ASSESSMENT INFORMATION

1 VALUATIONS	2 HOMEOWNER'S EXEMPTION	3 RIGHT TO APPEAL
Under State Law (Proposition 13), real property is reassessed upon a change in ownership or new construction. Assessed values are also adjusted annually based on the change in California Consumer Price Index not to exceed 2%. Assessed values may change in excess of 2% in response to changing market conditions. The Tax Collector does not determine the value of your property or the amount of your property tax. For questions concerning assessed value, please call the Assessor's Office at (858) 505-6262.	If you own and occupy your home as your principal place of residence on January 1, you may apply for an exemption of \$7,000 of your assessed value for an annual savings of \$70 on your property taxes. New property owners will receive an exemption application automatically. For more information please call (619) 531-5772.	If you disagree with the assessed value shown on the front of this bill, you have the right to file an Assessment Appeal through November 30, 2017. Filing an Assessment Appeal does not relieve the applicant from the obligation to pay the taxes on the subject property on or before the applicable due date shown on the tax bill. For assessment appeal forms and information, visit the Clerk of the Board of Supervisor's website at www.sandiegocob.com or call their office at (619) 531-5777. After November 30, if you disagree with the assessed value, you may request an assessment review for the next tax year by visiting the Assessor's website at www.sdarcc.com or by calling (858) 505-6262.
		4 DISABLED VETERANS/ SURVIVING SPOUSE EXEMPTION
		Veterans of the United States military who own and occupy their home and who are rated 100% disabled as a result of a service-connected disability may be eligible for a reduction in their property taxes. This exemption may also apply to veterans who are compensated at 100% due to unemployment or to the unmarried surviving spouse of the veteran. The exemption amount is adjusted annually due to inflation. For more information please call (619) 531-5773.
