Please bring your current card with you when renewing. If you do not present your card at the time of renewal, it will be considered lost or stolen and you will be required to pay a replacement fee.

## Determining Residency

Residency is determined by a person's primary residence according to California Vehicle Code, Section 12505. Resident Golf Cards will only be issued to residents who qualify by providing proof of this status. Residency is not automatically established by ownership of property in Palm Desert, nor is it based on ownership of or employment with a Palm Desert business.

## Proof of Residency Criteria

All applicants must provide the following documentation to obtain the Resident Golf Card:

1. Valid California Driver's License (CDL) or California Identification Card (CID) with a physical Palm Desert address; and
2. Current utility bill, i.e., gas, water, or electric (not more than 30 days old/non-commercial properties) reflecting the Palm Desert service address.

\*Both the CDL/CID and utility bill must reflect the same name and physical Palm Desert address.

Applicants who do not have a valid California Driver's License (CDL) with a Palm Desert address may obtain a California Identification Card (CID) issued by the Department of Motor Vehicles (DMV). If the CDL/CID reflects a different address than that on the utility bill, the applicant must change his/her address on record with the DMV and obtain a current certified copy of his/her driver's record on official DMV letterhead reflecting the updated address. No handwritten "Change of Address Certificate (DL43)" cards will be accepted.

## Other Individuals in the Home Spouse/Dependents

A spouse must show a CDL/CID with a physical Palm Desert address. A spouse's utility bill is acceptable, but it must reflect the same last name. If the last names are different, the unnamed spouse must provide a bank statement or other most recent official mail in lieu of a utility bill along with their CDL/CID.

Proof of residency for children and dependents up to age 23 must be provided by one of the following:

1. Student ID or registration documentation from a Coachella Valley school/college and legal documentation reflecting that the child is the resident's dependent, as well as the parent/guardian's proof of residency; or
2. Child/dependent's CDL/CID with a Palm Desert address and parent/guardian's proof of residency reflecting the same address.

NOTE: If last name of the child/dependent applying for the card is different from the parent/guardian, legal documentation that the child is the resident's dependent must be provided.

## Roommate or Significant Other

A roommate or significant other must show a CDL/CID with a physical Palm Desert address. If the individual does not pay the utility bills, a bank statement or other most recent official mail must be provided with the CDL/CID.

## Desert Willow Rates for Non-Residents

Non-residents pay Desert Willow's established seasonal rate. Green fees are subject to change without notice. For additional information on green fees contact Desert Willow Golf Resort.

## Appeal Process

Palm Desert residents with a P.O. Box or a non residential physical address listed on their CDL/CID may request an appeal by providing a written statement addressed to the City of Palm Desert as to the circumstances/reasoning for the appeal along with the following documentation:

1. Property tax bill reflecting physical Palm Desert address (no more than one year old);
2. Copies of three (3) months gas, water, and electric bill statements listing the applicant's name and Palm Desert service address (no exceptions); and
3. Proof as to why a CDL/CID with resident's physical Palm Desert address cannot be obtained.

NOTE: Appeal process is for residents with a legitimate reason for not listing their physical Palm Desert address on their CDL/ CID (e.g. public safety personnel or for safety reasons).
