RULES AND REGULATIONS

JUNE 2019

1. INTRODUCTION.

Our Rules and Regulations have been developed as a basis for good relations within **THE SUMMIT MOBILE HOME PARK** (the "Owner"). Because ours is an all age Park, it has unique conditions which must be recognized and dealt with in a fair and reasonable manner and applied and complied with on an impartial basis. Just like any other typical residential area, you and the other residents are expected to accept a reasonable amount of disturbances and other activity by your neighbors and others which won't be to your liking. If one of your neighbors, another resident or their guest is disturbing you, we expect you to make a reasonable effort to talk to the person who is creating the problem and try to resolve it. If the problem is one where reasonably the police or other public authorities should be contacted and a complaint filed, you are expected to do this as well. This is what happens in a typical neighborhood setting. If you can't resolve the problem, and you are truly being unreasonably affected, we'll attempt to take reasonable steps to try to resolve the problem. But as a practical matter, we are not able to be the "police". The spirit behind these guidelines is in the Golden Rule: "Do unto others as you would have others do unto you." Therefore, you are agreeing that by moving into our Park or by continuing to live here, we will not be liable to you or others for normal, routine disturbances or other issues which one should commonly expect when they live in our society. We trust we will have your complete cooperation not only to keep park standards high and to maintain a happy and friendly atmosphere, but also to assure each Resident a maximum of convenience and comfort.

The following Rules and Regulations are a part of your Rental Agreement. Please read the Rules and Regulations carefully and keep them on file as they constitute a binding agreement between you and the Owner. The management will interpret and enforce these Rules and Regulations in a reasonable manner.

The Summit Mobile Home Park is open to all persons regardless of their race, color, religion, sex, national origin or handicap status.

2. DEFINITIONS.

The definitions set forth below shall apply unless the context indicates that a different

Homeowner's Initials

Homeowner's Initials

meaning is intended:

A. "Park" means the mobilehome park, **THE SUMMIT MOBILE HOME PARK**, located at 24425 Woolsey Canyon Road, West Hills, California 91304.

B. "Owner" means the Owners of the Park (including the Owner's partners, directors, representatives, officers, employees, and agents) and the management of the Park.

C. "Resident" is a homeowner or other person who lawfully occupies a mobilehome in the Park. A prospective homeowner, purchaser, or those persons listed on the last page of the Rental Agreement as "Resident" who have not been approved for tenancy by the Park and have not closed escrow on the mobilehome occupying the Homesite shall not be deemed a "Resident".

D. "Guest" includes all of Resident's agents, employees, persons sharing the Homesite pursuant to Civil Code Section 798.34(b), invitees, permittees, or licensees or other persons in the Park or on the Homesite at the invitation, request or tolerance of Resident. "Guests" also include any Residents who are not homeowners.

E. "Park facilities" means those services and facilities of the Park generally available to Residents and their Guests.

F. "Homesite" means the real property rented to Resident by Owner. The boundaries of the real property rented to Resident shall be the lesser of either (1) the lot lines as determined by a governmentally approved survey or by a recorded plot plan or (2) the apparent physical boundaries of the Homesite as they exist at the time the Rental Agreement is/was entered into. Regarding maintenance of the Homesite, Resident shall be responsible for the greater area as defined by this paragraph.

G. "Owner's Approval" or "Approval of Owner", "Owner's consent" or "consent of Owner" or other similar terms as used in this Agreement means that the Owner's prior written approval must have been obtained by Resident before Resident commences any such action requiring Owner's approval. If Owner's prior written approval is required, Resident shall submit a written request to Owner which describes the action Resident proposes to take and requests Owner to give prior written approval.

H. "Mobilehome Residency Law" means and refers to the California Civil Code Sections 798 through 799.11, as currently stated and as may be amended in the future. No provisions of the rules are intended to conflict with the provisions of the Mobilehome Residency Law.

3. COMPLIANCE WITH LAW AND RULES AND REGULATIONS.

A. Residents and Guests have the right to use the Homesite and Park Facilities only if they comply with these Rules and Regulations and the other provisions of the Park's residency

documents.

B. Resident agrees to abide and conform with all applicable Federal, State and Local laws and ordinances, all terms and conditions of these Rules and Regulations, all rules, regulations, terms and provisions contained in any document referred to in Resident's rental agreement, and said rules, regulations, terms and provisions as may, from time to time, be amended, modified or otherwise changed by Owner.

C. Park Management will attempt to promptly, equally and impartially obtain the cooperation and compliance of all Residents with respect to the Rules and Regulations and other conditions of residency. Resident recognizes, however, that Park Management's ability to obtain compliance is dependent upon a number of factors, including the cooperation of all Residents and their Guests. Resident agrees, therefore, that the enforcement of the Rules and Regulations and conditions of tenancy are a private matter between Park Management and each Resident individually. Resident agrees that he or she is not a third-party beneficiary of any other agreement between Owner/Park Management and any other Resident in this Park.

D. Resident must recognize that Park Management will not be responsible to Resident for normal, day-to-day disturbances that may result from the close proximity of other Residents and persons within the Park. Park Management will not be liable to Resident for monitoring each routine disturbance, disagreement or minor problem that may occur between neighbors. If Resident is unreasonably disturbed or bothered by the activity of another Resident or the Guest of another Resident, Resident should attempt to reasonably and peacefully resolve any such problem.

E. Any violation of the Rules and Regulations shall be deemed a public nuisance. Resident agrees that a breach of any of the Rules and Regulations cannot reasonably or adequately be compensated in damages in an action of law and, therefore, Owner shall be entitled to injunctive relief including, but not limited to, restraining Resident from continuing to breach any such Rules and Regulations, term, or condition, or to allow a condition in violation of a rule or regulation, term or condition to exist or continue to exist.

4. PARK PERSONNEL.

Owner shall be represented by a Resident Manager, or Assistant Manager, if any, who is vested with all the legal right and authority to enforce the Rules and Regulations on behalf of Owner. The decision of the Resident Manager regarding the enforcement of these Rules and Regulations shall be binding on Residents. Any reference herein to the term Owner shall include and may be interchanged with the term Resident Manager and Owner's partners, directors, representatives, officers, employees, management companies and agents.

Maintenance employees do not have any authority to answer questions concerning state, county, city or other laws and ordinances or the Park Rules and Regulations.

5. INTERPRETATION AND APPLICATION.

A. Reasonable and Lawful Interpretation and Application. It is our intention to interpret and apply all of these Rules and Regulations reasonably and lawfully. If, for any reason, any portion of these Rules and Regulations is unlawful, that is the result of an inadvertent mistake and the portion which is unlawful will be automatically deleted without further action on our part, but all of the remaining Rules will remain in full force and effect.

B. Conflicts. If any of these Rules are in direct conflict with the terms of any rental agreement having an original term of longer than 12 months signed by an individual Resident and us, the terms of the rental or lease agreement will prevail with regard to that Resident until the original term of the rental or lease agreement ends.

C. Effect of Revised Rules. Some portions of these Rules and Regulations are the same as the Rules and Regulations which are already in effect and applicable to you and your Guests. Therefore, they will remain in effect just as they now are and their present affectivity is not affected by their being reissued in these revised Rules and Regulations. Any prior Rules and Regulations which, because of a change in the law, are no longer enforceable are changed immediately to the extent required to conform with the law.

6. GUESTS.

A. Before any additional person (other than the ones listed on the last page of Resident's rental agreement) may stay longer than the grace period of 20 consecutive days or 30 days in a calendar year and/or is permitted to reside with Resident, Resident must insure that such person registers with Park Management. However, no such person or registered Guest will have any rights of tenancy in the Park in the absence of Resident.

B. Resident agrees to acquaint all Guests with the conditions of tenancy of the Park, including, but not limited to, the Park's Rules and Regulations. Resident is personally responsible for all the actions and conduct of Resident's Guests.

C. Park Management reserves the right to determine whether the Park's facilities can accommodate all the Residents and their Guests; therefore, Park Management may refuse any Guest access to said facilities if the Guest's presence would unreasonably detract from the use and enjoyment of these facilities by other Residents and Guests who are then using the Park Facilities.

D. A Guest is permitted to use the facilities only while accompanied by a Resident.

E. If Resident will not be present, then no Guests may occupy or otherwise use Resident's mobilehome or space without Park Management's consent. If a Guest has received approval by the Park, such Guest may be permitted to occupy Resident's mobilehome or space and to use the Park's facilities.

7. MOBILEHOME SUBLETTING.

Subleasing of any mobilehome is prohibited except for the special circumstances that are allowed by the Mobilehome Residency Law. Resident will be required to provide all necessary documentation, as set forth in the Mobilehome Residency Law, to Owner to evidence that special circumstances exist.

8. RESALE OF MOBILEHOME.

Resale of mobilehomes to persons wishing to reside in the Park is subject to the following conditions: Written notice of intent to sell must be provided to Management prior to offering the mobilehome for sale. Prospective purchasers must first complete an application for tenancy and be approved by Management prior to the completion of sale. Owner may require repairs or improvements to the mobilehome, its appurtenances or an accessory structure if the repair or improvement is based upon or required by a local ordinance or state statute or regulation relating to mobilehomes, or by a rule or regulation of the Park that implements or enforces a local ordinance or a state statute or regulation relating to mobilehomes, and the repair or improvement relates to the exterior of the mobilehome, its appurtenances, or an accessory structure that is not owned and installed by the management, except the Owner may require repair improvements to the Homesite or property owned by Owner if the damage was caused by the actions or negligence of the Resident or an agent of Resident.

9. MOBILEHOME STANDARDS.

Resident hereby agrees to comply with and maintain all mobilehome standards, standards for accessory equipment and structures, hardscape and softscape standards and landscape standards as set forth below and as established by Title 25. Resident's failure to comply with and maintain all mobilehome standards shall entitle Owner to all remedies available under these Rules and Regulations and Civil Code Sections 798 et seq. of the Mobilehome Residency Law. Resident acknowledges that should a failure to maintain occur, Owner has the right to give Resident seven (7) days' notice to remedy the maintenance violation. If Resident fails to remedy the violation, Owner has the right, but not the obligation, to force compliance with these Rules by a breach of contract lawsuit, a petition for permanent injunction or an eviction action.

A. Mobilehomes. To insure architectural compatibility, construction and installation standards, all incoming mobilehomes must be approved by Owner. A plot plan must be submitted for our written approval, drawn to scale of 1" – 10' and will show the following: 1) physical floor plan of the mobilehome; 2) exact placement of mobilehome on lot; 3) measurement to lot lines and

all structures, including utility pedestal; 4) actual placement of concrete, awnings, lawn, trees, flower beds and additions on lot. All items set forth in this Section 8 are subject to the notice and consent requirements of these Rules and Regulations. Resale of mobilehomes to persons wishing to reside in the Park is subject to the following conditions: Management must be contacted prior to offering the

mobilehome for sale. Prospective purchasers must first complete an application for tenancy and be approved by management prior to the completion of sale.

B. Mobilehome Sizes. All mobilehomes in the Park shall conform in size to the requirements of the lot on which they are placed as established by Owner and the California building codes, Title 25, and/or the City of West Hills. Placement of mobilehomes shall be determined by the Owner.

C. Mobilehome Occupancy. The persons allowed to occupy a space within the Park shall be only those persons listed on the rental agreement. No other persons shall be allowed to reside on the space without the express written permission of Park Management or as provided below. Only persons who have applied for and have been accepted as Residents shall occupy a mobilehome on the leased space. The number of occupants of a mobilehome shall be limited to two (2) persons per the number of bedrooms present in the mobilehome, plus one (1) additional person. A bedroom is defined as a living space which is designed for sleeping and which has closet space but does not have plumbing.

D. Accessory Equipment and Structures. The installation of all appliances, accessory equipment and structures on incoming mobilehomes shall be completed within sixty (60) days of the date Resident signs the rental agreement or first occupies the mobilehome, whichever is earlier.

(1) Prior to commencing a new installation of or a change in accessory equipment and structures or a change in any appliance which is to be connected to the gas, electric or water supply, Resident shall submit for Owner's approval a written plan describing in detail the accessory equipment and structures which Resident proposes to install or change and shall obtain the approval of Owner pursuant to Section 9 of these Rules and Regulations. Only manufactured accessory equipment, structures and appliances are permitted and no "homemade" equipment, structures or appliances may be installed.

(2) Building permits, licenses and other similar permission from government or quasi-governmental bodies or agencies must be obtained, if so required, before any installation or construction of certain accessory equipment and structures. All such equipment and structures must comply with all federal, state and local laws and ordinances.

(3) If a Resident does make a change in existing accessory equipment, the standards for incoming mobilehomes must be met, and all work shall be completed within sixty (60) days of approval.

(4) Resident is cautioned that there may be mobilehomes and homesites in the Park which contain accessory equipment and structures which no longer conform with present Park standards and regulations. Nonetheless, Residents may not assume their plans will be approved because they conform to accessory equipment and structures existing on other mobilehomes or homesites.

(5) Any accessory equipment or structure not in compliance with the Park's residency documents shall be removed by Resident within seven (7) days of receipt of notice from Owner.

(6) Owner may, in its sole discretion, publish new standards for, without limitation, awnings, steps, porches, landscaping and other accessories at any time that it, in its sole discretion, determines would be in the best interests of the Park and its Residents. Said standards shall, however, only be applicable to Resident if Resident sells or otherwise transfers his mobilehome to another party and the mobilehome is to remain in the Park. In that event, the new standards will be the responsibility of the prospective purchaser and the mobilehome must be in conformity with the standards published by Owner prior to Owner's acceptance of the prospective purchaser. Resident and prospective purchaser hereby indemnify and release Owner, its agents, servants and employees, from any and all liability or damages which Resident or prospective purchaser may suffer due to said changes in standards.

10. STANDARDS FOR ACCESSORY EQUIPMENT AND STRUCTURES.

Conditions for specific equipment and structures are as follows:

A. Licensed Contractors. All works of improvements or repair that require a permit must be performed by a licensed contractor.

B. Heating and Cooling Systems. Prior to the installation of or replacement of any heating or cooling system, Resident must obtain written approval from Owner. In addition, any heating or cooling system installed in a mobilehome must be in good operating condition and must not make excessive noise that will be disturbing to any other Resident. All heating and cooling systems must be compatible with the electrical output of the Park. Condensation accumulation from any air conditioner must be piped away from the mobilehome and not be allowed to fall onto the ground under the mobilehome. All installations pertaining to a heating and/or cooling system must be performed by a state licensed contractor and Resident must obtain any permits required for installation. No window air conditioners or evaporative coolers will be allowed in the Park on homes built after 1980. Solar heating is generally not acceptable but exceptions may be made based on the architectural/aesthetic appearance of the solar heating unit and the location where it will be installed. All outside electrical wiring, if any, must comply with City Code and be of weatherproof material.

C. Porches and Patios. Porches and patios must be constructed under permit and meet the appropriate governmental building codes. Porch covers must be of an approved material matching the exterior of the mobilehome. All porches shall be as wide as the patio awning and must be a minimum of 4' wide by 8' long. All entries must have a platform which is a minimum of 30" x 30" which is even with the floor area of the mobilehome. Mobilehomes with built-in entries and porches are acceptable if otherwise conforming to these specifications. Unless made of masonry, surfaces of porches, patios and steps must be covered with outdoor carpet or other Owner approved material.

All awnings must be constructed under permit and meet the appropriate governmental building codes. All awnings must be unitized and must be painted or be of anodized aluminum or steel and must be of an approved manufactured type. Carport awnings shall be at least 10' wide and a minimum of 40' long unless this would result in the awning covering the utility pedestals (awnings may only extend up to the point where the utility pedestals begin). Patio awnings shall be no less than 4' wide and no more than 12' wide, depending on the width of the Space. The length of the patio awnings shall be a minimum of 25' long and large enough to cover the porch/patio area. All awning supports must be vertical and made of materials to match the mobilehome. Skirting may be of masonry or other approved material, which matches the siding and color of the mobilehome. Metal skirting is prohibited.

F. Siding. All exterior siding of the mobilehome must be of Alcan or Masonite or equivalent. All colors must be approved by Owner.

I. Facias and Flashing. All mobilehomes shall have facias (unitizing) that blend with

the roofing and siding materials and shall tie into the awnings in such a manner as to eliminate a line of demarcation between the mobilehome and the awnings. This fascia shall be installed completely around the perimeter of the mobilehome. Where the mobilehome is joined at the roof the fascia shall be of the same material as the roof.

J. Rain Gutters. All mobilehomes must be fitted with rain gutters and with down spouts which extend to the ground and drain water to the street so that no puddles or puddling occur under the mobilehome or on the Homesite.

K. Exterior Storage Building. Each Resident may install one storage building which shall not exceed a maximum floor area of one hundred twenty (120) square feet and a maximum height of eight feet (8'), provided there is room on the Homesite. The storage building must be of materials and colors to match the mobilehome. Owner must approve the type of storage building and where the storage building will be placed, and the storage building must have a setback of at least three feet (3') from each lot line of the Homesite. The storage building must be installed on a concrete slab. You may not electrify the storage building. Electrical cords, rope, wire or any other similar material may not be strung on the exterior of your mobilehome or from the mobilehome to the storage building. Sleeping in the storage building is prohibited.

Only fences constructed of chain link, wrought iron or small white picket fence and which do not exceed five feet (5') in height will be permitted at the rear and sides of the property. Owner must approve all materials utilized in constructing a fence. The spaces between the chain link, wrought iron or picket fence must be left open so that it is possible to see through the fence. Additionally, all fences must be erected inside the property line of the Space and must provide access to utility submeters. Resident must complete construction of fence within thirty (30) days of starting construction.

Satellite dishes in excess of one (1) meter in diameter are prohibited. Such location site shall be as unobtrusive as possible without significantly decreasing the satellite dishes' efficiency or performance. The satellite dish must be securely affixed and placed in a manner that will not constitute a hazard. Outside antennas are prohibited, and each Homesite is provided with a lead-in from the Park's central television antenna. Resident shall pay the cost of installing any television to the central antenna. HAM radio and C.B. antennas are prohibited.

Due to aesthetic considerations, indoor antennas and/or cable distribution is preferred for receiving over the air broadcast signals.

N. Flagpoles. No permanent flagpoles are permitted. Only small flagpoles, which are four feet (4') in length or less and are designed to be mounted on the front of the mobilehome are permitted.

All decorative rock must be washed frequently and additional rock added as necessary, to insure that there is sufficient rock at all times to adequately cover the area over which the rock is spread so that no plastic is visible.

(9) Resident must obtain written permission from Owner to plant a tree on the Homesite. The Owner retains the option to determine the location of and the type of tree which may be planted. Resident is responsible for all tree maintenance on the Homesite and the Resident's failure to do so entitles the Owner to take corrective action and Resident shall reimburse Owner for such maintenance. Owner is responsible for trimming, pruning, and removal of any tree which poses a specific hazard or health and safety violation on a Resident's Homesite, or upon written notice by a Resident. In the case of a dispute between Owner and Resident, the determination of the hazard or violation shall be made by the California Department of Housing and Community Development ("HCD") or local enforcement agency, depending on which governmental agency has jurisdiction. Upon selling the mobilehome, Resident must obtain written acceptance by the purchaser that they will accept the trees as theirs and will maintain them as set forth below in Paragraph 11.D. F. Exterior Painting. The exterior paint on Resident's mobilehome, accessory structures and equipment shall be properly maintained. Proper maintenance shall include, but not be limited to

If any portion of the exterior of the mobilehome or its accessory equipment, structures, or appliances or the Homesite are damaged, the damage must be repaired or replaced within thirty (30) days. If a Resident's mobilehome or accessory equipment has not been repaired, reconstructed, or restored within a reasonable time after work has been commenced on it, the Resident shall remove such damaged item from the Park at his expense. In the interim, Resident shall continue to be bound to perform all his promises and obligations under this Agreement. If the Resident fails to repair such damage within ten (10) days after Owner gives him written notice to repair the same, the Owner can remove the damaged item and the actual cost of such removal shall be immediately due and payable to Owner by Resident. If such removal includes the removal of the mobilehome, the Agreement under which the Resident occupies the Homesite shall terminate, unless Resident gives Owner sixty (60) days notice.

H. Concrete. All concrete, asphalt and other surfaces shall be kept clean and maintained free of oil and all other sticky or oily substances.

I. Driveway and Street Area. A Homeowner may be charged for the cost of any damage to the driveway caused by an act of the Homeowner or the breach of the Homeowner's responsibilities under the Park's Rules and Regulations. A Homeowner shall be responsible for the maintenance, repair, replacement, paving, sealing, and the cost related to the maintenance of a Homeowner-installed driveway, whether asphalt or concrete, including driveways installed by any previous homeowners. Individual driveway maintenance and cleaning shall be Resident's responsibility. Residents shall keep the street area and gutter in front of their Homesite free from debris. Water shall not be used when cleaning off debris from a driveway or the street area in front of the Resident's Homesite.

J. Utility Pedestals. The utility pedestals (water and utility hookups) must be accessible at all times and must be kept free from any landscaping or other obstruction with a minimum of three feet (3') clearance on all sides of the pedestal. If one of the Park's utility shut-off valves is located on Resident's Homesite, it must be kept uncovered and accessible at all times. Resident shall not connect, except through existing electrical or natural gas outlets or water pipes on the Homesite, any apparatus or device for the purposes of using electric current, natural gas, or water.

Resident is responsible for ensuring all of his or her trash is securely sealed inside plastic bags, so as not to attract insects or other pests. All trash shall be placed in containers which are approved by Management with a tight fitting lid. These containers must be stored in a storage shed or otherwise not visible from the street or an adjacent mobilehome. At no time should the containers be so loaded with refuse, landscaping and pruning matter, or other materials as to render the disposal of the trash impossible. Trash containers may be set out no earlier than 5:00 p.m. the day before the scheduled trash collection and must be put away within 24 hours after said scheduled collection. Trash is not to be thrown on the ground next to, or on top of, closed or full trash containers, nor is any trash to be stored outside of the mobilehome anywhere on Resident's Homesite. Combustible, noxious, or hazardous materials must be removed from the Park and not placed in containers. Bringing trash from outside the Park to be disposed of in the containers is not permitted. In accordance with Civil Code Section 798.36: The Owner may charge a reasonable fee for services relating to the maintenance of the land and premises upon which the mobilehome is situated in the event the Resident fails to maintain such land or premises in accordance with the Rules of the Park after written notification to the Resident and failure of the Resident to comply within fourteen (14) days. The written notice will state the specific condition to be corrected and an estimate of the charges to be imposed by the Owner if the services are performed by the Owner or its agent.

The Owner is allowed, after giving the 14-day notice, to remove and store a resident's personal property to a billable storage area for 60 days. Resident shall have 60 days to claim the property after which time it will be considered abandoned and may be disposed of by Owner. Resident is responsible for reimbursing to Owner the actual, reasonable costs of removing and storing the property. Owner shall be allowed to dispose of the property prior to the end of the 60 day period if the Resident informs the management, in writing, of his/her intent to abandon the property.

13. USE OF FACILITIES.

Residents and Guests have the right to use the Homesite and Park facilities only if they comply with these Rules and Regulations and the other provisions of the Park's residency documents. Owner will attempt to promptly, equally and impartially obtain the cooperation and compliance of all Residents with respect to the Rules and Regulations and other conditions of residency. Resident recognizes, however, that Owner's ability to obtain compliance is dependent upon a number of factors, including the cooperation of all Residents and their Guests. Resident agrees, therefore, that the enforcement of the Rules and Regulations and conditions of tenancy are a private matter between Owner and each Resident individually. Resident agrees that he is not a third party beneficiary of any other agreement between Owner and any other Resident in this Park.

During such a scheduled event or party, the reserved clubhouse facilities will not be available to other Residents and their Guests. There will be no charge for the use of the clubhouse; however, Resident will be required to pay a \$100.00 deposit. This deposit will be applied to the costs of any additional cleaning that may be necessary after the function or to any damage that may occur. Only non-alcoholic beverages may be served at the function. The failure by the Owner to provide such notice shall not constitute a waiver of any of the rights and remedies of the Owner under applicable law or of the provisions of these Rules and Regulations. The Owner shall have the right at any time once a Rules and Regulation violation occurs to provide such notice. Resident shall not rely upon the Owner's failure to provide such notice in taking any action or not taking any action.

- (4) If your pet is allowed to exercise in your yard or elsewhere, all pet excrement must be immediately picked up, wrapped in paper and placed in the trash. If a Resident's yard is not kept clean and free of pet feces, the Resident is subject to termination of the right to keep a pet, due to the significant health and safety issues caused by the accumulation of feces and the substantial annoyance caused to other Residents.
- (5) Guests are not permitted to bring any pet into the Park, except for guide dogs, signal dogs, and other service dogs, as defined in Civil Code Section 54.1.

- (6) No exterior housing for pets is permitted in the Park. This includes, but is not limited to, any type of confining barricade, cage, or structure.
- (7) Tying of pets outside the mobilehome and/or leaving them unattended outside is prohibited.

E. If you and/or your pet do not comply fully with each of these rules, Owner may, in Owner's sole discretion, revoke approval of the pet and require that the pet be permanently removed from the Park. The pet may also be taken to the animal shelter or other similar facility.

24. ZONING AND CONDITIONAL USE PERMIT INFORMATION.

The nature of the zoning under which the Park operates is as follows: Commercial General. If a change occurs concerning the zoning permit under which the Park operates, all Residents shall be given written notice within thirty (30) days of such change.

25. ENVIRONMENTAL PROTECTION.

Anything which creates a threat to health and safety or threatens damage to property or which induces or harbors or may tend to induce or harbor offensive odors, infectious plant disease, and/or noxious insets and/or rodents or reptiles is strictly prohibited. No flammable, combustible, explosive or environmentally hazardous fluids, material, chemical or substance may be stored on the Homesite (other than ones customarily used for normal household purposes, and then only in quantities necessary for household purposes). Additionally, you may not engage in any activity in the Park which may cause an environmental hazard or violates any law relating to environmental protection,

hazards and other similar laws. This includes, but is not limited to, changing the oil in any motor vehicle in any common area of the Park. Furthermore, you may not allow any environmentally hazardous substance, including, but not limited to, toxins, cleaning fluids, oil, grease or any substance defined as environmentally hazardous, to be placed on any surface area in the Park or disposed of in the Park, including, but not limited to, toilets, drains, trash receptacles, dumpsters, surface areas, the sewage disposal system or any other trash, garbage or disposal area in the Park. Such substances must be physically removed from the Park and disposed of elsewhere in compliance with the law.

26. FIXTURES.

All landscaping and structures or other improvements permanently attached to or embedded in the ground shall become a part of the realty upon their installation and belong to Owner. Upon Resident vacating the Homesite, such improvements shall remain upon and be surrendered with the Homesite. Owner may, however, at its sole option, permit or require Resident to remove, at

Resident's own expense, said improvements. Resident shall repair any damage to the Homesite caused by the removal, including, but not limited to, the filling in and leveling of holes or depressions and shall leave the Homesite in a neat and uncluttered condition with the Park's original engineered grade intact.

27. LOT LINES AND LOT LINE MARKERS.

The lot lines originally established at the time the Park was built will be the lot lines used for all purposes regarding the present and future installation of mobilehomes and all other accessory structures, equipment and other improvements to the Space. The only exception will be where the originally established lot lines were subsequently changed by us or someone else who owned the Park with the intention of deliberately altering such lot lines and, in those cases, the subsequently changed lot lines will remain in effect. We reserve the right to modify any lot line at any time provided that such modification does not violate any applicable law. If you or any prior resident of the Space or any adjoining Space has installed landscaping or other improvements that encroach across any lot line and by those actions has established, over an extended period of time (in our opinion), that the area encroached on belonged to and is allowed to be used by that resident, then you or residents of any adjoining Space will be permitted to continue to use the area encroached upon. This use of the encroached-upon area will not, however, affect the location of the lot line markers. You shall maintain your lot line markers as they currently exist and you will promptly notify us if your lot line markers are lost, moved or destroyed. You agree to indemnify and hold harmless Owner and its agents, employees, representatives, assigns, successors and attorneys against any loss, cost, damage, expense (including attorneys' fees) or other liability incurred or imposed by reason of any person, association, firm or corporation claiming to have an interest in the event that your lot line markers are lost, moved or destroyed.

28. SOLICITATION.

Throw-away newspapers, distribution of handbills and door-to-door selling or solicitation are not permitted without Owner's consent. All sales people must make individual appointments with the Resident concerned or interested.

29. PARK OFFICE HOURS, COMPLAINTS & EMERGENCIES.

Except in an emergency, please do not telephone or contact the Owner or Park Management after normal business hours. The Park's office phone is for business and emergency use only. Except for emergencies, all complaints must be in writing and signed by the person making the complaint and submitted to: The Summit Mobile Home Park, Attn: Park Manager, 24425 Woolsey Canyon Road, West Hills, California 91304. Unless otherwise indicated, all business is conducted during the office hours of 9:00 a.m. to 5:00 p.m. Monday through Friday.

30. REVISIONS OF RULES.

Owner reserves the right to add to, delete, amend, and revise these Rules and Regulations from time to time, as well as additional rules and regulations and hours posted in and about the recreational facilities, as provided in Section 798.25 of the California Civil Code. This set of Rules and Regulations supersedes all existing Rules and Regulations.

31. NO WAIVER OF DEFAULT OR OTHERWISE, SEVERABILITY AND INTEGRATION.

If you violate any of the Owner's Rules and Regulations, and Owner fails to exercise any of its rights under the Owner's Rules or under applicable laws, Owner's failure shall not waive or otherwise excuse that violation, or any other violation. If any term or provision of these Rules is invalid, or partially invalid, such invalidity shall not affect the validity of any other term or provision of these Rules. These are the Rules and Regulations of the Owner and, when effective, these Rules supersede all previous Rules of the Owner and supersede all prior oral representations concerning these Rules (whether made by Owner or others), and cannot be amended except by a written notice of amendment to the Rules and Regulations. These Rules do not create any additional rights or remedies on behalf of Homeowners but are intended to govern conduct in the Park and with respect to the use of Park facilities. These Rules also incorporate by reference other Rules concerning use of Park facilities which are currently posted throughout the common areas of the Park.

32. PARAGRAPH HEADINGS.

The headings and titles of the paragraphs within these Rules and Regulations are included for purposes of convenience only and shall not affect the construction or interpretation of any of the provisions of said Rules and Regulations.

33. NOTICES.

All notices to be delivered hereunder shall be deemed to be delivered either upon effecting personal delivery upon the person to receive the notice or upon placing the notice in the United States mail to the address of the Resident's Homesite (if to the Resident) or to the office of the Owner located in the Park (if to the Owner).

34. ALL AGE PARK.

The Park is an all age park with no minimum age requirements for residents. Owner does not discriminate with regard to race, color, religion, sex, national origin, handicap, marital status and is considered a Fair Housing rental property.

35. INDEMNIFICATION.

Resident shall protect, indemnify and hold Owner, its directors, officers, partners, employees, shareholders and agents, and any successor to Owner's interest in the Park, and any other person who acquires any interest in the Park harmless from and against any and all actual or potential claims, liabilities, damages, losses, fines, penalties, judgments, awards, costs and expenses (including, without limitation, reasonable attorneys' fees and costs) which arise out of or relate in any way to any action or conduct of Resident and/or his/her/their Guest or which arise out of or relate in any way to Resident's and/or his/her/their Guest(s) use of the Park or the Space, unless resulting from Owner's negligent or willful acts.

By affixing their signatures below the Owner and Resident(s) agree that these Rules and Regulations shall be a binding agreement and each agrees to comply with the foregoing provisions. Resident(s) agree that he/she/they has/have had the opportunity to read these Rules and Regulations and the opportunity to discuss them with an attorney and any other advisor Resident(s) might choose to select.
