Roofing Warranty Certificate

AWARDED TO

Dean McNulty

Foambond Corp. extends a materials and labor warranty of eight years. Foambond Corp. will not be held liable for consequential or incidental damages from any subsequent leaks and/or subsequent damage to interior of structure. Foambond Corp. will not be liable for, but not limited to, improper design, improper installation, previous repairs, out of production product, product availability, natural disaster occurrences, vandalism, misuse, or any other accident, occurrence or event other than normal use of the roof. Foambond Corp. also limits this warranty to roof repairs only. Foambond Corp. shall determine the method and extent of repairs. Best efforts will be used to match color or brand. However, due to product no longer being produced it may not be feasible to install a like product. Inspectors reserve the right to use any material to repair the roof and stop the leak (if any). Inspector is not obligated to make repairs on a roof which has been altered, modified, or damaged in the course of pest control, air conditioning work, remodeling, or repairs attempted by the client or others.

PROPOSAL AND CONTRACT

Contractor: FoamBond Corp A California Corporation
Buyer: Dean McNulty
Job Address: 566 E. La Flor Palm Springs, CA 92264
Telephone: 503-999-1946

FOAMBOND proposes to install polyurethane foam roofing system in accordance with the following scope of work at the above noted address on app. 2,727 sq. feet.

POLYURETHANE FOAM OVER EXISTING ROOF

PREPARATION:

1. Clean surface of existing roof of all loose gravel, dirt and debris
2. Buckles, blisters, fish mouths and wrinkles shall be fastened or cut out
3. Replace damaged plywood and dry rot as needed at \$1.85 a square foot
4. Cut back perimeter roof 6-8" from edge and drains 1' radius down to substrate
5. Replace Two 27x19 and two 26x26 skylights
6. Install all new 24 GA drip edge metal
7. Install blocks under all conduit and water lines
8. Extend roof jacks as required to accommodate new urethane foam roof
9. Prime entire roof deck at 1 gallon per 250 sq. ft.
10. Mask all areas not to receive the foam application (wall's, A/C's, furniture, etc.)

URETHANE FOAM APPLICATION:

11. Spray/apply a minimum of 1" of 2.7 to 3.0 lbs. nominal density uniformly foam to entire roof deck and parapet walls, spray foam will be built up and sloped toward scupper/drains
12. Foam surface will be a smooth monolithic surface orange peel, free of tree bark, bumps, pinholes and ridges
13. Add foam build up in low areas to improve severely pond conditions
14. Grind foam at drains/runoff areas to promote proper drainage

COATING APPLICATION:

15. Apply acrylic elastomeric caulking at roof penetrations as a secondary sealant to foam
16. Apply a high solids acrylic elastomeric gray basecoat at 1-1/2 gallons per 100 sq. ft.
17. Apply a high solids acrylic elastomeric white topcoat at 1-1/2 gallons per 100 sq. ft
18. Add fire white ceramic roofing granules at 40lb per 100 sq. feet on top of wet coating

FINAL WORK:

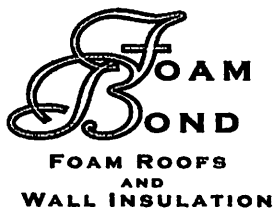

19. Remove all masking materials and overspray protection
20. Remove all job related trash from job sites and clean up after daily production
21. Perform a final job walk with the Owner or Owner's representative

WARRANTY:

22. FoamBond warranties all labor and materials for a period of Eight years. The warranty is renewable at the end of the term.

Price and payment terms: 10% upon acceptance of contract and Balance due on job completion.

TOTAL PRICE FOR THIS WORK AND MATERIALS IS: 11,380.00

Approved and Accepted by Owner:

Upon payment for any portion of the work specified in this agreement, RESTORA shall furnish the owner/customer upon request with full and unconditional release from any claim or mechanics lien, for the segment of this project for which payment has been made. If bills are not paid for labor, services and/or materials furnished for this project, a mechanic's lien can be filed and will be enforced.

All payments are due and payable as outlined below. All claims, disputes or controversies shall be submitted to a binding mediation or arbitration. All unpaid balances shall bear interest at a rate of 3% per month, until resolved or settled.

PAYMENT SCHEDULE:

50%	\$ 1,141.00	Upon commencement
50%	\$ 1,141.00	Upon completion

WE ACCEPT VISA, MASTERCARD AND DISCOVER

(3% interchange fee will be applied)

NOTE: Relocation or moving of owner/customer's personal property, furniture or appliances, reinstalling of appliances or cleaning of interior dwellings ARE NOT INCLUDED IN THIS CONTRACT. Arrangements can be made for RESTORA to perform such moving, provided the owner/customer agrees to assume liability for any damage or loss and payment of completed contract has been satisfied in full.

ACCEPTANCE OF CONTRACT:

I have read, understand, accept and agree to the terms, prices, specifications and conditions that are set forth in this agreement. I represent that I am the owner/customer or authorized property manager for aforementioned property and hereby authorize work to be completed as specified. Payments are to be payable in the amount and on the terms specified in this agreement.

CONTRACT

Name: Dean McNulty	Start Date: 10/23/20
Address: 566 E. Flor Circle	Phone: 503.999.1946 or 541.325.5287
City: Palm Springs	Fax/Email: dean_mcnulty@hotmail.com
Community:	Total Contract: \$2,282.00

SCOPE OF WORK	SQ. FT.	AREA	SPECIAL INSTRUCTIONS
Clean, re color to match tile and seal	474	Back patio	
Install drain and run to grass (like existing)	20 lin. Ft.	Back patio at low spot	

GUARANTEE: 5-year renewable guarantee against peeling, bubbling or lifting of RESTORA'S polykrete overlay. If RESTORA is contracted to clean and seal every 5 years, guarantee can be renewed every 5 years for the lifetime of the overlay. Any other issues prior to renewal will be addressed at time of guarantee renewal. Stains carry a 3-year renewable guarantee. If RESTORA is contracted to clean and seal on work completed by another contractor, RESTORA'S guarantee will cover any new color and/or sealer only. Deco seal, or replacement of same, calcium build-up (due to sprinkler overspray) and cracks are excluded from guarantee. RESTORA cannot extend guarantee on cracks for the following reasons: (1) any unknown pre-existing structural inefficiencies, (2) earthquakes, (3) excessive concentrated surface pressure from heavy equipment. In most cases, RESTORA shall use best efforts to prevent further cracking with parallel expansion joints at repaired crack areas.

EXCLUSIONS: Sub grade preparation or compaction to +.10 or to balance walls, base material, water, power, handrails or placement of same, coring, sleeves, grates or frames, contrasting step nosing, bond premium, premium time, protection after working hours, curbs of any type, caulking, backfill, dowels or placement of same, permits, testing and/or inspection costs are excluded. Owner/customer agrees to modify sprinkler systems in regions of scheduled work and will otherwise arrange for all necessary watering of greenery affected by the deceased sprinkler systems. RESTORA does not assume responsibility for outdated or pre-existing faulty electrical wiring, plumbing systems or pool equipment during the phase of work on this project. Notice of defect, hazard or code violations shall be given to owner/customer. RESTORA shall not be responsible for accidental removal of or damage to existing finishes or painted areas as a result of masking tape application. Any loose or broken tile from restoration or replacement of coping or cantilever is not covered by RESTORA. RESTORA may be contracted to replace tiles at owner/customer's expense. Anti-slip is applied to all sealer finishes and RESTORA will not be held liable for any accidental slips and/or falls. Caution is recommended around all wet surfaces. Rubber mats and/or ceramic pots should not come into direct contact with overlay surface, as it can prevent ventilation and cause covered areas to cloud. All color approvals are final. There will be a charge for any color changes after approval and will be billed accordingly.

All materials are guaranteed to be as specified and all work will be conducted in a workmanlike manner in accordance with standard construction practices. Owner/customer has the right to compel RESTORA to have a performance and payment bond. Proposed cost of such bond is 1/5% of the contract price. Owner/customer agrees to carry fire, hurricane or other necessary insurance. RESTORA employees are covered by Security National Insurance Company. California state law "Requires that anyone who contracts to perform work, be licensed by the Contractor's State License Board in the license category in which the contractor will be working if the cost of the work to be performed is \$300.00 or more (including labor and material). All licensed contractors are regulated by laws designed to protect the public. If you contract with someone who is not licensed, the Contractor's State License Board may be unable to assist you with a complaint. Your only remedy against an unlicensed contractor may be in civil court and you may be liable for damages arising out of any injuries to the contractor or his/her employees. You may contact the Contractor's State License Board to find out if this contractor has a valid license."
