Rules and Regulations

1. INTRODUCTION

Our Rules and Regulations have been developed as a basis for good relations within Alpine Oaks Estates. We trust we will have your complete cooperation to keep standards high, maintain a happy and friendly atmosphere, and also assure each resident the maximum of convenience and comfort. The Manager has the authority to enforce these rules.

These Rules and Regulations apply to Residents, their guests, and visitors. They reference terms and conditions of a Resident's Lease/Rental Agreement and current Mobile Home Residency Law (MRL). In the event of a conflict between the terms of the Lease and these Rules and Regulations, the terms of the Lease prevail. In the event of a conflict between the terms of the lease and/or these Rules and Regulations and the current Mobile Home Residency Law and any other lawful governmental law, code or ordinance, the applicable provision(s) of the Mobile Home Residency Law, and other governmental law, code or ordinance prevail.

- These Rules and Regulations cover a variety of different subjects. It is not possible to cover each conceivable situation. Therefore, the basic rule and regulation, applicable to all, is that all Residents, guests and visitors shall conduct themselves in a reasonable manner so as not to adversely affect any other Resident, guest, or visitor. They should not adversely affect the ownership or Manager of the Community. Unreasonable conduct includes, the prohibition of vulgar, profane, abusive or threatening language directed to any resident, guest, visitor or Park Manager. It further prohibits, the assaulting, or threatened assault, injury or damage to Park Residents, guests, visitors, Park Manager(s), Owner(s), or any property.

2. USE OF HOME SITE AND FACILITIES

Residents and guests have the right to use the home site and Community facilities so long as they comply with these Rules and Regulations, any other Community residency documents, or other lawful government laws or regulations. Management will attempt to promptly obtain the cooperation and compliance of all residents with respect to the Rules and Regulations and other conditions of residency. Resident agrees that the enforcement of the Rules and Regulations, and conditions of tenancy are a private matter between Management and Resident.

3. RESIDENT REQUIREMENTS

Due to limitations of the common facilities and the infrastructure of the Community occupancy limits are applicable to each home. The occupancy limit for each Resident's home is two persons per bedroom plus one additional person per remaining living area. Alpine Oaks Estates must approve all prospective residents. Prospective residents are required to complete all 'Application for Residency Forms' fully and submit them to Alpine Oaks Estates along with the necessary fee for credit checks. Applicants will be approved or disapproved based on the information submitted in this application, credit history, past residency history and demonstrated ability to pay per the terms of the Lease. All registered owners of homes in the Community are required to execute a written Lease or Rental Agreement, and sign a copy of the Community's Rules and Regulations. All permanent occupants of the home must be registered with the park.

4. GUESTS

A. Guests are permitted to stay with a resident for no more more than (20) consecutive days or a total of thirty (30) days in a calendar year. Any guest staying beyond is required to register with park management. In accordance with MRL Section 798.34(b), a resident living alone in a community without specific age restrictions is allowed to share their home with one other person. This person is also required by these Rules & Regulations to register with park management. The number of total guests may be limited by management. Any guest not abiding by these Rules & Regulations and the stipulations provided in MRL 798.34 will be asked to vacate both the home in question and park grounds.

B. Resident is personally responsible for making sure his or her guests are aware of and follow all park rules.

C. Management reserves the right to determine whether the Community's recreational, or other facilities can accommodate all the Residents and their guests. Management may refuse any guest access to said facilities if the guest's presence would reasonably detract from the use or enjoyment of these facilities by other Residents and guests, or if the size of requested use is beyond the capacity of the facilities.

D. A guest is only permitted to use the recreational facilities while accompanied by an adult Resident. If Resident will not be present, then no guests may occupy or otherwise use park facilities without written consent from Management.

5. HOME STANDARDS

All homes, other than those already in the Community, must have pitched, shingled roofs, and vinyl lap or Hardy Panel siding unless approved by Management. No metal roofs are allowed. All incoming homes must be pre-approved by Management. All homes shall conform in size to the lot on which they are placed, as determined by the usable area. Management determines placement of the homes.

A. EXTERIOR PAINTING. Any paint on the exterior of the Resident's home, accessory structures and equipment shall be properly maintained. Proper maintenance includes, but is not limited to, repainting when the paint begins to fade, peel, flake, chip or otherwise deteriorate. Color chips must be submitted and all colors must have the written approval of Community management before painting may begin. Non-approved colors that are applied are a rule violation and must be corrected at homeowner's expense. Non-compliance may result in breach of the Lease and resulting legal action.

B. ACCESSORY EQUIPMENT AND STRUCTURES. Resident must receive written approval from Management before any construction/installation of any accessory or structure. Permits from the proper enforcement agency may be required before installation begins. Residents should not assume their plans will be approved because they match that of another home or homes in the Community. Residents that have installed/constructed any structure without written consent from Management will be required to remove this structure at their own expense.

C. AWNING AND SKIRTING. Unless determined by Management to be physically impossible or impractical, Alpine Oaks Estates requires all homes to have two awnings (one for the carport and the other for the patio) and skirting. All new awnings must receive written approval by Management, and the Resident must provide a copy of the necessary permit(s) from the issuing governing agency. Brick or small slump stone skirting is encouraged, especially in front of the home. Imitation stone/brick skirting, metal corrugated lattice, or other home fabricated skirting is not allowed. Awnings and skirting must be installed before the home can be occupied. No awning extensions are allowed without prior written approval of management.

D. PORCHES AND STEPS. All porches and steps must conform to all building codes, have approved railing, and be constructed with park approved material. Porches must be fully skirted with the same material used for home. Alpine Oaks Estates reserves the right to set a minimum/maximum size for all decks. All steps and decks must be constructed in a good and competent manner. Alpine Oaks Estates is in a fire zone, so please make sure that you choose the appropriate building material.

Management may establish further architectural standards for all homes in the Community. When new architectural standards are established, Management may defer compliance by existing homes for a reasonable amount of time.

E. AIR CONDITIONERS or EVAPORATIVE COOLERS. These must be in good operating condition and must not make excessive noise that will be disturbing to any other Residents. Window air conditioners are prohibited. Exterior whole house type air conditioners with ducting must have written approval from Alpine Oaks Estates prior to installation. One (1) high efficiency evaporative cooler (swamp/water cooler) is acceptable. Units may be mounted on the roof or can be located in the rear 2/3 of the home. Units may not be installed in the front of the home or be visible from the street. Electric heating and water heaters are not allowed. They must be converted to propane.

F. EXTERIOR STORAGE BUILDINGS. Any exterior storage structures must be approved by Alpine Oaks Estates and should not have a floor area of greater than 120 square feet or exceed 10 feet in height. This is providing that there is ample space to install said structures. Storage buildings must be constructed of anodized aluminum, or lap vinyl or Hardy siding and must be a manufactured building that meets the Community architectural and location requirements is approved by Management. Home built storage buildings or steel storage buildings are not allowed.

G. LATTICE IS NOT ALLOWED.

6. FENCES

Fences are prohibited without Manager or Park Owner's written approval. Unapproved fences are required to be removed.

7. SATELLITE DISHES/ANTENNA

Satellite dishes/Antenna measuring one meter or less in diameter designed to receive direct broadcast satellite service, direct-to-home satellite service, fixed wireless signals (with or without satellite), wireless cable, and local TV broadcast signals should be installed in the rear 1/3 of the home. Every effort must be made to lessen visibility from the street and minimize visual impact to your neighbor.

The Satellite dish/antenna should not be higher than what is necessary to establish line of sight contact with the transmitter, and never higher than 3 feet above the roof at the highest point. Management must approve in writing all antenna locations and heights. If trees block the signal it is the homeowners' responsibility to remove the tree with written approval from the management.

8. LANDSCAPING.

Landscaping of home sites or changes to existing landscaping shall be completed within (60) days of the date Resident signs the rental agreement or first occupies the home. Prior to commencing any landscaping, Resident must submit a detailed landscaping plan to Management for written approval.

The following are landscaping guidelines to be followed by Residents:

A. Remember, a landscape plan must be submitted to Management for review and approval in writing before work may begin.

B. All landscaping area on the home site is required to be covered with acceptable materials. Acceptable materials include shrubs, plant material or rock. If Resident decides to use decorative rock, the color must be approved in written by Park Management. Resident should have an underlining of thick black plastic or fabric for weed control. WHITE OR GREEN rock is not permitted.

C. Artificial plants or flowers are not allowed.

D. Residents are encouraged to install evergreen ground cover, flowers and small shrubs. Bermuda grasses or other winter dormant grasses are not allowed.

- E. The trimming of all shrubs, vines and bushes in a manner that maintains an attractive shape or prevents such plants from being excessively high or brushing against a neighbors' home or awning.
- F. The trimming and maintenance of all landscape plants in a manner that prevents them from developing a root structure that causes cracking or buckling or otherwise interferes with the streets, driveways or other community facilities.
- G. Use of any odorous manures or odorous chemical fertilizers is prohibited.
- H. Waterfalls, fountains, statuary and other forms of decor are permitted only with Management's approval.
- I. No trees shall be planted without Management's written approval.
- J. Lawns must be irrigated with an underground sprinkling system that does not spray water onto the Community's street, or neighbors' home site.
- K. Lawn must be mowed as needed to maintain a neat appearance. If you fail to maintain your lawn, Alpine Oaks Estates will landscape the yard with decorative rock at your expense.
- L. Resident shall not remove any plants upon the sale or removal of the home without Managements approval.
- M. Home site shall be kept free of weeds and debris at all times.
- N. It is the responsibility of the Resident to arrange for someone to maintain the home site when away.

9. HOME SITE

A. STORAGE

Manufactured outdoor patio furniture may be used on the patio, deck, yard or other portions of the home site. Household furniture is never allowed outside on decks or other home site areas. Barbecues are not allowed on porches or in the front yards. Trash cans, bicycles and toys should be out of sight and not visible from the street.

Storage of anything beneath, behind or on the outside of the home is not allowed. This includes but is not limited to storage of boxes, trunks, camper shells, wood, pipe, bottles, garden tools, mops, exercise equipment, ladders, paint cans or items that are unsightly in appearance, as is determined by management.

No towels, rugs, clothing, or laundry of any description may be hung outside of the home.

Anything, which creates a threat to health and safety, shall not be permitted on the home site. No flammable, combustible, or explosive fluid, material, chemical, etc may be stored on the home site.

B. DAMAGE

If any portion of the exterior of the home, its accessory equipment, or structures, is damaged, the damage must be repaired or replaced within twenty (20) days. This includes, but is not limited to, the siding, awning supports, downspouts, skirting, porch or storage shed. If a Resident's home has not been repaired within a reasonable time after work has been commenced, the Resident may be required to remove the home from the Community and pay costs for said removal. Upon such removal, consult the Lease under which Resident occupies the home site.

C. CONCRETE

All concrete surfaces must be kept clean and free of oil and all other sticky or oily substances. Concrete driveways and slabs, which are damaged by Resident, must be repaired at Resident's expense.

D. STREETS

Resident shall keep the street area and gutter in front of their home site free from debris and weeds.

E. UTILITY PEDESTAL

The utilities must be accessible at all times. Nothing should impede the utility area. If meter readers cannot read meters due to a locked gate or stored items in the way...If one of the main line water shut-off valves is located on Resident's home site, it must be kept uncovered.

10. TRASH, GARBAGE AND LIQUID DISPOSAL

All homes are required to have a sink garbage disposal. Grease, coffee, tissue, disposable diapers, or other inappropriate items, shall not be placed in the sewer system. Neither the Management nor any of Management's employees shall be responsible for damage done to any home because of stoppage or backing up of the sewer system due to any prohibited material. Resident acknowledges that this is difficult, if not impossible, to police and therefore waives any and all claims for personal injury or property damage caused by a stoppage due to the placement of prohibited material into the sewer system, by any persons, known or unknown.

Trash must be placed in tied plastic bags and deposited in designated bins. Combustible or hazardous material (e.g. tires, batteries, computer electronic equipment) cannot be placed in the bins. These items must be disposed of in a County approved disposal site.

State and local laws prohibit disposal of any hazardous liquids by pouring them down the drain or into the street/storm gutters.

11. PARKING

A maximum of two passenger cars or light pickup trucks may be parked on Resident's driveway. Vehicles may only be parked on the driveway, and not any other areas of the home site. Parking is not permitted on the streets of the Community. Parking is not permitted in vacant home sites. Residents may not park in spaces designated for guests (clubhouse) without Management's approval. Residents may use the guest parking if the Resident is using the recreational facilities or laundry room. Management has the right to restrict the number of vehicles guests bring into the Community. Non-compliance to any of the above may result in your vehicle being towed at your expense.

No parking of trailers, trucks, boats, inoperable automobiles, van campers, or other types of RV's are permitted in the driveway or in any area of the home site.

12. MOTOR VEHICLES, BICYCLES, AND OTHER MOTORIZED/NON-MOTORIZED TRANSPORTATION

13. CONDUCT

- Residents shall observe a quiet time from 10pm to 8am. Radios, televisions, record players, musical instruments and other devices must be used in a way that will not cause a disturbance to others.

Residents and their guests shall not encroach or trespass on any other home sites or upon any area that is not open for general use. All Community property, including, but not limited to, gas, electric, water and sewer connections and other equipment and tools of Management, shall not be used or interfered with in any way by the Resident or their guests.

Children (persons under the age of 18 years) must be quiet and orderly and shall not be allowed to play in the street, on the other Resident's property, on vacant home sites, or do anything that might be a cause for complaints.

Residents are responsible for guests and must acquaint all visitors with the Community Rules and Regulations. Children must be under the supervision of an adult Resident when in the Community and when using Community facilities such as the clubhouse and pool.

The violation of any law or ordinance of the City, County, State or Federal Government will not be tolerated. No conduct shall be permitted which would place Management in violation of any law or ordinance.

22. FIXTURES AND REMOVAL OF HOME

All landscaping, structures, or other improvements permanently attached to or embedded in the ground become a part of the realty upon their installation and belong to the Community. Residents vacating the home site shall leave such improvements, which are to be surrendered along with the site itself. Management may also require the Resident to remove any/all items at their own expense. Resident shall repair any damage to the home site caused by the removal, including, but not limited to, the filling in and leveling of holes or depressions and shall leave the home site in a neat and presentable condition. Upon removal of home, awning augers or anchors need to be removed from ground or concrete slab. If homeowner wishes to remove home, a \$500.00 clean up fee will be paid in advance.

23. PROCEDURE FOR COMPLAINT

In an effort to serve you better all complaints need to be in writing and signed by the person making the complaint.

24. COMMUNITY OFFICE AND EMERGENCIES.

In an emergency, call 911. Management office hours are posted to allow Residents to conduct business during those hours. After hours calls should only be for Park emergencies. The Community's office phone is for business and emergency use only, not personal calls.

EXECUTION AND ACKNOWLEDGMENT: Resident acknowledges having read the Rules and Regulations, and agrees to be bound by all the terms and conditions herein contained.
