate a Unit to Residents and Members not less than fifteen (15) days prior to the date of the relocation by first class mail, certified mail return receipt requested, or email. Email notification may be used only if recipient previously agreed to receive notices and communications from the Association by email. The notice shall state the reason for the temporary relocation, the date and time of the repairs, and the anticipated date and time of completion of repairs. Notice shall be either by personal delivery or first class mail to the address shown on the books of the Association.

- b. *Duty to Vacate.* Members shall ensure that Residents vacate their Units. In the event any Member fails to cause the Residents to vacate, the Association shall have the right to levy a Reimbursement Special Assessments against the Member for all expenses and attorneys' fees incurred by the Association in removing such Residents from the Unit and any additional costs caused by the delay.

11.8 Entry by Member. Each Member shall permit other Members and their representatives to enter his/her Unit to perform installations, alterations, or repairs to the mechanical or electrical services to a Unit, if: (i) requests for entry are made in advance; (ii) entry is made at a time reasonably convenient to the Member whose Unit is being entered; and (iii) the entered Unit is left in substantially the same condition as existed immediately preceding such entry. Any damage to the Unit caused by entry shall be repaired by the entering Member. Both the Member allowing entry and the Member gaining entry shall hold harmless and defend the Association and its Officers, Directors, Committee members, Members, agents, and employees against claims of damage or injury resulting from one Member's entry into another Member's Unit.

ARTICLE 12: ASSESSMENTS

12.1 Purpose of Assessments. The general purpose of Assessments is to provide for the recreation, health, safety, and welfare of the Members, enforce and comply with the Governing Documents, manage the Development, enhance the quality of life in the Association, improve and maintain the Common Areas, provide for the acquisition and maintenance of property, services and facilities devoted to these purposes, and for any action or undertaking on behalf of the Association.

12.2 Regular Assessment. The Board shall levy Regular Assessments in an amount sufficient to provide for the performance by the Board of each and every one of its powers and duties provided, however:

- a. *20% Limitation.* Pursuant to the Davis-Stirling Act, the Board shall not, without the approval of Members casting a majority of the votes with Quorum present, impose a Regular Assessment which is more than twenty percent (20%) greater than the Regular Assessment for the immediately preceding fiscal year. Quorum for the purposes of this provision means more than fifty percent (50%) of the Members of the Association.
- b. *Uniform Rate of Assessment.* Regular Assessments shall be fixed at a uniform rate for all Units.
- c. *Payable Monthly.* Regular Assessments shall be payable by each Member against whom assessed in twelve (12) equal monthly installments on the first day of each calendar month or at such other dates and in such other installments as the Board shall determine. Assessments for new Members shall be prorated in the first month of

membership according to the date on which the individual becomes a Member.

- d. *Written Notice.* Written notice of any increase in Regular Assessments shall be sent by first-class mail to each Member not less than thirty (30) days nor more than sixty (60) days prior to the increased Assessment becoming due.
- e. *Modification of Assessment.* The Board may modify the Regular Assessments during the course of a fiscal year if necessary to conform to a revised estimate of costs and expenses. However, if the aggregate increase exceeds twenty percent (20%) of the Regular Assessment for the immediately preceding fiscal year, the Board must obtain the approval of Members as provided for in the Davis-Stirling Act. If an annual Regular Assessment is not published for a new fiscal year, the Regular Assessment for the prior fiscal year shall apply and govern each Member's payments until changed by a new Regular Assessment.

12.3 Special Assessment. In addition to the Regular Assessment, the Board may levy a "Special Assessment" for any purpose necessary for the Association to carry out its duties; provided, however:

- a. *5% Limitation.* Pursuant to the Davis-Stirling Act, the Board shall not, without the approval of Members casting a majority of the votes with Quorum present, impose a Special Assessment which is more than five percent (5%) of the budgeted gross expenses of the Association for such fiscal year. Quorum for purposes of this provision means more than fifty percent (50%) of the Members of the Association.
- b. *Uniform Rate of Assessment.* Special Assessments shall be fixed at a uniform rate for all Units.
- c. *Reimbursement Assessments.* Special Assessments may also be levied against individual Units for reimbursement of expenses incurred by the Association arising out of actions or omissions of such Member, Member's Tenant, or their respective family, guests, invitees or pets. As provided elsewhere in these CC&Rs, such expenses shall include, but not be limited to: (i) enforcing compliance with the Association's Governing Documents; (ii) mitigating or repairing damage to Units, Association property, and/or Common Areas; (iii) collecting delinquent Assessments; (iv) attorneys' fees and costs; and (v) materials and services provided by the Association to individual Members, Tenants or their respective family, guests, or invitees.
- d. *Payment Schedule.* Special Assessments shall be payable by each Member against whom assessed either monthly or at such dates and in such installments as the Board shall determine.

- e. *Written Notice.* Written notice of Special Assessments shall be sent by first-class mail to each Member not less than thirty (30) days nor more than sixty (60) days prior to the Assessment becoming due.

12.4 Emergency Assessment. In emergency situations, the Board may increase Regular Assessments beyond twenty percent (20%) or impose Special Assessments above five percent (5%) only as provided for by law.

12.5 Deposit of Assessments. All sums received by the Association shall be promptly deposited into accounts clearly designated in the Association's name.

- a. *Commingling.* The Association shall maintain separate accounts for its operating funds and its Reserves, respectively, and no funds from those separate accounts shall be commingled at any time.
- b. *Interest.* No Member shall have the right to receive interest on any such funds deposited.

12.6 Reserves. All sums assessed and collected by the Association which are budgeted to fund Reserves for anticipated long-term maintenance, repair, and replacement of Improvements upon the Common Area, the cost of which would not ordinarily be incurred on an annual basis, shall:

- a. *Be Segregated.* Be received in trust by the Board, set aside and segregated from the other monies and not be commingled with the Association's Operating Account.
- b. *Be Invested.* Be invested in low-risk investments. Reserves shall be deposited in financial institutions authorized to do business in California and where the Association's deposits are insured against loss. Alternatively, the Association may deposit funds with brokerage houses or institutions which are members of the Financial Industry Regulatory Authority and where the Association's deposits are insured against loss.
- c. *Require Two Signatures.* Be withdrawn from the Reserve account only upon approval by the Board and the signature of two (2) members of the Board.
- d. *Not Be Reimbursed.* All contributions to the Reserves, as well as interest earned, are for the benefit of the Association and not to the benefit of any individual Member. As such, contributions and interest are not refundable to Members when they cease to be Members of the Association.

ARTICLE 13: ENFORCEMENT OF ASSESSMENTS

13.1 Liability for Assessments. Assessments, together with charges, interest, costs, and attorneys' fees (regardless of whether legal proceedings are instituted), shall be

a charge on the land and shall be a continuing lien upon the property against which each such Assessment is made. In addition, Members shall be personally liable for any and all Assessments provided for by these CC&Rs, together with any accompanying late charges, interest, costs, attorneys' fees (regardless of whether legal proceedings are instituted), and penalties as may be authorized under these CC&Rs. Co-owners shall be jointly and severally liable for all Assessments, late charges, interest, costs, and penalties. All Members owning a partial interest in a Unit shall be personally liable, jointly and severally, for the entire amount of any and all Assessments against such Unit.

13.2 Enforcement Rights. Any Assessment made in accordance with these CC&Rs shall be the separate debt of each Member against whom the same is assessed. In addition to any other rights provided for by law or described in these CC&Rs, the Board has the right to collect delinquent Assessments as follows:

- a. *Late Fees and Interest.* Unpaid Assessments shall be deemed delinquent fifteen (15) days after they are due and shall be subject to a late charge of the greater of either ten percent (10%) or Ten Dollars (\$10.00), which may not be imposed more than once on any delinquent payment, and interest at the rate of twelve percent (12%) per annum, which may commence thirty (30) days after the Assessment becomes due.
- b. *File Suit.* The Association may commence and maintain a lawsuit directly on the debt without waiving its right to establish a lien and initiate foreclosure against the Member's Unit for the delinquent Assessment. In any action to collect delinquent Assessments, late charges or interest, the prevailing party shall be entitled to costs and reasonable attorneys' fees. If such costs and fees are awarded to the Association, they shall become a Reimbursement Special Assessment against the Member and shall be fully enforceable by all means provided for in these CC&Rs including lien and foreclosure.
- c. *Lien and Foreclose.* In accordance with the Davis-Stirling Act, a delinquent Assessment or installment, together with any late charges, interest, costs, attorneys' fees, and penalties, shall become a lien on the Unit upon the recordation of a "Notice of Delinquent Assessment" in the Office of the County Recorder. The Board may enforce any Assessment lien against a Unit by filing an action for judicial foreclosure or by nonjudicial foreclosure. The Association, through its Board, may bid on the Unit at the sale and may hold, lease, mortgage, and convey the acquired Unit.
- d. *Suspend Privileges.* Subject to the notice and hearing provisions set forth in the Bylaws, privileges may be suspended until such time as delinquent Assessments, fees and fines, including any accumulated penalties, interest, and costs of collection have been paid in full.

- e. *Suspend Voting Rights.* Subject to the notice and hearing provisions set forth in the Bylaws, voting rights of a Member may be suspended if the Member is more than sixty (60) days delinquent in paying any Assessment, fee, or fine. Once suspended, a Member's voting privileges shall remain suspended until such time as the delinquency, including any accumulated late charges, interest, and costs of collection, have been paid in full.
- f. *Additional Remedies.* The remedies provided in this Section shall be in addition to, not in substitution for, any other rights and remedies which the Association may have.

13.3 No Offsets. All Assessments shall be payable in the amount specified by the Assessment and no offsets against such amount shall be permitted for any reason, including, without limitation: (i) a claim that the Association is not properly exercising its duties and powers, as provided in these CC&Rs; (ii) a Member has not made or elects not to make use of the Common Area; (iii) any construction or maintenance for which the Association is responsible that has not been performed; or (iv) any construction or maintenance for which the Association is responsible that has not been performed to a Member's satisfaction.

13.4 No Exemption by Waiver of Use. Members may not exempt themselves from liability for Assessments nor release their Units from liens and charges by waiver of their use and enjoyment of the Common Areas, by abandonment of their Units, or through non-use of Common Areas or membership privileges.

13.5 Attorneys' Fees. Any reasonable attorneys' fees and costs incurred by the Association in the enforcement of its Assessment rights against a Member may become a Reimbursement Special Assessment against that Member, which may be collected in any manner provided for by these CC&Rs or by law.

13.6 Non -Waiver of Assessments. If the Board fails to approve a Budget or fix the Assessments for the current year, the Budget and Assessments from the preceding year shall continue until a new Budget is approved and new Assessments are fixed.

ARTICLE 14: INSURANCE

14.1 Association Insurance. The Association shall obtain and maintain policies of insurance as described below. So as to keep premiums at a reasonable level and to ensure the insurability of the Association, the Board may establish appropriate deductibles and make business decisions as to which losses shall be submitted to the Association's insurance carrier for coverage.

- a. *Direct Physical Loss.* The Association shall maintain one or more policies for loss or damage by fire or other risks covered by the standard "Special Form" policy (or its equivalent) on all Improvements in the Development to original construction. The amount of such insurance shall be not less than one hundred percent (100%) of the aggregate full

insurable value, meaning actual replacement value. The coverage shall be written on a blanket basis with an agreed value endorsement and an inflation guard endorsement. The Association's insurance policy must be primary and non-contributing. In addition, if available, the Association shall include the following:

- i. "Building Ordinance" coverage, or its equivalent, to cover any increased costs of construction following a covered loss which may be imposed due to changes in building codes or ordinances.
 - ii. "Maintenance Fees Receivable" coverage, or its equivalent, to cover the loss from unpaid or uncollected Assessments resulting from a covered property loss.
 - iii. "Demolition and Debris Removal" endorsement in the amounts adequate to cover demolition and debris removal costs.
 - iv. Such other endorsements which the Board may deem necessary or reasonable.
- b. *Comprehensive or Commercial General Liability ("CGL")*. The Association shall maintain one or more CGL policies which shall provide appropriate liability limits for injury or death to one or more Persons in any one accident or occurrence. The Association shall carry coverage in amounts that meet or exceed those called for in the Davis-Stirling Act.
 - c. *Directors and Officers*. The Association shall purchase Directors and Officers errors and omission insurance, which shall provide appropriate liability limits insuring Directors, Officers, Committee members, and management employees. The Association shall carry coverage in amounts that meet or exceed those called for in the Davis-Stirling Act.
 - d. *Workers' Compensation*. The Association shall carry workers' compensation and employers' liability insurance, as may be appropriate.
 - e. *Fidelity Bond*. The Association shall maintain blanket fidelity bond coverage for all Directors, Officers, Committee members, and employees of the Association handling funds of the Association or third party property. In the event the Association has delegated some or all of the responsibility for the handling of funds to a management agent, the management agent shall also be required to maintain blanket fidelity bond coverage for those Persons handling or responsible for funds of the Association.
 - f. *Employment Practices Liability*. If the Association has employees, it should, depending on cost and availability, purchase employment practices liability coverage.

- g. *Automobile Liability Insurance.* If appropriate, the Association shall purchase non-owned and hired automobile coverage and garage-keepers legal liability coverage.
- h. *Boiler and Machinery Insurance.* If appropriate, the Association shall purchase insurance for the loss or damage to or as a result of boilers, pressure vessels, and pressure pipes.
- i. *Umbrella Policy.* In addition to appropriate levels of insurance for all of the above, the Association may carry an umbrella policy for its public liability and property damage, Directors and Officers liability, and workers' compensation policies.
- j. *Earthquake.* The Association may purchase earthquake insurance if such insurance is available and if approved by the Board or the membership. Any decision by the Association to discontinue the insurance shall be decided by a vote of the membership.

14.2 Member Obligation to Carry Insurance. At their sole expense, Members shall purchase the following insurance: (i) real property and personal property coverage that insures their Unit's improvements and contents against damage or loss; (ii) premises liability that includes protection for bodily injury and property damage; (iii) personal liability coverage, (iv) loss of use that protects a Member for additional living expenses should his/her Unit become uninhabitable due to a covered loss; and (v) loss assessment coverage that protects against Special Assessments due to a loss which exceeds the Association's master policy limits or deductible. In addition, if a Member operates a vehicle which is driven across or stored in the Association's Common Areas, the Member must carry appropriate automobile insurance. The Association may police this provision but is not required to and is specifically relieved of any responsibility or liability from doing so or failing to do so.

- a. *Waiver of Claims.* Members waive their claims against the Association to the extent such claims are covered under insurance which Members are required to carry under these CC&Rs, regardless of whether Members actually carry such insurance.
- b. *Assignment of Proceeds.* If any loss intended to be covered by the Association's insurance occurs and the proceeds payable are reduced because of a Member's insurance coverage, that Member shall assign such insurance proceeds to the Association, to the extent of the reduction. The Board shall apply those proceeds to the same purposes as the reduced proceeds received by the Association.

14.3 Payment of Deductible. If a loss occurs as a result of the act or omission of any Member, Member's Tenant, or their respective family, guests, invitees, or pets or as a result of a failure of a portion of the Unit, its Improvements, or the Unit's Exclusive Use

Common Area, and the loss results in a payment by the Association's insurance, that Member shall pay the Association's deductible, if any.

14.4 Management of Claims. The Board, not individual Members, shall determine which claims, if any, shall be submitted to the Association's insurance carrier. The Board may take into account the Association's claim history, the amount of the deductible, the apparent merit of the claim, etc. and make a business decision regarding which claims are submitted and which ones are not. In the event a Member makes an unauthorized claim against the Association's insurance which results in an increase in the Association's insurance premiums, the amount of the increase shall be assessed against the Member and his/her Unit as a Special Reimbursement Assessment.

14.5 Liability for Increased Insurance Rates. In the event any act or omission of any Member, Member's Tenant, or their respective family, guests, invitees, or pets causes an increase in the cost of the Association's insurance, the amount of the increase shall be assessed against the Member and his/her Unit as a Special Reimbursement Assessment.

14.6 Choice of Contractor. With respect to any repairs for which proceeds of insurance are paid or are payable to the Association, the Board shall designate the contractor to perform the repairs to the Common Areas. Individual Members shall be responsible for overseeing repairs done to their respective Units.

14.7 Insurance Company Rating. All policies of insurance obtained by the Board shall be from an insurance company qualified to do business in the State of California and holding a Best's Insurance Reports rating of "A" or better, or such other comparable rating as may be given by Standard and Poor's.

ARTICLE 15: PROTECTION OF LENDERS

15.1 Furnishing of Information. Each Lender shall, upon request, be entitled to: (i) inspect the books and records of the Association during normal business hours; (ii) receive an annual audited financial statement of the Association within ninety (90) days following the end of any fiscal year of the Association; and (iii) receive written notice of all meetings of the Association and/or the Board and be permitted to designate a representative to attend all such meetings.

15.2 No Priority Over Rights of First Mortgagees by Destruction or Taking. Nothing in these CC&Rs shall give a Member or any other party priority over any rights of first mortgagees of Units, pursuant to their mortgages, in the case of a distribution to Members of insurance proceeds or condemnation awards for losses to or taking of Units and/or the Common Area. Additionally, if any Unit or any portion of a Unit is made the subject matter of any condemnation or eminent domain proceeding, no provision herein shall entitle the Member or any other party to priority over a first mortgagee of a Unit, with respect to any distribution to such Unit of the proceeds of any award or settlement.

15.3 Relationship with Assessment Liens. Any lien that the Association may have on any Unit for the payment of Assessments shall be subordinate to the lien or equivalent security interest of any Lender with a first trust deed or mortgage on the Unit,

made in good faith and for value, and no such lien shall in any way impair the obligation or the priority of such trust deed or mortgage, unless the Lender expressly subordinates its interest, in writing, to such lien.

15.4 Foreclosure. Any holder of a first mortgage who takes title to a Unit, pursuant to the remedies provided in the mortgage, through foreclosure of the mortgage shall take the property free of any claim for unpaid Assessments or charges against the mortgaged Unit which accrued prior to the time such Person takes title to the Unit.

15.5 Priority of Mortgage Lien. No breach of any provision of these CC&Rs nor the enforcement of any lien created herein shall affect, impair, defeat, or invalidate the lien of any mortgage or deed of trust made in good faith and for value, but the CC&Rs shall be binding upon any Member whose title is derived through foreclosure, trustee sale, or otherwise.

15.6 Curing of Breaches. A Lender who acquires title to any Unit, pursuant to the remedies provided in the mortgage, through foreclosure of the mortgage, by deed in lieu of foreclosure, or otherwise shall not be obligated to cure any breach of these CC&Rs which is noncurable or of a type which is not practical or feasible to cure. For the purpose of this section, if a Lender acquires title by a deed in lieu of foreclosure, then delinquent Assessments owed on that Unit by a previous Member shall not be a noncurable breach or a breach which is not practical or feasible to cure and an Assessment lien on that Unit shall not be rendered invalid or unenforceable by virtue of the Lender's receipt of title to that Unit.

15.7 Payment of Taxes and Charges. Lenders may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any portion of the Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for such Common Area, Lenders making such payments shall be owed immediate reimbursement from the Association.

ARTICLE 16: LIMITATIONS OF LIABILITY

16.1 Standard for Liability. Officers, Directors, Committee members, employees, or agents shall not be responsible to any Member, Member's Tenant, or their respective family, guests, or invitees for any loss or damage to Person or property suffered by reason of water, fire, smoke, explosion, electricity, dust, sand, insect or rodent infestation, or any other source, unless there is clear and convincing evidence the damage or loss was caused by the gross negligence or willful misconduct of the Association's Officers, Directors, Committee members, employees, or agents. The standard for determining liability shall not be strict liability.

16.2 Limited Personal Liability. No Officer, Director, Committee member, or employee of the Association shall be personally liable for any loss, injury, or damage to Persons or property for any act or omission, if the act or omission was performed in good

faith, within the scope of the Person's duties for the Association, was not self-dealing, and did not constitute intentional misconduct or gross negligence.

16.3 Association Not a Security Provider. The Association may, from time to time, provide measures of security in the Development. However, the Association is not a provider of security and shall have no duty to provide any security in the Development. The obligation to provide security lies with each Member individually. The Association shall not be held liable for any harm to Persons or property by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. This shall include, but not be limited to, any loss or damage suffered by reason of theft of or damage to any article or thing which is placed or stored in or on any portion of the Common Area.

16.4 Duty to Defend. The Association shall indemnify and defend and shall advance reasonable attorneys' fees and costs to its Officers, Directors, Committee members, and employees against all expenses and liabilities reasonably incurred by such Person(s) in connection with any proceeding (including, but not limited to, alternative dispute resolution proceedings) to which they may be a party by reason of having been an Officer, Director, Committee member, or employee of the Association. Provided, however, the Association may recover its attorneys' fees and costs from, and shall not be liable for any judgments or other liabilities for, those Persons who are adjudged to have acted in bad faith or in gross negligence in the performance of their duties.

16.5 Personal Injury or Property Damage Sustained Within a Unit. The following shall apply if any Person sustains personal injury or property damage within a Unit or on its attached Balcony, Patio or Deck and the injury or damage results in a claim against the Association or any of its Officers, Directors, Committee members, Members, agents, or employees. The Owner of the Unit, Patio, or Balcony where the injury or damage occurred shall: (i) fully indemnify and hold harmless the Association, Officer, Director, Committee member, Member, agent, or employee against whom such claim or suit is brought; and (ii) defend, at his own cost and expense, any resulting litigation against the parties. However, there shall be no obligation to defend or indemnify any party whose gross negligence or willful misconduct was the cause of the injury or damage.

16.6 Actions Against Volunteers. No cause of action against a Person serving without compensation as Director or Officer of the Association on account of any negligent act or omission by that Person within the scope of that Person's duties as Director acting in the capacity of a Board member, or as an Officer acting in the capacity of, and within the scope of the duties of, an Officer. No Director or Officer shall be named or included in a complaint or other pleading unless the court enters an order allowing the pleading that includes that claim to be filed after the court determines that the party seeking to file the pleading has established evidence that substantiates the claim.

ARTICLE 17: DAMAGE/DESTRUCTION TO IMPROVEMENTS

17.1 Common Area Damage. In the event the Common Area is partially or totally destroyed by fire, earthquake, or other casualty:

- a. *Cost of Reconstruction.* As soon as practical, the Board shall: (i) obtain bids from at least two (2) reputable contractors that are licensed in California and insured, which bids shall set forth in detail the work required to reconstruct the damaged or destroyed portions of the Common Area to substantially the same condition as they existed prior to such damage and the itemized cost of such work (subject to any increased building standards then in effect); and (ii) determine the amount of all insurance proceeds and Reserves available to the Association for the purpose of effecting such reconstruction.
- b. *Automatic Reconstruction.* If the cost to reconstruct the Common Areas, excluding the deductible and the value of any insurance proceeds due the Association, is less than or equal to three times the amount of the total annual operating Budget of the Association for the current fiscal year, the Board, without a vote of the membership, shall cause the Common Area to be reconstructed to substantially the same condition as existed prior to such damage (subject to any increased building standards then in effect). Such reconstruction shall be completed as promptly as practical. Notwithstanding any other provision, the Board shall have the authority, without a vote of the membership, to levy a Special Assessment against the membership to provide the funds necessary for such reconstruction and/or for repayment of any monies borrowed by the Association for such reconstruction.
- c. *Membership Approval.* If the Board determines that the cost to reconstruct the Common Areas, excluding the deductible and the value of any insurance proceeds due the Association, is an amount greater than three times the total annual operating Budget of the Association for the current fiscal year, then the Common Areas shall be reconstructed unless sixty-seven percent (67%) of the membership, by ballot or at a special meeting called for such purpose, vote not to reconstruct the damaged or destroyed Common Areas.
- d. *Decision Not to Rebuild.* In the event the membership votes not to rebuild the Common Areas:
 - i. *Revised Subdivision Map.* The Board shall, as soon as practical, cause to be prepared, filed, and/or recorded any revised subdivision map, Condominium Plan, or other documents, reports, schedules, or exhibits necessary to show the changed or altered status of the Development, including, without limitation, the elimination of all or part of one or more of the Units, as a result of such damage; and
 - ii. *Distribution of Insurance Proceeds.* The Board shall distribute the insurance proceeds available for such reconstruction, together with any other sums otherwise available to the Association for such

purpose, to the Owners, less costs for clearing the debris, collecting insurance proceeds, and any other expenses necessary as a result of the damage or destruction, proportionately according to an appraised fair market value of the Condominiums (as of a date immediately prior to destruction or condemnation). Such payment shall be subject to rights of Mortgagees holding Mortgages encumbering Units and all unpaid Assessments, together with any interest charges. Appraisers hired by the Board to appraise the Condominiums will be paid by the Association.

- e. *Elimination of Units.* In the event of the elimination of all of a Unit, the Unit shall cease to be part of the Development, the Owner of the Unit shall cease to be a Member of the Association, and the Percentage Interest in the Common Area appurtenant to that Unit shall automatically become vested in the Members of the remaining Units in proportion to their respective Percentage Interest in the Common Area. In the event of the elimination of a part of a Unit, the Percentage Interest in the Common Area appurtenant to that Unit shall be reduced in direct proportion to the reduction in square footage of the Unit, and the Percentage Interests and Assessment obligations of all Members shall automatically be adjusted accordingly.

17.2 Duties of Board During Reconstruction. If reconstruction is undertaken, the Board shall: (i) enter into a written contract with a contractor who is licensed and insured for such repair, reconstruction, and restoration; (ii) disburse insurance proceeds available for the work, along with funds collected by reason of Assessments, in appropriate progress payments; and (iii) take all steps necessary to ensure the commencement and completion of such repair, reconstruction, and restoration in a lawful, workmanlike manner at the earliest possible date.

17.3 Right of Entry to Assess Damage and Make Repairs. Representatives of the Association, contractors, engineers, workmen, or any other Persons designated by the Board shall have the right and authority to enter any Unit, Common Area, or Exclusive Use Common Area after such casualty to determine the extent of damage and to make repairs, as provided for under the "Right of Entry" provisions contained in these CC&Rs.

17.4 Power to Vacate Unit. If necessary, the Board has the authority to vacate a Unit to make repairs, as provided for under the "Right of Entry" provisions contained in these CC&Rs.

17.5 Labor and Materials. In determining whether the plans for a reconstructed Building are in substantial conformance with the Condominium Plan, the Board may take into consideration the availability and expense of the labor and materials in the original construction of the Building. If such labor or material is not available or is prohibitively expensive at the time of reconstruction, the Board may permit the substitution of other labor or material, as it deems proper.

17.6 Interior Unit Damage. Restoration and repair of any damage caused by fire, earthquake, or other casualty to: (i) the interior of any individual Unit; (ii) personal property, furniture, furnishings, and decorations contained within a Unit; or (iii) any Improvements which were added to the Unit by any present or prior Unit Resident or Member shall be made by and at the individual expense of the current Unit Owner. The repairs, restoration and reconstruction shall be completed as promptly as practical and in a lawful and workmanlike manner. If the work is of a nature that would normally require approval by the Association, the Member shall seek approval, as provided for in these CC&Rs.

17.7 Damage to Drywall. In the event of damage to the plaster and drywall inside a Unit:

- a. *Replacement.* The Association shall only be liable for the replacement of drywall on the perimeter walls and ceiling of the Unit which, in the estimation of the Board, suffered sufficient damage to require replacement. The Association shall not be liable for repainting the walls or replacing wall coverings of any kind. The restoration and repair of all other interior walls shall be at the sole expense of the Member.
- b. *Re-Taping.* Damage to perimeter walls that does not require replacement of the drywall (e.g., buckled joint tape, hairline fractures of the drywall, etc.) shall be the responsibility of the individual Member. The Member shall be responsible for the restoration and repair of all finished surfaces, including, but not limited to, re-taping, painting, plastering, and wallpapering.

17.8 Special Assessment for Reconstruction. In the event the proceeds of insurance obtained by the Association are paid to any Mortgagee of a Unit and, by reason of such payment, the insurance proceeds are not made available to the Association as trustee or otherwise, to effect any repair, reconstruction, or restoration of any damage and/or destruction to all or any portion of the Development, as provided in these CC&Rs, the amount of such proceeds not made available shall be assessed and charged to and against the Member and his/her Unit as a Special Assessment. The Special Assessment shall be made by written notification from the Board to the Member or Members against whom made.

17.9 Encroachment. In the event a Building is partially or totally destroyed and then rebuilt, Members agree that minor encroachments of the Common Area on Units or of Units on the Common Area or on other Units shall be permitted and that valid easements for the encroachments shall exist. Such encroachments shall not be considered to be encumbrances either on the Units or the Common Area.

ARTICLE 18: CONDEMNATION

18.1 Notice. Promptly upon learning of any potential condemnation or sale by eminent domain, the Board shall notify all Members and first mortgagees who have filed a written request for notice.

18.2 Payment for Common Area. In the event an action in eminent domain is brought to condemn all or any portion of the Common Areas, the Association shall represent the Members in all proceedings, negotiations, or settlements. Awards for the acquisition of Common Area shall be paid to the Board, as trustee, for deposit into the Association's Reserves unless a majority of the total voting power of the Association elects to distribute the award among the Members in accordance with their Percentage Interest.

18.3 Payment for Unit. In the event that an action in eminent domain is brought to condemn all or any portion of one or more Units, the award made for such taking shall be payable to the respective Owners of the Units, subject to: (i) the rights of Mortgagees holding Mortgages covering such Units; and (ii) all unpaid Assessments of each Member, taken together with interest charges. The Board of Directors shall have no responsibility for the restoration of a Member's personal or real property taken as a result of condemnation.

18.4 Revision of Documents. In the event of any condemnation of a part of the Development, the Board shall, as soon as practical, cause to be prepared, filed, and/or recorded a revised subdivision map, Condominium Plan, or other documents, reports, schedules, or exhibits necessary to show the changed or altered status of the Development.

18.5 Status of Membership. In the event a Unit is taken in condemnation, the Unit shall cease to be part of the Development, the Member shall cease to be a Member of the Association, and the Percentage Interest in Common Area appurtenant to that Unit shall automatically become vested in the remaining Members, in proportion to their respective Percentage Interests in the Common Area.

ARTICLE 19: MISCELLANEOUS

19.1 Amendment. These CC&Rs may be amended by the vote or written consent of Members comprising more than fifty percent (50%) of the Voting Power of the Association or as provided for by law, provided that the percentage of the Voting Power necessary to amend a specific provision shall not be less than the percentage of affirmative votes prescribed for action to be taken under that provision. Any amendment enacted in compliance with this provision shall become effective when recorded with the Office of the County Recorder.

19.2 Lender Approval. If a First Mortgagee is entitled by the terms of these CC&Rs to consent to or approve a proposed amendment or restatement to the CC&Rs, fails to return a ballot, such first Mortgagee shall be deemed to have consented to and approved the proposed amendment or restatement, provided the ballot was delivered by

certified or registered mail with return receipt requested and the delivery signed for by a representative of the First Mortgagee.

19.3 Amendment to Conform to Statute. If at any time a provision in these CC&Rs contradicts current law, according to a written opinion of the Association's legal counsel, the Board of Directors will have the authority, on the unanimous approval of the Directors and without approval of the Members, to amend that provision, but only to the extent necessary to render the provision compliant with applicable law.

19.4 Term of CC&Rs. These CC&Rs shall continue in full force and effect for a term of sixty (60) years from the date of their recordation, after which time they shall be automatically extended for successive periods of twenty (20) years, unless within six (6) months prior to the expiration of the initial term or any twenty (20) year extension period a written agreement executed and acknowledged by at least seventy five percent (75%) of the Members is placed on record in the office of the County Recorder, terminating the effectiveness of these CC&Rs.

19.5 Attorneys' Fees. Any reasonable attorneys' fees and costs incurred by the Association in the enforcement of the Governing Documents against a Member or to determine the rights or duties of the Member under the Governing Documents may be levied against that Member by the Board as a Reimbursement Special Assessment, which may be collected in any manner provided for by these CC&Rs or by law.

19.6 Notices. Any communication or notice of any kind permitted or required herein may be delivered as provided in these CC&Rs and shall be in writing and may be served, as an alternative to personal service, by mailing same as follows:

To a Member: To the street address of the Unit or at such other address as Member may designate in writing to the Association.

To the Association: To the address of the Manager or the Board President.

All notices or demands to be served by mail shall be by first-class mail with postage prepaid. Notice shall be deemed to have been given at the time when delivered personally or deposited in the mail.

19.7 Headings. The headings contained in these CC&Rs are for convenience of reference and are not a part of and are not intended to govern, limit, or aid in the construction of any term or provision of these CC&Rs.

19.8 Liberal Construction. The provisions of the Governing Documents shall be liberally construed to effectuate their purpose of creating a uniform plan for the use, operation and maintenance of the Development.

19.9 Number and Gender. Whenever the context so requires, the singular number includes the plural, the plural includes the singular, the masculine gender includes the feminine and/or neuter, and the neuter gender includes the masculine and/or feminine.

19.10 Severability. The provisions of these CC&Rs and any other Governing Document shall be deemed independent and severable and the invalidity, partial invalidity, or unenforceability of any one provision shall not affect the validity or enforceability of any other provision.

19.11 No Public Rights. Nothing contained in these CC&Rs shall be deemed to be a gift or dedication of all or any portion of the Development to the general public or for any public use or purpose whatsoever.

19.12 Successor Association. In the event the Association, as a corporate entity, is dissolved, a nonprofit, unincorporated association shall, without further action, automatically succeed to all the rights and duties of the corporation. The affairs of the unincorporated association shall continue to be governed by these CC&Rs, the Bylaws, Architectural Standards, and the Rules and Regulations, as well as any applicable law.

19.13 Conflicting Provisions. In the event of any conflict between these CC&Rs and the Articles or the Bylaws, these CC&Rs shall control. In the event of any conflict between the Articles and the Bylaws, the Articles shall control.

EXHIBIT A – MAINTENANCE CHART

CATHEDRAL CANYON COUNTRY CLUB CONDOMINIUM ASSOCIATION #15

MAINTENANCE CHART

The Board of Directors for *Cathedral Canyon Country Club Condominium Association #15* ("Association") created the following Maintenance Chart that sets forth the maintenance responsibilities between owners and the Association. The Chart is based on the past practices and history of the community, the Association's budget and reserves, the Association's governing documents, and California law. This Chart encompasses the major components within the Association. However, repair and maintenance situations may arise which may not be covered by this Chart; in which case, California's general presumption for maintenance responsibilities under Civil Code 4775 will govern.

The maintenance obligations contained within this Chart include maintenance, repair, and replacement unless stated otherwise. **Please note that owners must submit for and receive written approval for any modification to components or installation as required under the CC&Rs. Any modified, altered or installed component by an owner, may become the owner's responsibility.** Nothing herein affects or limits the Association's right to seek recovery of expenditures required as a result of damage, neglect, abuse, willful or negligent acts or omission by any owner, his/her family, tenants, guests, or pets. Additionally, owners are required to maintain insurance for their Units and personal property as further set forth in the CC&Rs.
