# SQUARE FOOTAGE AND LOT SIZE DISCLOSURE AND ADVISORY

(C.A.R. Form SFLS, 12/20)

Property Address: 3635 7th Avenue #8C, San Diego, CA 92103 ("Property")

- DIFFERENT SOURCES OF SQUARE FOOTAGE MEASUREMENTS:** Measurements of structures vary from source to source and that data is often contradictory. There is no one "official" size source or a "standard" method of calculating exterior structural size, interior space or square footage. Buyer should not rely on any advertised or disclosed square footage measurements and should retain their own experts to measure structural size and/or square footage during their contingency period, if any. This is especially important if Buyer is using square footage to determine whether to purchase the Property and/or are using a price per square foot to determine purchase price. Price per square foot calculations are generally broad estimates only, which can vary greatly depending upon property location, type of property and amenities; such calculations should not be relied upon by Buyer and the accuracy of any such figures should be independently verified by Buyer with their own experts including, but not limited to, a licensed appraiser.
- PROPERTY (LOT) SIZE, DIMENSIONS, CONFIGURATIONS, AND BOUNDARIES:** Fences, hedges, walls, retaining walls, and other barriers or markers may not correspond with any legally-defined property boundaries, and existing structures or amenities may not be located within the actual property boundaries or local setback requirements. If lot size, dimensions, property configurations, boundary lines, and locations of improvements are important to Buyer's decision to purchase or the price Buyer is willing to pay, then Buyer should independently investigate by retaining the services of a licensed surveyor, the only professional who can accurately determine lot dimensions, boundary locations and acreage for the Property.
- BROKER OBLIGATIONS:** Brokers and Agents do not have expertise in determining the exact square footage and lot size. Broker has not and will not verify the accuracy of any numerical statements regarding square footage, room dimensions, or lot size, or the location of boundaries.
- DISCLOSURE OF MEASUREMENTS AND SOURCES:** Square footage and/or lot size numbers inserted into the spaces below, if any, were taken from the referenced source and may be approximations only. Other measurement sizes may exist from other sources.

## BUYER'S LEGAL DUTY TO EXERCISE REASONABLE CARE

California law requires Buyer to exercise reasonable care to protect themselves, including the evaluation of those facts which are known or within diligent attention and observation of Buyer (Civil Code Section 2079.5). Under this statute, Broker also has a responsibility to disclose to Buyer any conditions that would affect the value or desirability of the Property Broker may have observed while conducting a diligent visual inspection of the accessible areas of the Property.

Seller may not be aware of defects that may exist in the Property. It is Buyer's responsibility to investigate the Property. The disclosures in this Addendum are made by Seller and not by Broker. However, Broker is required to make a reasonably competent and diligent visual inspection of accessible areas, and to disclose to prospective purchasers all known facts affecting the value and desirability of the Property (see Parts III and IV of the Real Estate Transfer Disclosure Statement). Buyers should refer to Buyer's Election of Inspections form (BEI) for further inspection explanation.

Buyer is advised to obtain professional inspection(s) on the condition of the Property. Each Buyer looks at a house differently: what may concern one person may be perfectly acceptable to another. Therefore, the Real Estate Transfer Disclosure Statement, Seller Property Questionnaire, and this Addendum do not in any way relieve Buyer from Buyer's responsibility to make an independent diligent inspection of the Property, to hire all necessary inspectors, to provide these inspectors with Real Estate Transfer Disclosure Statement, Seller Property Questionnaire, and this Addendum, and to ask questions that may be pertinent to ensure an informed decision.

ALL INSPECTIONS AND REPORTS should be undertaken by qualified, licensed trades people and/or professionals. Buyer should review all inspection reports with the person who performed the inspection.

For any special consideration such as schools, allergies or other health problems, or for religious or cultural concerns that relate to the Property, it is Buyer's responsibility to ask Seller and/or otherwise independently satisfy themselves about the Property as it relates to these considerations.
