3 BD 1 BA 1,344 SF 0.13 AC 1-Car Garage Glass-Paneled Garage Door Large Patio Space 1430BirdAve.com

Welcome to 1430 Bird Avenue, a three-bedroom home where classic architectural character meets a fresh, modern aesthetic. A crisp white façade, dark accents, and a glass-paneled garage door create a polished first impression. A curved entry canopy, octagonal window, and textured brickwork add distinctive character, complemented by a lush front lawn.

Inside, soft neutrals and warm wood tones provide an inviting backdrop for connected living spaces. Expansive windows fill the living room with natural light, while a fireplace with vertical paneling creates a striking focal point. Arched doorways add charm, and an elegant chandelier defines the adjoining dining area. Sliding glass doors open to the backyard, connecting indoor dining with outdoor gatherings.

The kitchen pairs warm wood lower cabinetry with crisp white uppers, white countertops, and a textured tile backsplash. Brass-toned accents, stainless steel appliances, and a woven pendant bring the space together.

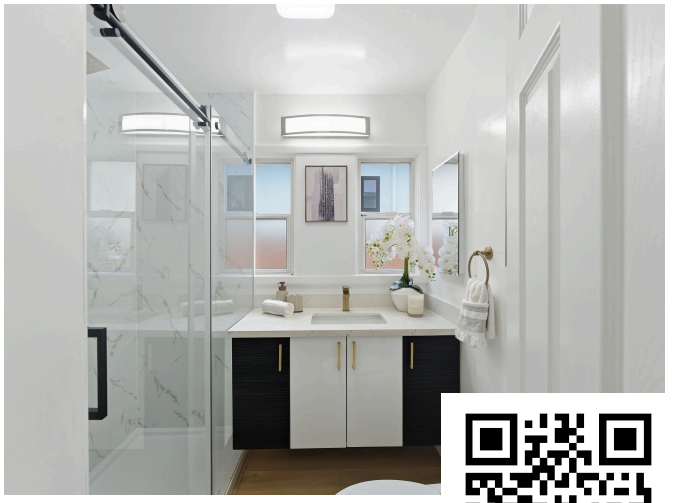

Three bedrooms continue the home's serene palette with wood-toned flooring, natural light, and distinctive ceiling fixtures. The bathroom features a black-and-white vanity, brass-toned fittings, a subtly veined countertop, and a glass-enclosed shower with marble-look surrounds.

Outside, a generous patio offers space for dining and lounging, bordered by green lawn, mature palms, and established trees.
