Spectacular Southern Views ~ Chaparral Country Club

This beautifully updated/partially REMODELED condominium home is situated ideally within the guard-gated, private country club community of Chaparral Country Club, and is just a short distance to one of the many community pools/spas. You'll love the light and bright interior and fully REMODELED KITCHEN but it's the views that will take your breath away. You'll enjoy outstanding, panoramic views of the San Jacinto mountain range while watching all the action on the 3rd Hole of the Ted Robinson designed golf course right outside your very own patio...it's one of the most outstanding locations within the community and boasts preferred SOUTHWEST sun exposure for ideal sunshine during the winter months. The floor plan has a wonderful flow and offers 2 spacious bedrooms, 2 luxurious baths, a center atrium which allows tons of natural light to pour into the space, and an attached 2-CAR GARAGE. All homeowners at Chaparral CC are social club members and may enjoy all the activities and amenities of the community, like the full-service restaurant & lounge, *an 18-hole executive golf course (*applicable fees), fully-equipped fitness center, six (6) lighted tennis/pickleball courts and an activities center. The HOA dues cover 24-hour guard-gated entry with roving patrol, cable TV & internet, general & earthquake insurance, 21 pools & spas (all heated), roofs, trash and exterior maintenance.
