

76314 Via Firenze
Appliance Status

A permanent Sub-Zero kitchen refrigerator will be installed in late January 2023.

A temporary hood will be installed prior to completion, and the permanent Wolf hood is estimated to be installed by the end of February 2023.

Under-counter Sub-Zero refrigerators for Wet Bar and Guesthouse are estimated to be installed by the end of April 2023.

Every effort is being made to accelerate these timelines.
