Description

One-of-a-kind 35ft converted 1996 Bluebird TC2000 tiny home. Ready for travel or to move onto your land. Excellent for shorter or long-term stays! 20 minutes from Joshua Tree and available for showing.

Move-in-ready with....

- + Freshwater and grey water system (including pumps & drainage supplies)
 - + Fully-insulated
 - + Propane heater furnace
 - + 2 A/C / fan / heat units on roof
 - + Propane and electric hot water system
 - + Propane 2-burner cooktop (will also include cooking pots / pans and electric induction stove)
 - + Day bed + fold-down Murphy bed to make King size bed (including Zinus mattresses — extremely comfortable!)
 - + Full-sized shower
 - + Composting toilet
 - + Storage closet in bathroom and multiple drawers under daybed
 - + Fold-down dining table with 2 leaflets to customize table size
 - + LED zonal interior lighting
 - + Mini-fridge
 - + Dual sink in kitchen and standard sink in bathroom
 - + 2 roof hatches multifunctional as vents or open-air skylights
 - + Unique custom woodwork throughout, including bathroom door and cabin storage door
 - + Custom stained glass light covers
 - + Custom raw rock drawer pulls in kitchen
 - + Front entrance coat rack
 - + Projector screen and mount for movie nights
- Mechanical and external specs:
- + Cummins diesel engine with 112,247 miles
 - + Onboard Kohler generator with 373 hours (just about brand new!)

- + Custom painted (auto paint used)
- + 4 rear wheels
- + Flat front
- + Tow package
- + Added storage compartment on back and other storage for propane, greywater system, batteries, etc. around exterior
- + 2 exterior doors – one to main living space, second to bathroom
- + Fold out front-entrance stairs
- + 2 dual-pane windows added to kitchen, 5 dual-pane windows added to main living area
