A COURSE WITHOUT COMPARISON

Members never wait for tee times to play our Jack Nicklaus Signature course - unique in the world because of our breathtaking lake and double green for the 12th and 18th holes. Set on 140 acres of manicured turf and challenging hazards, both experienced and first-time players can enjoy the rewards of a game well played. Our practice facilities, golf shop and professional staff further support a truly unrivaled experience.

THE BEST CUISINE IN THE DESERT

From delicious and healthy cuisine, a world-class wine program and a culture of personalized hospitality, our dining experience is as memorable as the views from our wrap-around deck. Accenting the many opportunities to connect with family and close friends, we offer a range of dining options every day of the week in season, plus convenient home delivery for those times you simply want to stay in.

ELEGANT ENHANCEMENTS

Every new season brings something fresh to The Club at Morningside as part of our ongoing commitment to sustain a fully refined Member lifestyle. This year we are pleased to unveil an expansive refreshment of our Clubhouse, including a complete renovation of the Dining Room and terrace areas as well as the M-Side Café. These touches heighten the aesthetic appeal of our panoramic San Jacinto Mountains views, while ensuring the quality of our dining and social experience remains in a class by itself.

Morningside

THE UNION OF RELAXATION AND REFINEMENT

Morningside is a place where people share a desire to enjoy life to the fullest by staying active, healthy and connected to the community. Our year-round Tennis & Pickle Ball facility is just one example, offering two court types and a range of services, games and other amenities, enjoyed against the backdrop of our stunning natural setting.

With the Coachella Valley as our playground, Members enjoy hiking, cycling, pickle ball, tennis, bocce, and much more. Our full range of clubs, groups and events support your family's active lifestyle, the reconnection and renewal that time together in nature brings.

WHERE FITNESS MEETS HEALTH & WELLNESS

Our state-of-the-art exercise equipment, fitness classes, private training and luxury spa services are augmented by Morningside's emphasis on wellness as an essential lifestyle approach. Services include regular health screenings, nutritional consultations, facials, massages and physical therapy services to help each Member feel their very best.
